## INDEPENDENT AUDITOR'S REPORT

To the Members of  
Lune d'Or Enterprises, LLC and Subsidiaries  
New Orleans, Louisiana

### Report on the Audit of the Consolidated Financial Statements

#### *Opinion*

We have audited the accompanying consolidated financial statements of the business-type activities of Lune d'Or Enterprises, LLC ("Lune d'Or") and Subsidiaries (collectively referred to as the "Company"), a component unit of the Housing Authority of New Orleans ("HANO") as of and for the year ended December 31, 2023, and the related notes to the consolidated financial statements, which collectively comprise the Company's consolidated financial statements as listed in the table of contents.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the business-type activities of the Company as of December 31, 2023, and the changes in financial position, and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### *Basis for Opinion*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### *Emphasis of a Matter*

As described in Note J to the financial statements, a prior period adjustment was made to adjust the Company's due from affiliate, due to affiliate, and net position balances as of the beginning of the year. Our opinion is not modified with respect to this matter.

## ***Responsibilities of Management for the Consolidated Financial Statements***

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

## ***Auditor's Responsibilities for the Audit of the Consolidated Financial Statements***

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Required Supplementary Information***

Management has omitted the Management's Discussion and Analysis for the Company that accounting principles generally accepted in the United States of America requires to be presented to supplement the consolidated financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the consolidated financial statements is not affected by this missing information.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating schedule of net position and consolidating schedule of revenues, expenses and changes in net position are presented for the purpose of additional analysis and are not a required part of the consolidated financial statements. The schedule of compensation, benefits and other payments to agency head or chief executive officer is presented for the purpose of additional analysis as required by the Louisiana Legislative Auditor and is also not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

### ***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated June 28, 2024 on our consideration of the Company's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Company's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Company's internal control over financial reporting and compliance.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**

**For the year ended December 31, 2023**

**NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

1. Nature of operations

**Organization**

Lune d'Or Enterprises, LLC ("Lune d'Or") and Subsidiaries (collectively referred to as the "Company"), a Louisiana limited liability company, was formed in March 2004. The Company was organized to acquire, finance, redevelop, rehabilitate and construct affordable housing as a for-profit subsidiary on behalf of Crescent Affordable Housing Corporation ("CAHC"), the sole member.

The Company is a component unit of the Housing Authority of New Orleans ("HANO") under the requirements of Governmental Accounting Standards Board's ("GASB") *Codification of Governmental Accounting and Financial Reporting Standards*, Section 2100, *Defining the Financial Reporting Entity*. The Company is presented as a blended component unit of HANO as there is a financial benefit/burden relationship with HANO. HANO has the ability to influence the operations of Lune d'Or, as its Board of Directors is appointed by HANO, and any changes to Lune d'Or's by-laws must be approved by HANO.

For financial reporting purposes, the financial information is presented in conformity with GASB, which is the same measurement focus and basis of accounting used for HANO.

2. Government-wide and fund financial statements

The government-wide financial statements report information about the reporting government as a whole excluding fiduciary activities. The statements distinguish between governmental and business-type activities. Governmental activities generally are financed through taxes, intergovernmental revenues and other non-exchange revenues. Business-type activities rely to a significant extent, on user fees and charges for support.

Governments use fund accounting, whereby funds are organized into three major categories: governmental, proprietary and fiduciary. Each fund is accounted for by providing a separate set of self-balancing accounts that constitute its assets, deferred outflows of resources, liabilities, deferred inflows of resources, fund net position, revenues and expenditures/expenses.

For financial reporting purposes, the Company reports all of its operations as a single business activity in a single enterprise fund. Therefore, the government-wide and the fund financial statements are the same.

**(A Component Unit of the Housing Authority of New Orleans)**

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**

**For the year ended December 31, 2023**

**NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

2. Government-wide and fund financial statements (continued)

Enterprise funds are proprietary funds. Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating activity generally arises from providing services in connection with a proprietary fund's principal activity. The operating revenues of the Company consist primarily of tenant rent. All other revenues are reported as non-operating revenues.

Operating expenses are those expenses that are essential to the primary operations of the Company. All other expenses are reported as non-operating expenses.

Net position, the difference between assets plus deferred outflows of resources and liabilities plus deferred inflows of resources, as presented in the statement of net position, is subdivided into three categories: net investment in capital assets; restricted net position; and unrestricted net position. Net position is reported as restricted when constraints are imposed on the use of the amounts either externally by creditors, grantors, contributors, or laws and regulations of other governments, or by law through constitutional provisions or enabling legislation. Net investment in capital assets is the component of net position that consists of capital assets, net of accumulated depreciation and reduced by any outstanding balances of bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction and improvements of those assets. Unrestricted net position does not meet the definition of the other two components.

3. Measurement focus and basis of accounting

Measurement focus is a term used to describe which transactions are recorded within the various consolidated financial statements. The proprietary fund utilizes an economic resources measurement focus. The accounting objectives of this measurement focus are the determination of operating income, changes in net position, financial position and cash flows. All assets, deferred outflows of resources, liabilities and deferred inflows of resources (whether current or noncurrent) associated with their activities are reported. Proprietary fund equity is classified as net position.

Basis of accounting refers to when transactions are recorded regardless of the measurement focus applied. The basis of accounting used is similar to businesses in the private sector, thus, these funds are maintained on the accrual basis of accounting. Revenues are recognized when earned and expenses are recorded when the liability is incurred or economic asset used.

**For the year ended December 31, 2023**

**NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

4. Principles of consolidation

The accompanying consolidated financial statements include the accounts of Lune d'Or and investments in limited liability companies in which Lune d'Or has a controlling interest. Additionally, the consolidated financial statements include the accounts of three limited liability companies in which Lune d'Or serves as the managing general partner and has a .01% interest. These entities are included in the consolidation according to accounting principles generally accepted in the United States of America (GAAP) which require that Lune d'Or consolidate the accounts of all limited liability companies that it controls, as the managing general partner. All significant intercompany transactions have been eliminated in the consolidation.

The limited liability companies included in the consolidation are as follows:

<u>Entity</u>	<u>Percentage ownership</u>	<u>Number of units</u>
Fischer I, LLC	0.01%	20
Fischer III, LLC	0.01%	103
Guste I, LLC	0.01%	82

5. Use of estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

6. Cash and cash equivalents

The Company considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

7. Accounts receivable and bad debts

Management individually reviews all accounts receivable periodically and assesses the portions, if any, of the balance that will not be collected. Tenant accounts receivable are charged to bad debt expense when they are determined to be uncollectible based upon a periodic review of the accounts by management. The allowance for uncollectible amounts as of December 31, 2023 is \$8,816.

8. Capital assets, net

Property and equipment is recorded at cost. Expenditures for maintenance and repairs are charged to expenses as incurred while major renewals and betterments are capitalized. Upon disposal of depreciable property, the appropriate property accounts are reduced by the related costs and accumulated depreciation. The resulting gains and losses are reflected in the statement of revenues, expenses and changes in net position. Depreciation is provided using the straight-line method over the estimated useful lives of the assets as follows:

	<u>Useful lives</u>
Buildings and improvements	40 years
Land improvements	20 years
Furniture, equipment and machinery	10 years

9. Impairment of long-lived assets

The Company reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. When recovery is reviewed, if the undiscounted cash flows estimated to be generated by the property are less than its carrying amount, management compares the carrying amount of the property to its fair value in order to determine whether an impairment loss has occurred. The amount of the impairment loss is equal to the excess of the asset's carrying value over its estimated fair value. Management has determined that there were no impairments as of December 31, 2023.

10. Rental income, net

Rental income is recognized as rents become due. Rental payments received in advance are deferred until earned. All leases between the Company and the tenants of the property are considered operating leases.

11. Income taxes

The Company is not a taxpaying entity for federal or state income tax purposes since taxable income or loss passes through to, and is reportable by, the members individually. Therefore, no provision or liability for income taxes has been included in the financial statements.

**(A Component Unit of the Housing Authority of New Orleans)**

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**

**For the year ended December 31, 2023**

**NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

11. Income taxes (continued)

The Company accounts for income taxes in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 740, *Income Taxes*, which clarifies the accounting and disclosure requirements for uncertainty in tax positions. It requires a two-step approach to evaluate tax positions and determine if they should be recognized in the financial statements. The two-step approach involves recognizing any tax positions that are “more likely than not” to occur and then measuring those positions to determine if they are recognizable in the financial statements. Management regularly reviews and analyzes all tax positions and has determined no aggressive tax positions have been taken. In evaluating the Company’s tax provisions and accruals, future taxable income, the reversal of temporary differences, interpretations, and tax planning strategies are considered. The Company believes their estimates are appropriate based on current facts and circumstances.

The Company’s income tax filings are subject to audit by various taxing authorities. The Company is no longer subject to income tax examinations by tax authorities for years before 2020.

12. Economic concentrations

Fischer I, LLC, Fischer III, LLC, and Guste I, LLC each operates properties located in New Orleans, Louisiana. Future operations could be affected by changes in economic or other conditions in that geographical area or by changes in federal low-income housing subsidies or the demand for such housing.

13. Impact of recently issued accounting principles

In June 2022, the GASB issued Statement No. 101, *Compensated Absences*. This statement is effective for the Company’s December 31, 2024 fiscal year end.

In December 2023, the GASB issued Statement No. 102, *Certain Risk Disclosures*. This statement is effective for the Company’s December 31, 2025 fiscal year end.

In April 2024, the GASB issued Statement No. 103, *Financial Reporting Model Improvements*. This statement is effective for the Company’s December 31, 2026 fiscal year end.

Management is currently evaluating the impact of the adoption of these statements on the Company’s financial statements.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**

**For the year ended December 31, 2023**

**NOTE B - CASH AND CASH EQUIVALENTS**

As of December 31, 2023, the Company’s cash and cash equivalents, including restricted cash, totaled \$1,719,346.

The Company maintains its cash and cash equivalents balances in financial institutions that are insured by the Federal Depository Insurance Corporation (“FDIC”) for up to \$250,000 per depositor. From time to time, the Company’s cash balances in these institutions may be in excess of the FDIC insured limit. However, management does not believe the credit risk related to these balances is significant.

As of December 31, 2023, restricted cash and cash equivalents consists of:

	Fischer I, LLC	Fischer III, LLC	Guste I, LLC	Total
Replacement reserve	\$ 9,237	\$ 445,247	\$ 104,551	\$ 559,035

1. Replacement reserve

Pursuant to each respective Operating Agreement, each property is required to make monthly deposits to a reserve account for capital replacements. During 2023, the funded monthly deposits of \$620 for Fischer I, LLC, \$3,282 for Fischer III, LLC, and \$2,449 for Guste I, LLC were made and will increase annually by the Consumer Price Index.

2. Annual Contributions Contract (“ACC”) subsidy reserve

Each property shall establish a reserve account as set forth in their Regulatory and Operating Agreement between the property and HANO. Funds in the ACC Subsidy Reserve may be used to pay operating expenses subject to approval and consent of the Investor Member, CAHC. The accounts, once established, shall remain at or above \$33,627 for Fischer I, LLC, and \$227,000 for Guste I, LLC.

3. Operating reserve

Pursuant to each respective Operating Agreement, each property is required to establish an operating reserve in a separate reserve account to fund operating expenses, to the extent required, subject to any requisite approvals and to the consent of the Investor Member, CAHC.

4. Utility escrow

CAHC required Fischer III, LLC to establish a utility escrow before releasing equity installments due to the Authority.

**NOTE C - RELATED PARTY TRANSACTIONS**

1. Voucher subsidy from HANO

The properties are eligible to house tenants receiving Housing Choice Voucher rental assistance through vouchers issued by HANO. These amounts are included in rental income on the statement of revenues, expenses and changes in net position. During 2023, \$54,856 for Fischer I, LLC, \$155,626 for Fischer III, LLC, and \$182,393 for Guste I, LLC was received from HANO as rental assistance.

2. Operating subsidy from HANO

HANO has entered into an Amended and Restated Regulatory and Operating Agreement (the "Agreement") with the properties that provides for an operating subsidy amount for annual operations. Pursuant to the Agreement, the eight, sixty-nine, and sixty-seven units at Fischer I, LLC, Fischer III, LLC, and Guste I, LLC, respectively, are to be operated as Public Housing Units and subject to all regulations therein. During 2023, \$42,366 for Fischer I, LLC, \$363,291 for Fischer III, LLC, and \$292,831 for Guste I, LLC was received from HANO as pass-through operating subsidy.

3. Developer agreement - related party

The properties entered into development agreements with CAHC, an affiliate of the Managing Member, Lune d'Or. The agreements provide for development fees and overhead for services in connection with the development of each property and supervision of the construction. Development fees are earned based upon the occurrence of certain events, as defined during development and construction. During the year ended December 31, 2023, no additional development fees were earned or paid. The developer fees are expected to be paid out of investor equity contributions.

**NOTE I - COMMITMENTS AND CONTINGENCIES**

1. Legal

The Company may be party to various pending or threatened legal actions in the normal course of operations. As of the date of this report, management is not aware of any material threatened or pending legal actions against the Company.

2. Tax credits

For Fischer I, LLC, Fischer III, LLC, and Guste I, LLC, the low-income housing tax credits are contingent on its ability to maintain compliance with applicable sections of Section 42. Failure to maintain compliance with occupant eligibility and/or unit gross rent or to correct noncompliance within a specified time period could result in recapture of previously taken tax credits plus interest. In addition, such potential noncompliance may require an adjustment to the contributed capital by the Investor Member of each entity.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Members of  
Lune d'Or Enterprises, LLC and Subsidiaries

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of the business-type activities of Lune d'Or Enterprises, LLC and Subsidiaries (collectively referred to as the "Company"), as of and for the year ended December 31, 2023, and the related notes to the consolidated financial statements, and have issued our report thereon dated June 28, 2024.

**Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the consolidated financial statements, we considered the Company's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

## **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Company's consolidated financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Company's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Company's internal control over compliance. Accordingly, this communication is not suitable for any other purpose.
