## ***INDEPENDENT AUDITOR'S REPORT***

To the Board of Directors  
Virtual Academy of Lafourche, Inc.  
639 Harrison Street  
Thibodaux, La 70301

### ***Report on the Financial Statements***

We have audited the accompanying financial statements of Virtual Academy of Lafourche, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, which collectively comprise the financial statement as listed in the table of contents.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error, in making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a reasonable basis for our audit opinion.

**Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Virtual Academy of Lafourche, Inc., as of and for the year ended June 30, 2021, and in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

**Other Information**

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The Performance and Statistical Data, included as Schedules 1 and 2 and the Schedule of Compensation, Benefits, and Other Payments to Agency Head are not a required part of the basis financial statements, but is supplementary information required by Louisiana State Law. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The Schedule of Compensation, Benefits, and Other Payments has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance the auditing standards generally accepted in the United States of America. In our opinion, the schedule of compensation, benefits and other payments to agency head is fairly stated, in all material respects, in relation to the basic financial statements as a whole. We have applied certain limited procedures to the Performance and Statistical Data, included as Schedules 1 and 2, which are described in the Independent Accountant's Report on Applying Agreed-Upon Procedures. However, we did not audit this information and, accordingly, express no opinion on it.

**Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated December 13, 2021, on our consideration of the internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Virtual Academy of Lafourche, Inc.'s internal control over financial reporting and compliance.

Notes to the Financial Statements  
For the Year Ended June 30, 2021

### **Note 1                      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### **Nature of Operations**

Virtual Academy of Lafourche, Inc. (the School) was created as a non-profit corporation under the laws of the State of Louisiana on February 3, 2012. The School was founded to provide quality blended learning opportunities for K-12 students of Lafourche Parish. The students complete their lessons off site using the Internet, with supervision of a parent and/or guardian and receive guidance by phone or online from a certified Educational Consultant.

The Board of Directors is the intermediate authority, and it consists of eight members with the majority of the members domiciled in Lafourche Parish. The charter school has a director who oversees and manages the daily operations of the School.

These financial statements and notes are representation of the School's management, who is responsible for the integrity, and objectivity of the financial statements. These accounting policies conform to Generally Accepted Accounting Principles and have been consistently applied in the preparation of the financial statements. The School is considered a component unit of Lafourche Parish School Board.

#### **Basis of Accounting**

Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported on the financial statements. The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America and are prepared on the accrual basis.

#### **Classification of Net Assets**

The School presents the financial statements following the recommendations of the Financial Accounting Standards Board (FASB). Under FASB, the School is required to report information regarding its financial position and activities according to two classes of net assets:

- Net Assets without Donor Restrictions – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the School. These net assets may be used at the discretion of management and the board of directors.
- Net Assets with Donor Restriction – Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the School or by the passage of time. Other donor restrictions are perpetual in nature, were by the donor has stipulated the funds be maintained in perpetuity.

Notes to the Financial Statements  
For the Year Ended June 30, 2021

**Note 1      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (Continued)**

**Cash and Cash Equivalents**

Cash, which is held in interest bearing accounts, consists of unrestricted balances. Unrestricted cash balances represent cash available for general operating purposes.

For the purposes of the statement of cash flows, the School considers all unrestricted funds and highly liquid investments with an initial maturity of three months or less to be cash and cash equivalents.

**Support and Revenue**

**Lafourche Parish School Board-** The school receives an allocation based on the Minimum Foundation Program dollars per child through Lafourche Parish School Board. This amount is allocated per child and is distributed to the School. This amount is offset by certain services provided by the School Board.

**Property and Equipment and Depreciation**

Property and equipment is recorded at historical cost or estimated historical cost if historical cost is not available. Betterments that naturally add to the value of related assets or materially extend the useful lives of assets are capitalized. Depreciation is computed under the straight-line method for all depreciable assets over their respective estimated useful lives. Property and equipment is depreciated over a 3-15-year period. Property and equipment reported on the statement of financial position are net of accumulated depreciation. Normal building maintenance and minor equipment purchases are included as expenses of the School.

**Income Taxes**

The Charter School is a nonprofit organization under the State of Louisiana and is exempt from taxation under section 501 (c) (3) of the Internal Revenue Code. However, income from certain activities not directly related to the School's tax-exempt purpose is subject to taxation as unrelated business income. No provision for income taxes have been made.

**Budgetary Data**

The School formally adopts a budget that is submitted to Lafourche Parish School Board for approval.

### **Note 1      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (Continued)**

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during reporting period. Actual results could differ from those estimates.

#### **New Accounting Pronouncement**

- In January 2016, the FASB issued ASU 2016-02, Leases (Topic 842). ASU 2016-02 requires that a lessee recognize the assets and liabilities that arise from leases classified as finance or operating . A lessee should recognize in the balance sheet a liability to make lease payments (the lease liability) and a right-of-use asset representing its right to use the underlying asset for the lease term. For leases with a term of 12 months or less, a lessee is permitted to make an accounting policy election by class of underlying asset not to recognize lease assets and lease liabilities. In transition, lessees and lessors are required to recognize and measure leases at the beginning of the earliest period presented using a modified retrospective approach. ASU 2016-02 is effective for financial statements issued for annual periods beginning after December 15, 2021 . The School has not determined the impact ASU 2016-02 will have on its financial statements.

### **Note 2      CASH**

At June 30, 2021, the reported amount in cash was \$1,386,999 and the bank balance was \$1,537,502. \$250,000 of the deposits were covered by federal depository insurance.

Custodial credit risk is the risk that in the event of a bank failure, the entity's deposits may not be returned to it. \$1,287,502 of the bank balance of deposits is exposed to custodial credit risk.

**CONCENTRATION OF CREDIT RISK.** The School maintains a single bank account. Accounts at the institution insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. Deposits at June 30, 2021 exceeded the federally insured limit by \$1,287,502.

**Note 3      FURNITURE, EQUIPMENT, AND LEASEHOLD IMPROVEMENTS**

Property and equipment consisted of the following:

	<b>Balance June 30, 2020</b>	<b>Net Additions (Dispositions)</b>	<b>Balance June 30, 2021</b>
Improvements, Furniture & Equipment	\$937,433	\$276,314	\$1,213,747
Less: Accumulated Depreciation	(389,051)	(66,761)	(455,813)
<b>Total</b>	<b>\$548,382</b>	<b>\$209,553</b>	<b>\$757,934</b>

There was \$276,314 of additions – most of the construction in progress on leasehold improvements and no disposals for the year. Depreciation expense for year was \$66,761.

All assets acquired with Louisiana Department of Education funds are owned by the School while used for the purpose in which they were purchased. The Louisiana Department of Education, however, has a reversionary interest in these assets. Should the charter not be renewed, title in any assets purchased with those funds will transfer to the appropriate agency.

**Note 4      FUNCTIONAL ALLOCATION OF EXPENSES**

The costs of providing the various program and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among program and supporting services in the accompanying statement of functional expenses.

**Note 9      CONCENTRATION OF REVENUE SOURCE**

The School received 99% of its revenues from the State Public School – MFP Funding, subject to its charter school contract with the Board of Trustees. This funding is governed by various guidelines, regulations, and contractual agreements. The administration of the program and activities funded is under the control and administration of Virtual Academy of Lafourche, Inc. and is subject to audit and/or review by the applicable funding source. Compliance and Other Matters Based on an Audit of Financial Statements  
Performed in Accordance with  
Government Auditing Standards**

To Board of Directors  
Virtual Academy of Lafourche, Inc.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Virtual Academy of Lafourche, Inc. (non-profit organization) which comprise the statement of financial position as of June 30, 2021, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements as listed in the table of contents, and have issued our report thereon dated December 13, 2021.

## **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, we do not express an opinion on the effectiveness of internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency or combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about Virtual Academy of Lafourche, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

This report is intended solely for the information and use of management, the Board of Directors, the State of Louisiana, the Legislative Auditor for the State of Louisiana and is not intended to be and should not be used by anyone other than these specified parties.
