SCHEDULE OF PRIOR YEAR FINDINGS

Year Ended December 31, 2024

The following finding was noted in the accountant's compilation report dated August 22, 2024, for the year ended December 31, 2023.

Finding No. 2023-001 – Report Submission

The District did not submit compiled financial statements to the Louisiana Legislative Auditor within the period prescribed by applicable regulations. The District engaged the services of an accounting in a timely manner, but accounting records and other supporting documentation were not provided to the accountant in sufficient time to complete the compilation engagement prior to the statutory deadline. The District is responsible for compliance with financial statement reporting requirements and was not in compliance with those requirements until the submission of the 2023 financial statements was made. It was recommended that the District engage its outside accounting firm and provide necessary information to that firm in a timely manner to ensure future financial statements are submitted to the Louisiana Legislative Auditor.
