INDEPENDENT AUDITORS' REPORT

To the Board of Commissioners
Union Parish Sales & Use Tax Commission
Ruston, Louisiana

We have audited the accompanying financial statements of the governmental activities and the aggregate remaining fund information of the Union Parish Sales and Use Tax Commission, as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the Commission's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, and the aggregate remaining fund information of the Union Parish Sales and Use Tax Commission, as of June 30, 2021, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages 3-6 and 19 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 17, 2021, on our consideration of Union Parish Sales and Use Tax Commission's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Union Parish Sales and Use Tax Commission's internal control over financial reporting and compliance.

**Union Parish Sales And Use Tax Commission
Management's Discussion and Analysis
For the Year Ended June 30, 2021**

The Management's Discussion and Analysis of the Union Parish Sales And Use Tax Commission's (The Commission) financial performance presents a narrative overview and analysis of Union Parish Sales And Use Tax Commission's financial activities for the year ended June 30, 2021. The document focuses on the current year's activities, resulting changes, and currently known facts within the context of the accompanying basic financial statements and disclosures. We encourage readers to consider the information presented here in conjunction with the basic financial statements.

FINANCIAL HIGHLIGHTS

- The assets of the Commission, on a government-wide basis, exceeded its liabilities at June 30, 2021 by \$-0-. Of this amount, \$-0- is unrestricted.
- The Commission's total net position increased by \$-0- for the fiscal year ended June 30, 2021.
- The unassigned fund balance of the general fund was \$-0- at June 30, 2021 or .0% of the total general fund expenditures.
- The general fund reported a \$-0- excess of revenues over expenditures at June 30, 2021.
- The Commission remitted \$17,165,141 and \$14,772,224 in taxes and interest to its member agencies for the fiscal years ended June 30, 2021 and 2020. This was net of collection costs and fees of \$173,421 and \$159,424 for the fiscal years, respectively.
- Operating expenses were approximately 1.02% and 1.07% of tax collections for the fiscal years ending June 30, 2021 and 2020, respectively.

OVERVIEW OF THE FINANCIAL STATEMENTS

The following graphic illustrates the minimum requirements for Special Purpose Governments engaging in fiduciary activities, established by Governmental Accounting Standards Board Statement 34, Basic Financial Statements and Management's Discussion and Analysis for State and Local Governments.

Management's Discussion and Analysis

Basic Financial Statements

Notes to Financial Statements

The basic financial statements present information for the Commission as a whole, in a format designed to make the statements easier for the reader to understand. The statements in this section include the Statement of Positions, Statement of Activities, Balance Sheet – Governmental Funds, and Statement of Fiduciary Net Position.

**Union Parish Sales And Use Tax Commission
Management's Discussion and Analysis
For the Year Ended June 30, 2021**

The notes provide additional information that is essential to a full understanding of the basic financial statements.

GOVERNMENT-WIDE STATEMENTS

The government-wide statements report information about the Union Parish Sales & Use Tax Commission as a whole using accounting methods similar to those used by private-sector companies. The statement of position and the statement of activities, which are the government-wide statements, include all of the government's assets and liabilities using the accrual basis of accounting, similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

These two government-wide statements report the Commission's net position and how they have changed. Net Position – the difference between the Commission's assets and liabilities – are one way to measure the Commission's financial health, or financial position. Over time, increases or decreases in the Commission's net position are an indicator of whether its financial health is improving or deteriorating.

In the statement of position and the statement of activities, the Commission is reported in one category:

- Governmental activities – Most of the Commission's basic services are included here, such as the activities of the police, garbage and trash collection, park, and general administration. Franchise fees, insurance taxes, traffic fines, and payments from other governments finance most of these activities.

FUND FINANCIAL STATEMENTS

The format of the fund financial statements will be more familiar to traditional users of government financial statements. The fund financial statements provide more detailed information about the Commission's most significant funds – not the Commission as a whole. Funds are accounting mechanisms that the Commission uses to keep track of specific sources of funding and spending for particular purposes.

The Commission has two kinds of funds:

- Governmental funds – Most of the Commission's basic services are included in governmental funds, which focus on (1) how cash and other financial assets that can readily be converted to cash flow in and out and (2) the balances remaining at year-end that are available for spending. Consequently, the governmental fund statements provide a detailed short-term view that helps the reader determine whether there are more or fewer financial resources that can be spent in the near future to finance the Commission's programs. Because this information does not encompass the long-term focus of the government-wide statements, additional information is provided on a subsequent page that explains the relationship (or differences) between the government-wide and fund statements.
- Fiduciary funds – Funds collected on behalf of others. The Commission collects and remits sales and use taxes for its member agencies.

**Union Parish Sales And Use Tax Commission
Management's Discussion and Analysis
For the Year Ended June 30, 2021**

The Total Governmental Funds column requires reconciliation because of the different measurement focus from the government-wide statements (current financial resources versus total economic resources) which is reflected at the bottom of each statement. The flow of current financial resources will reflect interfund transfers as other financing sources as well as capital expenditures as expenditures. The reconciliation will eliminate these transactions and incorporate the capital assets and long-term obligations into the Governmental Activities column (in the government-wide statements).

FINANCIAL STATEMENTS ANALYSIS OF THE ENTITY

The following are condensed financial statements of the Commission:

Net Position at beginning of year	-	-
Net Position at end of year	\$ -	\$ -

CAPITAL ASSETS AND DEBT ADMINISTRATION

The Commission owns no capital assets as of June 30, 2021 and June 30, 2020. There is no outstanding debt.

BUDGETARY ANALYSIS

The Union Parish Sales And Use Tax Commission adopted its 2021/2022 operating budget in the amount of \$158,700. The Commission has contracted its operations out to the Lincoln Parish Sales And Use Tax Commission for a fee of 1% of tax collections.

ECONOMIC FACTORS

Sales tax collections have been fairly level for the past twelve months. Union Parish is expecting this trend to continue, but we are unsure how long it will continue.

CONTACTING THE COMMISSION'S MANAGEMENT

This financial report is designed to provide a general overview of the Union Parish Sales and Use Tax Commission's fiduciary activities. If you have questions about this report or need additional financial information, contact Denise Griggs, Administrator, at (318) 251-8624.

Union Parish Sales And Use Tax Commission
Notes to Financial Statements
For The Year Ended June 30, 2021

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Union Parish Sales and Use Tax Commission was created on November 1, 2010, for the purpose of collecting, enforcing, and administering the respective sales and use taxes which have been or in the future might be authorized and levied by the various parties involved in the Cooperative Endeavor Agreement.

The Cooperative Endeavor Agreement authorizes the Commission as the single tax collector for the parish, to enter into agreements with any other public bodies located within Union Parish for the collection of any sales and use taxes authorized by such other public bodies, beginning November 1, 2010. The operations of the Commission are under the direction of an administrator appointed by the seven participating agencies. The appointment of the administrator can be revoked by a majority vote of the seven agencies. The seven agencies established the Commission composed of ten members: two from the Union Parish Police Jury, Union Parish School Board, and Union Parish Sheriff's Office, and one member each from the Town of Farmerville, Town of Bernice, Town of Marion, and Village of Junction City.

The Commission's costs of operations shall be divided among the parties on a pro-rata basis based upon the percentage which the amount of taxes, revenues, funds, assessments, monies, penalties, fees, or other income collected on behalf of each of the parties bear to the total amount of such funds collected. The Commission has the authority to hire an administrator and staff or it may contract with third parties for the collection of taxes.

In April 1984, the Financial Accounting Foundation established the Governmental Accounting Standards Board (GASB) to promulgate generally accepted accounting principles and reporting standards with respect to activities and transactions of state and local governmental entities. In November 1984, GASB issued a codification of governmental accounting and financial reporting standards. This codification and subsequent GASB pronouncements are recognized as generally accepted accounting principles for the state and local government.

The Commission adopted the provisions of GASB Statement No. 34 Basic Financial Statements-and Management's Discussion and Analysis-for State and Local Governments. Statement No. 34 established standards for external reporting for all state and local governmental entities. The Commission is a special-purpose government. It is considered a joint cooperative endeavor of the participating governmental units and, therefore issues financial statements separate from the participants and their governmental components.

A. Fund Accounting

The accounts of the Commission are organized on a fund basis whereby a set of self-balancing accounts comprises its assets, liabilities, additions, distributions, and other disbursements.

Union Parish Sales And Use Tax Commission
Notes to Financial Statements
For The Year Ended June 30, 2021

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

B. Basis of Accounting

Basis of accounting refers to when revenues and expenditures/expenses are recognized in the accounts and reported in the financial statements. The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when liabilities are incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenues as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current *financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenues as soon as all eligibility requirements imposed by the provider have been met.

C. Cash and Cash Equivalents

For reporting purposes, cash represents interest bearing demand deposits. Under state law, the Commission may deposit funds within a fiscal agent bank organized under the laws of any other state in the union, or the laws of the United States. Further, the Commission may invest in the deposits or certificates of deposit of state banks organized under Louisiana law and national banks having principle offices in Louisiana.

D. Sales and Use Taxes – Distribution of Funds

Sales and use tax collections are distributed monthly based on the tax rates levied by each governmental body. At June 30, 2021, the following rates were in effect:

Union Parish Police Jury	1.00%
Union Parish School Board	3.00%
Union Parish Sheriff's Office	1.00%
Town of Farmerville	1.50%
Town of Bernice	2.00%
Town of Marion	1.00%
Village of Junction City	1.00%

E. Capital Assets

General capital assets generally result from expenditures in the governmental funds. These assets are reported in the governmental activities column of the government-wide statement of net assets but are not reported in the fund financial statements. Capital assets with an original cost of at least \$500 are carried at cost. Depreciation is computed using the straight line method over the estimated useful life of the assets, generally 3 to 7 years for software, computer equipment, and furniture. The Commission has no capital assets as of June 30, 2021.

Union Parish Sales And Use Tax Commission
Notes to Financial Statements
For The Year Ended June 30, 2021

NOTE 2 - CASH AND CASH EQUIVALENTS

At June 30, 2021, the Commission had cash equivalents (book balances) as follows:

Interest-bearing demand deposits	<u>\$195,567</u>
----------------------------------	------------------

These deposits are stated at cost, which approximates market. Under state law, these deposits (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties. Cash and cash equivalents (bank balances) at June 30, 2021, are secured as follows:

Bank Balances	<u>\$196,430</u>
---------------	------------------

The bank balances at June 30, 2021, were covered by Federal Deposit Insurance (FDIC). In addition, the financial institution has pledged securities of \$1,434,581 held to cover account balances in excess of \$250,000 during each month.

Even though the pledged securities are considered uncollateralized (Category 3) under the provisions of GASB Statement 3, Louisiana Revised Statute 39:1229 imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within 10 days of being notified by the Commission that the fiscal agent has failed to pay deposited funds upon demand.

NOTE 3 – OPERATING EXPENSES

As discussed in Note 1, the seven participating agencies share the operating expenses of the Union Parish Sales and Use Tax Commission on a pro rata basis. The operating expenses of the Commission for the year ended June 30, 2021, were \$177,486, which is approximately 1.02% of tax collections.

NOTE 4 – COMMITMENTS AND CONTINGENCIES

The Commission from time to time is involved in disputes and litigation with taxpayers over the taxability of certain items. When taxes are paid under protest, the disputed funds are deposited in a separate bank account until the dispute is resolved. At June 30, 2021, the Commission held \$193,173 in protested tax remittances.

Union Parish Sales And Use Tax Commission
Notes to Financial Statements
For The Year Ended June 30, 2021

NOTE 5 – THIRD PARTY COLLECTION SERVICES

The Commission signed a tax collection agreement with the Lincoln Parish Sales & Use Tax Commission in November, 2010. Collection services began January 1, 2011. Lincoln Parish Sales & Use Tax Commission will receive a fee of 1-1/8th% of collections for the calendar year 2011 and 1 percent (1%) for 2012 - 2021. Total fees paid during the fiscal year ended June 30, 2021 was \$173,421.

NOTE 6 – SCHEDULE OF TAX COLLECTIONS AND DISTRIBUTIONS

The following information is presented on cash basis for the fiscal year ended June 30, 2021:

Taxing Authority and Rate (%)	Total Collections	Operating Expenses	Final Distribution
Union Parish School Board (2.0%)	\$ 8,601,828	\$ 88,028	\$ 8,513,800
Union Parish Police Jury (1.00%)	2,867,622	29,347	2,838,275
Union Parish Sheriff's Office (1.00%)	2,867,626	29,347	2,838,279
Town of Farmerville (1.50%)	2,525,417	25,849	2,499,568
Town of Bernice (2.0%)	280,052	2,866	277,186
Town of Marion (1.00%)	186,648	1,912	184,736
Town of Junction City (1.0%)	13,431	137	13,294
Totals	\$ 17,342,624	\$ 177,486	\$ 17,165,138

NOTE 7 – NEW ACCOUNTING STANDARD

For the year ended June 30, 2021, the Commission implemented the following pronouncement: GASB Statement No. 84, *Fiduciary Activities*. This statement establishes criteria for identifying fiduciary activities of all state and local governments and requires governments with activities meeting the criteria to present a statement of fiduciary net position and a statement of changes in fiduciary net position.

Union Parish Sales & Use Tax Commission
Notes to Budgetary Comparison Schedule
For the Year Ended June 30, 2021

The Commission annually adopts a budget for the General Fund. All appropriations are legally controlled at the board level for the General Fund. On May 18, 2020, the District approved the original adopted budget reflected in the financial statements. No amendments were made for the year.

The budgets are integrated into the accounting system, and the budgetary data, as presented in the financial statements for all funds with annual budgets, compare the expenditures with the amended budgets. All budgets are presented on the modified accrual basis of accounting. Accordingly, the accompanying Budgetary Comparison Schedule for the General Fund presents actual expenditures in accordance with the accounting principles generally accepted in the United States on a basis consistent with the legally adopted budgets as amended. Unexpected appropriations on annual budgets lapse at the end of each fiscal year.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Commissioners
Union Parish Sales and Use Tax Commission
Ruston, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, and the aggregate remaining fund information, of the Union Parish Sales and Use Tax Commission, as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the Union Parish Sales and Use Tax Commission's basic financial statements, and have issued our report thereon dated December 17, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Union Parish Sales and Use Tax Commission's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Commission's internal control. Accordingly, we do not express an opinion on the effectiveness of the Union Parish Sales and Use Tax Commission's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Union Parish Sales and Use Tax Commission's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that is required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
