Independent Auditors' Report

**To the Board of Directors
Crimestoppers, Inc.
Metairie, Louisiana**

Opinion

We have audited the accompanying financial statements of Crimestoppers, Inc., which comprise the statement of financial position as of December 31, 2022 and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of Crimestoppers, Inc. as of December 31, 2022 and its support, revenue and expenses, cash flows, and functional expenses for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Crimestoppers, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

(318) 397-2472 Phone

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Crimestoppers Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Crimestoppers, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Crimestoppers, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of compensation, benefits, and other payments to the agency head or chief executive officer on page 13, and justice system funding schedule - receiving entity on page 14 are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial

statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 28, 2023 on our consideration of Crimestoppers, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Crimestoppers Inc.'s internal control over financial reporting and compliance.

CRIMESTOPPERS, INC.

Notes to the Financial Statements

December 31, 2022

(1) Nature of Business

Crimestoppers, Inc. (the Organization) is a 501(c)(3) non-profit serving a nine-parish region of Southeastern Louisiana. To foster a safe community, the Organization's mission is to prevent and solve crime by providing educational crime prevention programs for youth and adults, and by assisting Law Enforcement Agencies in identifying and arresting criminal suspects through anonymous tips by citizens.

(2) Summary of Significant Accounting Policies

(a) Financial Statement Presentation

The Organization's financial statements are presented using accounting principles generally accepted in the United States of America (GAAP). The net assets of the Organization are classified as both net assets without restrictions or net assets with restrictions.

(b) Net Assets Without Restrictions

Net assets without restrictions are net assets that are not subject to donor-imposed or legal stipulations.

(c) Net Assets With Restrictions

Net assets with restrictions are net assets that include contributions subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time. These assets also include public funds received from various courts that are restricted for specific purposes by state law. When a restriction expires with donor-imposed funds, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Net assets for which the restriction is met in the year received are shown as unrestricted support and expense in the year of receipt.

(d) Functional Allocation of Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

(e) Cash & Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all investments purchased with a maturity of three months or less to be cash equivalents.

(f) Economic Dependency

The primary sources of revenue for the Organization are private contributions, court fees, grants, and fundraising activities. The continued success of the Organization is dependent upon the continued receipt of private contributions, court fees, grants, and monies from fundraising activities.

CRIMESTOPPERS, INC.

Notes to the Financial Statements

December 31, 2022

(g) Revenue Recognition & Receivables

The Organization recognizes all contributed support as income in the period received. The Organization recognizes all grants and court fees as revenue when earned. Contributed support is reported as unrestricted or temporarily restricted depending on the existence of donors' stipulations that limit the use of the support. Due to the nature of the grant and court fee receivables, there was no allowance for uncollectible amounts recorded at December 31, 2022.

(h) Property & Equipment

Property and equipment are recorded at cost (or fair market value for donated assets) and depreciated using the straight-line method over the estimated useful lives of the related assets. The Organization capitalizes purchases of property and equipment in excess of \$1,000. Expenditures for maintenance, repairs, and minor renewals are expensed as incurred.

(i) Estimates

The preparation of financial statements in conformity with generally accepted accounting principals requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(j) Fair Values of Financial Instruments

Generally accepted accounting principles require disclosure of fair value information about financial instruments for which it is practicable to estimate fair value, whether or not recognized in the statement of financial position. Cash and cash equivalents carrying amounts reported in the statement of financial position approximate fair values because of the short maturities of those instruments.

(k) Advertising & Marketing Costs

Advertising & marketing costs are expensed as incurred. Advertising and marketing expense for the year totaled \$98,651.

(l) Concentrations

The Organization occasionally maintains cash and cash equivalents on deposit at financial institutions in excess of the federally insured limits. Accordingly, at times the deposits are uninsured and uncollateralized. The organization has not experienced any losses in such accounts and believes its cash is not exposed to any significant credit risk.

(3) Liquidity and Availability of Financial Assets

The Organization monitors its liquidity so that it is able to meet its operating needs and other contractual commitments while maximizing the investment of its excess operating cash. The Organization's primary sources of support are contributions, special events revenue, and court fees. Contributions are typically given without donor restrictions. Special events revenue

CRIMESTOPPERS, INC.

Notes to the Financial Statements

represents fundraising activities for which the proceeds have no restrictions. Court fees are restricted by law (Note 5).

The following table reflects the Organization's financial assets (cash & cash equivalents and certificates of deposit) as of December 31, 2022:

Financial assets available within one year and free of donor or legal restrictions	
Cash & cash equivalents	\$ 2,088,524
Certificates of deposit	<u>206,158</u>
Available without restrictions within one year	2,294,682
Financial assets available within one year, subject to donor or legal restrictions	
Cash & cash equivalents	657,340

Financial assets with liquidity restrictions greater than one year, and subject to or legal restrictions	
Certificates of deposit	<u>109,475</u>
Total financial assets	<u>\$ 3,337,874</u>

(4) Property & Equipment

Property & equipment is summarized as follows:

Furniture, fixtures and equipment	\$ 38,820
Less accumulated depreciation	<u>(38,820)</u>
Property & equipment, net	<u>\$ -</u>

Depreciation and amortization expense amounted to \$0 in 2022.

(5) Net Assets With Restrictions

Court Fees

Pursuant to Legislative Act 337 of 2004 – Revised Act 50, when a criminal defendant of any criminal offense or any traffic offense in any court is convicted of an offense, and a crime stoppers organization exists within the territorial jurisdiction of the court and certified by the chief law enforcement agency, the court shall assess a \$2.00 fee for each offense, and shall be in addition to all other fines, penalties, and fees imposed by the court. The court cannot suspend the payment of this fee and is required to transfer the fees to the crime stoppers organization at least annually.

CRIMESTOPPERS, INC.

Notes to the Financial Statements

December 31, 2022

All funds received by the crime stoppers organization through this fee are required to be used solely for the purposes of paying rewards to individuals who provide information on criminal activity to the crime stoppers organization for the operation of a hot line used for receiving that information and for other purposes which are directly related to obtaining information on criminal activities. The funds received from the courts shall be placed in a separate account reserved for any outstanding reward payments, and other approved purposes according with the bylaws.

Grants

As of December 31, 2022, the Organization has net assets with restrictions associated with grants and contributions for the safe school program, crime screens, and youth crime prevention amounting to \$35,490.

(6) Net Assets Released from Restrictions

At the beginning of the year, the Organization had \$1,137,221 of net assets with restrictions. During 2022, the Organization received additional net assets with restrictions (court fees and grants) totaling \$191,940. Restrictions were met for \$362,784 of these funds during the year.

(7) Refundable Supplemental Rewards & Supplemental Rewards Received – Not Refundable

Refundable Supplemental Rewards consist of amounts of \$1,000 and greater, are subject to contract, and are refundable to the donor upon request. These amounts are recorded as liabilities by the Organization when they are received. As of December 31, 2022, refundable supplemental rewards amounted to \$119,559.

When a refundable supplemental reward is refunded, the Organization retains 20% of the original amount received and records the amount retained as supplemental rewards received – not refundable and refunds the remainder. Supplemental rewards received – not refundable also include amounts less than \$1,000 or with no contract and refundable supplemental rewards for which the contract period has expired and the donor did not request a refund. The amount of supplemental rewards received – not refundable are recorded as an increase to unrestricted net assets. For the year ended December 31, 2022, the amount of supplemental rewards received – not refundable amounted to \$4,600.

(8) Income Taxes

The Organization is a tax-exempt corporation under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provisions for federal and state income taxes have been recorded in the accompanying financial statements. The Organization Form 990, Return of Organization Exempt from Income Tax, for the years 2019, 2020, and 2021 are subject to examination by the IRS, generally for three years after they were filed. The 2022 Form 990 has not been filed as of the date of these financial statements.

(9) Concentrations of Credit Risk

Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of cash and cash equivalent accounts in financial institutions. At certain times, portions of the deposits are uninsured and uncollateralized. The Organization has not experienced any losses in such accounts and believes its cash is not exposed to any significant credit risk.

CRIMESTOPPERS, INC.

Notes to the Financial Statements

December 31, 2022

(10) In-Kind Donations

The Jefferson Parish Sheriff's office provides office space, meeting space, utilities, and telephone at no cost to the Organization. The value of these benefits has not been recorded in the financial statements since the related amounts have not been determined.

(11) Pension Plan

Starting January 1, 2013, the Organization adopted a 401(k) plan that covers the Executive Director and two other eligible employees. Contributions to the plan for the year ended December 31, 2022 were \$35,961.

(12) Lease of Automobile

During 2022, the Organization leased an automobile under a lease agreement classified as an operating lease. Rent payments under the lease amounted to \$5,799 for the year ended December 31, 2022.

Future minimum lease payments under the lease are as follows:

<u>Year</u>	
2023	\$ <u>966</u>
Total future minimum lease payments	\$ <u><u>966</u></u>

(13) Evaluation of Subsequent Events

The Organization has evaluated subsequent events through June 28, 2023, the date which the financial statements were available to be issued.

**Independent Auditors' Report on Internal Control Over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards***

**To the Board of Directors
Crimestoppers, Inc.
Metairie, Louisiana**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Crimestoppers, Inc. (a non-profit corporation), which comprise the statement of financial position as of December 31, 2022 and the related statements of activities, cash flows, and functional expenses for the year then ended and the related notes to the financial statements, and have issued our report thereon dated June 28, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
