Independent Accountant's Review Report

To the Officers and Board of Directors  
SPARK Life Services  
Sarepta, Louisiana

We have reviewed the accompanying financial statements of the business-type activities and each major fund of SPARK Life Services ("Organization"), as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the Organization's basic financial statements as listed in the table of contents. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

***Accountant's Responsibility***

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute Certified Public Accountants, and the standards applicable to review engagements contained in *Government Auditing Standards*, issued by the United States Comptroller General. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

***Accountant's Conclusion***

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

***Other Matter Paragraph***  
***Supplementary Information***

The accompanying schedule of functional expenses and schedule of compensation, benefits, and other payments to agency head are presented for purposes of additional analysis and are not a required part of the basic financial statements. The information is the representation of management. We have reviewed the information and, based on our review, we are not aware of any material modifications that should be made to the information in order for it to be in accordance with accounting principles generally accepted in the United States of America. We have not audited the supplementary information and, accordingly do not express an opinion on such information.

***Required Supplementary Information***

The Organization has omitted the Management's Discussion and Analysis that accounting principles generally accepted in the United States of America requires to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Government Accounting Standards Board, who considers it to be an essential part of financial reporting and for placing the basic financial statements in appropriate operational, economic, or historical context. The results of our review of the basic financial statements are not affected by this missing information.

In accordance with the Louisiana Governmental Audit Guide and the provisions of state law, we have issued our report dated October 18, 2023, on the results of our agreed-upon procedures on pages 16 through 19.

#### C. Basis of Presentation

The System has adopted FASB Accounting Standards Update (ASU) No. 2016-14 *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*. Under FASB ASU 2016-14, the System is required to report information regarding its financial position and activities according to two classes of net assets: net assets with donor restrictions and net assets without donor restrictions - based on the existence or absence of donor-imposed restrictions. In addition, the System is required to present a statement of cash flows.

SPARK Life Services  
Notes to the Financial Statements  
For the Year Ended June 30, 2023

D. Cash Equivalents

The Organization considers deposits with financial institutions that can be redeemed on demand and all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

E. Investments

Investments are composed of certificates of deposit with financial institutions having original maturities in excess of three months when purchased and marketable equity securities. The Organization accounts for investments at fair value in accordance with FASB ASC 958 (formerly SFAS 124, *Accounting for Certain Investments Held by Not-for-Profit Organizations*). Investments in marketable securities with readily determinable fair values are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets.

F. Uncollectible Receivables

The Organization uses the allowance method to account for uncollectible accounts receivable.

G. Inventory

Inventory is stated at the lower of cost or market using the first-in, first-out method.

H. Support and Revenue

Annual membership fees and gifts of goods and equipment are recorded as unrestricted support as received unless explicit donor stipulations specify how the donated assets must be used.

Contributions of cash and other assets are reported as net assets with donor restrictions if they are received with donor stipulations that limit the use of the assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Contributions of donated non-cash assets are recorded at their fair values in the period received. Contributions of donated services that create or enhance non-financial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received.

I. Property, Buildings, Furniture, and Equipment

Property, buildings, furniture, and equipment are capitalized at cost. The Organization capitalizes assets which have a material cost and a useful life of one year or greater. Lesser amounts, minor

SPARK Life Services  
Notes to the Financial Statements  
For the Year Ended June 30, 2023

replacements, maintenance and repairs are expensed as incurred. When property, buildings, furniture, and equipment are retired or otherwise disposed, the cost and accumulated depreciation are removed from the accounts and any resulting gain or loss is included in the results of operations for the respective period. The Organization maintains a threshold level of \$200 or more for capitalizing capital assets.

Fixed assets are included on the balance sheet net of accumulated depreciation. Depreciation is computed using the straight-line method over the estimated useful lives with respect to major classes of depreciable assets as follows:

Buildings & improvements	10-20 years
Furniture & equipment	5-10 years
Vehicles	5 years

J. Functional Expenses

The costs of providing the various programs and activities have been summarized on a functional basis. The Organization allocates functional expenses primarily by specific identification of program expenses which include salaries of personnel assigned to specific programs.

K. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts for revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

L. Advertising Costs

Advertising and sales promotion costs are expensed as incurred.

M. Financial Instruments

The Organization's financial instruments are cash and cash equivalents, accounts receivable, accounts payable, and note payable. The recorded values of cash and cash equivalents, accounts receivable, accounts payable, and note payable approximate their fair values based on their short-term nature.
