INDEPENDENT ACCOUNTANTS' EXAMINATION REPORT

Honorable Sid Gautreaux
East Baton Rouge Parish Sheriff
As Ex-officio Parish Tax Collector
Baton Rouge, Louisiana

We have examined the accompanying Summary of Cash Available for Settlements, the Schedule of the 2023 Tax Roll and Settlements to Taxing Bodies, the Affidavit of the East Baton Rouge Parish Sheriff as Tax Collector (Sheriff), and the accompanying notes for the year ended June 30, 2024 (collectively the Annual Report of the Tax Collector). The Sheriff's management is responsible for the Annual Report of the Tax Collector, in accordance with the presentation format agreed upon by the consolidated government of East Baton Rouge Parish (City-Parish) and the Sheriff, as set forth in Note A of the Notes to the Annual Report of the Tax Collector. Our responsibility is to express an opinion on the Annual Report of the Tax Collector based on our examination.

Our examination was conducted in accordance with attestation standards established by the AICPA. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Annual Report of the Tax Collector is in accordance with the presentation format agreed upon by the City-Parish and the Sheriff, as set forth in Note A of the Notes to the Annual Report of the Tax Collector and presented fairly in all material respects. An examination involves performing procedures to obtain evidence about the Annual Report of the Tax Collector. The nature, timing and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of the Annual Report of the Tax Collector, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the examination engagement.

To comply with Louisiana R.S. 11:82, each year a portion of current ad valorem taxes collected are deducted from the amounts distributed to taxing districts and remitted to retirement systems as listed in the statute. As described in Note B of the Notes to the Annual Report of the Tax Collector, a taxing district has filed suit against the Sheriff asserting that the way these amounts are deducted from dedicated taxes is unconstitutional. If this taxing district prevails, it will significantly affect the current process of tax collections and settlements. Our opinion is not modified with respect to this matter.

In our opinion, the Annual Report of the Tax Collector referred to above is presented in accordance with the presentation format agreed upon by the City-Parish and the Sheriff, as set forth in Note A of the Notes to the Annual Report of the Tax Collector, fairly in all material respects.

These schedules are intended solely for the information and use of the East Baton Rouge Parish Sheriff and the consolidated government of East Baton Rouge Parish and are not intended to be and should not be used by anyone other than these specified parties.

In accordance with Louisiana Revised Statute 47:1993, the East Baton Rouge Parish Assessor shall not file and deposit with the tax collector the current year assessment rolls until the collector presents a receipt or quietus from City Parish stating that all state and parish taxes assessed on the rolls of the preceding year have been paid or accounted for. The Annual Report of the Tax Collector is presented in a format agreed upon by the City of Baton Rouge/Parish of East Baton Rouge (City-Parish) and the East Baton Rouge Parish Sheriff (Sheriff). This presentation is intended to provide satisfactory evidence that the 2023 ad valorem tax rolls due were properly collected, settled or otherwise accounted for.

B. LITIGATION

In accordance with Louisiana R.S. 11:82, a portion of current ad valorem taxes collected are remitted to retirement systems as listed in the statute. The Baton Rouge Recreation and Park Commission (BREC), a taxing district in East Baton Rouge Parish, whose net settled current tax collections totaled \$77,757,667.30 reflected in the accompanying Schedule of the 2023 Tax Roll and Settlements to Taxing Bodies, filed suit in the 19th Judicial District Court on November 7, 2022. The lawsuit asserts that the statute is unconstitutional or is being unconstitutionally applied as these deductions include amounts taken from dedicated taxes. Of the taxes collected in 2022, the Sheriff deducted \$2,052,240.28 from distributions to BREC and placed that balance into the registry of the court pending final judgement. In addition, the Sheriff filed suit against the City of Baton Rouge/Parish of East Baton Rouge (City Parish), another taxing district in East Baton Rouge Parish, bringing a concursus proceeding asserting that if BREC prevails then the statutorily required remittance to the retirement systems should be withheld from non-dedicated taxes such as the City Parish general taxes. Of the taxes collected in 2022, the Sheriff deducted \$2,052,240.28 from distributions to City Parish and placed that balance into the registry of the court pending final judgement. Of the taxes collected in 2023, the Sheriff deducted \$2,195,296.67 from distributions from BREC's settlement only, depositing the funds into the registry of the court on January 4, 2024. No distribution was withheld from the City Parish. On June 30, 2024, deposits with the registry of the court totaled \$6,299,776. The Sheriff will continue to employ the same process of deducting from distributions to BREC and depositing those amounts in the registry of the court, until these disputes are resolved. The outcome of the above outlined litigation may affect tax settlements resulting in a change to the current process, and ultimately amounts distributed to all taxing districts. Settlements on the Schedule of the 2023 Tax roll and Settlements to Taxing Bodies are not affected by these deductions from distributions for amounts deposited in the registry of the court or remittances to the retirement systems.
