INDEPENDENT AUDITORS' REPORT

To the Board of Directors Catholic Charities of North Louisiana Shreveport, Louisiana 71106

Opinion

We have audited the accompanying financial statements of Catholic Charities of North Louisiana, (a nonprofit organization) which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Catholic Charities of North Louisiana, as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Catholic Charities of North Louisiana and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Catholic Charities of North Louisiana's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

To the Board of Directors Catholic Charities of North Louisiana Shreveport, Louisiana 71106 Page 2

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and Government Auditing Standards will always detect ta material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, and design and perform audit procedures responsive to those risks. Such
 procedures include examining, on a test basis, evidence regarding the amounts and disclosures in
 the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of Catholic Charities of North Louisiana's internal control.
 Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Catholic Charities of North Louisiana's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of program expenses – by activity on pages 19 and 20, and the schedule of compensation, reimbursements, benefits and other payments to agency head on page 21, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated August 19, 2022, on our consideration of Catholic Charities of North Louisiana's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Catholic Charities of North Louisiana's internal control over financial reporting and compliance.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Nature of Activities

Catholic Charities of North Louisiana (the Organization), formerly known as Catholic Charities of Shreveport, is a not-for-profit social service agency of the Diocese of Shreveport, LA (the Diocese), which is part of the United States Conference of Catholic Bishops (USCCB). It was incorporated on July 14, 2010, under the laws of Louisiana. The Organization's mission is to bring Christ's message of love to the poor and vulnerable by providing quality social services to families and individuals, without discrimination, and in accordance with Catholic Social Teaching and professional standards. The Organization serves the Shreveport area mainly, but also has locations in Monroe and Lake Providence. The Organization is supported through public contributions, grants, program service fees, special event revenues, and investment income.

The following services are provided through the Family Strengthening Program included in the accompanying financial statements:

Emergency Assistance – Provides assistance to low income families or families experiencing emergencies, such as unemployment. Financial assistance is provided to help those in need with rent or utilities.

Immigration Services – Provides a wide range of services to immigrants. The main objectives of the program are to advise and guide individuals through the immigration process in an efficient, effective and professionally caring manner, honoring the dignity of each person.

Financial Education – Reaches out to families of all ages, races, and religions to help them understand how to better manage their finances. Services include instruction on how to budget income and how to understand basic banking, including beginning a savings plan to pay for future needs.

Benefits Assistance – Assists individuals in completing applications for Supplemental Nutritional Assistance Program (SNAP – formerly the Food Stamp Program), as well as other programs that aid families, including Family Independence Temporary Assistance (FITAP), Child Care Assistance Program (CCAP), Kinship Care Subsidiary Program (KCSP), and Child Support Enforcement (CSE).

Gabriel's Closet – Provides children's furniture and clothing to clients at no charge.

Emergency Assistance and Immigration Services are the Organization's major programs based on associated revenues and expenses.

B. Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

C. Basis of Presentation

The Organization is required to report information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions.

D. Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affected the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

E. Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents, including the investments in money market funds held by Stephens, Inc., Morgan Stanley, Origin Bank, and Louisiana Catholic Federal Credit Union.

F. Grants Receivable

Grants receivable expected to be collected within one year are recorded at net realizable value. Conditional promises to give are not included in revenue until the conditions are substantially met.

G. Property and Equipment

Property and equipment are stated at cost or fair value at date of donation. Depreciation is provided using the straight-line method over the estimated useful lives of the assets as follows:

Office equipment	3 years
Office furniture	7 years
Leasehold improvements	15 years
Buildings	40 years

Additions and betterments of \$500 or more are capitalized, while maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently.

H. Investments

The Organization carries investments in equity securities with readily determinable fair values at their fair values in the Statement of Financial Position. Unrealized gains and losses are included in the change in net assets in the accompanying Statement of Activities.

I. Restricted and Unrestricted Revenue

Contributions received are recorded as increases in net assets without donor restrictions, or net assets with donor restrictions, depending on the existence and/or nature of any donor restrictions.

J. Donated Assets

Donated marketable securities and other noncash donations are recorded as contributions at their fair values at the date of donation.

K. Donated Use of Facilities

The Diocese provides facilities at no cost to the Organization. A contribution and related expense has been recognized for the fair value of the rent for the year.

L. Donated Services

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization.

M. Special Events Revenue

The Organization conducts special events in which a portion of the gross proceeds paid by the Participant represents payment for the direct cost of the benefits received by the participant at the event. Unless a verifiable, objective means exists to demonstrate otherwise, the fair value of meals and entertainment provided at special events is measured by the actual cost to the organization. The direct costs of the special events, which ultimately benefit the donor rather than the Organization, are netted with special events revenue as direct donor benefits in the accompanying statement of activities.

N. Allocation of Functional Expenses

Expenses are allocated to program and supporting services on the following bases:

- (a) Management and General, Fundraising expenses are allocated on the basis of direct salaries, wages, and temporary services.
- (b) Building and occupancy costs are allocated on the basis of square footage.
- (c) Advertising costs were allocated to fundraising.

O. Income Taxes

The Organization is exempt from federal income tax as a subordinate organization of the United States Conference of Catholic Bishops, which is an exempt organization under Section 501(c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business income. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2).

P. Reclassifications

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

2. CASH AND CASH EQUIVALENTS

Cash and cash equivalents at June 30, 2022 and 2021, consisted of the following:

		2022	2021

The money market sweep accounts at Stephens, Inc. and Morgan Stanley are invested in the Federated Government Obligations Fund, a money market mutual fund, and is neither insured nor guaranteed by the Federal Deposit Insurance Corporation or any other government agency.

3. CERTIFICATES OF DEPOSIT

The Organization held certificates of deposits during the fiscal year ended June 30, 2022. Terms range from 24 to 39 months, with interest rates ranging from .89% to 2%. Balances were \$21,022 and \$82,029 at June 30, 2022 and 2021, respectively.

4. CONCENTRATIONS OF CREDIT RISK ARISING FROM CASH DEPOSITS IN EXCESS OF INSURED LIMITS

The Organization maintains its cash balances in various institutions located in North Louisiana. The balances are insured either by the Federal Deposit Insurance Corporation (FDIC), Securities Investor Protection Corporation (SIPC), or the National Credit Union Administration (NCUA) up to \$250,000. The organization's uninsured cash balances totaled \$-0- at June 30, 2022, and \$135,908 at June 30, 2021.

5. PROPERTY AND EQUIPMENT

Property and equipment at June 30, 2022 and 2021, consisted of the following:

		2022	2021
Office Equipment	\$	39,538	\$ 27,516
Office Furniture		11,305	9,464
Leasehold Improvements		4,350	4,350

Depreciation expense was \$8,374 and \$3,576 and for the years ended June 30, 2022 and 2021, respectively.

6. INVESTMENTS

Generally accepted accounting principles provide a framework for measuring fair value. That framework establishes a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

7. ENDOWMENT FUNDS

In 2012, the Organization received a bequest of marketable securities. The Board of Directors designated this investment fund as a general endowment fund to support the mission of the Organization. Since it resulted from an internal designation and is not donor-restricted, it is classified and reported as net assets without donor restrictions.

The primary objective is the long-term growth of the fund's assets. It is recognized that short-term fluctuations may result in the loss of capital earned on occasion. However, in the absence of contributions and withdrawals, the asset value of the funds should grow in the long run and earn rates of return greater than those of an appropriate market index while avoiding excess risk. The next objective is the preservation of purchasing power. Asset growth, exclusive of contributions and withdrawals, should exceed the rate of inflation. The final objective is to preserve the value of the assets by earning a positive return over the investment time horizon. The Organization has adopted the total return concept to determine dollars available for distribution. This concept is based on a three year rolling annual average of asset values. An annual distribution of 3% to 5% is to be determined.

To satisfy its long-term rate of return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that is balanced between equity-based investments and fixed income investments to achieve its long-term return objectives within prudent risk constraints.

Composition of and changes in endowment net assets for the year ended June 30, 2022 and 2021, were as follows:

	.0	2022	 2021
Board-Designated Endowment Net Assets, Beginning	\$	1,358,443	\$ 1,146,873

Totals	\$	79,944 \$	111,744	

The Organization's Shreveport location moved into it's new location in April, 2022, therefore, use of the donated facilities ended at that time.

Numerous volunteers have donated significant amounts of time to the Organization's fund-raising campaign and program services. Although no amounts have been reflected in the financial statements, management estimates the fair value of those services to be approximately \$32,785 and \$36,248 for the years ended June 30, 2022 and 2021, respectively.

11. ADVERTISING

The Organization uses advertising to promote its programs among the clients served. The production costs of advertising are expensed as incurred. During the years ended June 30, 2022 and 2021, advertising costs totaled \$1,253 and \$1,339, respectively.

12. EMPLOYEE BENEFIT PLANS

The Organization provides a tax-deferred annuity plan qualified under Section 403(b) of the Internal Revenue Code to its full-time employees through the Diocese. The Organization contributes from 0% to 5% of gross salaries to the plan, depending on the length of service, for qualified employees. Employees may make contributions to the plan up to the maximum amount allowed by the Internal Revenue Code if they wish. Plan expenses for the years ended June 30, 2022 and 2021, were \$11,827 and \$10,738, respectively. See Note 13.

13. RELATED PARTY TRANSACTIONS

Transactions with national organizations – The Organization maintains its tax exempt status by operating as a subordinate organization of the United States Conference of Catholic Bishops. No transactions occurred between the entities.

The Organization also has a relationship with its national affiliate. The Organization is required to remit annual dues to the national affiliate. These dues totaled \$1,000 and \$500 for the years ended June 30, 2022 and 2021. The Organization may also receive contributions and reimbursements from the national affiliate. No such contributions or reimbursements were received during the years ended June 30, 2022 and 2021.

Transactions with local organizations – The Diocese of Shreveport (the Diocese) administers an employee retirement savings plan, a flexible spending account, and insurance plans available to the Organization's employees. For the years ended June 30, 2022 and 2021, the Organization made \$11,827 and \$10,738, respectively in employer contributions to the Diocese Employee Retirement Savings Plan and \$56,436 and \$51,180, respectively in employer contributions for health, life, and disability insurance plans. The Organization also reimburses the Diocese for various operating expenses, including property insurance, paid by the Diocese throughout the year on behalf of the Organization. Those reimbursements totaled \$28,005 and \$23,793, respectively for the fiscal years ended June 30, 2022 and 2021.

The Diocese also donated the use of facilities to the Organization, reimbursed the Organization for a portion of its utilities expense, and provided the Organization with a subsidy. The amounts for the years ended June 30, 2022 and 2021, were as follows:

	3 <u>—</u>	2022	2021

Transactions with board members and employees – The following related party transactions occurred between the Organization and its board members and/or staff:

	2022	2021
Contributions	\$ 17,475	\$ 6,945

14. OPERATING LEASE

The Organization signed a 36 month vehicle lease commencing September 2019 and ending in September 2022. Lease payments are \$286 per month. The vehicle is kept in Shreveport at the Organization's office, and used for business-related travel. During the fiscal years ended June 30, 2022 and 2021, lease payments of \$3,777 and \$2,684 were paid. Future minimum lease payments for the remainder of the lease period are as follows:

Fiscal Year Ending June 30:	
2023	\$ 858
Total	\$ 858

15. LIQUIDITY AND AVAILIBILITY

The board-designated endowment is subject to an annual spending rate of 3% to 5% as described in Note 6. Although the Organization does not intend to spend from this board-designated endowment (other than amounts appropriated for general expenditure as part of the Board's annual budget approval and appropriation), these amounts could be made available if necessary. Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

	2022	2021

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Catholic Charities of North Louisiana Shreveport, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Catholic Charities of North Louisiana, (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated August 19, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Catholic Charities of North Louisiana's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Catholic Charities of North Louisiana's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Board of Directors Catholic Charities of North Louisiana Page 2

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Catholic Charities of North Louisiana's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
