#### **INDEPENDENT AUDITORS' REPORT**

To the Honorable Elvin Fontenot City Court of Leesville Leesville, LA

#### Report on the Audit of the Financial Statements

#### **Opinions**

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the City Court of Leesville, as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Court's primary government as listed in the Table of Contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the City Court of Leesville, as of June 30, 2022, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City Court of Leesville and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City Court of Leesville's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

# The Honorable Elvin Fontenot Page 2

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, and design and perform audit procedures responsive to those risks. Such
  procedures include examining, on a test basis, evidence regarding the amounts and disclosures
  in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
  that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of the City Court of Leesville's internal control. Accordingly, no such opinion is
  expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant
  accounting estimates made by management, as well as evaluate the overall presentation of the
  financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City Court of Leesville's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Required Supplementary Information**

Accounting principles generally accepted in the United States of America require the information listed below to supplement the basic financial statements.

- Management's Discussion and Analysis
- Statement of Revenues, Expenditures, and Changes in Fund Balances (Budget and Actual)
- Schedule of Net Pension Liability Data
- Schedule of Employer Contributions

Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information

# The Honorable Elvin Fontenot Page 3

in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### **Supplementary Information**

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City Court's basic financial statements. The other supplemental information listed below is presented for purposes of additional analysis and is not a required part of the basic financial statements.

- Combining Statement of Fiduciary Net Position
- Combining Statement of Changes in Fiduciary Net Position
- Schedule of Agency Head Compensation
- Justice System Funding Schedule Collecting/Disbursing Entity

The other supplemental information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, other supplemental information is fairly stated in all material respects in relation to the basic financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 8, 2022, on our consideration of the Clerk of Court's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City Court's internal control over financial reporting and compliance.

## MANAGEMENT'S DISCUSSION AND ANALYSIS June 30, 2022

This section of the annual financial report presents our discussion and analysis of the City Court of Leesville's financial performance during the fiscal year ended June 30, 2022.

## **OVERVIEW OF FINANCIAL STATEMENTS**

The basic financial statements include government-wide financial statements and fund financial statements. These two types of financial statements present the financial position and results of operations from differing perspectives which are described as follows:

#### **Government-Wide Financial Statements**

The government-wide financial statements report information about the City Court as a whole using accounting methods similar to those used by private-sector companies. These report all revenues and expenses regardless of when cash is received or paid. Furthermore, the government-wide statements include all of the Court's assets and all of its liabilities. All of the Court's activities are classified as governmental activities in the government-wide financial statements. The governmental activities are financed primarily by cost and fees assessed by the City Court.

#### **Fund Financial Statements**

Fund financial statements provide detailed information regarding the Court's most significant activities and are not intended to provide information for the organization as a whole. Funds are accounting devices that are used to account for specific sources of funds. The Court's funds are described as follows:

#### Governmental Funds:

Governmental funds are limited to the general fund, which is classified as a Governmental Fund. This fund is used to account for essentially the same functions that are reported as governmental activities in the government-wide financial statements. However, unlike government-wide financial statements, the governmental fund uses a modified accrual basis of accounting that provides a short-term view of the Court's finances. Assets reported by the governmental fund are limited to amounts that are available for current needs. In addition, liabilities are limited to amounts that are expected to be paid from currently available assets.

#### Fiduciary Funds:

Fiduciary funds are limited to custodial funds that are used to account for collection of funds on behalf of individuals, organizations and other governments. The custodial funds are excluded from the government-wide financial statements because these resources are not available to support the Court's ongoing activities.

# FINANCIAL ANALYSIS OF THE CITY COURT AS A WHOLE

An analysis of the government-wide Statement of Net Position is presented as follows:

# NOTES TO FINANCIAL STATEMENTS June 30, 2022

#### **NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The City Court of Leesville was created by Louisiana Revised Statute 13:2485.1, which grants jurisdiction encompassing the City of Leesville and the remainder of Ward 1 of Vernon Parish. The City Court is governed by a Judge that is elected to a term of six years. Operation of the City Court is funded primarily by court cost and fees assessed from persons participating in the judicial process.

The accompanying policies conform to generally accepted accounting principles for governmental units.

#### **Reporting Entity**

The basic criterion for including a potential component unit within the reporting entity is financial accountability. Criteria to be considered in determining financial accountability are described as follows:

- 1. Appointing a voting majority of an organization's governing body, and
  - a) The ability of the reporting entity to impose its will on that organization and/or
  - b) The potential for the organization to provide specific financial benefits to or impose specific financial burdens on the reporting entity.
- 2. Organizations for which the reporting entity does not appoint a voting majority but are fiscally dependent on the reporting entity.
- 3. Organizations for which the reporting entity financial statements would be misleading if data of the organization is not included because of the nature or significance of the relationship.

Based on the criteria presented above, the City Court is a component of the City of Leesville. The accompanying financial statements present information only on the funds maintained by the City Court and do not present information of the City of Leesville as a whole, the general government service provided by that governmental unit, or other governmental units that comprise the financial reporting entity.

#### **Basic Financial Statements**

The basic financial statements include both government-wide and fund financial statements. Both government-wide and fund financial statements categorize all of the Court's operations as governmental activities. Governmental activities involve government services that are normally supported by taxes and intergovernmental revenues.

The government-wide and fund financial statements present the Court's financial position and results of operations from differing perspectives which are described as follows:

#### **Government-Wide Financial Statements**

The Statement of Net Position and the Statement of Activities display information about the Court as a whole. The effect of any interfund activity is eliminated from these

# NOTES TO FINANCIAL STATEMENTS June 30, 2022

financial statements. Furthermore, government-wide financial statements exclude any fiduciary activities which are reported in the fund financial statements.

Program revenues reported in the Statement of Activities consist of amounts that are directly associated with a governmental service. Program revenues include charges for services, and capital contributions.

#### **Fund Financial Statements**

Funds are separate accounting entities that are designed to assist with demonstrating legal compliance and segregating transactions by activity. Major individual funds are reported as separate columns in the fund financial statements. The Court's major funds are described as follows:

 General Fund – This fund is the primary operating fund of the Court is used to account for all resources.

#### **Fiduciary Funds**

Fiduciary funds are used to report assets held by the City Court for the benefit of other governments, individuals or organizations. Fiduciary funds utilized by the City Court are described as follows:

- Traffic This fund is used to report the receipt and disbursement of various fines, and court cost collected in connection with citations issued by law enforcement. The fund is also used to account for probation fees collected from defendants that receive citations.
- Civil This fund is used to report receipt and disbursement of court cost assessed in connection with civil litigation.

| Financial Statement                  | <b>Basis of Accounting</b> | Measurement Focus              |
|--------------------------------------|----------------------------|--------------------------------|
| Presentation                         |                            |                                |
| Government-Wide Financial Statements | Accrual Basis              | Economic Resources             |
| Fund Financial Statements            | Modified Accrual Basis     | Current Financial<br>Resources |
| Fiduciary Funds                      | Accrual Basis              | Economic Resources             |

Under the accrual basis of accounting and the economic resources measurement focus, revenues are recorded when earned and expenses are recorded when a liability is incurred.

Under the modified accrual basis of accounting and the current financial resources measurement focus revenue is recognized when it is considered measurable and available. Revenue is considered available if it is collected within 60 days of year end. In addition, expenses are generally recorded when a liability has been incurred. Furthermore, when the current financial resources measure focus is used, amounts recorded as assets exclude capital assets and the acquisition of capital assets is treated as an expenditure. In addition, any long-term debts are excluded from amounts reported as liabilities. Proceeds from issuing long-term debt are reported as other financing sources and repayment of long-term debt is reported as an expenditure.

## NOTES TO FINANCIAL STATEMENTS June 30, 2022

#### **Use of Estimates**

The preparation of financial statement in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### **Budget Practices**

As an independently elected official, the Judge is solely responsible for adopting annual budgets for the general fund. Budgets present revenue and expenditures on a basis which is consistent with generally accepted accounting principles.

#### **Capital Assets**

Capital assets include significant acquisitions of equipment that are expected to remain in service for a period of years. Capital assets are reported in the government-wide financial statements, but are excluded from the fund financial statements. Instead, the funds report the acquisition of capital assets as expenditures rather than asset acquisitions.

All capital assets are reported at historical cost less accumulated depreciation. Depreciated is computed using the straight-line method and estimated useful lives that are based on the expected durability of the particular asset. A useful life of five years is typically used.

#### Cash

Amounts reported as cash and cash equivalents include all cash on hand, cash in bank accounts, and any highly liquid investments.

#### **Fund Balance Classification**

Commitment or assignment of fund balances requires approval of the Judge. When expenditures comply with the necessary provisions restricted, committed or assigned amounts are generally consumed rather than utilizing unassigned funds.

### **Accounting for Fiduciary Activities**

Governmental Accounting Standards require a governmental unit to recognize a liability to beneficiaries of a fiduciary fund when an event occurs that compels the government to disburse the resources, or if the beneficiary does not need to take action to compel the government to disburse the resources. The has not recognized a liability associated with amounts on deposit in fiduciary funds because further action is necessary to complete adjudication and determine the ultimate beneficiaries.

#### Note 2 - Cash

Deposits are stated at cost, which approximates market. Under state law, these deposits must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. At June 30, 2022, deposits were fully secured by FDIC insurance coverage.

#### **NOTE 3 – CAPITAL ASSETS**

A summary of the Court's capital assets is provided as follows:

#### **NOTE 4 - RISK MANAGEMENT**

The Court is exposed to various risks of loss related to torts; theft, damage or destruction of assets; errors and omissions; injuries to employees; and natural disasters.

The Court insures against these risks by participating in a public entity risk pool that operates as a common insurance program and by purchasing commercial insurance. Settled claims resulting from these risks have not exceeded insurance coverage in any of the past three fiscal years.

### NOTE 5 - RETIREMENT PLAN

**Plan Description** – Selected employees of the Court are members of the Louisiana State Employees Retirement System (LASERS), a cost-sharing, multiple-employer defined benefit pension plan administered by a separate board of trustees.

Louisiana State Employees' Retirement System (LASERS) provides retirement, disability, and survivor benefits to eligible employees and their beneficiaries as defined in the Louisiana Revised Statutes. The age and years of creditable service required in order for a member to receive retirement benefits are established by statutes and vary depending on the member's hire date, employer and job classification.

**Funding Policy** – Contribution rates are established governed by statute based on findings by the System's actuary. In addition, the actuarially determined contribution rates vary based on the type of participating employer. The Court's contributions to the System for the preceding three years were consistent with the required contributions for each of those years.

**Financial Summary** - The plan description, funding policies and financial information provides a summary of the Plan provisions and finances. For additional details the System issues an annual publicly available financial report that includes financial statements and required supplementary information for the System. That report may be obtained at lasersonline.org.

Net pension liability was determined at June 30, 2021 (measurement date and actuarial valuation date) and details are provided as follows:

| Net Pension Liability (Asset)                 | \$ 5,5 | 03,975,767 |

| City Court's Proportionate Share (Amount)     | \$     | 29,445     |

# NOTES TO FINANCIAL STATEMENTS June 30, 2022

The net pension liability presented above was not affected by any special funding situations. Changes in the City Court's proportionate share of net pension liability during the measurement period ending June 30, 2021 are provided as follows:

| Beginning Net Pension Liability (Asset)  | \$<br>45,241 |

Inflation Rate 2.3%

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimates ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation of 2.3% and an adjustment for the effect of rebalancing/diversification. The resulting expected long-term rate of return is 7.61% for 2021. Best estimates of geometric real rates of return for each major asset class included in the System's target asset allocation as of June 30, 2021 are summarized in the following table:

# NOTES TO FINANCIAL STATEMENTS June 30, 2022

| Asset Class                | Long-term<br>Expected Portfolio<br>Real Rate of<br>Return |
|----------------------------|---|
| Cash                       | -0.29%  |
| Domestic Equity            | 4.09%   |
| International Equity       | 5.12%   |
| Domestic Fixed Income      | 0.49%   |
| International Fixed Income | 3.94%   |
| Alternative Investments    | 6.63%   |
| Total                      | 5.81%   |

The discount rate used to measure the total pension liability was 7.40%. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current contribution rates and that contributions from participating employers will be made at the actuarially determined rates approved by PRSAC taking into consideration the recommendation of the System's actuary. Based on those assumptions, the System's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity to changes in the discount has been determined by measuring net pension liability at a discount rate that is one percentage point lower and one percentage point higher than the current rate. The results are presented as follows:

|                       | 1% Decrease    | Current       | 1% Increase |

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ONCOMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

December 8, 2022

The Honorable Elvin Fontenot City Court of Leesville

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information, of the City Court of Leesville, as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise City Court of Leesville's basic financial statements, and have issued our report thereon dated December 8, 2022.

#### INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit of the financial statements, we considered the City Court of Leesville's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Court's internal control. Accordingly, we do not express an opinion on the effectiveness of the City Court of Leesville's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify a deficiency in internal control, described in the accompanying schedule of findings as item 2022-002 that we consider to be significant deficiencies.

#### **COMPLIANCE AND OTHER MATTERS**

As part of obtaining reasonable assurance about whether the City Court's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed instances

# City Court of Leesville March 7, 2022

of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying schedule of findings as items 2022-001 and 2022-003.

#### **RESPONSE TO FINDINGS**

Government Auditing Standards requires the auditor to perform limited procedures on the City Court of Leesville's response to the findings identified in our audit and described in the accompanying schedule of findings and responses. The City Court of Leesville's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

#### **PURPOSE OF THIS REPORT**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## SCHEDULE OF FINDINGS For the Year Ended June 30, 2022

# <u>PART I</u> SUMMARY OF AUDITOR'S RESULTS:

- The Independent Auditors' Report on the basic financial statements of the City Court of Leesville as of June 30, 2022 and for the year then ended expressed an unmodified opinion.
- The audit disclosed audit findings which are considered to be significant control deficiencies or material weaknesses, see 2022-002.
- The results of the audit disclosed instances of noncompliance required to be reported in the Schedule of Findings, see 2022-001 and 2022-003.

## PART II

# FINDINGS RELATING TO THE FINANCIAL STATEMENTS WHICH ARE REQUIRED TO BE REPORTED IN ACCORDANCE WITH GENERALLY ACCEPTED GOVERNMENTAL AUDITING STANDARDS:

## 2022-001: BUDGET NONCOMPLIANCE

#### Condition

Revenue budgeted by the General Fund exceed the amount of actual revenue.

#### Criteria

The variance described above violated provisions of State Law that place limits on unfavorable budget variances.

#### Cause

The budget was not amended to conform with actual results.

#### Effect

Non-compliance with State Law.

#### Recommendation

Revise financial statement presentations to include budget variances in a manner that facilities identifying unfavorable variances and adopting amendments when variances exceed prescribed limits.

# 2022-002: ACCOUNTING PRACTICES

#### Condition

The City Court's accounting system combines activities of its general fund with the activities of its custodial funds.

#### Criteria

Segregating activities into funds is an important component of governmental accounting that is essential for administering resources in an appropriate manner.

#### **Cause**

A single general ledger is used to report activity for the General Fund, the Traffic Fund, and the Civil Fund. As a result, all activity is combined into a single presentation.

# SCHEDULE OF FINDINGS (CONTINUED) For the Year Ended June 30, 2022

### **Effect**

Combining these activities limits the usefulness of reports by making it difficult to distinguish the activities of particular funds.

# Recommendations

We suggest establishing a separate general ledger to account for each fund.

## MANAGEMENT'S CORRECTIVE ACTION PLAN For the Year Ended June 30, 2022

#### **SECTION I**

#### Internal Control and Compliance Material to the Financial Statements.

#### 2022-001: BUDGET NONCOMPLIANCE

Revenue budgeted by the General Fund exceed the amount of actual revenue, resulting in noncompliance with State Law. We recommend revising financial statement presentations to include budget variances in a manner that facilities identifying unfavorable variances and adopting amendments when variances exceed prescribed limits.

#### 2022-002: ACCOUNTING PRACTICES

The City Court's accounting system combines activities of its general fund with the activities of its custodial funds. Combining these activities limits the usefulness of reports by making it difficult to distinguish the activities of particular funds. We suggest establishing a separate general ledger to account for each fund.

#### 2022-001: RESPONSE

We will attempt to implement a better process for monitoring budgets to facilitate avoiding unfavorable variances.

#### 2022-002: RESPONSE

We will request that the vendor providing accounting services provide a separate general ledger for each fund.

# SECTION II Internal Control and Compliance Material to Federal Awards

No findings of this nature were reported

Response - N/A

# SECTION III Management Letter

No management letter was issued with this report.

Response – N/A

| 2021-003: FINANCIAL REPORTING  Audits were not completed within six months of the end of the fiscal year, resulting in non-compliance with State Law.  | 2021-003: RESOLVED  Audits were completed in a timely manner, resulting in a restoration of compliance with State Law. |

# APPENDIX A Statewide Agreed-Upon Procedures

# Independent Accountant's Report On Applying Agreed-Upon Procedures

To the City Court of Leesville and the Louisiana Legislative Auditor:

We have performed the procedures enumerated below, which were agreed to by the City Court of Leesville and the Louisiana Legislative Auditor (LLA) on the control and compliance (C/C) areas identified in the LLA's Statewide Agreed-Upon Procedures (SAUPs) for the fiscal period July 1, 2021 through June 30, 2022. The Entity's management is responsible for those C/C areas identified in the SAUPs.

The entity has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of the engagement, which is to perform specified procedures on the C/C areas identified in LLA's SAUPs for the fiscal period described above. Additionally, LLA has agreed to and acknowledged that the procedures performed are appropriate for its purposes. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

We were engaged to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the American Institute of Certified Public Accountants and applicable standards of *Government Auditing Standards*. We were not engaged to and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on those C/C areas identified in the SAUPs. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the entity and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

This report is intended solely to describe the scope of testing performed on those C/C areas identified in the SAUPs, and the result of that testing, and not to provide an opinion on control or compliance. Accordingly, this report is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the LLA as a public document.
