DELHI, LOUISIANA

NOTES TO THE BASIC FINANCIAL STATEMENTS  
DECEMBER 31, 2022

**1. SUMMARY OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES**

The accompanying financial statements of the Housing Authority of the Town of Delhi have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles.

**A. REPORTING ENTITY**

Housing authorities are chartered as public corporations under the law LSA-R.S. 40:391 of the State of Louisiana for the purpose of providing safe and sanitary dwelling accommodations. This creation was contingent upon the local governing body of the city or parish declaring a need for the housing authority to function in such city or parish. The Housing Authority of the Town of Delhi is governed by a five-member Board of Commissioners. The members, appointed by the Honorable Mayor of the Town of Delhi, Louisiana, serve a term of four years.

The housing authority participates in a Section 8 housing assistance payment program. The housing choice voucher program provides assistance to low-income person seeking housing by subsidizing rents between residents, and owners of existing private housing. Under the program, the housing authority enters into housing assistance payment contracts with landlords. The program provides for a voucher which can be used by the resident to pay rent to any landlord he chooses.

The housing authority has the following units:

	<u>Number of Units</u>
Section 8	28

GASB Statement No. 14 established criteria for determining the governmental reporting entity and component units that should be included within reporting entity. Because the housing authority is legally separate and fiscally independent, the housing authority is a separate governmental reporting entity. The housing authority includes all funds, activities, etc., that are within the oversight responsibility of the housing authority.

The housing authority is related organization of the Town of Delhi, Louisiana, since the Town of Delhi, Louisiana, appoints voting majority of the housing authority's governing board. The Town of Delhi, Louisiana, is not financially accountable for the housing authority to provide financial benefit to, or impose financial burdens on, the Town of Delhi. According, the housing authority is not a component unit of financial reporting entity of the Town of Delhi, Louisiana.

HOUSING AUTHORITY OF THE TOWN OF DELHI  
DELHI, LOUISIANA

NOTES TO THE BASIC FINANCIAL STATEMENTS  
DECEMBER 31, 2022

Certain units of local government over which the housing authority exercises no oversight responsibility, such as the school board, parish police jury, other independently elected parish officials, and municipalities within the parish, are excluded from the accompanying basic financial statements. These units of government are considered separate reporting entities and issue financial statements separate from those of the housing authority. In addition, the accompanying financial statements do not include various tenant associations which are legally separate entities.

**B. FUNDS**

The accounts of the housing authority are organized and operated on the basis of funds. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance-related legal and contractual provisions. The minimum number of funds is maintained consistent with legal and managerial requirements. The fund of the housing authority is a proprietary fund that accounts for the Section 8 Housing Choice Voucher Program.

Proprietary funds account for activities similar to those found in the private sector, where the determination of net income is necessary or useful to sound financial administration. Proprietary funds differ from governmental funds in that their focus is on income measurement, which, together with the maintenance of equity, is an important financial indicator.

**C. EQUITY CLASSIFICATIONS**

In the government-wide financial statements, equity is classified as Net Position and displayed in three components as applicable. The components are as follows:

Net Investment in Capital Assets- Capital assets including restricted capital assets, when applicable, net accumulated depreciation.

Restricted Net Position- Net position with constraints placed on their use either by (1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments or (2) law through constitutional provisions or enabling legislation.

Unrestricted Net Position- All other net position that does not meet the definition of “restricted” or “net investment in capital assets”.

When an expense is incurred for the purposes for which both restricted and unrestricted net position is available, management applies restricted resources first. The policy concerning which to apply first varies with the intended use and legal requirements. The decision is typically made by management at the incurrence of the expense.

HOUSING AUTHORITY OF THE TOWN OF DELHI  
DELHI, LOUISIANA

NOTES TO THE BASIC FINANCIAL STATEMENTS  
DECEMBER 31, 2022

**D. MEASUREMENT FOCUS AND BASIS ACCOUNTING**

Proprietary funds are accounted for the flow of economic resources measurement focus and the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recorded at the time of liabilities are incurred. With this measurement focus, all assets and all liabilities associated with the operation of these funds are included on the balance sheet. The housing authority has elected, pursuant to GASB Statement No. 20, to apply all GASB pronouncement and only FASB pronouncements issued before November 30, 1989.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and providing and delivering goods in connection with a propriety fund's principal ongoing operations. The principal operating revenues of the housing authority's funds are rent and maintenance charges to residents and administration fees earned. Operating expenses for proprietary funds include the administrative costs of providing the service and the housing assistance payments to residents. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

**E. CASH AND CASH EQUIVALENTS**

Cash includes amounts in demand deposits and interest-bearing demand deposits. Cash equivalents include amounts in time deposits and cash with fiscal agent. Under state law, housing authority may deposit funds in demand deposits, interest bearing demand deposits, money market accounts, or time deposits with state banks organized under Louisiana law and national banks having their principal offices in Louisiana.

**F. RECEIVABLES AND PAYABLES**

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year referred to as either "due to/from other funds" (i.e., current portion of interfund loans) or "advances to/from other funds" (i.e., the non-current portion of Interfund loans). All other outstanding balances between funds are reported as "due to/from other funds."

Advances between funds, as reported in the accompanying financial statements, are offset by a restriction on net assets. All trade and other receivables are shown net of an allowance for uncollectible.

HOUSING AUTHORITY OF THE TOWN OF DELHI  
DELHI, LOUISIANA

NOTES TO THE BASIC FINANCIAL STATEMENTS  
DECEMBER 31, 2022

**G. INVENTORIES**

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both basic and fun financial statements.

**H. CAPITAL ASSETS**

Capital assets, which include property, plant, equipment, and infrastructure assets are reported in the applicable columns in the basic financial statements. Capital assets are capitalized at historical cost. The housing maintains a threshold level of \$500 or more for capitalizing capital assets.

<u>Description</u>	<u>Estimated Lives</u>

In the basic financial statements, long-term debt and other long-term obligations are reported as liabilities. Bond premiums and discounts, as well as issuance costs, are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount. Bond issuance costs are reported as deferred charges and amortized over the term of the related debt.

**J. ESTIMATES**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenditures, and expenses during the reporting period. Actual results could differ from those estimates.

The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent.

Further, Louisiana Revised Statute 39:1224 states that securities held by a third party shall be deemed to be held in the Entity's name.

*Deposits*

It is the housing authority's policy for deposits to be 100% secured by collateral at market or par, whichever is lower, less the amount of the Federal Deposit Insurance Corporation insurance. The housing authority's deposits are categorized to give an indication of the level of risk assumed by the housing authority at year end.

SCHEDULE OF FINDINGS AND QUESTIONED  
COSTS FOR THE YEAR ENDED DECEMBER 31, 2022

Financial Statement Findings

**2022-01      Financial Statements Issued After Due Date**

Condition: The compilation report was submitted after the statutory due date.

Criteria: LSA-R.S.24.513 states that all engagements must be completed and transmitted to the Legislative Auditor within six months of the close of the auditee fiscal year.

Cause: The financial records were not complete to be able to finish the compilation within the required time frame.

Effect: When an entity is late filing its report, the entity is placed on the LLA's noncompliance list. Being placed on the list results in an entity receiving no funds from the State until the entity is removed from the list.

Recommendation: The Housing Authority should have the financial records completed in a timely manner so its audit report can be submitted to the LLA on time.

Management's Response:

The Delhi Housing Authority acknowledges the findings regarding the late submission of the compilation report for the fiscal year 2022. We understand the requirement outlined in LSA-R.S. 24:513, mandating submission within six months of the fiscal year close, and regret missing the deadline. The delay is due to agreeing with the last auditor and waiting to speak with the Legislative Auditor on DHA having to not do an audit due to the size of the Delhi Housing Authority. We understand the significant impact of late filing, including potential placement on the LLA's noncompliance list and the associated risk of losing state funding. To address the root cause of this issue and prevent future occurrences, we have implemented the following corrective actions. DHA has hired a new experienced auditor and has already started the process of getting all the back years submitted in a timely fashion. DHA is committed to rectifying this issue and is already submitting the required reports to LLA. We are also working diligently to ensure that future reports are submitted in full compliance with the stipulated deadlines. We appreciate LLA's oversight and guidance in this matter.
