Boards, Commissions, and Like Entities Annual Report to the Legislature as of June 30, 2024

September 2024

Audit Control # 80240086

Summary

The purpose of this report is to summarize information provided to the Division of Administration (Division) by boards, commissions, and like entities (Boards). Louisiana Revised Statute (R.S.) 24:513.2(E) requires the Legislative Auditor to submit annually to the Legislature a report containing summary financial information and personnel data on Boards included in the database. The statute provides for the Legislative Auditor to report findings and recommendations resulting from an analysis of the information. Our findings and recommendations are categorized as follows:

- **Boards & Commissions Website** – The Boards & Commissions website is located at <https://wwwcfprd.doa.louisiana.gov/boardsandcommissions/home.cfm>. The accuracy of the information available is solely dependent upon the timeliness and accuracy of the Boards' data entry.
- **Number of Boards Reported** – As of June 30, 2024, the website contained information on 491 Boards, which is a net increase of eight from the previous year.
- **Boards Providing No Response** – We identified 13 Boards that did not respond to requests for personnel data and financial information. The Division sent notices of noncompliance to the respective legislative committees as required by R.S. 49:1301. One of the Boards also failed to respond to requests in the prior year. The Legislature may wish to consider taking action against Boards that fail to comply with the reporting requirements in state law.
- **Inactive Boards** – We identified 18 inactive Boards that do not appear to be fulfilling their established functions. 12 of these inactive Boards were also identified as inactive in the prior year. We recommend that the Legislature consider abolishing these Boards or taking other actions (additional legislation, appropriations, or board appointments) to assist them in fulfilling their established function.
- **Board Activity** – We identified 34 Boards that reported their status as active but have not reported any meeting notices or minutes subsequent to December 31, 2020. Also, six of these Boards have no board members identified on the website. We recommend that the Division

continue to work with these Boards to ensure they are appropriately reporting their status and complying with the reporting requirements in state law to make their meeting notices and minutes available on the website.

- **Board Per Diem, Salaries, and Travel Expenses** – For fiscal year 2024, Boards budgeted approximately \$1.6 million for Board member per diems, \$2.8 million for Board member salaries, and \$2.3 million for Board member travel expenses.

Boards & Commissions Website

R.S. 49:1301 requires the Commissioner of Administration to establish and maintain a website containing information on Boards:

<https://wwwcfprd.doa.louisiana.gov/boardsandcommissions/home.cfm>.

The accuracy of each Board’s self-reported information available on this website is solely dependent upon the timeliness and accuracy of each Board’s data entry. As a result, anyone attempting to access information about current budgets or expenses for a specific Board may instead retrieve information that is outdated or inaccurate.

We recommend that the Division continue to work with our office regarding the identification of Boards to be added or removed from the database and the form and content of the database fields. We are available to meet with the Division to discuss updates and/or improvements to the website database.

Number of Boards Reported

As of June 30, 2024, the website contains information on 491 Boards (see Appendix B), which is a net increase of eight from the previous year. This net figure reflects the addition of 10 Boards and the removal of two Boards.

The 10 Boards added include nine new Boards created during the 2023 legislative sessions and one existing Board not previously included in the database. Boards added to the database during the year ended June 30, 2024, are as follows: Acadiana Regional Juvenile Justice District; Acadiana Watershed District; Evangeline Economic Development Authority; Louisiana Music Trail Commission; Louisiana State University Economic Development District; North Lake Charles Economic Development District; River Parishes Juvenile Justice District; Sewerage and Water Board of New Orleans; Southern University Economic Development District; and St. Martin Special Medical District.

The University Security District; Victoria Farms Crime Prevention and Improvement District; and Glen Oaks Area Crime Prevention and Improvement District created during the 2023 regular legislative session have not yet been added to the database because the Division has been unable to obtain contact information for the Boards.

The two Boards removed include one that was abolished during the 2023 regular legislative session and the other abolished by an expiration of a former Governor's Executive Order. Boards removed from the database during the year ended June 30, 2024, are as follows: Broadband for Everyone in Louisiana Commission and Mid City Economic Development District.

The effects of the laws enacted during the 2024 Regular Legislative Session are not reflected in the database as of June 30, 2024. Any new or abolished Boards resulting from the 2024 Regular Legislative Session will be added or removed prior to the 2025 reporting period.
