INDEPENDENT AUDITORS' REPORT

Honorable Judge Ronald J. Lawalys
Thirty-Seventh Judicial District Court
State of Louisiana
Caldwell Parish

We have audited the accompanying component unit financial statements of the Thirty-Seventh Judicial District Court as of and for the year ended December 31, 1997, as listed in the table of contents. These component unit financial statements are the responsibility of the Judge of the Thirty-Seventh Judicial District Court. Our responsibility is to express an opinion on these component unit financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and the standards for financial and compliance audits contained in Government Auditing Standards issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the component unit financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the component unit financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall component unit financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the component unit financial statements referred to above present fairly, in all material respects, the financial position of the Thirty-Seventh Judicial District Court as of December 31, 1997, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles.

In accordance with Government Auditing Standards, we have also issued a report dated June 10, 1998, on our consideration of the Court's internal control structure and a report dated March 19, 1998, on its compliance with laws and regulations.

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2017**

Note 1 - Historical Background

The Judicial Expense Fund of the Thirty-Seventh Judicial District Court was established by Act 716 of the 1985 Session of the Louisiana Legislature and began operating in March of 1986. The Judicial Expense Fund is controlled by the Judge of the Thirty-Seventh Judicial District Court and was established and may be used for any purpose connected with, incidentally to, or related to the proper administration or function of the court or the office of the Judge thereof, and in addition to any and all other funds, salaries, expenses or other monies that were or hereafter will be provided, authorized, or established by law for any of the aforesaid purposes. The Judicial Expense Fund's revenues are derived from court costs assessed in civil and criminal cases of the Thirty-Seventh Judicial District Court and are collected by the Sheriff and Clerk of Court. The Special Revenue Fund entitled Child Support was established by the Louisiana Legislature in 1996. The Thirty-Seventh Judicial District Court started receiving the funds in June of 1995.

Note 2 - Summary of Significant Accounting Policies

A. Basis of Accounting

The accompanying financial statements of the Thirty-Seventh Judicial District Court have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles.

B. Reporting Entity

For financial reporting purposes, in conformity with the Governmental Accounting Standards Board (GASB) the Judicial Expense Fund and Child Support is a part of the Thirty-Seventh Judicial District Court, a component of the State of Louisiana judicial system. The financial reporting entity consists of (a) the primary government (State of Louisiana), (b) organizations for which the primary government is financially accountable, and (c) other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

Note 2 - Summary of Significant Accounting Policies (Continued)

B Reporting Entity (Continued)

Governmental Accounting Standards Board Statement No. 14 established criteria for determining which component units should be considered part of the State of Louisiana for financial reporting purposes. The basic criterion for including a potential component unit within the reporting entity is financial accountability. The GASB has set forth criteria to be considered in determining financial accountability. This criteria includes:

1. Appointing a voting majority of an organization's governing body, and
 - a. The ability of the State of Louisiana to impose its will on that organization and/or
 - b. The potential for the organization to provide specific financial benefits to or impose specific financial burdens on the State of Louisiana.
2. Organizations for which the State of Louisiana does not appoint a voting majority but are fiscally dependent on the State of Louisiana.
3. Organizations for which the reporting entity's financial statements would be misleading if data of the organization is not included because of the nature or significance of the relationship.

Because the State of Louisiana provides for the operation and maintenance and the Caldwell Parish Police Jury provides the Courtroom and office space of the Judge in its parish courthouse, the Thirty-Seventh Judicial District Court was determined to be a component unit of the State of Louisiana, the financial reporting entity. The accompanying financial statements present information only on the funds maintained by the Thirty-Seventh Judicial District Court and do not present information on the State of Louisiana, the general government services provided by that governmental unit or the other governmental units that comprise the financial reporting entity.

C. Fund Accounting

The Thirty-Seventh Judicial District Court uses funds and account groups to report on its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions relating to certain government functions or activities.

A fund is a separate accounting entity with a self-balancing set of accounts. On the other hand, an account group is a financial reporting device designed to provide accountability for certain assets that are not recorded in the funds because they do not directly affect net expendable available financial resources. The funds presented in the financial statements are described as follows:

1. General Fund

The Judicial Expense Fund, as provided by Louisiana Act No. 916 of 1985, is the principal fund of the Thirty-Seventh Judicial District Court office and is used to account for the operations of the Judicial District's office. The District's primary source of revenues from court costs assessed in civil and criminal cases and collected by the Sheriff and Clerk of Court of the District.

Other sources of revenue include interest earned on an interest-bearing certificate of deposit. General expenses of the District Court are paid from this fund.

2. Special Revenue Fund

The Special Revenue Fund, as set up by the Thirty-Seventh Judicial District Court is the Child Support Fund. The Fund's source of revenue is from the State of Louisiana for the purpose of enforcing parents to support their children. The fund was opened in June, 1995.

D. Fixed Assets

Fixed assets used in governmental fund type operations (general fund assets) are accounted for in the general fixed assets account group, rather than in the General Fund.

FOR THE YEAR ENDED DECEMBER 31, 2017

Note 2 - Summary of Significant Accounting Policies (Continued)

D. Fixed Assets (Continued)

General fixed assets provided by the Judicial Expense Fund are recorded within the general fixed assets account group. Fixed assets are valued at historical cost or estimated historical cost if historical cost is not available. No depreciation has been provided on general fixed assets. The account group is not a "fund". It is concerned only with the measurement of financial position and does not involve measurement of results of operations.

E. Basis of Accounting

Basis of accounting refers to when revenues and expenditures recognized in the accounts and reported in the financial statements. Basis of accounting refers to the timing of the measurements made, regardless of the measurement focus applied.

The accompanying component unit financial statements have been prepared on the modified accrual basis of accounting. The modified accrual basis of accounting is used for reporting all governmental fund types. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual, i.e., when they become both measurable and available. *Measurable* means the amount of the transaction that can be determined and *available* means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. The Judicial Expense and Special Revenue Funds use the following practices in recording revenues and expenditures:

1. Expenses

The civil and criminal cost carried are recorded in the month earned. The criminal and civil costs are generally collected in the current month and sent by the Sheriff and Clerk of Court by the first of the next month.

Intergovernmental revenues are recorded when the Thirty-Seventh Judicial District Court is entitled to the funds.

Interest income on time deposits is recorded when the time deposits have matured and income is available.

Notes 2 - Summary of Significant Accounting Policies (Continued)

E. Basis of Accounting (Continued)

1. Revenues (Continued)

All other revenues are recorded when received.

2. Expenditures

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred.

F. Budgetary Practices

The court is not required to prepare an annual budget for its General Fund because the judiciary is not included within the definition of a "political subdivision" covered by the Louisiana Government Budget Act.

G. Cash and Cash Equivalents

Cash includes amounts in non-interest bearing demand deposits and in interest-bearing certificates of deposit. The judge considers the certificate of deposit as highly liquid debt instrument with an initial maturity of three months or less to be cash equivalents. Under state law, the judge may deposit funds in demand deposits, interest-bearing demand deposits, money market accounts, or time deposits with state banks organized under Louisiana law and national banks having their principal offices in Louisiana.

H. Vacation and Sick Leave

Employees of the Judicial Expense Fund at this time are paid by the Caldwell Parish Police Jury and are covered under the police jury's vacation and sick leave policies.

I. Total Columns on Statements

The total columns on the statements are captioned "Miscellaneous Data" to indicate that they are presented only to facilitate financial analysis. Data in these columns does not present financial position or results of operations in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation.

FOR THE YEAR ENDED DECEMBER 31, 1997**

Note 3 - Cash and Cash Equivalents

At December 31, 1997, the Thirty-Seventh Judicial District Court has cash and cash equivalents (book balances) totaling \$21,186 as follows:

	Total	Judicial Expense Fund	Chief Support Fund
Demand Deposits	\$ 13,418	\$ 11,579	\$ 1,840
Certificate of Deposits	<u>7,767</u>	<u>7,767</u>	<u>—</u>
Total	<u>\$ 21,186</u>	<u>\$ 19,346</u>	<u>\$ 1,840</u>

These deposits are stated at cost, which approximates market. Under state law, these deposits (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposits insurance must at all times equal the amount on deposit with the fiscal agent. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties. At December 31, 1998, the Judge has \$73,200 in deposits (collected bank balances). These deposits are fully insured by the federal deposit insurance.

Note 4 - Receivable

The Judicial Expense Fund receivables of \$1,843 at December 31, 1997, are as follows:

Note 5 - Litigation and Claims

There is no litigation pending against the Judicial Expense Fund at December 31, 1997.

**REPORT ON COMPLIANCE AND ON INTERNAL CONTROL
OVER FINANCIAL REPORTING BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

Honorable Judge Ronald F. Lawdeman
Thirty-Seventh Judicial District Court
State of Louisiana
Caldwell Parish

We have audited the component unit financial statements of the Thirty-Seventh Judicial District Court, as of and for the year ended December 31, 1997, and have issued our report thereon dated March 26, 1998. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Thirty-Seventh Judicial District Court component unit statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Thirty-Seventh Judicial District Court internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the component unit financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in accounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

Prior Year Findings

There were no prior year audit findings.

This report is intended for the information of management. However, this report is a matter of public record and its distribution is not limited.
