The Board of Commissioners of the Webster Parish Fire Protection District No. 2 Sibley, Louisiana

Management is responsible for the accompanying financial statements of the governmental activities and the major fund of Webster Parish Fire Protection District No. 2, as of and for the year ended December 31, 2021, which collectively comprise the District's basic financial statements as listed in the table of contents, in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

#### Supplementary Information

The accompanying schedule of compensation paid to board members and schedule of compensation, benefits, and other payments to the agency head for purposes of additional analysis and are not a required part of the basic financial statements. The information is the representation of management. The information was subject to our compilation engagement, but we have not audited or reviewed the supplementary information and, accordingly, do not express an opinion, a conclusion, nor provide any assurance on such information.

#### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the following supplementary information on page 11 be presented to supplement the basic financial statements.

#### **Budgetary Comparison Schedule**

Such information is presented for purposes of additional analysis and, although not a required part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. This information is the representation of management. We have not performed an audit, review or

compilation on the required supplementary information and, accordingly, we do not express an opinion, a conclusion, nor provide any assurance on such information.

Management has omitted the Management Discussion and Analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context.

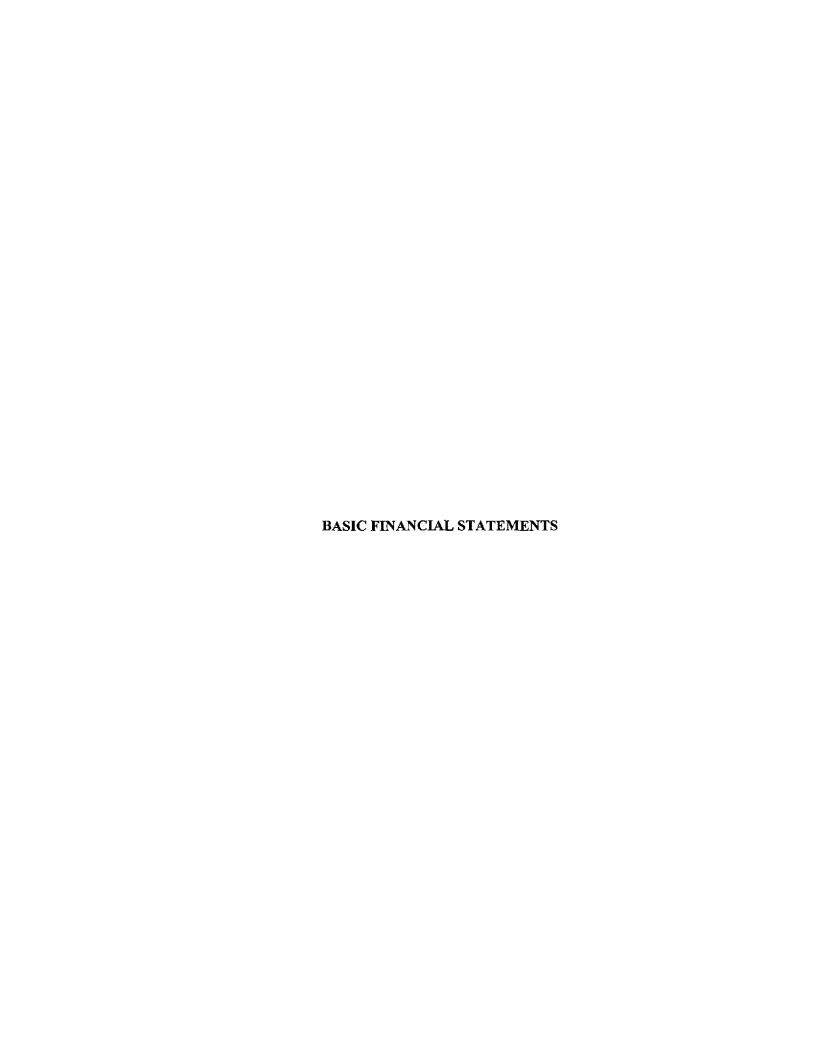

Management has elected to omit substantially all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

We are not independent with respect to Webster Parish Fire Protection District No. 2.

Reconciliation of the Statement of Revenues, Expenditures, and Changes in Fund Balance of the Governmental Fund to the Statement of Activities For the Year Ended December 31, 2021

Amounts reported for governmental activities in the Statement of Activities are different because:		
Net Change in Fund Balance, Governmental Fund (Statement E)	\$	8,656
Governmental funds report capital outlays as expenditures. However, in the Statement of Activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense. This is the amount by which capital outlays exceeded depreciation in the current period.		(459)
Revenues reported in the Statement of Activities are not available as current financial resources and, therefore, are not reported as revenues in the governmental fund.	_(	<u>19,191</u> )
