INDUSTRIAL DEVELOPMENT BOARD OF THE PARISH OF CALDWELL, INC.

Columbia, Louisiana

Notes to the Financial Statements As of and for the Year Ended December 31, 2021

1. NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

A. NATURE OF ACTIVITIES

The Industrial Development Board of the Parish of Caldwell, Inc., ("the Board") is a nonprofit corporation domiciled in Columbia, Louisiana, and organized under the provisions of Louisiana Revised Statutes (LSA-RS) 51:1151-1165. The Board is governed by a twelve member board of directors, appointed by the Caldwell Parish Police Jury. Board members serve without compensation. As provided by LSA-RS 51:1152, the corporation was created for the purpose of promoting the health, welfare, and safety of the citizens of the parish by reducing, controlling, abating, and preventing environmental pollution and promoting the economic development and stability of the parish by securing and retaining private industrial, commercial, and other enterprises resulting in higher employment. The Board has no employees.

B. INVESTMENTS

At December 31, 2021, investments consist of nonnegotiable certificates of deposits with original maturities that exceed 90 days that are reported in the accompanying financial statements at cost.

C. LAND AND BUILDINGS

The Board capitalizes property and equipment over \$200. Purchased property and equipment is capitalized at cost. The depreciation of buildings is provided over the estimated useful life of forty years on a straight-line basis. Depreciation expense for the year ended December 31, 2021 was \$4,355.

D. GRANTS

The accounting and reporting of grants is determined by the underlying substance of the transaction. A grant may be accounted for as contribution, an exchange transaction, or a combination of the two. If it is determined to be a contribution, a grant may be considered a conditional or an unconditional grant.

INDUSTRIAL DEVELOPMENT BOARD OF THE PARISH OF CALDWELL, INC. Columbia, Louisiana Notes to the Financial Statements (Continued)

The Board has adopted Accounting Standards Update ("ASU") 2018-08, Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made, issued by the Financial Accounting Standards Board ("FASB"). The ASU provides clarified guidance on evaluating whether grant funds should be accounted for as a contribution or an exchange transaction based on whether the grantor is receiving value in return for the resources transferred to the grantee. Grant funds are considered contributions if the grantor does not receive commensurate value in exchange for the assets transferred. ASU 2018-08 also provides guidance to determine whether grants funds that are accounted for as contributions are considered conditional or unconditional. Grant funds are considered conditional if the grantee must overcome one or more barriers before it is entitled to the funds and a right of return to the grantor exists for funds transferred. For conditional grants, revenue is recognized in the period the condition or conditions are met. For grants that are considered unconditional, revenue is recognized in the period the grant funds are received.

For the year ended December 31, 2021, the Board received a grant from the Caldwell Parish Police Jury. The grant is accounted for as a contribution and is considered unconditional because there are no barriers the Board must overcome before it is entitled to the funds and there is no right of return to the police jury for the funds transferred.

E. INCOME TAX STATUS

The Board is a non-for-profit organization that is exempt from federal income taxes under Section 501(c)(6) of the Internal Revenue Code.

The Board's Forms 990, Return of Organization Exempt from Income Tax, for the years ended 2018, 2019, and 2020 are subject to examination by the IRS, generally for three years after they are filed.

F. ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Notes to the Financial Statements (Continued)

The Board's only activity is to promote economic development in the parish. All costs incurred by the Board are incurred for this purpose; therefore, it is not feasible to allocate expenses between program services and support services.
