Independent Auditor's Report

Board of Commissioners Housing Authority of Arcadia Arcadia, Louisiana

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of the Housing Authority of the City of Arcadia, Louisiana as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Housing Authority of Arcadia, Louisiana basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective position, of the Housing Authority of the City of Arcadia, Louisiana as of and for the year ended June 30, 2022, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

Also included in Supplementary Information is an Agreed-Upon Procedures report, which reports on an Agreed-Upon Procedures engagement now required by the Louisiana Legislative Auditor. Our opinion is not modified in respect to this matter.

Other Matters

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Housing Authority of Arcadia, Louisiana and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Housing Authority of the City of Arcadia, Louisiana's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority of the City of Arcadia, Louisiana's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Housing Authority of the City of Arcadia, Louisiana's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Managements' Discussion and Analysis on pages 4 to 10 be presented to supplement the basic financial statements.

Such information, is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards general accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Housing Authority of the City of Arcadia, Louisiana's basic financial statements. The statement of modernization costs-uncompleted, financial data schedules, and the schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the statement of modernization costs-uncompleted, financial data schedules, and the schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 24, 2023 on our consideration of the Housing Authority of the City of Arcadia, Louisiana's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Housing Authority of the City of Arcadia, Louisiana's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Audit Standards* in considering the Housing Authority of the City of Arcadia, Louisiana's internal control over financial reporting and compliance.

Management's Discussion and Analysis (MD&A) June 30, 2022

HOUSING AUTHORITY OF ARCADIA, LA

REQUIRED SUPPLEMENTAL INFORMATION

MANAGEMENT DISCUSSION AND ANALYSIS (MD&A) June 30, 2022

Management's Discussion and Analysis (MD&A) June 30, 2022

The management of Housing Authority of Arcadia, LA presents the following discussion and analysis (MD&A) of the Housing Authority's financial activities for the fiscal year ending June 30, 2022. This represents an overview of financial information. Please read this discussion and analysis in conjunction with the Authority's included audited financial statements.

FINANCIAL HIGHLIGHTS

- The primary source of funding for these activities continues to be subsidies and grants from the Department of Housing and Urban Development (HUD), whereas tenant rentals provide a secondary but also significant source of funding.
- The Housing Authority's assets exceeded its liabilities by \$1,187,162 at the close of the fiscal year ended 2022.
 - ✓ Of this amount \$291,700 represents a restriction equal to the net amount invested in land, buildings, furnishings, leasehold improvements, equipment, and construction in progress, minus associated debts.
 - ✓ The remainder of \$895,462 of unrestricted assets could be used to meet the Housing Authority's ongoing obligations to citizens and creditors. As a measure of financial strength, this amount equals 113% of the total operating expenses of \$787,234 for the fiscal year 2022, which means the Authority might be able to operate about 13 months using the unrestricted assets alone, compared to 13 months in the prior fiscal year.
- The Housing Authority's total net position increased by \$24,307, from the prior fiscal year 2021.
- The decrease in net position of these funds was accompanied by a decrease in unrestricted cash by \$101,222 from fiscal year 2021.
- The Authority Spent \$84,684 on capital asset additions.
- These changes led to an increase in total assets by \$43,799 and an increase in total liabilities by \$9,492.
 As related measure of financial health, there are still over \$10 of current assets covering each dollar of total current liabilities, which compares to \$10 covering the prior fiscal year's liabilities.
- The Housing Authority continues to operate without the need for debt borrowing.

OVERVIEW OF THE FINANCIAL STATEMENTS

This MD&A is intended to serve as an introduction to the Housing Authority's basic financial statements. The Housing Authority is a special-purpose government engaged in business-type activities. Accordingly, only fund financial statements are presented as the basic financial statements, comprised of two components: (1) fund financial statements and (2) a series of notes to the financial statements. These provide information about the activities of the Housing Authority as a whole and present a longer-term view of the Housing Authority's finances. This report also contains other supplemental information in addition to the basic financial statements themselves demonstrating how projects funded by HUD have been completed, and whether there are inadequacies in the Authority's internal controls.

Reporting on the Housing Authority as a Whole

One of the most important questions asked about the Authority's finances is, "Is the Housing Authority as a whole better off, or worse off, as a result of the achievements of fiscal year 2022?" The Statement of net position and the Statement of Revenues, Expenses, and Changes in Net Position report information about the Housing Authority as a whole and about its activities in a way that helps answer this question. These statements include all assets and liabilities using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All the current year's revenues and expenses are considered regardless of when cash is received or paid.

Management's Discussion and Analysis (MD&A) June 30, 2022

Fund Financial Statements

All the funds of the Housing Authority are reported as proprietary funds. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Housing Authority, like other enterprises operated by state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

The Housing Authority's financial statements report its net position and changes in net position. One can think of the Housing Authority's net position – the difference between assets and liabilities – as one way to measure the Authority's financial health, or financial position. Over time, increases and decreases in the Authority's net position are one indicator of whether its financial health is improving or deteriorating. One will need to consider other non-financial factors, however, such as the changes in the Authority's occupancy levels or its legal obligations to HUD, to assess the overall health of the Housing Authority.

USING THIS ANNUAL REPORT

The Housing Authority's annual report consists of financial statements that show combined information about the Housing Authority's most significant programs:

Public Housing Capital Fund Program	\$ 152,885
Low Rent Public Housing	 410,073
Total funding received this current fiscal year	\$ 562,958

The Housing Authority's auditors provided assurance in their independent auditors' report with which this MD&A is included, that the basic financial statements are fairly stated. The auditors provide varying degrees of assurance regarding the other information included in this report. A user of this report should read the independent auditors' report carefully to determine the level of assurance provided for each of the other parts of this report.

Reporting the Housing Authority's Most Significant Funds

The Housing Authority's financial statements provide detailed information about the most significant funds. Some funds are required to be established by the Department of Housing and Urban Development (HUD). However, the Housing Authority establishes other funds to help it control and manage money for purposes, or to show that it is meeting legal responsibilities for using grants and other money.

The Housing Authority's enterprise funds use the following accounting approach for Proprietary funds: All the Housing Authority's services are reported in enterprise funds. The focus of proprietary funds is on income measurement, which, together with the maintenance of net position, is an important financial indicator.

FINANCIAL ANALYSIS

The Housing Authority's net position was \$1,187,162 as of June 30, 2022. Of this amount, \$291,700 was invested in capital assets and \$895,462 was unrestricted. No other specific Assets are restricted. Also, there are no other restrictions on general net position.

Management's Discussion and Analysis (MD&A) June 30, 2022

Management's Discussion and Analysis (MD&A) June 30, 2022

EXPLANATIONS OF FINANCIAL ANALYSIS

Compared with the prior fiscal year, total operating and capital contributions increased \$72,337 from a combination of larger offsetting factors. Reasons for most of this change are listed below:

- Total tenant revenue increased by \$1,121 from that of the prior fiscal year because the amount of rent
 each tenant pays is based on a sliding scale of their personal income. Included in this total is other tenant
 revenues (such as fees collected from tenants for late payment of rent, damages to their units, and other
 assessments) which decreased by \$1,245.
- Federal revenues from HUD for operations decreased by \$2,206 from that of the prior fiscal year. The
 determination of operating grants is based in part upon operations performance of prior years. This
 amount fluctuates from year-to-year because of the complexities of the funding formula HUD employs.
 Generally, this formula calculates an allowable expense level adjusted for inflation, occupancy, and other
 factors, and then uses this final result as a basis for determining the grant amount. The amount of rent
 subsidy received from HUD depends upon an eligibility scale of each tenant.
- Federal Capital Funds from HUD increased by \$74,410 from that of the prior fiscal year. The Housing Authority was still in the process of completing projects funded from grants by HUD for fiscal years 2018 through 2020 and submitted a new grant during fiscal year 2022.
- Total other operating revenue decreased by \$659 and interest income decreased by \$329 from the prior fiscal year.

Compared with the prior fiscal year, total operating expenses decreased \$28,316, but this also was made up of a combination of offsetting factors. Again, reasons for most of this change are listed below:

- Depreciation expense decreased by \$24,991 from that of the prior fiscal year.
- Maintenance and repairs decreased by \$18,888 from that of the prior fiscal year due to changes in the following: Repair staff wages decreased by \$3,299 and related employee benefit contributions decreased by \$5,360. Materials used decreased by \$24,151 and contract labor costs increased by \$15,277. Finally, Extraordinary maintenance increased by \$3,123 from the prior fiscal year.
- General Expenses increased by \$20,187 from that of the prior fiscal year. Payments in lieu of taxes
 (PILOT) increased by \$42. PILOT is calculated as a percentage of rent minus utilities and therefore
 changed proportionately to the changes in each of these. Insurance premiums increased by \$20,478,
 other general expenses increased by \$8,271 and bad debts decreased by \$6,538. Lastly, compensated
 absences increased by \$1,350.
- Administrative Expenses decreased by \$8,106 from that of the prior fiscal year due to a combination of factors. Administrative staff salaries decreased by \$15,003 and related employee benefit contributions decreased by \$4,756; therefore, total staff salaries and benefit costs decreased. Outside professional fees changed as follows: audit fees decreased by \$5,476. In addition, staff travel reimbursements increased by \$2,882, office expenses increased by \$5,894 and sundry expenses increased by \$9,767.
- Utilities Expense increased by \$2,311 from that of the prior fiscal year because water cost decreased by \$1,519, electricity cost increased by \$3,557, gas cost decreased by \$110, and other utilities expense (such as labor, benefits, garbage, sewage, and waste removal) increased by \$12.
- Total Tenant Services decreased by \$1,952 from that of the prior fiscal year due to the following combination of factors: staff salaries decreased by \$2,122.

Management's Discussion and Analysis (MD&A) June 30, 2022

CAPITAL ASSET AND DEBT ADMINISTRATION

Capital Assets

At June 30, 2022, the Housing Authority had a total cost of \$6,702,099 invested in a broad range of assets and construction in progress from projects funded in 2018 through 2020, listed below. This amount, not including depreciation, represents increases of \$84,684 from the prior year. More detailed information about capital assets appears in the notes to the financial statements.

Statement of Capital Assets As of June 30, 2022

	<u>2022</u>	<u>2021</u>
Land	\$ 38,695	\$ 38,695
Buildings	5,779,411	5,697,365
Leasehold improvements	538,091	538,091
Furniture and equipment	345,902	343,264
Accumulated Depreciation	 (6,410,399)	 (6,354,174)
Total	\$ 291,700	\$ 263,241

As of the end of the 2022 fiscal year, the Authority is still in the process of completing HUD grants of \$981,861 obtained during 2018 through 2021 fiscal years. A total remainder of \$723,781 will be received and \$713,605 spent for completing these projects during fiscal year 2023.

Debt

Non-current liabilities also include accrued annual leave due to employees. The Housing Authority has not incurred any mortgages, leases, or bond indentures for financing capital assets or operations.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES

The Housing Authority is primarily dependent upon HUD for the funding of operations; therefore, the Housing Authority is affected more by Federal budget than by local economic conditions. The capital budgets for the 2023 fiscal year have already been submitted to HUD for approval and no major changes are expected.

The Capital fund programs are multiple year budgets and have remained relatively stable. Capital Funds are used for the modernization of public housing properties including administrative fees involved in the modernization.

CONTACTING THE HOUSING AUTHORITY'S FINANCIAL MANAGEMENT

Our financial report is designed to provide our citizens, investors, and creditors with a general overview of the Housing Authority's finances, and to show the Housing Authority's accountability for the money it receives. If you have questions about this report, or wish to request additional financial information, contact Tammy Jones, at Housing Authority of Arcadia, LA; P.O. Box 210, Arcadia, LA 71001.

JUNE 30, 2022

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES The accompanying financial statements of the Housing Authority of the Town of Arcadia have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

A. REPORTING ENTITY Housing Authorities are chartered as public corporations under the laws (LSA – R.S. 40.391) of the State of Louisiana for the purpose of providing safe and sanitary dwellings accommodations. This creation was contingent upon the local governing body of the city or parish declaring a need for the Housing Authority to function in such city or parish. The Housing Authority is governed by a five member Board of Commissioners. The members, appointed by the Honorable Mayor of the Town of Arcadia, serve staggered multi-year terms.

The Housing Authority has the following units:

PHA Owned Housing

FW 120 Units

GASB Statement 14 establishes criteria for determining the governmental reporting entity and component units that should be included within the reporting entity. Under provisions of this Statement, the Housing Authority is considered a primary government, since it is a special purpose government that has a separate governing body, is legally separate, and is fiscally independent of other state or local governments. As used in GASB Statement 14, fiscally independent means that the Housing Authority may, without the approval or consent of another governmental entity, determine or modify its own budget, levy its own taxes or set rates or charges, and issue bonded debt with HUD approval.

The Housing Authority is a related organization of the Town of Arcadia since the Town of Arcadia appoints a voting majority of the Housing Authority's governing board. The Town of Arcadia is not financially accountable for the Housing Authority as it cannot impose its will on the Housing Authority and there is no potential for the Housing Authority to provide financial benefit to, or impose financial burdens on, the Town of Arcadia. Accordingly, the Housing Authority is not a component unit of the financial reporting entity of the Town of Arcadia.

Governmental Accounting Standards Board (GASB) Codification Section 2100 establishes criteria for determining which, if any, component units should be considered part of the Housing Authority for financial reporting purposes. The basic criteria for including a potential component unit within the reporting entity is financial accountability. The GASB has set forth criteria to be considered in determining financial accountability, which includes:

JUNE 30, 2022

- 1) Appointing a voting majority of an organization's governing body, and:
 - a) The ability of the government to impose its will on that organization and/or
 - b) The potential for the organization to provide specific financial benefits to or impose specific financial burdens on the government.
- 2) Organizations for which the government does not appoint a voting majority but are fiscally dependent on the government.
- 3) Organizations for which the reporting entity financial statements would be misleading if data of the organization is not included because of the nature or significance of the relationship.

Based on the previous criteria, the Housing Authority has determined that there are no component units that should be considered as part of the Housing Authority reporting entity.

B. FUNDS The accounts of the Housing Authority are organized and operated on the basis of funds. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance-related legal and contractual provisions. The minimum number of funds are maintained consistent with legal and managerial requirements.

The transactions of the Housing Authority are reported in a proprietary enterprise fund. The general fund accounts for the transactions of the Public Housing Low Rent program and the Capital Fund program.

C. MEASUREMENT FOCUS AND BASIS OF ACCOUNTING

PROPRIETARY FUNDS Proprietary funds are accounted for on the flow of economic resources measurement focus and the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recorded at the time the liabilities are incurred. With this measurement focus, all assets and all liabilities associated with the operation of these funds are included on the statement of net position sheet.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary funds' principal ongoing operations. According to the Authority's policy, governmental operating grants are considered operating revenues. The other principal operating revenues of the Housing Authority are rent and maintenance charges to residents and operating fees earned. Operating expenses for proprietary funds include the administrative costs of providing the service. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

JUNE 30, 2022

D. CASH AND CASH EQUIVALENTS Cash includes amounts in demand deposits and interest-bearing demand deposits. Cash equivalents include amounts in time deposits, of less than ninety days, and cash with fiscal agent. Under state law, the Housing Authority may deposit funds in demand deposits, interest-bearing demand deposits, money market accounts, or time deposits with state banks organized under Louisiana law and national banks having their principal offices in Louisiana.

On the Statement of Cash Flows, cash and cash equivalents, end of year, is \$543,535. This is comprised of cash and cash equivalents of \$525,670 and restricted assets – cash of \$17,865, on the statement of net position.

E. INVESTMENTS Investments are limited to L.S.-R.S. 33:2955 and the Housing Authority investment policy. If the original maturities of investments exceed 90 days, they are classified as investments; however, if the original maturities are 90 days or less, they are classified as cash equivalents.

The investments are reflected at quoted market prices except for the following which are required/permitted as per GASB Statement No. 31:

Investments in <u>nonparticipating</u> interest-earning contracts, such as nonnegotiable certificates of deposit with redemption terms that do not consider market rates, are reported using a cost-based measure.

Definitions:

Interest-earning investment contract include time deposits with financial institutions (such as certificates of deposit), repurchase agreements, and guaranteed investment contracts.

- **F. REVENUE RECOGNITION** Revenues and other governmental fund financial resource increments are recognized in the accounting period in which they become susceptible to accrual that is, when they become *measurable* and *available* to the finance expenditures of the fiscal period. "Available" is determined as collectible within the 12 months of the fiscal year or soon enough thereafter to be used in pay liabilities of the current period.
- **G. INVENTORY** All purchased inventory items are valued at cost using the first-in, first-out method. Inventory is recorded using the purchase method. At year end, the amount of inventory is recorded for external financial reporting.
- **H. PREPAID ITEMS** Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items.

JUNE 30, 2022

I. CAPITAL ASSETS Capital assets are recorded at historical cost and depreciated over their estimated useful lives (excluding salvage value). The capitalization threshold is \$2,000. Donated capital assets are recorded at their estimated fair value at the date of donation. Estimated useful live is management's estimate of how long the asset is expected to meet service demands. Straight line depreciation is used based on the following estimated useful lives:

Site improvements15 yearsBuildings10-20 yearsBuilding improvements10 yearsFurniture and equipment3-5 yearsComputers3 years

J. UNEARNED INCOME The Housing Authority reports prepaid revenues on its statement of net position. Prepaid revenues arise when resources are received by the Housing Authority before it has a legal claim to them, as when grant monies are received prior to the occurrence of qualifying expenditures. In subsequent periods, when the Housing Authority has a legal claim to the resources, the liability for prepaid revenue is removed from the statement of net position and the revenue is recognized.

K. COMPENSATED ABSENCES For the Civil Service employees and the Executive Director via an Employment Agreement, the Housing Authority follows Louisiana Civil Service regulations for accumulated annual and sick leave. Employees may accumulate up to three hundred hours of annual leave which may be received upon termination or retirement. Sick leave hours accumulate, but the employee is not paid for them if not used by his/her retirement or termination date. For unclassified employees, the Authority follows a policy adopted in May 2017. Hours earned are based on years of service.

L. POST EMPLOYMENT BENEFITS The Authority does not recognize or pay any post employment benefits.

M. NET POSITION AND FLOW ASSUMPTIONS Net position is reported as restricted when constraints are placed on net position use as either:

Externally imposed by creditors (such as debt covenants), grantors, contributors, or laws or regulations of other governments or imposed by law through constitutional provisions or enabling legislation.

Restricted resources are used first when an expense is incurred for purposes for which both restricted and unrestricted net positions are available.

JUNE 30, 2022

N. USE OF ESTIMATES The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenses and other financing sources and uses during the reporting period. Actual results could differ from those estimates.

NOTE 2 – DEPOSITS AND INVESTMENTS The Housing Authority has reported their investments with a maturity at time of purchase of one year or less at amortized cost. Investments with maturity at time of purchase of greater than one year are presented at fair value at June 30, 2022. Deposits are stated at cost, which approximates fair value.

Interest Rate Risk: The Housing Authority's policy does not address interest rate risk.

Credit Rate Risk: GASB 40 disclosure of credit rate risk does not apply, since the Authority's only investments are certificates of deposit.

Custodial Credit Risk: The Authority's policy requires the financial institution to cover the first \$250,000 of deposits with FDIC coverage. Any excess deposits must be collateralized with securities held by the pledging financial institution, with a fair market value that equals or exceeds the amount of excess deposits.

Restricted Cash: \$17,865 is restricted in the General Fund for security deposits

At June 30, 2022, the Housing Authority's carrying amount of deposits was \$819,155 and the bank balance was \$834,527, which includes \$275,620 in certificates of deposits classified as investments. \$521,449 of the bank balance was covered by FDIC Insurance. The remaining bank balance of \$313,078 was covered by an irrevocable standby letter of credit.

JUNE 30, 2022

NOTE 3 – ACCOUNTS RECEIVABLE The receivables at June 30, 2022, are as follows:

Class of Receivables	
Local sources:	
Tenants	\$ 6,879
Other	4,947
HUD	75,120
Total	\$ 86,946

NOTE 4 – CAPITAL ASSETS The changes in capital assets are as follows:

		Beginning Balance		Additions		Deletions		Ending Balance
Non-depreciable assets Land and buildings	\$	38,695	\$		\$		\$	38,695
Depreciable assets:								
Buildings		6,235,456		82,046				6,317,502
Furniture and equipment		343,264		2,638				345,902
Total capital assets	-	6,617,415		84,684	-		-	6,702,099
Less: accumulated depreciation	-				_			
Buildings		6,036,842		41,758				6,078,600
Furniture and equipment		317,332		14,467				331,799
Total accumulated depreciation	-	6,354,174	_	56,225	_			6,410,399
Total capital assets, net	\$	263,241	\$	28,459	\$		- \$	291,700

JUNE 30, 2022

NOTE 5 – ACCOUNTS PAYABLE The payables at June 30, 2022 are as follows:

Vendors	\$ 27,609
Payroll taxes &	
Retirement withheld	1,121
Utilities	2,820
Total	\$ 31,550

NOTE 6 – COMPENSATED ABSENCES At June 30, 2022, employees of the Housing Authority have accumulated and vested \$21,709 of employee leave computed in accordance with GASB, Codification Section C60.

NOTE 7 – LONG-TERM OBLIGATIONS The following is a summary of the long-term obligation transactions for the year ended June 30, 2022.

		Compensated Absences	
Balance, beginning Additions Deletions	\$	24,332 2,759 (5,382)	
Balance, ending	_	21,709	
Amounts due in one year	\$	7,183	

JUNE 30, 2022

NOTE 8 – RETIREMENT SYSTEM The Housing Authority participates in the Housing Renewal and Local Agency Retirement Plan, which is a defined contribution plan. The plan consists of employees of various local and regional housing authorities, urban renewal agencies, and other similar organizations. Through this plan, the Housing Authority provides pension benefits for all of its full-time employees. All full-time employees are eligible to participate in the plan on the first day of the month after completing one year of employment.

Under a defined contribution plan, benefits depend solely on amounts contributed to the plan plus investment earnings. The employer is required to make monthly contributions equal to 9% of each participant's effective compensation.

The Housing Authority's contribution for each employee and income allocated to the employee's account is fully vested after five years of continuous service. The Housing Authority's contributions and interest forfeited by employees who leave employment before five years of service are first used to pay for plan expenses and if there is any residual amount, the amount is refunded to the Housing Authority.

The Housing Authority has the right to establish or amend retirement plan provisions. The Housing Authority's Joinder Agreement with the Housing Renewal and Local Agency Retirement Plan may be amended or modified by Board Resolution. Amendment of the Joinder Agreement is limited to provisions affecting plan specifications.

The Housing Authority made the required contributions of \$10,253 for the year ended June 30, 2022, of which \$10,253 was paid by the Housing Authority. No payments were made out of the forfeiture account. Contributions were underfunded by approximately \$2,970. See audit finding 2022-003.

NOTE 9 – COMMITMENTS AND CONTINGENCIES

<u>Commitments</u> On September 24 2019, the Authority signed an Employment Agreement with the Executive Director, effective July 1, 2019. The Agreement is for three years, and the Board may vote on an additional three-year term at least ninety days in advance of the end of the current three-year term. The Executive Director may terminate the Agreement at any time, provided she gives at lease sixty days written notice to the Board prior to her resignation.

The Agreement may be terminated by the Board at any time, provided thirty days written notice is given and due process if followed. If the Executive Director is terminated without cause, the Authority is obligated to pay a lump sum equal to the salary and benefits she would have received for the remainder of the three-year term. If the Executive Director leaves for any reason, the Authority is obligated to pay all unused but earned annual leave, in accordance with the Employment Agreement.

<u>Litigation</u> The Housing Authority is not presently involved in litigation.

JUNE 30, 2022

<u>Grant Disallowances</u> The Housing Authority participates in a number of federally assisted grant programs. The programs are subject to compliance audits under the single audit approach. Such audits could lead to requests for reimbursement by the grantor agency for expenditures disallowed under terms of the grants. Housing Authority management believes that the amount of disallowance, if any, which may arise from future audits will not be material.

<u>Construction Projects</u> There are certain renovation or construction projects in progress at June 30, 2022. These include modernizing rental units. These projects are being funded by HUD. Funds are requested periodically as the cost is incurred.

<u>Risk Management</u> The Housing Authority is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which the Housing Authority carries commercial insurance.

The Housing Authority transfers risk of loss by participating in a public entity risk pool and contracting with a commercial insurance carrier for all major categories of exposed risk.

This includes coverage of property, general liability, public liability, and worker's compensation. The risk pool and insurance contracted are obligated to meet settlements up to the maximum coverage, after the PHA's premiums and deductions are met.

Louisiana State law prohibits one governmental entity assessing another entity. If the Louisiana Housing Council, Inc. Group Self Insurance Risk Management Agency risk pool is unable to meet its obligations, the risk to the Housing Authority is only that its own claim would be unpaid.

Coverage has not significantly changed from the previous year and settlements for each of the past three years have not exceeded insurance coverage.

NOTE 10 – ECONOMIC DEPENDENCE The Department of Housing and Urban Development provided \$562,958 to the Housing Authority, which represents approximately 69% of the Housing Authority's total revenue and capital contributions for the year.

NOTE 11 - SUBSEQUENT EVENTS Management has evaluated events and transactions subsequent to the statement of net position date through, January 24, 2023, of the independent auditor's report for potential recognition or disclosure in the financial statements.

Report on Internal Control Over Financial Reporting and on Compliance and
Other Matters Based on an Audit of Financial Statements Performed in
Accordance with Government Auditing Standards

Independent Auditor's Report

Housing Authority of Arcadia Arcadia, Louisiana

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements, of the Housing Authority of the City of Arcadia, Louisiana, as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Housing Authority of the City of Arcadia, Louisiana's basic financial statements, and have issued our report thereon dated January 24, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Housing Authority of the City of Arcadia, Louisiana's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority of the City of Arcadia, Louisiana's internal control. Accordingly, we do not express an opinion on the effectiveness of the Housing Authority of the City of Arcadia, Louisiana's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses, or significant deficiencies, and therefore, material weaknesses or significant deficiencies may exist that were not identified. We identified certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs as items Audit Findings 2022-001 and 002 that we consider to be material weaknesses.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Housing Authority of the City of Arcadia, Louisiana's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying schedule of findings and questioned costs as items Audit Findings 2022-001 through 005.

The Housing Authority of the City of Arcadia, Louisiana's Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on the Housing Authority of the City of Arcadia, Louisiana's response to the findings identified in our audit and described in the accompanying schedule of findings and questioned costs. The Housing Authority of the City of Arcadia's response was not subjected to the other auditing procedures applied in the audit of the financial statements, and accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

YEAR ENDED YEAR ENDED JUNE 30, 2022

<u>Section I – Summary of the Auditor's Results</u>

Financial Statement Audit

1.	Type of Auditor's Report Issued on Financi	al Stateme	ents – U	Jnmodified.	
2.	Internal Control Over Financial Reporting:				
	a. Material weakness(es) identified?b. Significant deficiency(ies) identified?		yes yes		no none reported
3.	Noncompliance material to financial statements noted?		yes		no

YEAR ENDED JUNE 30, 2022

Section II – Findings related to the financial statements which are required to be reported in accordance with Governmental Auditing Standards generally accepted in the United States of America:

Low Rent Program-CDFA#14.850

Finding 2022-001-Tenant-Related Expenses Need Improvement

Criteria and Condition

According to the HUD Financial Data Schedule Line Definition Guide, Tenant Services-Other "represents costs incurred for services directly related to meeting resident needs and supporting a wholesome living environment that are not otherwise accounted for on other FDS lines."

Context

We reviewed and noted approximately \$15,369 of expenditures which, in our opinion, did not meet the above criteria. The fee accountant did not think these expenditures were eligible to be termed Tenant Services and classified them to Other General Expenses. We did not change this classification. There is no schedule of when the meetings took place. There does not appear to have been an agenda, or list of tasks to be accomplished, or issues discussed.

Cause

The cause is unknown.

Effect

It appears the above noted dollars could have been used more efficiently.

Questioned Costs

\$15,369

Recommendation

- (a)-A list of the dates and times of when the periodic meetings take place should be maintained. An agenda of what was discussed at the meetings should be retained.
- (b)-Management should at least consider posting in the Authority office and the community room when the meetings will take place. We do note that word of mouth as was used is likely effective. In addition, management should consider listing what subjects will be discussed.

YEAR ENDED JUNE 30, 2022

Section II – Findings related to the financial statements which are required to be reported in accordance with Governmental Auditing Standards generally accepted in the United States of America:

(c)-even if (b) Is not done, subjects noted above in Criteria and Condition needs to be discussed for related expenditures to be proper. We realize tenants do not want to feel patronized, but management needs to determine how to discuss these issues with tenants. An eligible expense is a speaking fee for someone to speak to the group on the topics noted above. Some PHAs provide a host of cleaning products to move-ins. Some do this on a periodic basis, when they have funds budgeted for Tenant Services.

View of Responsible Officials and Planned Corrective Action

I am Tammy Jones, Executive Director and Designated Person to answer these audit findings. We will comply with the above.

Low Rent Program-CDFA#14.850 and Capital Fund#14.872

Finding 2022-002-Documentation of Salaries Needs Improvement

Criteria and Condition

Salaries need to properly documented by daily attendance records. This is required by state and federal law. Accrued leave and vacation hours earned and used need to be reviewed periodically by the Board of Commissioners.

Context

- (a)-The Executive Director did not document her daily attendance for the year. We note that it appears she started doing this after we brought this to her attention in October 2022.
- (b)-Civil Service rules applies to all employees that are required to be covered by state law. It appears that one employee is being paid at an hourly rate in excess of his approved Civil Service rate (see recommendation below). We understand that the Authority is in the process of applying for exemption from Civil Service rules. But if and until the Authority receives an exemption, Civil Service rules apply.
- (c)-The Authority is currently earning vacation and sick time as follows: (a)-Executive Director, per Employment Agreement who is deemed unclassified per Civil Service (b)-two other unclassified employees via an Vacation and Sick Leave Policy adopted as part of the Personnel Policy in May 2017 (per Civil Service, the Authority should only have two unclassified employees and the Authority has three) and (c)-the employees covered by Civil Service rules for vacation and sick leave time

YEAR ENDED JUNE 30, 2022

<u>Section II – Findings related to the financial statements which are required to be reported in accordance with Governmental Auditing Standards generally accepted in the United States of America:</u>

(d)-Management represents that for the year ended June 30, 2022, one employee used zero hours of leave. Another employee used 4 hours. For the year ended June 30, 2021, management represents that two employees used zero leave and another used 4 hours.

Cause

(a) and (b) above were due apparently to oversight. For (c) we note an unique situation (see recommendation below). For (d) we note this situation is very unusual in that multiple employees apparently took no vacation time.

Effect

Record-keeping for salaries needs improvement.

Questioned Costs

None.

Recommendation

- (a)-All employees should keep daily attendance sheets. They should sign them. The Executive Director should also sign and review them. We note that in our tests of the first period of June 2022, we reviewed signed attendance sheets for all but the Executive Director.
- (b)-Management should contact the Civil Service and explain the situation. Likely the Civil Service will try to find a new classification that more closely agrees to the employee's actual pay rate.
- (c)-Although management and the board is not apparently required to do so, in our opinion, the current vacation and sick leave policy that was adopted in 2017 should be revised to more closely conform to the Civil Service Policy. We note that the Executive Director's Employment Agreement notes that she earns vacation and sick leave as if she were a Civil Service employee.
- (d)-Again we note that the situation which employees do not take vacation or sick leave time throughout the year is highly unusual. We recommend that the Board review the vacation and sick leave hours earned and used for all employees at least on a quarterly basis.

Views of Responsible Officials and Planned Corrective Action

I will discuss this finding with the Board at our next board meeting and seek their input in this matter.

YEAR ENDED JUNE 30, 2022

<u>Section II – Findings related to the financial statements which are required to be reported in accordance with Governmental Auditing Standards generally accepted in the United States of America:</u>

Low Rent Program-CDFA#14.850

Finding 2022-003-Underfunded Defined Contribution Plan

Criteria and Condition

To be in compliance with the Authority's Plan Document for its Defined Contribution Plan, the Authority is required to contribute 9% of salaries for eligible, participating employees to the Plan on a timely basis.

Context

The Plan was underfunded by approximately \$8,220. \$5,249 of the underfunding occurred in the prior year and was discussed in a prior year Finding.

Cause

It appears that one reason was that the 9% contribution was not made for salaries paid out of CARES Act funds for the prior year. It appears Management was not aware that all salaries are required to have a 9% contribution.

Effect

Federal regulations were not complied with. In addition, federal pension laws as per ERISA (Employee Retirement Income Security Act) were not complied with.

Questioned Costs

None

Recommendation

Management should notify the plan administrator of the issue and make sure the under-payment is properly made. Also, for each monthly contribution, Management needs to make sure 9% is contributed for each salary paid.

View of Responsible Officials and Planned Corrective Action

I am Tammy Jones, Executive Director Designated Person to answer these findings. After the auditor noted this in the prior year, we contacted the Plan Administrator. We are working with the Administrator to determine the current amount of the underpayment. We will then properly fund the Plan.

YEAR ENDED JUNE 30, 2022

Section II – Findings related to the financial statements which are required to be reported in accordance with Governmental Auditing Standards generally accepted in the United States of America:

Low Rent Program-CDFA#14.850 and Capital Fund-CDFA #14.872

Finding 2022-004-Late Filing with HUD and the Louisiana Legislative Auditor

Criteria and Condition

HUD requires the audit be filed with HUD-REAC no later than twelve months after the year end, which is in this case was March 31, 2022. In addition, state law requires that the annual audit report be filed no later than six months after fiscal year-end with the Louisiana Legislative Auditor.

Context

The audit report was not timely filed by the due date, including extensions.

Cause

The auditor originally approved to do the audit was unable to perform the audits for the year ended June 30, 2021 and 2022. The newly engaged auditor finished the 2021 audit in October 2022. The Authority timely delivered the accounting records to the auditor for the 2022 audit. However, the Authority was not able to pay the 2021 audit fee until December 2022. The auditor could not start the 2022 audit until the 2021 audit was paid, to be in compliance with state and federal rules on ethics and independence.

Effect

Federal and state law was not complied with. In addition, any recommendations in this audit could not be made on a timely basis.

Questioned Costs

None

Recommendation

The audit process should be timely started and finished.

Views of Responsible Officials and Planned Corrective Action

We will comply with the auditor's recommendation.

YEAR ENDED JUNE 30, 2022

Section II –Findings related to the financial statements which are required to be reported in accordance with Governmental Auditing Standards generally accepted in the United States of America:

Low Rent Program-CDFA#14.850
Finding 2022-005-Utility Allowances Need Review
Criteria and Condition
The utility allowances were past due to be reviewed.
Context
Federal regulations require that the utility allowances be reviewed annually, and adjusted, if necessary
<u>Cause</u>
Unknown.
<u>Effect</u>

Utility allowances may not have been what they should have, had a timely review been made of the allowances in effect.

Recommendation

Utility allowances should be reviewed on an annual basis.

View of Responsible Officials and Corrective Action Plan

After the auditor brought this to our attention, we immediately contacted a consultant. The new utility allowance review was completed in October 2022 and went into effect shortly thereafter.

Finding 2022-004-Late Filing with HUD and the Louisiana Legislative Auditor

Condition:

HUD requires the audit be filed with HUD-REAC no later than twelve months after the year end, which is in this case was March 31, 2022. In addition, state law requires that the annual audit report be filed no later than six months after fiscal year-end with the Louisiana Legislative Auditor.

Corrective Action Planned

We will comply with the auditor's recommendation.

HOUSING AUTHORITY OF ARCADIA, LOUISIANA CORRECTIVE ACTION PLAN

YEAR ENDED JUNE 30, 2022

Telephone: (318) 263-8471

Telephone: (318) 263-8471

Fax: (318) 263-8841

Fax: (318) 263-8841

Person responsible for corrective action:

Tammy Jones, Executive Director Arcadia Housing Authority 3177 Dance Circle Arcadia, Louisiana 71001

Anticipated Completion Date- December 31, 2023

Corrective Action Plan Finding:

Finding 2022-005-Utility Allowances Need Review

Condition:

The utility allowances were past due to be reviewed.

Corrective Action Planned

After the auditor brought this to our attention, we immediately contacted a consultant. The new utility allowance review was completed in October 2022 and went into effect shortly thereafter.

Person responsible for corrective action:

Tammy Jones, Executive Director Arcadia Housing Authority 3177 Dance Circle Arcadia, Louisiana 71001

Anticipated Completion Date- Already completed

HOUSING AUTHORITY OF ARCADIA, LOUISIANA SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS

YEAR ENDED JUNE 30, 2022

The following prior audit finding was a significant deficiency, required to be reported, in the prior year in accordance with *Governmental Auditing Standards* generally accepted in the United States of America:

Finding 2021-001-Underfunded Defined Contribution Plan

Condition

To be in compliance with the Authority's Plan Document for its Defined Contribution Plan, the Authority is required to contribute 9% of salaries for eligible, participating employees to the Plan on a timely basis.

Recommendation

Management should notify the plan administrator of the issue and make sure the under-payment is properly made. Also, for each monthly contribution, Management needs to make sure 9% is contributed for each salary paid.

Current Status

This finding is repeated in the current audit as Finding 2022-003.

Finding 2021-002-Late Filing with HUD and the Louisiana Legislative Auditor

Condition

HUD requires the audit be filed with HUD-REAC no later than twelve months after the year end, which is in this case was March 31, 2022. In addition, state law requires that the annual audit report be filed no later than six months after fiscal year-end with the Louisiana Legislative Auditor.

Recommendation

The audit process should be timely started and finished.

Current Status

This finding is repeated in the current audit as Finding 2022-004.

Finding 2021-003-Utility Allowances Need Review

Condition

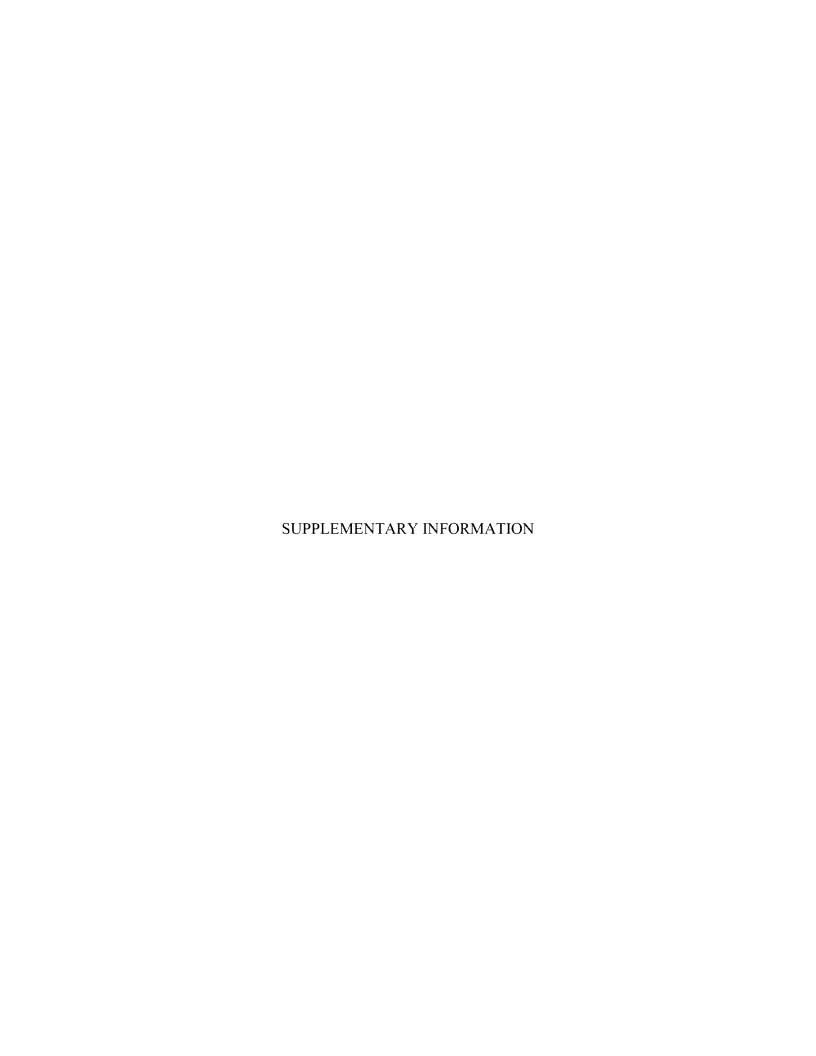

The utility allowances were past due to be reviewed.

Recommendation

Utility allowances should be reviewed on an annual basis.

Current Status

This finding is not repeated in the current audit.

HOUSING AUTHORITY OF ARCADIA, LOUISIANA SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

YEAR ENDED JUNE 30, 2022

FEDERAL GRANTOR PROGRAM TITLE	CDFA NO.		PROGRAM EXPENDITURES
U. S. Department of Housing and Urban Development Direct Programs:			
Low-Income Housing Operating Subsidy	14.850a	\$	410,073
Capital Fund Program	14.872		152,885
Total United States Department of Housing and Urban Development		\$	562,958
Total Expenditures of Federal Awards		\$ _	562,958

The accompanying notes are an integral part of this schedule.

HOUSING AUTHORITY OF ARCADIA, LOUISIANA NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

YEAR ENDED JUNE 30, 2022

NOTE 1 – BASIS OF PRESENTATION The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal award activity of the Housing Authority of the City of Arcadia, Louisiana (the "Housing Authority") under programs of the federal government for the year ended June 30, 2022. The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Costs Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Housing Authority, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Housing Authority.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE 3 - RELATIONSHIP TO BASIC FINANCIAL STATEMENTS Federal awards revenues are reported in the Housing Authority's basic financial statements as follows:

		Federal Sources
Enterprise Funds		
Governmental operating grants	\$	468,546
Capital contributions		94,412
Total	\$ _	562,958

NOTE 4 – RELATIONSHIP TO FEDERAL FINANCIAL REPORTS Amounts reported in the accompanying schedule agree with the amounts reported in the related federal financial reports except for changes made to reflect amounts in accordance with generally accepted accounting principles.

NOTE 5 – DE MINIMIS INDIRECT COST RATE The Housing Authority did not elect to use the 10-precent de minimis indirect cost rate allowed under the Uniform Guidance.

CERTIFIED PUBLIC
ACCOUNTANTS
and the
AICPA GOVERNMENTAL
AUDIT QUALITY CENTER

AGREED UPON PROCEDURES REPORT

Independent Accountant's Report On Applying Agreed-Upon Procedures

To the Board of Directors of the Arcadia Housing Authority and the Louisiana Legislative Auditor:

We have performed the procedures enumerated below, which were agreed to by the Arcadia Housing Authority and the Louisiana Legislative Auditor (LLA) on the control and compliance (C/C) areas identified in the LLA's Statewide Agreed-Upon Procedures (SAUPs) for the fiscal period July 1, 2021 through June 30, 2022. The Arcadia Housing Authority's management is responsible for those C/C areas identified in the SAUPs.

The Arcadia Housing Authority has agreed to an acknowledged that the procedures performed are appropriate to meet the intended purpose of the engagement, which is to perform specified procedures on the C/C areas identified in LLA's SAUPs for the fiscal period July 1, 2021 through June 30, 2022. Additionally, LLA has agreed and acknowledged that the procedures performed are appropriate for its purposes. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and associated findings are as follows:

Written Policies and Procedures

- 1. Obtain and inspect the entity's written policies and procedures and observe that they address each of the following categories and subcategories if applicable to public funds and the entity's operations:
 - a) Budgeting, including preparing, adopting, monitoring, and amending the budget
 - b) *Purchasing*, including (1) how purchases are initiated; (2) how vendors are added to the vendor list; (3) the preparation and approval process of purchase requisitions and purchase orders; (4) controls to ensure compliance with the Public Bid Law; and (5) documentation required to be maintained for all bids and price quotes.
 - c) *Disbursements*, including processing, reviewing, and approving.
 - d) *Receipts/Collections*, including receiving, recording, and preparing deposits. Also, policies and procedures should include management's actions to determine the completeness of all collections for each type of revenue or agency fund additions (e.g. periodic confirmation with outside parties,

- reconciliation to utility billing after cutoff procedures, reconciliation of traffic ticket number sequences, agency fund forfeiture monies confirmation).
- e) *Payroll/Personnel*, including (1) payroll processing, (2) reviewing and approving time and attendance records, including leave and overtime worked, and (3) approval process for employee(s) rate of pay or approval and maintenance of pay rate schedules.
- f) *Contracting*, including (1) types of services requiring written contracts, (2) standard terms and conditions, (3) legal review, (4) approval process, and (5) monitoring process.
- g) Credit Cards (and debit cards, fuel cards, P-Cards, if applicable), including (1) how cards are to be controlled, (2) allowable business uses, (3) documentation requirements, (4) required approvers of statements, and (5) monitoring card usage (e.g., determining the reasonableness of fuel card purchases).
- h) *Travel and expense reimbursement*, including (1) allowable expenses, (2) dollar thresholds by category of expense, (3) documentation requirements, and (4) required approvers.
- i) *Ethics*, including (1) the prohibitions as defined in Louisiana Revised Statute (R.S.) 42:1111-1121, (2) actions to be taken if an ethics violation takes place, (3) system to monitor possible ethics violations, and (4) a requirement that documentation is maintained to demonstrate that all employees and officials were notified of any changes to the entity's ethics policy.
- j) **Debt Service**, including (1) debt issuance approval, (2) continuing disclosure/EMMA reporting requirements, (3) debt reserve requirements, and (4) debt service requirements.
- k) Information Technology Disaster Recovery/Business Continuity, including (1) identification of critical data and frequency of data backups, (2) storage of backups in a separate physical location isolated from the network, (3) periodic testing/verification that backups can be restored, (4) use of antivirus software on all systems, (5) timely application of all available system and software patches/updates, and (6) identification of personnel, processes, and tools needed to recover operations after a critical event.
- 1) **Sexual Harassment**, including R.S. 42:342-344 requirements for (1) agency responsibilities and prohibitions, (2) annual employee training, and (3) annual reporting.

The most recent AUP report was for the year ended June 30, 2019. The report, prepared by another auditor, did not cite a lack of the policies listed above as (a) through (i). Debt Service is not applicable. Management has not provided us a copy of any of the policies noted above. If previously adopted policies are no longer available, management should again adopt the policies. We have advised management where these policies may be obtained and adopted to the needs of this Authority. We have also advised management of how it may obtain the Information Technology Disaster Recovery and Sexual Harassment Policies.

Recommendation

Management should adopt the above policies no later than April 30, 2023.

View of Responsible Official

We will comply with the auditor's recommendation.

- 2. Obtain and inspect the board/finance committee minutes for the fiscal period, as well as the board's enabling legislation, charter, bylaws, or equivalent document in effect during the fiscal period, and:
 - a) Observe that the board/finance committee met with a quorum at least monthly, or on a frequency in accordance with the board's enabling legislation, charter, bylaws, or other equivalent document.
 - b) For those entities reporting on the governmental accounting model, observe that the minutes referenced or included monthly budget-to-actual comparisons on the general fund, quarterly budget-to-actual, at a minimum, on proprietary funds, and semi-annual budget- to-actual, at a minimum, on all special revenue funds. Alternately, for those entities reporting on the nonprofit accounting model, observe that the minutes referenced or included financial activity relating to public funds if those public funds comprised more than 10% of the entity's collections during the fiscal period.
 - c) For governmental entities, obtain the prior year audit report and observe the unassigned fund balance in the general fund. If the general fund had a negative ending unassigned fund balance in the prior year audit report, observe that the minutes for at least one meeting during the fiscal period referenced or included a formal plan to eliminate the negative unassigned fund balance in the general fund.

- (a)-The Board met in accordance with its bylaws. It appears that an Agenda was not properly posted in advance for each meeting. Louisiana Revised Statute (R.S.) 42.19 requires the agenda to be timely posted at the Authority's office in an area for public viewing. It appears that this was not done. In addition, it appears that the Board minutes do not include a list of which board members were present, or the signing of the minutes by the officers. We note, however, that the board resolutions were properly signed. Board members present for the resolutions also signed an attendance sheet.
- (b)-the minutes do not reflect budget to actual comparisons.
- (c)-The unassigned fund balance at the end of the prior year was a positive amount.

Recommendation

The agenda should be timely posted in the area of the office that the public can see. Minutes need to be signed and dated by the officers. Budget-to-actual comparisons should be made at each board meeting. I have explained a fee accountant-prepared tool with management that will help with the budget-to-actual comparisons. This should start with the next board meeting.

View of Responsible Official

We will comply with the auditor's recommendation.

Bank Reconciliations

3. Obtain a listing of entity bank accounts for the fiscal period from management and management's representation that the listing is complete. Ask management to identify the entity's main operating account. Select the entity's main operating account and randomly select 4 additional accounts (or

all accounts if less than 5). Randomly select one month from the fiscal period, obtain and inspect the corresponding bank statement and reconciliation for each selected account, and observe that:

- a) Bank reconciliations include evidence that they were prepared within 2 months of the related statement closing date (e.g., initialed and dated or electronically logged);
- b) Bank reconciliations include evidence that a member of management/board member who does not handle cash, post ledgers, or issue checks has reviewed each bank reconciliation (e.g., initialed and dated, electronically logged); and
- c) Management has documentation reflecting that it has researched reconciling items that have been outstanding for more than 12 months from the statement closing date, if applicable.

Results of Testing:

No exceptions were noted in the above tests.

Collections (excluding electronic funds transfers)

4. Obtain a listing of <u>deposit sites</u> for the fiscal period where deposits for cash/checks/money orders (cash) are prepared and management's representation that the listing is complete. Randomly select 5 deposit sites (or all deposit sites if less than 5).

Results of Testing:

Collections are received and processed only at the Authority office.

- 5. For each deposit site selected, obtain a listing of <u>collection locations</u> and management's representation that the listing is complete. Randomly select one collection location for each deposit site (i.e. 5 collection locations for 5 deposit sites), obtain and inspect written policies and procedures relating to employee job duties (if no written policies or procedures, inquire of employees about their job duties) at each collection location, and observe that job duties are properly segregated at each collection location such that:
 - a) Employees that are responsible for cash collections do not share cash drawers/registers.
 - b) Each employee responsible for collecting cash is not responsible for preparing/making bank deposits, unless another employee/official is responsible for reconciling collection documentation (e.g. pre-numbered receipts) to the deposit.
 - c) Each employee responsible for collecting cash is not responsible for posting collection entries to the general ledger or subsidiary ledgers, unless another employee/official is responsible for reconciling ledger postings to each other and to the deposit.
 - d) The employee(s) responsible for reconciling cash collections to the general ledger and/or subsidiary ledgers, by revenue source and/or agency fund additions, are not responsible for collecting cash, unless another employee/official verifies the reconciliation.

Results of Testing:

No exceptions were noted in the above tests.

6. Obtain from management a copy of the bond or insurance policy for theft covering all employees who have access to cash. Observe that the bond or insurance policy for theft was enforced during the fiscal period.

Results of Testing:

The policy was in force for the entire audit period.

- 7. Randomly select two deposit dates for each of the 5 bank accounts selected for procedure #3 under "Bank Reconciliations" above (select the next deposit date chronologically if no deposits were made on the dates randomly selected and randomly select a deposit if multiple deposits are made on the same day). Alternately, the practitioner may use a source document other than bank statements when selecting the deposit dates for testing, such as a cash collection log, daily revenue report, receipt book, etc. Obtain supporting documentation for each of the 10 deposits and:
 - a) Observe that receipts are sequentially pre-numbered.
 - b) Trace sequentially pre-numbered receipts, system reports, and other related collection documentation to the deposit slip.
 - c) Trace the deposit slip total to the actual deposit per the bank statement.
 - d) Observe that the deposit was made within one business day of receipt at the collection location (within one week if the depository is more than 10 miles from the collection location or the deposit is less than \$100 and the cash is stored securely in a locked safe or drawer).
 - e) Trace the actual deposit per the bank statement to the general ledger.

Results of Testing:

There were no exceptions noted for the above, except for (d). Although all of the tested deposits were made, some were not made in a timely manner.

Recommendation

All deposits should be made within one business day of receipt, in order to comply with (d) above. This should start immediately.

View of Responsible Official

We will comply with auditor's recommendation.

Non-Payroll Disbursements (excluding card purchases/payments, travel reimbursements, and petty cash purchases)

8. Obtain a listing of locations that process payments for the fiscal period and management's representation that the listing is complete. Randomly select 5 locations (or all locations if less than 5).

Results of Testing:

Payments are only made from the Authority office.

- 9. For each location selected under #8 above, obtain a listing of those employees involved with non-payroll purchasing and payment functions. Obtain written policies and procedures relating to employee job duties (if the agency has no written policies and procedures, inquire of employees about their job duties), and observe that job duties are properly segregated such that:
 - a) At least two employees are involved in initiating a purchase request, approving a purchase, and placing an order/making the purchase.
 - b) At least two employees are involved in processing and approving payments to vendors.
 - c) The employee responsible for processing payments is prohibited from adding/modifying vendor files, unless another employee is responsible for periodically reviewing changes to vendor files.
 - d) Either the employee/official responsible for signing checks mails the payment or gives the signed checks to an employee to mail who is not responsible for processing payments.

(Note: Exceptions to controls that constrain the legal authority of certain public officials (e.g., mayor of a Lawrason Act municipality); should not be reported.))

Results of Testing:

No exceptions were noted in the above tests.

- 10. For each location selected under #8 above, obtain the entity's non-payroll disbursement transaction population (excluding cards and travel reimbursements) and obtain management's representation that the population is complete. Randomly select 5 disbursements for each location, obtain supporting documentation for each transaction and:
 - a) Observe that the disbursement matched the related original itemized invoice and that supporting documentation indicates that deliverables included on the invoice were received by the entity.
 - b) Observe that the disbursement documentation included evidence (e.g., initial/date, electronic logging) of segregation of duties tested under #9, as applicable.

Results of Testing:

No exceptions were noted in the above tests.

Credit Cards/Debit Cards/Fuel Cards/P-Cards

11. Obtain from management a listing of all active credit cards, bank debit cards, fuel cards, and P-cards (cards) for the fiscal period, including the card numbers and the names of the persons who maintained possession of the cards. Obtain management's representation that the listing is complete.

Results of Testing:

Management represents that the list is complete.

- 12. Using the listing prepared by management, randomly select 5 cards (or all cards if less than 5) that were used during the fiscal period. Randomly select one monthly statement or combined statement for each card (for a debit card, randomly select one monthly bank statement), obtain supporting documentation, and:
 - a) Observe that there is evidence that the monthly statement or combined statement and supporting documentation (e.g., original receipts for credit/debit card purchases, exception reports for excessive fuel card usage) was reviewed and approved, in writing (or electronically approved),

by someone other than the authorized card holder. (Note: requiring such approval may constrain the legal authority of certain public officials (e.g., mayor of a Lawrason Act municipality); these instances should not be reported.))

b) Observe that finance charges and late fees were not assessed on the selected statements.

Results of Testing:

No exceptions were noted in the above tests.

13. Using the monthly statements or combined statements selected under #12 above, excluding fuel cards, randomly select 10 transactions (or all transactions if less than 10) from each statement, and obtain supporting documentation for the transactions (i.e. each card should have 10 transactions subject to testing). For each transaction, observe that it is supported by (1) an original itemized receipt that identifies precisely what was purchased, (2) written documentation of the business/public purpose, and (3) documentation of the individuals participating in meals (for meal charges only). For missing receipts, the practitioner should describe the nature of the transaction and note whether management had a compensating control to address missing receipts, such as a "missing receipt statement" that is subject to increased scrutiny.

Results of Testing:

We noted in our tests that disbursements were made for expenditures that were not ordinary and necessary. See Audit Finding 2022-001.

Recommendation

Disbursements should only be made that are ordinary and necessary. This should start immediately.

View of Responsible Official

We will comply with the auditor's recommendation.

Travel and Travel-Related Expense Reimbursements (excluding card transactions)

- 14. Obtain from management a listing of all travel and travel-related expense reimbursements during the fiscal period and management's representation that the listing or general ledger is complete. Randomly select 5 reimbursements, obtain the related expense reimbursement forms/prepaid expense documentation of each selected reimbursement, as well as the supporting documentation. For each of the 5 reimbursements selected:
 - a) If reimbursed using a per diem, observe that the approved reimbursement rate is no more than those rates established either by the State of Louisiana or the U.S. General Services Administration (www.gsa.gov).
 - b) If reimbursed using actual costs, observe that the reimbursement is supported by an original itemized receipt that identifies precisely what was purchased.
 - c) Observe that each reimbursement is supported by documentation of the business/public purpose (for meal charges, observe that the documentation includes the names of those individuals participating) and other documentation required by written policy (procedure #1h).
 - d) Observe that each reimbursement was reviewed and approved, in writing, by someone other than the person receiving reimbursement.

No exceptions were noted in the above tests.

Contracts

- 15. Obtain from management a listing of all agreements/contracts for professional services, materials and supplies, leases, and construction activities that were initiated or renewed during the fiscal period. *Alternately, the practitioner may use an equivalent selection source, such as an active vendor list.* Obtain management's representation that the listing is complete. Randomly select 5 contracts (or all contracts if less than 5) from the listing, excluding the practitioner's contract, and:
 - a) Observe that the contract was bid in accordance with the Louisiana Public Bid Law (e.g., solicited quotes or bids, advertised), if required by law.
 - b) Observe that the contract was approved by the governing body/board, if required by policy or law (e.g. Lawrason Act, Home Rule Charter).
 - c) If the contract was amended (e.g. change order), observe that the original contract terms provided for such an amendment and that amendments were made in compliance with the contract terms (e.g. if approval is required for any amendment was approval documented).
 - d) Randomly select one payment from the fiscal period for each of the 5 contracts, obtain the supporting invoice, agree the invoice to the contract terms, and observe that the invoice and related payment agreed to the terms and conditions of the contract.

Results of Testing:

No exceptions were noted in the above tests.

Payroll and Personnel

16. Obtain a listing of employees and officials employed during the fiscal period and management's representation that the listing is complete. Randomly select 5 employees or officials, obtain related paid salaries and personnel files, and agree paid salaries to authorized salaries/pay rates in the personnel files.

Results of Testing:

It appears that one maintenance employee is paid more than the Civil Service rate for his classification. This is based on comparing the salary actually paid for the tested period to the Civil Service Employee Market Adjustment Form that was given us by the Authority.

Recommendation

Management should contact the State Civil Service and see if there is a way that the employee's classification can be changed. We suggest that before that call is made, management should consult with a large authority that has perhaps been successful with appeals such as this with Civil Service. If a reclassification is not possible, management should ask Civil Service of the best course of action. This should be done as soon as possible.

View of Responsible Official

We will comply with the auditor's recommendation.

- 17. Randomly select one pay period during the fiscal period. For the 5 employees or officials selected under #16 above, obtain attendance records and leave documentation for the pay period, and:
 - a) Observe that all selected employees or officials documented their daily attendance and leave (e.g., vacation, sick, compensatory). (Note: Generally, officials are not eligible to earn leave and do not document their attendance and leave. However, if the official is earning leave according to a policy and/or contract, the official should document his/her daily attendance and leave.)
 - b) Observe that supervisors approved the attendance and leave of the selected employees or officials.
 - c) Observe that any leave accrued or taken during the pay period is reflected in the entity's cumulative leave records.
 - d) Observe that the rate paid to the employees or officials agree to the authorized salary/pay rate found within the personnel file.

- (a)-The Executive Director did not document her daily attendance in the audit year. However, she showed us documentation that she properly started doing so in October 2022. See (a) of Finding 2022-002.
- (b)-the other tested employees had adequate records for the one period tested.
- (c)-see (c) and (d) of Finding 2022-002.
- (d)-We noted that one maintenance employee is being paid in excess of his classified Civil Service rate. This is noted in Number 16, above. See Finding (d) of Finding 2022-002.

Recommendation

See Recommendation, Finding 2022-002.

View of Responsible Official

We will comply with the auditor's recommendation.

18. Obtain a listing of those employees or officials that received termination payments during the fiscal period and management's representation that the list is complete Randomly select two employees or officials, obtain related documentation of the hours and pay rates used in management's termination payment calculations and the entity policy on termination payments. Agree the hours to the employee or officials' cumulate leave records, agree the pay rates to the employee or officials' authorized pay rates in the employee or officials' personnel files, and agree the termination payment to entity policy.

Results of Testing:

Management asserts that were no termination payments made during the audit year. We did not note any during our tests.

19. Obtain management's representation that employer and employee portions of third-party payroll related amounts (e.g. payroll taxes, retirement contributions, health insurance premiums, garnishments, workers' compensation premiums, etc.) have been paid, and any associated forms have been filed, by required deadlines.

For the second consecutive year, the defined contribution plan is underfunded. See Audit Finding 2022-003. Management asserts that they are currently working with their contact with the Plan Administrator to determine the exact, current amount of the underfunding. Once that amount is determined, management claims they will fund the plan with the proper amount.

Recommendation

Management should verify every pay period that the correct percentages are withheld and the employer percentage is properly calculated. Both the withheld employee amount plus the Authority contribution should be funded each month.

View of Responsible Official

We will comply with the auditor's recommendation. We are already checking each pay period for the proper amounts.

Ethics

- 20. Using the 5 randomly selected employees/officials from procedure #16 under "Payroll and Personnel" above obtain ethics documentation from management, and:
 - a. Observe that the documentation demonstrates each employee/official completed one hour of ethics training during the fiscal period.
 - b. Observe that the entity maintains documentation which demonstrates each employee and official were notified of any changes to the entity's ethics policy during the fiscal period, as applicable.

Results of Testing:

Management asserts that the Ethics training was not obtained during the year.

Recommendation

Ethics training should be obtained for all by no later than June 30, 2023. One on-line site is laethics.net.

View of Responsible Official

We will comply with the auditor's recommendation.

Debt Service

21. Obtain a listing of bonds/notes and other debt instruments issued during the fiscal period and management's representation that the listing is complete. Select all debt instruments on the listing, obtain supporting documentation, and observe that State Bond Commission approval was obtained for each debt instrument issued.

Results of Testing:

Not applicable.

22. Obtain a listing of bonds/notes outstanding at the end of the fiscal period and management's representation that the listing is complete. Randomly select one bond/note, inspect debt covenants, obtain supporting documentation for the reserve balance and payments, and agree actual reserve balances and payments to those required by debt covenants (including contingency funds, short-lived asset funds, or other funds required by the debt covenants).

Results of Testing:

Not applicable.

Fraud Notice

23. Obtain a listing of misappropriations of public funds and assets during the fiscal period and management's representation that the listing is complete. Select all misappropriations on the listing, obtain supporting documentation, and observe that the entity reported the misappropriation(s) to the legislative auditor and the district attorney of the parish in which the entity is domiciled.

Results of Testing:

Management asserts that they are not aware of any misappropriations during the audit year. We did not note any during our tests.

24. Observe that the entity has posted on its premises and website, the notice required by R.S. 24:523.1 concerning the reporting of misappropriation, fraud, waste, or abuse of public funds.

Results of Testing:

The notice is properly posted.

Information Technology Disaster Recovery/Business Continuity

- 25. Perform the following procedures, verbally discuss the results with management, and report "We performed the procedure and discussed the results with management."
 - a. Obtain and inspect the entity's most recent documentation that it has backed up its critical data (if no written documentation, inquire of personnel responsible for backing up critical data) and observe that such backup occurred within the past week. If backups are stored on a physical medium (e.g., tapes, CDs), observe evidence that backups are encrypted before being transported.
 - b. Obtain and inspect the entity's most recent documentation that it has tested/verified that its backups can be restored (if no written documentation, inquire of personnel responsible for testing/verifying backup restoration) and observe evidence that the test/verification was successfully performed within the past 3 months.
 - c. Obtain a listing of the entity's computers currently in use, and their related locations, and management's representation that the listing is complete. Randomly select 5 computers and observe while management demonstrates that the selected computers have current and active antivirus software and that the operating system and accounting system software in use are currently supported by the vendor.

Management relies on a local IT provider to perform back up and test restoration of the data. During our field visit, one of their employees was present and working on another assignment. Management claims they have asked the IT provider for the backup and restoration dates. As of this report, we have not received this information.

Recommendation

We recommend that management obtain these days within seven days from the date of this report. This is due to the critical, important nature of the disaster backup.

View of Responsible Official

We will comply with the auditor's recommendation.

Sexual Harassment

26. Using the 5 randomly selected employees/officials from procedure #16 under "Payroll and Personnel" above, obtain sexual harassment training documentation from management, and observe that the documentation demonstrates each employee/official completed at least one hour of sexual harassment training during the calendar year.

Results of Testing:

This training was not obtained during the year.

Recommendation

All should obtain the annual, required training. One way is to access on-line lma.org.

View of Responsible Official

The required training should be obtained no later than June 30, 2023.

27. Observe that the entity has posted its sexual harassment policy and complaint procedure on its website (or in a conspicuous location on the entity's premises if the entity does not have a website).

Results of Testing:

As noted in Number 1 above, the Authority has not yet adopted a Sexual Harassment Policy.

Recommendation

This policy should be adopted.

View of Responsible Official

We will follow the auditor's recommendation.

- 28. Obtain the entity's annual sexual harassment report for the current fiscal period, observe that the report was dated on or before February 1, and observe that it includes the applicable requirements of R.S. 42:344:
 - a. Number and percentage of public servants in the agency who have completed the training requirements;
 - b. Number of sexual harassment complaints received by the agency;
 - c. Number of complaints which resulted in a finding that sexual harassment occurred;
 - d. Number of complaints in which the finding of sexual harassment resulted in discipline or corrective action; and
 - e. Amount of time it took to resolve each complaint.

Management asserts that no sexual harassment complaints were received during the audit year.

We were engaged by the Arcadia Housing Authority to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the American Institute of Certified Public Accountants and applicable standards of *Government Auditing Standards*. We were not engaged to and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on those C/C areas identified in the SAUPs. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Arcadia Housing Authority and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

This report is intended solely to describe the scope of testing performed on those C/C areas identified in the SAUPs, and the result of that testing, and not to provide an opinion on control or compliance. Accordingly, this report is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the LLA as a public document.
