Due to the outbreak of COVID-19 in our State and the Governor’s “Stay at Home” order, the Legislative Auditor’s Office is currently unable to bring the remaining 2020 Millage Workshops to you in person.

Therefore, we have assembled 5 short presentations that collectively review the material in the current [Setting Millage Rates](#) book. Please take a moment to find the Setting Millage Rates book on the LLA’s website and print it out. This will allow you to follow along while also making notes in the corresponding sections of the Setting Millage Rates book.

We hope you find this online version of the Millage Workshop useful.

Please note that all LLA employees are working remotely. As always, you are free to email me at jgarrison@lla.la.gov or call me directly at (225) 339-3940 or the LLA’s Legal Services at (225) 339-3871 with any questions regarding the millage process and we will get back with you as soon as possible.

In addition, the LLA has posted a new FAQ on the COVID-19 crisis. Please feel free to check out the new FAQ for questions and answers directly related to COVID-19.

Please stay safe as we navigate this unprecedented crisis.

Thank you,
