Independent Auditors' Report

To the Board of Directors Greater Shreveport Chamber of Commerce Shreveport, Louisiana

Report on the Audit of the Financial Statements

Opinion

We have audited the combined financial statements of Greater Shreveport Chamber of Commerce (a nonprofit organization), which comprise the combined statements of financial position as of December 31, 2024 and 2023, and the related combined statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the combined financial position of Greater Shreveport Chamber of Commerce (a nonprofit organization) as of December 31, 2024 and 2023, and the results of its operations and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Greater Shreveport Chamber of Commerce and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the combined financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the combined financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Greater Shreveport Chamber of Commerce's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the combined financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud
 or error, and design and perform audit procedures responsive to those risks. Such procedures include
 examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
 are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of Greater Shreveport Chamber of Commerce's internal control. Accordingly, no such
 opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant
 accounting estimates made by management, as well as evaluate the overall presentation of the financial
 statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that
 raise substantial doubt about Greater Shreveport Chamber of Commerce's ability to continue as a going
 concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the combined financial statements as a whole. The accompanying supplementary information schedules on pages 19-23, are presented for purposes of additional analysis and are not a required part of the combined financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the combined financial statements. The information has been subjected to the auditing procedures applied in the audit of the combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combined financial statements or to the combined financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the combined financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 25, 2025, on our consideration of the Greater Shreveport Chamber of Commerce's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Greater Shreveport Chamber of Commerce's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Greater Shreveport Chamber of Commerce's internal control over financial reporting and compliance.

(1) Summary of Significant Accounting Policies

A. Principles of Combination

The accompanying the combined financial statements reflect the combined financial statements of the Greater Shreveport Chamber of Commerce (the Chamber) and all related entities as described below. The members of the Chamber elect the board of directors of the Chamber. The Chamber board of directors also serves as the board of directors for the Greater Shreveport Chamber Foundation (formerly the Greater Shreveport Industrial Park Development Foundation, Inc.). The Chamber and these other entities share common facilities and personnel. Material interorganization transactions and balances have been eliminated.

B. Nature of Activities

<u>The Greater Shreveport Chamber of Commerce</u> – This is a nonprofit organization incorporated under the laws of the State of Louisiana and is exempt from federal income tax under Section 501(c)6 of the Internal Revenue Code. Activities within this entity account for the general operations and activities of the Chamber.

<u>Greater Shreveport Chamber Foundation.</u> – During 2020, the name of the Greater Shreveport Industrial Park Development Foundation, Inc. was changed to the Greater Shreveport Chamber Foundation. This is a non-profit organization incorporated under the laws of the State of Louisiana and is exempt from federal income tax under Section 501(c)3 of the Internal Revenue Code. Activities within this entity are primarily related to funds contributed specifically for the assistance in economic development activities.

The Forms 990, "Return of Organization Exempt from Income Taxes" for the Greater Shreveport Chamber of Commerce and the Greater Shreveport Chamber Foundation for the years ending 2021, 2022, 2023 and 2024 are subject to examination by the IRS, generally for three years after they were filed.

C. Basis of Accounting

The combined financial statements of the Chamber have been prepared on the accrual basis of accounting.

D. Use of Estimates

Management uses estimates and assumptions in preparing the combined financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and reported revenues and expenses. Actual results could differ from those estimates.

E. Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards. Under those standards, the Organization is required to report information regarding its financial position and activities according to two classes of net assets:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objective of the organization. These net assets may be used at the discretion of Chamber's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Chamber or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities. The Chamber has adopted a policy to classify donor restricted contributions as without donor restrictions to the extent that donor restrictions were met in the year the contribution was received.

F. Deferred Revenue

Income from membership dues and other Chamber events is deferred and recognized over the periods to which the dues and events relate.

G. Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the Chamber considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents. Cash and cash alternatives held in brokerage accounts are excluded from cash and cash equivalents.

H. Investments

The Chamber carries investments in marketable securities with readily determinable fair values at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets in the accompanying statement of activities.

Property and Equipment

Property, equipment, and leasehold improvements are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is provided on the straight-line method over the estimated useful lives of the assets. Amortization of leasehold improvements is provided on the straight-line method over the remaining term of the lease or the useful life of the improvement, whichever is shorter. The Chamber has adopted a policy of capitalizing all assets with a unit value of \$1,000 or more.

J. Contributions

Contributions received are recorded as increases in net assets without donor restrictions or net assets with donor restrictions depending on the existence and/or nature or any donor restrictions. When restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. In the absence of donor restrictions to the contrary, restrictions on contributions of property or equipment or on assets restricted to acquiring property or equipment expire when the property or equipment is placed in service.

K. Advertising Costs

The Chamber uses advertising to promote its services among the community it serves. The costs of advertising are expensed as incurred. During 2024 and 2023, advertising costs totaled \$23,048 and \$22,109, respectively.

L. Fair Value Measurements

Generally accepted accounting principles establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities ("Level 1") and the lowest priority to unobservable inputs ("Level 3"). The three levels of the fair value hierarchy are described as follows:

Level 1: quoted prices (unadjusted) for identical assets or liabilities in active markets that the Organization has the ability to access as of the measurement date.

Level 2: significant other observable inputs than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: significant unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

M. Endowment Funds

Endowment funds represent assets and net assets that are subject to restriction by gift instruments as prescribed by donors. The principal amount, based on historical gift value, is to be maintained permanently. The income derived from each endowment is also restricted per the donor's specifications. Uses of those funds are approved by donor upon request of the Chamber.

N. Functional Allocation of Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities and the statement of functional expense. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Costs are directly charged to the function they benefit.

O. Accrued Leave

The Chamber provides paid time off (PTO) benefits to eligible employees for vacation, illness, or personal reasons. PTO is accrued annually on January 1 based on the employee's length of service, ranging from 18 days for employees with less than five years of service to 28 days for employees with ten or more years of service.

Employees may carry over up to 5 unused PTO days each year, with a maximum accrual limit of 60 days. Upon termination of employment, employees are compensated for any unused PTO. The Chamber records a liability for accrued PTO benefits earned but not yet taken by employees as of year-end.

P. Reclassifications

Certain reclassifications have been made to present last year's financial statements on a basis comparable to the current year's financial statements. These reclassifications had no effect on the change in net assets or total net assets.

Q. Accounts Receivable

Accounts receivable are stated at the amount management expects to collect, based on balances that the Chamber has an unconditional right to receive less management's estimate of amounts that may not be collectible. No allowance for credit losses have been provided since management has determined that the expected credit loss is not material at the balance sheet date.

(2) Concentrations of Credit Risk

Concentrations of credit risk with respect to other accounts receivable are limited due to the large number of contributors comprising the Chamber's contributor base and their dispersion across different industries. As of December 31, 2024 and 2023, the Chamber had no significant concentrations of credit risk in relation to other accounts receivable.

Concentrations of credit risk with respect to grant receivables are limited due to these amounts being due under contractual terms. As of December 31, 2024 and 2023, the Chamber had no significant concentrations of credit risk in relation to grant receivables.

The Chamber maintains cash balances at several financial institutions located in the Shreveport area. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At December 31, 2024, total cash balances held at financial institutions was \$475,960, all of which was secured by FDIC. At December 31, 2023, total cash balances held at financial institutions was \$476,573, all of which was secured by FDIC.

(3) Land Held for Development

Land held for development at December 31, 2024 and 2023 represents \$623,300 and \$623,300, respectively, of land purchased in Caddo Parish to develop an industrial park, as well as \$868,342 and \$868,342, respectively of development expenses. A portion of the land was purchased with city, state, and parish funds through cooperative endeavor agreements that provide certain restrictions on the property's sale or transfer. During 2023, the Chamber sold approximately 19 acres of land in the industrial park, resulting in a gain of approximately \$537,614.

(4) Cash and Cash Equivalents

At December 31, 2024 and 2023, the Chamber has cash and cash equivalents (book balances), totaling \$470,059 and \$467,305, respectively.

Total Net Assets	<u>\$9,181,569</u>	\$8,775,946

(13) Concentrations

The Chamber received donations for building renovations during 2024 totaling \$280,550. Approximately 90% of the donations was from one donor.

The Chamber received donations for building renovations during 2023 totaling \$714,409. Approximately 70% of the donations were from two donors.

(14) Liquidity and Availability of Financial Assets

The Chamber monitors its liquidity so that it is able to meet its operating needs and other contractual commitments while maximizing the investment of its excess operating cash. The Chamber has the following financial assets that could readily be made available within one year of the balance sheet to fund expenses without limitations:

470,059	\$ 467,305
5,305,008	4,983,543
190,581	201,218
363,174	507,697

	190,581 363,174 188,024 6,516,846 (589,245)

As reflected above, certain board-designated assets are designated for the various purposes, as further described in Note 12. These assets limited to use are not available for general expenditures within the next year and are, therefore, deducted from the amounts noted above. However, board designated amounts could be made available, if necessary. The Statement of Cash Flows identifies the sources and uses of the Chamber's cash and shows positive cash generated by operations of \$194,057 and \$515,614 for the years ended December 31, 2024 and 2023, respectively.

In addition to financial assets available to meet general expenditures over the year, the Chamber anticipates covering its general expenditures using the income generated from contractual agreements with governmental agencies, membership dues, and income generated from various programs and projects.

(15) Note Payable - Economic Injury Disaster Loan ("EIDL")

In May 2020, the Chamber received loan proceeds totaling \$150,000 under the Economic Injury Disaster Loan Program ("EIDL"). The loan will accrue interest at the rate of 2.75% per annum. Installment payment, including principal and interest, of \$641 monthly, will begin thirty (30) months from the date of the promissory note. Each payment will be applied first to accrued interest to the date of receipt of each payment, and the balance, if any, will be applied to principal. The balance of principal and interest will be payable thirty (30) years from the date of the promissory note. The Chamber grants a security interest to the U.S. Small Business Administration of all tangible and intangible personal property. The Chamber made payments of \$9,615 and \$5,769 during 2024 and 2023, respectively.

Approximate maturities of the loan are as follows:

Year Ended

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed In Accordance With Government Auditing Standards

Independent Auditors' Report

To the Board of Directors Greater Shreveport Chamber of Commerce Shreveport, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the combined financial statements of Greater Shreveport Chamber of Commerce, (a nonprofit organization), which comprise the combined statement of financial position as of December 31, 2024, and the related combined statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the combined financial statements, and have issued our report thereon dated. June 25, 2025.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the combined financial statements, we considered Greater Shreveport Chamber of Commerce's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the combined financial statements, but not for the purpose of expressing an opinion on the effectiveness of Greater Shreveport Chamber of Commerce's internal control. Accordingly, we do not express an opinion on the effectiveness of Greater Shreveport Chamber of Commerce's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Greater Shreveport Chamber of Commerce's combined financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the combined financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
