<u>WEST FELICIANA PARISH TOURIST COMMISSION</u> <u>ST. FRANCISVILLE, LOUISIANA</u>

NOTES TO THE FINANCIAL STATEMENTS

1. <u>Summary of Significant Accounting Policies</u>

The purpose of this Commission is to develop and carry out programs designed to promote tourism in West Feliciana Parish.

The Governmental Accounting Standards Board (GASB) was established to promulgate generally accepted accounting principles and reporting standards with respect to activities and transactions of state and local governmental entities.

A. <u>Financial Reporting Entity</u>

This report includes only the funds and activities of West Feliciana Parish Tourist Commission. The Commission's governing board is appointed by the West Feliciana Parish Police Jury. The Board exercised all administrative functions with respect to the operation and management of the West Feliciana Parish Tourist Commission. The West Feliciana Parish Tourist Commission is a component unit of the West Feliciana Parish Police Jury.

This report includes all funds, account groups and activities that are within the oversight responsibility of the Commission. Oversight responsibility was determined by financial interdependency, election of governing authority, designation of management ability to influence operations, and accountability of fiscal matters. Certain units of local government which the Commission exercises no oversight responsibility, such as the Parish Police Jury, the Parish School Board, other independently elected parish officials, and municipalities within the parish, are excluded from the accompanying financial statements. These units of government issue financial statements separate from that of the Commission.

B. Fund Accounting

The accounts of the Commission are organized on the basis of funds. Revenues are accounted for in these individual funds based upon the purpose for which they are to be spent and the means by which spending activities are controlled. The funds presented in the financial statements are described as follows:

General Fund

The General Fund is used to account for the operations of the Commission office. The various taxes paid to the Commission are accounted for in this fund. General operating expenditures are paid from this fund.

NOTES TO THE FINANCIAL STATEMENTS

- 1. <u>Summary of Significant Accounting Policies</u> (continued)
 - C. Basis of Accounting

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The governmental fund is accounted for using the cash basis of accounting. Its revenues are recognized when they are collected.

Expenditures are generally recognized under the cash basis of accounting when the expenditures are

paid.

D. Budget Practices

Annually, the Commission adopts a budget for the General Fund. A public notice of the proposed budget is published and a public hearing is held on the budget. The General Fund budget is prepared on the cash basis of accounting and includes original adopted budgeted amounts and all subsequent amendments. All annual appropriations lapse at fiscal year-end.

A requirement of Louisiana Revised Statute 39:1310 is that an amendment is necessary when actual expenditures plus projected expenditures for the remainder of the year, within a fund, are exceeding budgeted expenditures by five percent or more.

2. <u>Cash</u>

At December 31, 1998, the carrying amount of the Commission's deposits was \$18,685 and the bank balance was \$19,118. Of the bank balance, the entire amount was covered by federal depository insurance.

To the West Feliciana Parish Tourist Commission

We have performed the procedures included in the Louisiana Government Audit Guide and enumerated below, which were agreed to by the management of West Feliciana Parish Tourist Commission and the Legislative Auditor, State of Louisiana, solely to assist the users in evaluating management's assertions about West Feliciana Parish Tourist Commission's compliance with certain laws and regulations during the year ended December 31, 1998 included in the accompanying Louisiana Attestation Questionnaire. This agreed-upon procedures engagement was performed in accordance with standards established by the American Institute of Certified Public Accountants. None of the employees included on the list of employees provided by management [agreed-upon procedure (3)] appeared on the list provided by management in agreed-upon procedure (2).

Budgeting

5. Obtained a copy of the legally adopted budget and all amendments.

Management provided us with a copy of the original budget and the budget amendments.

6. Trace the budget adoption and amendments to the minute book.

We traced the adoption of the original budget to the minutes of a meeting held on December 9, 1996 which indicated that the budget had been adopted by the commissioners of West Feliciana Parish Tourist Commission. Amendments were made to the budget and adopted at meetings dated May 12, 1997, July 14, 1997 and October 13, 1997.

 Compare the revenues and expenditures of the final budget to actual revenues and expenditures to determine if actual revenues failed to meet budgeted revenues by 5% or more or if actual expenditures exceed budgeted amounts by 5% or more.

We compared the revenues and expenditures of the final budget to actual revenues and expenditures. Actual revenues and expenditures for the year did not exceed budgeted amounts.

Debt

11. Examine payroll records and minutes for the year to determine whether any payments have been made to employees which may constitute bonuses, advances, or gifts.

We inspected payroll records for the year and noted no instances which would indicate payments. to employees which would constitute bonuses, advances, or gifts.

Our prior year report, dated June 5, 1998, did not include any comments or unresolved matters.

We were not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on management's assertions. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the use of management of West Feliciana Parish Tourist Commission and the Legislative Auditor, State of Louisiana, and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes.
