INDEPENDENT AUDITORS' REPORT

To the Board of Directors
New Orleans Film Society
New Orleans, Louisiana

Report on the Financial Statements

We have audited the accompanying financial statements of the New Orleans Film Society (a nonprofit organization), which comprise the statements of financial position as of June 30, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the New Orleans Film Society as of June 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Summary of Compensation, Benefits and Other Payments to Agency Head is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated December 21, 2020 on our consideration of the New Orleans Film Society's internal control over financial reporting and our tests of its compliance with certain provision of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the New Orleans Film Society's internal control over financial reporting and compliance.

NEW ORLEANS FILM SOCIETY
NOTES TO FINANCIAL STATEMENTS
For the Years Ended June 30, 2020 and 2019

1) Nature of activities

The New Orleans Film Society (the “Organization”) is a non-profit organization established in 1989 that discovers, cultivates, and amplifies diverse voices of filmmakers who tell the stories of our time. The Organization produces the Academy-accredited New Orleans Film Festival annually and invest year-round in building a vibrant film culture in the South to share transformative cinematic experiences with audiences, and connect dynamic filmmakers to career-advancing resources.

2) Summary of significant accounting policies

The significant accounting policies followed by the Organization are summarized as follows:

(a) Financial statement presentation

The Organization’s policy is to prepare its financial statements on the accrual basis of accounting, which recognizes all revenues and the related assets when earned and all expenses and the related obligations when incurred.

(b) Contributions

Contributions received are recorded as with donor restrictions or without donor restrictions, depending on the existence and nature of any donor restrictions. Support that is not restricted by the donor is reported as an increase in net assets without donor restrictions. All other donor restricted support is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires (that is when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

(c) Cash and cash equivalents

All cash-related items having a maturity of three months or less from the original maturity date are classified as cash and cash equivalents.

(d) Accounts receivable

Accounts are considered overdue if uncollected within ninety days of the original invoice. The Organization writes off uncollectible accounts as they are identified. No allowance for uncollectible accounts has been provided, as management has evaluated the accounts and believes they are all collectible.

(e) Taxes

The Organization is exempt from income taxes under Section 501(c)(3) of the U.S. Internal Revenue Code. The Organization has filed for and received income tax exemptions in the various jurisdictions where it is required to do so. The Organization files Form 990 tax return in the U.S. federal jurisdiction and in various states.

The Organization adopted the provisions of ASC 740, *Accounting for Uncertainty in Income Taxes*. Management of the Organization believes it has no material uncertain tax positions and, accordingly it has not recognized any liability for unrecognized tax benefits. With few exceptions, the Organization is not subject to U.S. federal, state and local, or income tax examinations by tax authorities beyond three years from the filing of those returns.

NEW ORLEANS FILM SOCIETY
NOTES TO FINANCIAL STATEMENTS
For the Years Ended June 30, 2020 and 2019

2) Summary of significant accounting policies (continued)

(f) Fundraising

All expenses associated with the fundraising events are expensed as incurred.

(g) Functional expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the program and supporting services benefited. Where practicable, expenses are directly classified to specific program or supporting service categories. Costs that are not specifically identifiable within functional categories are classified using allocation methods. Allocated costs and methods include occupancy, salaries, payroll taxes and employee benefits allocated based on time studies.

(h) Use of estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(i) Concentration of credit risk

Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of cash deposits. The Organization may at times have cash on deposit at financial institutions that is in excess of federally insured limits. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to certain limits. The Organization has not experienced any losses in such accounts. The Organization has no policy requiring collateral or other security to support its deposits.

(j) Promises to give

Unconditional promises to give are recognized when the donor makes a promise to give. Conditional promises to give are reported as increases in net assets with donor restrictions. All other donor-restricted contributions are reported as increases in net assets with donor restrictions depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

(k) Donated services

Donated services are recognized as contributions if the services create or enhance nonfinancial assets or require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization.

The Organization received volunteer help and other donated services to assist with the film festival. The estimated value of the contributed services for the years ended June 30, 2020 and 2019 was \$913,930 and \$1,265,523 respectively.

NEW ORLEANS FILM SOCIETY
NOTES TO FINANCIAL STATEMENTS
For the Years Ended June 30, 2020 and 2019

2) Summary of significant accounting policies (continued)

(l) Donated property and equipment

Noncash donations are recorded as contributions at their fair values at the date of donations. Such donations are reported as increases in net assets without donor restrictions unless the donor has restricted the donated asset to a specific purpose. There was no donated property and equipment for 2020 or 2019.

(m) New accounting pronouncements

In February 2016, the FASB issued ASU No. 2016-02, "Leases." This accounting standard requires lessees to recognize assets and liabilities related to lease arrangements longer than 12 months on the balance sheet as well as additional disclosures. The updated guidance is effective for annual periods beginning after December 15, 2021. The Organization is currently assessing the impact of this pronouncement on its financial statements.

In May 2014, the FASB issued ASU 2014-09, "Revenue from Contracts with Customers" (Topic 606), which provides a single comprehensive model for entities to use in accounting for revenue from contracts with customers and supersedes most current revenue recognition models. Subsequent to the issuance of ASU 2014-09, the FASB issued several additional ASUs which amended and clarified the guidance and deferred the effective date. The ASU is effective for annual reporting periods beginning after December 15, 2020, with certain early adoption provisions available. The Organization is currently assessing the impact of this pronouncement on its financial statements.

3) Net assets with donor restrictions

Net assets with donor restrictions as of June 30, 2020 are as follows:

	<u>2020</u>
Subject to expenditure in subsequent periods:	
National Endowment for the Arts	\$ 30,000
Ford Foundation	40,000

On August 26, 2020, the Organization entered into an operating lease for office space. The lease expired August 31, 2021. Future minimum lease payment under the lease are as follows:

<u>Year Ending</u>	<u>Amount</u>
2021	\$ 5,030
2022	1,006

Total rent expense under the lease for the years ended June 30, 2020 and 2019 was \$25,080.

5) Board designated unrestricted net assets

As of June 30, 2020 and 2019, the Board of Directors of New Orleans Film Society designated \$205,945 and \$151,934, respectively, as a general operating reserve.

6) Paycheck protection program

In April 2020, the Organization received a \$68,952 loan, of which \$34,900 is current portion, under the Paycheck Protection Program “PPP” administered by a Small Business Administration (SBA) approved partner. The loan is uncollateralized and is fully guaranteed by the Federal government. The Organization is eligible for loan forgiveness of up to 100% of the loan, upon meeting certain requirements.

NOTES TO FINANCIAL STATEMENTS
For the Years Ended June 30, 2020 and 2019

6) Paycheck protection program (continued)

The Organization has initially recorded the loan as a refundable advance and will record the forgiveness in accordance with guidance for conditional contributions when there is no longer a measurable performance or other barrier and a right to return of the PPP loan or when such conditions are explicitly waived. Proceeds from the loan are eligible for forgiveness if the Organization maintains employment levels during its 24-week covered period and uses the funds for certain payroll, rent, and utility expenses. No contribution revenue has been recorded for the year ended June 30, 2020. The Organization will be required to repay any remaining balance, plus interest accrued at 1% per annum in monthly payments after the six month covered period. Principal and interest payments will be required through the maturity date, April 15, 2022.

7) Liquidity and availability

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

Cash and cash equivalents	\$ 675,685
Accounts receivable	56,948
Total	<u>\$ 732,633</u>

8) Subsequent events

As a result of the spread of the COVID-19 coronavirus, economic uncertainties have arisen which are likely to negatively impact the Organization's financial results. However, the related financial impact and duration cannot be reasonably estimated at this time.

The Organization has evaluated subsequent events through the date of the auditors' report, the date which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER
MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

Board of Directors
New Orleans Film Society
New Orleans, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the New Orleans Film Society, which comprise the statement of financial position as of June 30, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 21, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the New Orleans Film Society's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the New Orleans Film Society's internal control. Accordingly, we do not express an opinion on the effectiveness of the New Orleans Film Society's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether New Orleans Film Society's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of

our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
