As part of our audit of the State of Louisiana's financial statements for the year ending June 30, 1997, we conducted certain procedures at the Louisiana Technical College, Slidell Campus. Our procedures included (1) a review of the technical college's internal controls; (2) tests of financial transactions for the years ending June 30, 1997, and June 30, 1996; and (3) tests of adherence to applicable laws, regulations, policies, and procedures governing financial activities for the years ending June 30, 1997, and June 30, 1996.

The Annual Fiscal Reports of the Louisiana Technical College, Slidell Campus are not within the scope of our procedures, and, accordingly, we do not express an opinion or any other form of assurance on those reports. The technical college's accounts are an integral part of the State of Louisiana's financial statements, upon which the Louisiana Legislative Auditor expresses an opinion.

Our procedures included interviews with management personnel and selected technical college personnel. We also evaluated selected documents, files, reports, systems, procedures, and policies as we considered necessary. Based upon the application of the procedures referred to previously, there were no significant findings to be included in this report.

This report is intended for the information and use of the technical college and its management. By provisions of state law, this report is a public document, and it has been distributed to appropriate public officials.

Respectfully submitted,

A handwritten signature in cursive script that reads "Daniel G. Kyle".
