### **Independent Auditor's Report**

To the Board of Directors Child Advocacy Services, Inc. Hammond, Louisiana

### Report on the Audit of the Financial Statements

### **Opinion**

We have audited the accompanying financial statements of Child Advocacy Services, Inc. (a nonprofit corporation), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Child Advocacy Services, Inc. as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Child Advocacy Services, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Child Advocacy Services, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood, that individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
  that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of Child Advocacy Services, Inc.'s internal control. Accordingly, no such opinion
  is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Child Advocacy Services, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information which includes the combined statement of activities and schedule of

compensation, benefits and other payments to agency head or chief executive officer, is not a required part of the basic financial statements. The Accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information and the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

### Other Matter - Summarized Comparative Information

We have previously audited the Child Advocacy Services, Inc.'s December 31, 2021 financial statements, and we expressed an unmodified opinion on those audited financial statements in our report dated May 24, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2022 is consistent, in all material respects, with the audited financial statements from which it has been derived.

### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 28, 2023, on our consideration of Child Advocacy Services, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Child Advocacy Services Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Child Advocacy Services, Inc.'s internal control over financial reporting and compliance.

### Note A - Summary of Accounting Policies

A summary of the Corporation's significant accounting policies consistently applied in the preparation of the accompanying financial statements follow:

### 1. Nature of Activities

Child Advocacy Services, Inc. was organized to give voice, healing, and security to children in Louisiana, primarily in the Florida parishes region.

### 2. Presentation of Financial Statements

The corporation's statements have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America. The financial statements are presented in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codifications (ASC) 958 dated August 2016, and the provisions of the American Institute of Certified Public Accountants (AICPA) "Audit and Accounting Guide for Not-For-Profit Organizations" (the "Guide").

Under the provisions of the Guide, net assets and revenues, and gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified as follows:

<u>Net assets without donor restrictions:</u> Net assets that are not subject to donor-imposed restrictions may be expended for any purpose in performing the primary objectives of the Organization. The Organization's board may designate assets without restrictions for specific operational purposes from time to time.

<u>Net assets with donor restrictions:</u> Net assets subject to stipulations imposed by donors, and grantors are considered donor restricted. Some donor restrictions are temporary in nature, those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

When a restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Donor-restricted contributions and grants whose restrictions are met in the same reporting period are reported as net assets without donor restrictions. Donations of property and equipment are recorded at their estimated fair value at the date of donation.

### Note A - Summary of Accounting Policies - Continued

### 3. Measure of Operations

The statement of activities reports all changes in net assets, including changes in net assets from operating and non-operating activities. Operating activities consist of those items attributable to the Corporation's ongoing activities. Non-Operating activities are limited to the sources that generate return from investments and other activities considered to be of a more unusual or nonrecurring nature.

### 4. Revenue Recognition

Grant revenue is recognized as it is earned in accordance with approved contracts. Contributions are recognized as income in the period received and is reported as unrestricted or restricted depending on the existence of donor stipulations that limit the use of the support. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, also when grant services are performed, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activity as "net assets released from restrictions." When grant expenditures are made in the same period that grant revenues are received, grant revenues are classified as net assets without donor restrictions.

### 5. Property and Equipment

Property and equipment acquired by Child Advocacy Services, Inc. are considered to be owned by Child Advocacy Services, Inc., however, State and Federal funding sources may maintain an equitable interest in the property purchased with grant funds as well as the right to determine the use of any proceeds from the sales of these assets.

Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose.

Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support.

Child Advocacy Services, Inc. follows the practice of capitalizing, at cost, all expenditures for property and equipment in excess of \$5,000. Depreciation if provided for in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives, principally on the straight-line method. Leasehold improvements are capitalized and amortized over the life of the lease.

### 6. Estimates

The preparation of financial statement in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

### Note A - Summary of Accounting Policies - Continued

### 7. Fair Values of Financial Instruments

The carrying amounts of cash and cash equivalents reported in the statement of financial position approximate fair values because of the short maturities of those instruments.

### 8. Cash Equivalents

For the purpose of the statement of cash flows, the Corporation considers all investments with original maturities of three months or less to be cash equivalents.

### 9. Grants Receivable

The Corporation considers accounts receivable to be fully collectible since the balance consist of payments due under governmental contracts. If amounts due become uncollectible, they will be charged to operations when that determination is made.

### 10. Functional Allocation of Expenses

The expenses of providing program and other activities have been summarized on a functional basis in the statement of functional expenses. Some of those expenses have been allocated among the program and supporting services benefitted based on estimates by management of the costs involved.

### 11. Subsequent Events

Management has evaluated subsequent events through March 28, 2023 which is the date the financial statements were available to be issued.

### 12. Summarized Comparative Information

Summarized comparative information is presented only to assist with financial analysis. Data in these columns do not present financial position, results of operations or changes in net assets in conformity with generally accepted accounting principles.

### 13. Contributed Services

No amounts have been reflected in the financial statements for donated services. The Corporation generally pays for services requiring specific expertise. However, many individuals volunteer their time as trained and supervised community volunteers, appointed by a judge. These services do not meet the criteria for recognition as contributed services. Child Advocacy Services, Inc. receives more than 5,000 volunteer hours per year.

### 14. Change in Accounting Principles

The Corporation adopted FASB Topic 842, *Leases*, using the modified retrospective approach with January 1, 2022 as the date of initial adoption. The Organization elected the package of practical

expedients permitted under the transition guidance within the new standard, which among other things, allowed the Corporation to carry forward the historical lease classification. The change in principle had no effect on the prior period's net assets.

### Note B - Liquidity and Availability of Financial Assets

The Corporation's financial assets available within one year of the balance sheet date for general expenditures are as follows:

Cash	\$1,344,245
Receivables	205,192

Child Advocacy Services, Inc. maintains adequate operating revenue. The current financial assets, totaled \$1,549,437 on December 31, 2022, are available for general expenditures, that is without donor or other restrictions limiting their use.

As part of Child Advocacy Services, Inc.'s liquidity management, it maintains its current assets primarily in cash and cash equivalents.

### Note D - Operating Leases

Other than short-term leases, the Corporation is a party to three operating leases for office space.

As disclosed in Note A-13, the Corporation early adopted FASB ASC 842 due to the Corporation entering into long-term leases. These leases are required to be included on our statement of financial position under FASB ASC 842. As a result, adopting FASB ASC 842 had no impact to prior year statement of financial position information, and because these leases are operating leases, the adoption of this standard has no impact on the results of operations. The Corporation has elected to apply the short-term lease exception to all leases with a term of one year or less.

As of December 31, 2022, the right-of-use (ROU) asset had a balance of \$1,161,330, as shown on the statement of financial position; and the lease liability is \$1,161,330. The lease asset and liability were calculated utilizing the risk-free discount rate (3%).

The Corporation has the following short-term operating leases for office space:

The Corporation has a 1-year lease for office space in St. Francisville. The lease commences on February 1, 2022 and ends January 31, 2023. Rent is \$625 per month. After January 31, 2023, the lease becomes month to month.

The Corporation has a month-to-month lease for office space in Denham Springs. Rent is \$2,400 per month.

The Corporation has the following long-term operating leases for office space:

The Corporation has a 7-year lease for office space in Gonzales. The lease commences on March 1, 2018 and ends February 28, 2025. Rent is \$2,500 per month.

The Corporation has a 20-year lease for office space in Hammond. The lease commences on July 1, 2020 and ends June 30, 2039. Rent is \$5,800 per month.

The Corporation has a five year lease for office space in Destrehan. The lease commences on July 1, 2022 and ends on June 30, 2027. Rent is \$3,000 per month.

Rent expense for the year ended December 31, 2022 amounted to \$167,400.

2025	78,200
2026	73,200
2027	71,400
2028-2040	870,000
Total Minimum Lease Payments	1,299,200
Present Value Discount	(137,870)
Lease Liability	\$1,161,330

### Note E - Income Taxes

Child Advocacy Services, Inc. is exempt from corporate income taxes under Section 501(c)(3) of the Internal Revenue Code.

FASB ASC 740, Income Taxes, requires that a tax position be recognized or derecognized based on a "more likely than not" threshold. This applies to positions taken or expected to be taken in a tax return. Management does not believe its financial statements include any uncertain tax positions.

The Corporation will match 3% of the deferred compensation. The contribution rate remains unchanged for the prior year. The retirement expense for the year ended December 31, 2022 totaled \$27,705.

### Note H - Board of Directors' Compensation

The Board of Directors is a voluntary board; therefore, no compensation was paid to any board member.

### Note I - Concentration of Credit Risk

Child Advocacy Services, Inc. has deposits totaling \$1,364,134 in demand deposits and money market accounts. All deposits are insured by the Federal Deposit Insurance Corporation.

### Note J - Economic Dependency

The Corporation received approximately 81% of its revenue from funds provided through grants administered by the federal government and the State of Louisiana. The grant amounts are appropriated each year by the federal and state governments. If significant budget cuts are made at the federal and/or state level, the amount of the funds the corporation receives could be reduced significantly and have an adverse impact on its operations. At the time of completion of the examination of the corporation's financial statements, management was not aware of any actions taken that would adversely affect the amount of funds the corporation will receive in the next fiscal year.

### A PROFESSIONAL ACCOUNTING CORPORATION

### Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

To the Board of Directors Child Advocacy Services, Inc. Hammond, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Child Advocacy Services, Inc. (a nonprofit corporation), which comprise the statement of financial position as of December 31, 2022 and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 28, 2023.

### Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Child Advocacy Services, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Child Advocacy Services, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Child Advocacy Services, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, misstatements, on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify

any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Child Advocacy Services, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. Under Louisiana Revised Statue 24:513, this report is distributed by the Legislative auditor as a public document.

### A PROFESSIONAL ACCOUNTING CORPORATION

### Independent Auditor's Report on Compliance for Each Major Program and on Internal Control Over Compliance Required by the Uniform Guidance

To the Board of Directors Child Advocacy Services, Inc. Hammond, Louisiana

### Report on Compliance for Each Major Federal Program

### Opinion on Each Major Federal Program

We have audited Child Advocacy Services, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of Child Advocacy Services, Inc.'s major federal programs for the year ended December 31, 2022. Child Advocacy Services, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion Child Advocacy Services, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2022.

### Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Child Advocacy Services, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Child Advocacy Service Inc.'s compliance with the compliance requirements referred to above.

### Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to in the previous section and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provision of contracts or grant agreements applicable to Child Advocacy Services, Inc.'s federal programs.

### Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Child Advocacy Services, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Child Advocacy Service Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and
  design and perform audit procedures responsive to those risks. Such procedures include
  examining, on a test basis, evidence regarding Child Advocacy Services, Inc.'s compliance with
  the compliance requirements referred to above and performing such other procedures as we
  considered necessary in the circumstances.
- Obtain an understanding of Child Advocacy Services, Inc.'s internal control over compliance
  relevant to the audit in order to design audit procedures that are appropriate in the circumstances
  and to test and report on internal control over compliance in accordance with the Uniform
  Guidance, but not for the purpose of expressing an opinion on the effectiveness of Child
  Advocacy Services, Inc.'s internal control over compliance. Accordingly, no such opinion is
  expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### Report of Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned

functions, to prevent or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose. Under Louisiana Revised Statue 24:513, this report is distributed by the Legislative Auditor as a public document.

### 2) Board or Finance Committee

- 1. Obtain and inspect the board/finance committee minutes for the fiscal period, as well as the board's enabling legislation, charter, bylaws, or equivalent document in effect during the fiscal period, and
  - i. Observe that the board/finance committee met with a quorum at least monthly, or on a frequency in accordance with the board's enabling legislation, charter, bylaws, or other equivalent document.
  - ii. For those entities reporting on the governmental accounting model, observe whether the minutes referenced or included monthly budget-to-actual comparisons on the general fund, quarterly budget-to-actual, at a minimum, on proprietary funds, and semi-annual budget- to-actual, at a minimum, on all special revenue funds. Alternatively, for those entities reporting on the not-for-profit accounting model, observe that the minutes referenced or included financial activity relating to public funds if those public funds comprised more than 10% of the entity's collections during the fiscal period.
  - iii. For governmental entities, obtain the prior year audit report and observe the unassigned fund balance in the general fund. If the general fund had a negative ending unassigned fund balance in the prior year audit report, observe that the minutes for at least one meeting during the fiscal period referenced or included a formal plan to eliminate the negative unassigned fund balance in the general fund.
  - iv. Observe whether the board/finance committee received written updates of the progress of resolving audit finding(s), according to management's corrective action plan at each meeting until the findings are considered fully resolved.

No exceptions were found as a result of these procedures.

### 3) Bank Reconciliations

- 1. Obtain a listing of entity bank accounts for the fiscal period from management and management's representation that the listing is complete. Ask management to identify the entity's main operating account. Select the entity's main operating account and randomly select 4 additional accounts (or all accounts if less than 5). Randomly select one month from the fiscal period, obtain and inspect the corresponding bank statement and reconciliation for each selected account, and observe that:
  - Bank reconciliations include evidence that they were prepared within 2 months of the related statement closing date (e.g., initialed and dated or electronically logged);
  - ii. Bank reconciliations include written evidence that a member of management or a board member who does not handle cash, post ledgers, or issue checks has reviewed each bank reconciliation (e.g., initialed and dated, electronically logged); and

iii. Management has documentation reflecting it has researched reconciling items that have been outstanding for more than 12 months from the statement closing date, if applicable.

No exceptions were found as a result of these procedures.

### 4) Collections (excluding electronic funds transfers)

- A. Obtain a listing of deposit sites for the fiscal period where deposits for cash/checks/money orders (cash) are prepared and management's representation that the listing is complete. Randomly select 5 deposit sites (or all deposit sites if less than 5).
- B. For each deposit site selected, obtain a listing of collection locations and management's representation that the listing is complete. Randomly select one collection location for each deposit site (e.g., 5 collection locations for 5 deposit sites), obtain and inspect written policies and procedures relating to employee job duties (if there are no written policies or procedures, then inquire of employees about their job duties) at each collection location, and observe that job duties are properly segregated at each collection location such that
  - i. Employees responsible for cash collections do not share cash drawers/registers;
  - ii. Each employee responsible for collecting cash is not also responsible for preparing/making bank deposits, unless another employee/official is responsible for reconciling collection documentation (e.g., pre-numbered receipts) to the deposit;
  - iii. Each employee responsible for collecting cash is not also responsible for posting collection entries to the general ledger or subsidiary ledgers, unless another employee/official is responsible for reconciling ledger postings to each other and to the deposit; and
  - iv. The employee(s) responsible for reconciling cash collections to the general ledger and/or subsidiary ledgers, by revenue source and/or agency fund additions, is (are) not also responsible for collecting cash, unless another employee/official verifies the reconciliation.
- C. Obtain from management a copy of the bond or insurance policy for theft covering all employees who have access to cash. Observe that the bond or insurance policy for theft was in force during the fiscal period.
- D. Randomly select two deposit dates for each of the 5 bank accounts selected for Bank Reconciliations procedure #3A (select the next deposit date chronologically if no deposits were made on the dates randomly selected and randomly select a deposit if multiple deposits are made on the same day). Alternatively, the practitioner may use a source document other than bank statements when selecting the deposit dates for testing, such as a cash collection log, daily revenue report, receipt book, etc. Obtain supporting documentation for each of the 10 deposits and:

- i. Observe that receipts are sequentially pre-numbered.
- ii. Trace sequentially pre-numbered receipts, system reports, and other related collection documentation to the deposit slip.
- iii. Trace the deposit slip total to the actual deposit per the bank statement.
- iv. Observe that the deposit was made within one business day of receipt at the collection location (within one week if the depository is more than 10 miles from the collection location or the deposit is less than \$100 and the cash is stored securely in a locked safe or drawer).
- v. Trace the actual deposit per the bank statement to the general ledger.

No exceptions were found as a result of these procedures.

## 5) Non-Payroll Disbursements (excluding card purchases, travel reimbursements, and petty cash purchases)

- 1. Obtain a listing of locations that process payments for the fiscal period and management's representation that the listing is complete. Randomly select 5 locations (or all locations if less than 5).
- 2. For each location selected under procedure #5A above, obtain a listing of those employees involved with non-payroll purchasing and payment functions. Obtain written policies and procedures relating to employee job duties (if the agency has no written policies and procedures, then inquire of employees about their job duties), and observe that job duties are properly segregated such that
  - i. At least two employees are involved in initiating a purchase request, approving a purchase, and placing an order or making the purchase;
  - ii. At least two employees are involved in processing and approving payments to vendors:
  - iii. The employee responsible for processing payments is prohibited from adding/modifying vendor files, unless another employee is responsible for periodically reviewing changes to vendor files;
  - iv. Either the employee/official responsible for signing checks mails the payment or gives the signed checks to an employee to mail who is not responsible for processing payments; and
  - v. Only employees/officials authorized to sign checks approve the electronic disbursement (release) of funds, whether through automated clearinghouse (ACH), electronic funds transfer (EFT), wire transfer, or some other electronic means.
- 3. For each location selected under procedure #5A above, obtain the entity's non-payroll disbursement transaction population (excluding cards and travel reimbursements) and

obtain management's representation that the population is complete. Randomly select 5 disbursements for each location, obtain supporting documentation for each transaction, and

- i. Observe whether the disbursement, whether by paper or electronic means, matched the related original itemized invoice and supporting documentation indicates that deliverables included on the invoice were received by the entity, and
- ii. Observe whether the disbursement documentation included evidence (e.g., initial/date, electronic logging) of segregation of duties tested under procedure #5B above, as applicable.
- 4. Using the entity's main operating account and the month selected in Bank Reconciliations procedure #3A, randomly select 5 non-payroll-related electronic disbursements (or all electronic disbursements if less than 5) and observe that each electronic disbursement was (a) approved by only those persons authorized to disburse funds (e.g., sign checks) per the entity's policy, and (b) approved by the required number of authorized signers per the entity's policy. Note: If no electronic payments were made from the main operating account during the month selected the practitioner should select an alternative month and/or account for testing that does include electronic disbursements.

No exceptions were found as a result of these procedures.

### 6) Credit Cards/Debit Cards/Fuel Cards/Purchase Cards (Cards)

- A. Obtain from management a listing of all active credit cards, bank debit cards, fuel cards, and purchase cards (cards) for the fiscal period, including the card numbers and the names of the persons who maintained possession of the cards. Obtain management's representation that the listing is complete.
- B. Using the listing prepared by management, randomly select 5 cards (or all cards if less than 5) that were used during the fiscal period. Randomly select one monthly statement or combined statement for each card (for a debit card, randomly select one monthly bank statement). Obtain supporting documentation, and

For each transaction, observe that it is supported by (1) an original itemized receipt that identifies precisely what was purchased, (2) written documentation of the business/public purpose, and (3) documentation of the individuals participating in meals (for meal charges only). For missing receipts, the practitioner should describe the nature of the transaction and observe whether management had a compensating control to address missing receipts, such as a "missing receipt statement" that is subject to increased scrutiny.
