### Independent Auditors' Report

To the Board of Commissioners Rapides Area Planning Commission

### REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

#### **Opinions**

We have audited the accompanying financial statements of the governmental activities, and each major fund, of the Rapides Area Planning Commission as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the Rapides Area Planning Commission's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, and each major fund of the Rapides Area Planning Commission, as of June 30, 2023, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Rapides Area Planning Commission and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Rapides Area Planning Commission's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material

misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud
  or error, and design and perform audit procedures responsive to those risks. Such procedures include
  examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
  are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of the Rapides Area Planning Commission's internal control. Accordingly, no such opinion
  is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that
  raise substantial doubt about the Rapides Area Planning Commission's ability to continue as a going
  concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information described in the table of contents be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Rapides Area Planning Commission's basic financial statements. The Schedule of Compensation, Benefits and Other Payments to Agency Head or Chief Executive Officer and schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including

### Rapides Area Planning Commission March 19, 2024 Page 2

comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Compensation, Benefits and Other Payments to Agency Head or Chief Executive Officer and the schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 19, 2024, on our consideration of the Rapides Area Planning Commission's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Rapides Area Planning Commission's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Rapides Area Planning Commission's internal control over financial reporting and compliance.

This section of the annual financial report presents our discussion and analysis of the Planning Commission's financial performance during the fiscal year ended June 30, 2023, along with certain comparative information for the previous year.

### **OVERVIEW OF FINANCIAL STATEMENTS**

The basic financial statements include government-wide financial statements and fund financial statements. These two types of financial statements present the Planning Commission's financial position and results of operations from differing perspectives which are described as follows:

### **Government –Wide Financial Statements**

The government-wide financial statements report information about the Planning Commission as a whole using accounting methods similar to those used by private-sector companies. These report all revenues and expenses regardless of when cash is received or paid. Furthermore, the government-wide statements include all of the Planning Commission's assets and all of the Planning Commission's liabilities. All of the Planning Commission's activities are classified as governmental activities in the government-wide financial statements. The governmental activities are financed primarily by grants and various fees.

### **Fund Financial Statements**

Fund financial statements provide detailed information regarding the Planning Commission's most significant activities and are not intended to provide information for the Planning Commission as a whole. Funds are accounting devices that are used to account for specific sources of funds. All of the Planning Commission's funds are Governmental Funds. These funds are used to account for essentially the same functions that are reported as governmental activities in the government-wide financial statements. However, unlike government-wide financial statements, the governmental fund use a modified accrual basis of accounting that provides a short-term view of the Planning Commission's finances. Assets reported by governmental funds are limited to amounts that are available for current needs. In addition, liabilities are limited to amounts that are expected to be paid from currently available assets.

### FINANCIAL ANALYSIS OF THE PLANNING COMMISSION AS A WHOLE

A comparative analysis of the government-wide Statement of Net Position is presented as follows:

	For the Year Ended June 30,						
	2023	2022					
Assets:	- A A ( )						
Cash	\$ 415,175	\$ 441,364

Unrestricted	338,669	489,096			
Total Net Position	\$ 366,797	\$ 527,656			

As the presentation appearing above demonstrates, with the exception of 7.7% invested in capital assets, the Planning Commission's net position is unrestricted and may be used to meet the Planning Commission's ongoing obligations.

A comparative analysis of the government-wide Statement of Activities is presented as follows:

	For the Year Ended June 30,

Net Position Beginning	527,656	584,936		
Net Position Ending	\$ 366,797	\$ 527,656		

As the accompanying presentation demonstrates, the Planning Commission has experienced a change in net position amounting to 30.5%. The change is attributable to using a portion of reserves to enhance services.

### FINANCIAL ANALYSIS OF THE PLANNING COMMISSION'S FUNDS

For the year ended June 30, 2023, differences between the government-wide presentation and the fund financial statements were limited to reporting the liability for compensated absences and balances resulting from capital assets in the government-wide presentation.

### **BUDGET HIGHLIGHTS**

State law requires the general fund to have a budget. For the year ended June 30, 2023, the budget was amended to address changes in the availability of funds that were not anticipated when the original budget was prepared.

### **CAPITAL ASSET ADMINISTRATION**

For the year ended June 30, 2023, capital asset activities were limited to depreciating existing capital assets and amortizing leaseholds.

### **DEBT ADMINISTRATION**

For the year ended June 30, 2023, long-term obligations were limited to the responsibility for lease payments incurred in connection with occupancy of a leased facility.

### FACTORS EXPECTED TO AFFECT FUTURE OPERATIONS

At the present time, no known issues are expected to have a significant impact on future operations.

### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

State law allows one or more political subdivisions to establish regional planning areas. The Rapides Area Planning Commission was formed by the joint action of the Rapides Parish Police Jury and various municipalities located within the Parish. The Planning Commission is governed by a Board of Commissioners composed of representatives appointed by the participating political subdivisions. Accounting and financial reporting polices utilized by the Planning Commission are described as follows:

### **Financial Reporting Entity**

The Planning Commission is considered a legally separate stand-alone government as defined by Governmental Accounting Standards. The reporting entity is composed of the activities that are under the direct control of the Board of Commissioners. The Planning Commission is not financially accountable for any organizations that maintain separate legal standing; therefore, it has no component units.

### **Basic Financial Statements**

The basic financial statements include both government-wide and fund financial statements. Both government-wide and fund financial statements categorize all of the Planning Commission's operations as governmental activities. Governmental activities involve government services that are normally supported by fees and intergovernmental revenues.

The government-wide and fund financial statements present the Planning Commission's financial position and results of operations from differing perspectives which are described as follows:

### **Government-Wide Financial Statements**

The Statement of Net Position and the Statement of Activities display information about the Planning Commission as a whole. The effect of any interfund activity is eliminated from these financial statements. Furthermore, government-wide financial statements exclude any fiduciary activities which are reported in the fund financial statements.

Program revenues reported in the Statement of Activities consist of amounts that are directly associated with a governmental service. Program revenues include charges for services and most grants. Indirect expenses are allocated to programs based on detailed time and attendance record maintained by the Planning Commission's staff.

### Fund Financial Statements

Funds are separate accounting entities that are designed to assist with demonstrating legal compliance and segregating transactions by activity. Major individual funds are reported as separate columns in the fund financial statements. The Planning Commission's major funds are limited the general fund, which is used for all operations.

### **Basis of Accounting and Measurement Focus**

Basis of accounting refers to when revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied. The basis of accounting and measurement focus used for various financial statement presentations are described as follows:

Financial Statement Presentation
Government-Wide Financial
Statements
Fund Financial Statements

Basis of Accounting
Accrual Basis

Measurement Focus
Economic Resources

Modified Accrual Basis

**Current Financial Resources** 

Under the accrual basis of accounting and the economic resources measurement focus, revenues are recorded when earned and expenses are recorded when a liability is incurred.

Under the modified accrual basis of account and the current financial resources measurement focus revenue is recognized when it is considered measurable and available. Revenue is considered available if it is collected within 60 days of year end or due under a cost reimbursement arrangement. In addition, expenses are generally recorded when a liability has been incurred. Furthermore, when the current financial resources measure focus is used, amounts recorded as assets exclude capital assets and the acquisition of capital assets is treated as an expenditure of funds. In addition, long-term debts are excluded from amounts reported as liabilities. Proceeds from issuing long-term debt are reported as other financing sources and repayment of long-term debt is reported as an expenditure of funds.

### **Use of Estimates**

The preparation of financial statement in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

### **Budget Practices**

The Planning Commission adopts a budget for each fiscal year as prescribed by State Law. Budgets present revenue and expenditures on a basis which is consistent with generally accepted accounting principles.

### **Capital Assets**

Capital assets include significant acquisitions of equipment that are expected to remain in service for a period of years. Capital assets are reported in the government-wide financial statements but are excluded from the fund financial statements. Instead, the funds report the acquisition of capital assets as expenditures rather than asset acquisitions.

All capital assets are reported at historical cost less accumulated depreciation. Depreciation is computed using the straight-line method and estimated useful lives that are based on the expected durability of the particular asset. A useful life of five to ten years is typically used.

### Cash

Amounts reported as cash and cash equivalents (restricted and unrestricted) include all cash on hand, cash in bank accounts, certificates of deposit and highly liquid investments. Credit risk is managed by requiring fiscal agents to provide security for any deposits that exceed FDIC limits. Furthermore, interest rate risk is managed by limiting the duration of deposit arrangements.

### **Compensated Absences**

Permanent employees are eligible to receive paid vacation. Based on seniority, full time employees earn between 8 and 14 hours of vacation each month. In addition, employees are allowed to accumulate up to 240 hours of vested vacation benefits.

### Indirect Expense Allocations

Under the terms of various grant arrangements, the Planning Commission is eligible to receive reimbursement for direct labor and indirect costs that are based on a predetermined percentage of direct labor. Reimbursements earned as a result of applying the predetermined indirect costs rate are presented as indirect expense allocations in the accompanying Statement of Activities.

### NOTE 2 - CASH

Deposits are stated at cost, which approximates market. Under state law, these deposits must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent.

At June 30, 2023, the Rapides Area Planning Commission has \$447,640 in deposits (available bank balance) and these deposits are secured by FDIC coverage in the amount of \$250,000 and pledged securities with a market value sufficient to cover the remaining balance.

### NOTE 3 - RECEIVABLES

### NOTE 6 - ACCRUED LEAVE

Long-term liabilities are limited to accrued leave earned by employees. Resources provided by the general fund are used to liquidate the accrued leave balances. Accrued leave balances and activity are presented as follows:

Beginning Balance Net Increase (Decrease)	\$ 108,959 6,553	
Ending Balance	\$ 115,512	

### NOTE 7 - GRANT COMPLIANCE CONTINGENCIES

The Planning Commission provides professional services and project management services to programs that are supported by grant funds. Management is confident that all significant grant conditions have been met; however, grantor agencies routinely review grant activity and could request reimbursement if a dispute occurs regarding compliance with grant conditions.

### NOTE 8 - RISK MANAGEMENT

The Planning Commission is exposed to various risks of loss related to torts; theft, damage or destruction of assets; errors and omissions; injuries to employees; and natural disasters.

The Planning Commission insures against these risks by participating in a public entity risk pool that operates as a common insurance program and by purchasing commercial insurance. Settled claims resulting from these risks have not exceeded insurance coverage in any of the past three fiscal years.

### NOTE 9 - BOARD MEMBER COMPENSATION

The Board of Commissioners is composed of volunteers that serve without compensation.

#### NOTE 10 - RETIREMENT PLAN

Employees are eligible to participate in a defined contribution retirement plan. Under the terms of the plan, employees are allowed to contribute a portion of their compensation to the plan. In addition, the Planning Commission provides an employer match of up to 3% of the employee's compensation. Contributions for the year ended June 30, 2023 are summarized as follows:

Employee Contributions	\$ 48,780
Employer Match	37,294
Total Contributions	\$ 86,074

### NOTE 11 - LEASING

On January 11, 2019, a lease agreement was executed that allows the Planning Commission to occupy an office facility for a period of ten years. Under the terms of the agreement, the ten year period begins when renovations are completed and the facility is available for occupancy. Throughout the initial ten year term, \$4,200 lease payments are due on a monthly basis. Based on these terms, the value of the leased premises has been determined as follows:

Leased Premises Accumulated Amortization	\$ 414,835 159,020
Leased Premises (Net of Accumulated Amortization)	\$ 255,815

The lease obligation at year end is summarized below:

Lease obligation Portion Due Within One Year	\$ 275,031 40,129
Portion Due Within More Than One Year	\$ 234,902

Principal and interest requirements associated with the underlying lease obligation are presented as follows:

Total Lease Obligation	\$	310,800	\$	275,031	\$	35,769

At the conclusion of the initial ten year term, the Planning Commission has a right of first refusal to renew the lease agreement for a subsequent ten year term. Monthly payments for the subsequent term are subject to negotiation at the time of renewal.

### NOTE 12 - INTERNAL ACTIVITY AND BALANCES

Internal activities and balance reported in the financial statements balances due between funds and operating transfers between funds. Further details are provided as follows:

- The General Fund is entitled to fees in exchange for project management provided to the Flood Mitigation Assistance Program.
- The General Fund has incurred certain incidental expenses and matching obligations associated with the Flood Mitigation Assistance Program.

## INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Commissioners Rapides Area Planning Commission

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, and each major fund of Rapides Area Planning Commission, as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise Rapides Area Planning Commission's basic financial statements, and have issued our report thereon dated March 19, 2024.

### REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit of the financial statements, we considered the Rapides Area Planning Commission's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Rapides Area Planning Commission's internal control. Accordingly, we do not express an opinion on the effectiveness of Rapides Area Planning Commission's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

### REPORT ON COMPLIANCE AND OTHER MATTERS

As part of obtaining reasonable assurance about whether Rapides Area Planning Commission's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing* 

## Rapides Area Planning Commission March 19, 2024

Standards and which are described in the accompanying schedule of findings and questioned costs as items 2023-1 and 2023-2.

### RAPIDES AREA PLANNING COMMISSION'S RESPONSE TO FINDINGS

exice, Mc Lay + Willi

Government Auditing Standards requires the auditor to perform limited procedures on the Planning Commission's response to the findings identified in our audit and described in the accompanying schedule of findings and questioned costs. The response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

### **PURPOSE OF THIS REPORT**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditors' Report on Compliance for Each Major Program and on Internal Control over Compliance Required by the Uniform Guidance

To the Board of Commissioners Rapides Area Planning Commission

### REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM

### **OPINION ON EACH MAJOR FEDERAL PROGRAM**

We have audited the Rapides Area Planning Commission's compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of Rapides Area Planning Commission's major federal programs for the year ended June 30, 2023. The Rapides Area Planning Commission's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Rapides Area Planning Commission complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

### BASIS FOR OPINION ON EACH MAJOR FEDERAL PROGRAM

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Rapides Area Planning Commission and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Rapides Area Planning Commission's compliance with the compliance requirements referred to above.

### RESPONSIBILITIES OF MANAGEMENT FOR COMPLIANCE

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Rapides Area Planning Commission's federal programs.

### AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF COMPLIANCE

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Rapides Area Planning Commission's compliance based on our audit. Reasonable assurance is a high level of

## Rapides Area Planning Commission March 19, 2024

assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Rapides Area Planning Commission's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, Government Auditing Standards, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Rapides Area Planning Commission's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Rapides Area Planning Commission's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Rapides Area Planning Commission's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### REPORT ON INTERNAL CONTROL OVER COMPLIANCE

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

### Rapides Area Planning Commission March 19, 2024

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

### PART I - SUMMARY OF AUDITOR'S RESULTS:

- The Independent Auditor's Report on the financial statements for the Rapides Area Planning Commission as of June 30, 2023 and for the year then ended expressed an unmodified opinion.
- No control deficiencies were disclosed during the audit of the financial statements. Accordingly, there were no material weaknesses.
- Two instances of noncompliance material to the financial statements of the Planning Commission were disclosed during the audit, as described below.
- No control deficiencies involving major federal award programs were disclosed during the audit. Accordingly, there were no material weaknesses applicable to major federal award programs.
- The Independent Auditor's Report on Compliance with Requirements Applicable to Each Major Program
  and Internal Control over Compliance Required by Uniform Guidance, expressed an unmodified opinion on
  compliance for major programs.
- The audit did not disclose any audit findings which are required to be reported as findings and questioned cost.
- Major programs for the year ended June 30, 2023 are presented as follows:

### <u>DEPARTMENT OF HOMELAND SECURITY</u> CFDA No. 97.029 – Flood Mitigation Assistance

- A threshold of \$750,000 was used for distinguishing between Type A and Type B programs for purposes
  of identifying major programs.
- The Planning Commission was considered to be a low risk auditee as defined by the Uniform Guidance.

## PART II - FINDINGS RELATING TO THE FINANCIAL STATEMENTS WHICH ARE REQUIRED TO BE REPORTED IN ACCORDANCE WITH GENERALLY ACCEPTED GOVERNMENTAL AUDITING STANDARDS:

# APPENDIX A Statewide Agreed-Upon Procedures

## Independent Accountant's Report On Applying Agreed-Upon Procedures

To the Rapides Area Planning Commission and the Louisiana Legislative Auditor:

We have performed the procedures enumerated below, which were agreed to by the Rapides Area Planning Commission (the Entity) and the Louisiana Legislative Auditor (LLA) on the control and compliance (C/C) areas identified in the LLA's Statewide Agreed-Upon Procedures (SAUPs) for the fiscal period July 1, 2022 through June 30, 2023. The Entity's management is responsible for those C/C areas identified in the SAUPs.

The entity has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of the engagement, which is to perform specified procedures on the C/C areas identified in LLA's SAUPs for the fiscal period described above. Additionally, LLA has agreed to and acknowledged that the procedures performed are appropriate for its purposes. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

We were engaged to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the American Institute of Certified Public Accountants and applicable standards of *Government Auditing Standards*. We were not engaged to and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on those C/C areas identified in the SAUPs. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the entity and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

This report is intended solely to describe the scope of testing performed on those C/C areas identified in the SAUPs, and the result of that testing, and not to provide an opinion on control or compliance. Accordingly, this report is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the LLA as a public document.
