INDEPENDENT AUDITORS' REPORT

Board of Directors
IC: Feed the Children
Jennings, LA

Opinion

We have audited the accompanying financial statements of IC: Feed the Children (the Organization), (a nonprofit organization), which comprise the statement of financial position as of September 30, 2022, and the related statement activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respect, the financial position of the Organization as of September 30, 2022, and the change in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that,

individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Compensation and benefits and other payments to Agency Head is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 30, 2023, on our consideration of IC: Feed the Children, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of IC: Feed the Children's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering IC: Feed the Children's internal control over financial reporting and compliance.

IC: FEED THE CHILDREN
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

(A) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities – IC: Feed the Children (hereafter referred to as the Organization) operates a Family Day Care Home Program under the Child and Adult Care Food Program, Section 17 of the Richard B. Russell National School Lunch Act. Under the provisions of this program, individuals who care for a small number of children in their homes are reimbursed for the costs of meals served to the children. The Organization monitors the composition of the meals to assure nutritional values, makes routine inspections of the homes to ensure the safety of the children who stay there, and acts as an intermediary between the state and federal agencies who administer funds and the providers who care for the children. This program is funded totally by federal funds received from the State of Louisiana Department of Education and is the primary source of the Organization's revenues.

Financial Statement Presentation – The financial statements of the Organization have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables and other liabilities. The FASB has established the Accounting Standards Codification (“ASC”) as the source of authoritative accounting principles to be applied in the preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America (“GAAP”). Net assets and revenues, expenses, gains, and losses are classified based on the existence of donor imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organizations’ management and board of directors.

Net Assets with Donor Restrictions – Net assets subject to donor-imposed stipulations that will be met, either (1) by incurring expenses satisfying the restricted purpose (purpose restricted), and/or passage of time or other events (time-restricted), or (2) will never expire (perpetual in nature). When the restriction expires, net assets with donor restrictions are reclassified as net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Revenue and Expense Recognition – Program reimbursements and grants are recorded or accrued as revenues when earned. Substantially all other revenues are recorded when received. Expenses are recognized in the period incurred in accordance with the accrual basis of accounting.

Promises to Give – Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

IC: FEED THE CHILDREN
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

(A) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued)

Income Taxes - The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code, except on net income derived from unrelated business activities. The Organization believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements.

The Organization's federal Exempt Organization Business Income Tax Returns (Form 990) are subject to examination by the IRS generally for three years after they were filed.

Use of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value of Financial Instruments - ASC section 820 Fair Value Measurements and Disclosures and ASC section 825 Financial Instruments require all entities to disclose the fair value of financial instruments for which it is practicable to estimate fair value. The carrying amount of cash and cash equivalents and accrued receivables approximates fair value because of the short maturity of these financial instruments.

Donated Services and Materials - The Organization recognizes donated services that (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Donated materials are valued at the current market value at the time of the donation. Donated services and materials were considered to be immaterial.

Support and Expenses - The Organization reports administrative and program reimbursements on the accrual basis of accounting. The amounts due to providers are also reported on the accrual basis of accounting.

A donor-restriction applies to the program reimbursement, and the amount is shown as temporarily restricted net assets. When the donor restriction expires, that is, when the stipulated restriction ends by payments to the providers, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Functional Allocation of Expenses - Expenses are summarized and categorized based on their function classification as either program or supporting services. Specific expenses that are readily identifiable to a single program or activity are charged directly to that function. Certain categories of expenses are attributable to more than one program or supporting function. Therefore, these expenses require allocation based on the time used for those functions.

Advertising Costs – The Organization uses advertising to promote its programs among the individuals it serves. The cost of this advertising is expensed as incurred. Advertising costs for the year ended September 30, 2022, was \$-0-.

Recently adopted accounting pronouncements – In February 2016, the FASB issued ASU 2016-02, *Leases* (“ASU 2016-02”). The new standard establishes a right-of-use (“ROU”) model that requires a lessee to record a ROU asset and a lease liability on the balance sheet for all leases with terms longer than 12 months. Leases are classified as either finance or operating, with classification affecting the pattern of expense recognition in the income statement. ASU 2016-02 is effective for fiscal years beginning after December 15, 2020, including interim periods within those fiscal years. In June 2020, the FASB issued

IC: FEED THE CHILDREN
NOTES TO FINANCIAL STATEMENTS

(A) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued)

ASU 2020-05, as a limited deferral of the effective dates for ASU 2016-02 which is effective for fiscal years beginning after December 15, 2021. Early adoption is permitted. A modified retrospective transition approach is required for lessees for capital and operating leases existing at, or entered into after, the beginning of the earliest comparative period presented in the financial statements, with certain practical expedients available. There was no impact to the financial statements for the implementation of this standard.

In September 2020, the FASB issued ASU No. 2020-07, *Presentation and Disclosures by Not-for Profit Entities for Contributed Nonfinancial Assets*. This accounting standard improves transparency in the reporting of contributed nonfinancial assets, also known as gifts-in-kind, for not-for-profit organizations through enhancements to presentation and disclosure. The standard is effective for annual periods beginning after December 15, 2021. Management has assessed there is no significant impact of this pronouncement on its financial statements.

(B) CASH AND CASH EQUIVALENTS

For purposes of the statement of cash flows, the Organization considers all highly liquid interest-bearing deposits with a maturity of three months or less when purchased to be cash equivalents. Cash and cash equivalents consist of demand deposits. Of the demand deposits amounts, \$1,276 is maintained in the administrative and provider accounts to be utilized for the family day care home program. The remaining funds of \$1,865 are held by the General Fund and can be utilized at the discretion of management.

(C) UNCONDITIONAL PROMISES TO GIVE

Unconditional promises to give are stated at the amount the Organization expects to collect. Management considers all unconditional promises to give to be collectible at September 30, 2022. Unconditional promises to give as of September 30, 2022 consist of the following:

Due from Department of Education	<u>\$ 43,030</u>
----------------------------------	------------------

(D) FINANCIAL INSTRUMENTS

The Organization's financial instruments consist of cash, accounts receivable and accounts payable. The carrying amounts for these financial instruments approximates fair value because of their short-term nature.

**IC: FEED THE CHILDREN
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2022**

(E) LIQUIDITY AND AVAILABILITY OF RESOURCES

The Organization's financial assets available within one year of the balance sheet date for general expenditures are as follows:

Purpose	Amount
Cash and cash equivalents	\$ 3,141
Due from department of education	43,030
Total	\$ 46,171

This amount is considered available to meet the needs of general expenditures within one year. The Organization receives the majority of its revenue from state and federal government grant programs, and these grants are appropriated each year. The Organization manages its liquidity by regularly monitoring the availability of resources required to meet its operating needs and other contractual commitments. And by operating within a prudent range of financial soundness and stability while maintaining sufficient reserves to provide reasonable assurance that commitments will continue to be met.

(F) CONCENTRATION OF CREDIT RISK

The Organization's cash is deposited in one financial institution. The Organization has concentrated credit risk for cash by maintaining deposits in one bank. At September 30, 2022, there were no deposits in excess of the FDIC insurance of up to \$250,000. The Organization's cash balance did not exceed this limit and therefore was not subject to credit risk. The Organization does not have a credit risk policy.

(G) DONOR RESTRICTION ON NET ASSETS

Substantially all of the donor restrictions on net assets relate to amounts requested from the State of Louisiana, Department of Education for reimbursements to the providers of meals through the Family Day Care Home Program of the U.S. Department of Agriculture Food and Nutrition Services under 7 CFR Part 226. The amount due to providers requested but not yet received at year-end has been accrued in the accompanying financial statements and is listed in Note C.

(H) NET ASSETS RELEASED FROM RESTRICTIONS

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose during the year as follows:

Purpose restriction accomplished:	
Meals provided	\$ 427,797

**IC: FEED THE CHILDREN
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2022**

(I) COMMITMENTS AND CONTINGENCIES

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies. Any disallowed claims, including amounts already collected, may constitute a liability. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time, although the Organization expects such amounts, if any, to be immaterial. Also, a liability for findings and questioned costs is not established until final disposition of such matters by the funding agency.

(J) RISK MANAGEMENT

The Organization is exposed to risks of loss in the areas of general liability. These risks are handled by purchasing commercial insurance coverage. There have been no significant reductions in the insurance coverage during the year. Insurance settlements did not exceed insurance coverage.

(K) LITIGATION

There is no pending or threatened litigation, claims, or assessments required to be accrued or disclosed in this financial report.

(L) CONCENTRATIONS

The Organization received substantially all of its total revenue from the Department of Education, State of Louisiana through the U.S. Department of Agriculture Food and Nutrition Services, Family Day Care Home Program, under 7 CFR Part 226. The Organization does not expect that the support from this governmental agency will be lost in the near-term; however, a change in this funding could substantially affect the operations of the Organization.

(M) OPERATING LEASE

The Organization is obligated under certain leases accounted for as operating leases. Operating leases do not give rise to property rights or lease obligations; therefore, the results of these agreements are not reflected in property and equipment. The Organization is leasing office space under a twelve month lease expiring August 31, 2023.

The following is a schedule of future minimum rental payments required under the above operating leases:

<u>Fiscal Year Ended</u>	<u>Amount</u>
2023	<u>\$ 5,500</u>

(N) OTHER PAYABLES

The following is a summary of other payables as of September 30, 2022:

Due to Department of Education	\$ 15,317
Other	<u>4,895</u>
Total other payables	<u>\$ 20,212</u>

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors
IC: Feed the Children
Jennings, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of IC: Feed the Children (a nonprofit organization), which comprise the statement of financial position as of September 30, 2022, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 30, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered IC: Feed the Children's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of IC: Feed the Children's internal control. Accordingly, we do not express an opinion on the effectiveness of IC: Feed the Children's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether IC: Feed the Children's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying schedule of findings and questioned costs as items 2022-01(C).

City of X, State Y's Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on the Organization's response to the findings identified in our audit and described in the accompanying schedule of findings and questioned costs. The Organization's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Ask management to identify the entity's main operating account. Select the entity's main operating account and randomly select 4 additional accounts (or all accounts if less than 5). Randomly select one month from the fiscal period, obtain and inspect the corresponding bank statement and reconciliation for each selected account, and observe that:

Randomly select one collection location for each deposit site (i.e., 5 collection locations for 5 deposit sites), obtain and inspect written policies and procedures relating to employee job duties (if no written policies or procedures, inquire of employees about their job duties) at each collection location, and observe that job duties are properly segregated at each collection location such that:
- a) Employees responsible for cash collections do not share cash drawers/registers.
- b) Each employee responsible for collecting cash is not responsible for preparing/making bank deposits, unless another employee/official is responsible for reconciling collection documentation (e.g., pre-numbered receipts) to the deposit.
- c) Each employee responsible for collecting cash is not responsible for posting collection entries to the general ledger or subsidiary ledgers, unless another employee/official is responsible for reconciling ledger postings to each other and to the deposit.

 - a) Observe whether there is evidence that the monthly statement or combined statement and supporting documentation (e.g., original receipts for credit/debit card purchases, exception reports for excessive fuel card usage) were reviewed and approved, in writing (or electronically approved), by someone other than the authorized card holder. [Note: Requiring such approval may constrain the legal authority of certain public officials (e.g., mayor of a Lawrason Act municipality); these instances should not be reported.]
 - b) Observe that finance charges and late fees were not assessed on the selected statements.
- C. Using the monthly statements or combined statements selected under #6B above, excluding fuel cards, randomly select 10 transactions (or all transactions if less than 10) from each statement, and obtain supporting documentation for the transactions (i.e., each card should have 10 transactions subject to testing). For each transaction, observe it is supported by (1) an original itemized receipt that identifies precisely what was purchased, (2) written documentation of the business/public purpose, and (3) documentation of the individuals participating in meals (for meal charges only). For missing receipts, the practitioner should describe the nature of the transaction and note whether
