Independent Auditor's Report

HONORABLE HAROLD A. TURNER
ALLEN PARISH SHERIFF AND
EX-OFFICIO PARISH TAX COLLECTOR
Oberlin, Louisiana

I have audited the financial statements of the Tax Collector Agency Fund of the Allen Parish Sheriff as of June 30, 1958, and for the year then ended, as listed in the table of contents. These financial statements are the responsibility of the Allen Parish Sheriff's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards and Government Auditing Standards, issued by the Comptroller General of the United States. These standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

As described in note 1, the Allen Parish Sheriff is the ex-officio tax collector for the various taxing bodies within Allen Parish, and the accompanying financial statements present information only on his activities as parish tax collector. Further, the accompanying financial statements have been prepared on the basis of cash receipts and disbursements which is a comprehensive basis of accounting other than generally accepted accounting principles.

Independent Auditor's Report,
June 30, 1998

In my opinion, the financial statements referred to in the first paragraph present fairly the assets and liabilities arising from cash transactions of the Tax Collector Agency Fund of the Allen Parish Sheriff as of June 30, 1998, and the collections and distributions for the year then ended, on the basis of accounting as described in note 1.

In accordance with Government Auditing Standards, I have also issued reports dated August 28, 1998, on the Allen Parish Sheriff's compliance with laws, regulations, and contracts, and my consideration of the agency's internal control over financial reporting.

Notes to the Financial Statements
For the Year Ended June 30, 1998

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

As provided by Article V, Section 27 of the Louisiana Constitution of 1974, the sheriff is the ex-officio tax collector of the parish and is responsible for the collection and distribution of ad valorem property taxes, parish licenses, state revenue sharing funds, and angling, hunting, and trapping licenses.

A. REPORTING ENTITY

Louisiana Revised Statute 24:517(D) requires the accounts of each parish tax collector to be audited annually. Accordingly, the accompanying financial statements reflect the financial activity of the sheriff related only to his responsibility as ex-officio parish tax collector. Amounts included in these financial statements are also included in the sheriff's annual general purpose financial statements.

B. BASIS OF ACCOUNTING

The accounts of the parish tax collector are established to reflect the collections imposed by law, the distributions pursuant to such law, and the unapplied balances due various tax recipient bodies and others. The accompanying financial statements have been prepared on the cash basis of accounting, with collections recognized when received and distributions recognized when paid.

C. CASH

State law authorizes the sheriff to deposit tax collections, in interest bearing accounts, with a bank domiciled in the parish where the funds are collected. Further, the sheriff may invest these deposits in certificates of deposit or other investments permitted by law. At June 30, 1998, the sheriff has cash and cash equivalents (bank balances) totaling \$53,091. All cash is deposited in interest bearing demand accounts that are fully secured by federal deposit insurance.

**Independent Auditor's Report on Compliance
and Internal Control Over Financial Reporting**

HONORABLE HAROLD A. TURNER

Allen Parish Sheriff and
In-office Parish Tax Collector
Orleans, Louisiana

I have audited the financial statements of the Tax Collector Agency Fund of the Allen Parish Sheriff as of and for the year ended June 30, 1998 and have issued my report thereon dated August 28, 1998. I conducted my audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Allen Parish Sheriff's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations and contracts, noncompliance with which could have a direct and material effect on the determination of financial amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing my audit, I considered the Allen Parish Sheriff's internal control over financial reporting in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control over financial reporting. My consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. I noted no matters involving the internal control over financial reporting and its operation that I consider to be material weaknesses.
