We have reviewed the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Catahoula Parish Council on Aging, Inc., as of and for the year ended June 30, 2020 and the related notes to the financial statements, which collectively comprise the Catahoula Parish Council on Aging's basic financial statements as listed in the table of contents. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the accompanying Managements' Discussion and Analysis be presented to supplement the basic financial statements. Such information, although not a required part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting and for placing the basic financial statements in an appropriate operational, economic, or historical context. Such information is the responsibility of management. We have not audited, reviewed, or compiled the required supplementary information and we do not express an opinion, a conclusion, nor provide any assurance on it.

Supplemental Financial Information

Management's Discussion and Analysis For the Year Ended June 30, 2020

This section of the Catahoula Parish Council on Aging, Inc.'s annual financial report presents our discussion and analysis of the Catahoula Parish Council on Aging's financial performance during the year ended June 30, 2020.

OVERVIEW OF FINANCIAL STATEMENTS

The basic financial statements include government-wide financial statements and fund financial statements. These two types of financial statements present the Catahoula Parish Council on Aging, Inc.'s financial position and results of operations from differing perspectives, which are described as follows:

Government – Wide Financial Statements

The government-wide financial statements report information about the Catahoula Parish Council on Aging as a whole using accounting methods similar to those used by private-sector companies. These report all revenues and expenses regardless of when cash is received or paid. Furthermore, the government-wide statements include all of the Catahoula Parish Council on Aging's assets and all of its liabilities (including long-term debt). Expenses incurred in connection with the operation of the Catahoula Parish Council on Aging's programs are reported as governmental activities. The governmental activities are financed by grants, fees and membership dues.

Fund Financial Statements

Fund financial statements provide detailed information regarding the Catahoula Parish Council on Aging's most significant activities and are not intended to provide information for the Catahoula Parish Council on Aging as a whole. Funds are accounting devices that are used to account for specific sources of funds. The Catahoula Parish Council on Aging's funds are all classified as governmental funds. These funds are used to account for essentially the same functions that are reported as governmental activities in the government-wide financial statements. However, unlike government-wide financial statements, the governmental funds use a modified accrual basis of accounting that provides a short-term view of the Catahoula Parish Council on Aging's finances. Assets reported by governmental funds are limited to amounts that are available for current needs. In addition, liabilities are limited to amounts that are expected to be paid from currently available assets.

Notes to Financial Statements June 30, 2020

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Catahoula Parish Council on Aging, Inc. is a non-profit organization organized under the Laws of the State of Louisiana. The primary function of the Council on Aging is to improve the quality of life for the elderly and to provide services to the elderly as well as coordinate and monitor the services of other local agencies serving aging people.

The following is a summary of certain significant accounting policies and practices:

Financial Reporting Entity

The Catahoula Parish Council on Aging is considered a legally separate stand-alone government as defined by Generally Accepted Accounting Standards. The reporting entity is composed of the activities that are under the direct control of the Board of Directors. The Catahoula Parish Council on Aging is not financially accountable for any organizations that maintain separate legal standing; therefore, it has no component units.

Basic Financial Statements

All of the Catahoula Parish Council on Aging's operations are classified as governmental activities. Governmental activities involve government services that are normally supported by intergovernmental revenues and certain fees. The basic financial statements include both government-wide and fund financial statements. The government-wide and fund financial statements present the Catahoula Parish Council on Aging's financial position and results of operations from differing perspectives which are described as follows:

Government-Wide Financial Statements

The Statement of Net Position and the Statement of Activities display information about the Catahoula Parish Council on Aging as a whole. The effect of interfund activity is eliminated from these financial statements. Furthermore, government-wide financial statements exclude any fiduciary activities which are reported in the fund financial statements.

Program revenues reported in the Statement of Activities consist of amounts that are directly associated with a governmental service. Program revenues include charges for services, fees, contributions associated with a particular function and most grants.

Fund Financial Statements

Funds are separate accounting entities that are designed to assist with demonstrating legal compliance and segregating transactions by activity. Major individual funds are reported as separate columns in the fund financial statements. The Catahoula Parish Council on Aging's major funds are described as follows:

- General Fund The general fund is the primary operating fund and is used to account for all governmental activities that are not required to be presented elsewhere.
- Title III B Accounts for funds dedicated to providing supportive services for seniors.
- Title C-1 Reports activity associated with providing nutrition services at congregate meal sites
- Title C-2 Reports activity associated with providing nutrition services consisting of home delivered meals.
- Title III E Accounts for funds dedicated to providing support services for caregivers.

Notes to Financial Statements June 30, 2020

• Covid 19 – Used exclusively for funds dedicated to pandemic response and relief.

Basis of Accounting and Measurement Focus

Basis of accounting refers to when revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied. The basis of accounting and measurement focus used for various financial statement presentations are described as follows:

Financial Statement Presentation	Basis of Accounting	Measurement Focus
Government-Wide Financial	Accrual Basis	Economic Resources
Statements		
Fund Financial Statements	Modified Accrual Basis	Current Financial
		Resources

Under the accrual basis of accounting and the economic resources measurement focus, revenues are recorded when earned and expenses are recorded when a liability is incurred.

Under the modified accrual basis of accounting and the current financial resources measurement focus revenue is recognized when it is considered measurable and available. Revenue is considered available if it is collected within 90 days of year end. In addition, expenses are generally recorded when a liability has been incurred. Furthermore, when the current financial resources measurement focus is used, amounts recorded as assets exclude capital assets and the acquisition of capital assets is treated as an expenditure of funds. In addition, long-term debts are excluded from amounts reported as liabilities. Proceeds from issuing long-term debt are reported as other financing sources and repayment of long-term debt is reported as an expenditure of funds.

Accumulated Unpaid Vacation

Annual leave is earned by employees at varying rates based on length of service. Based on the Council's policies, employees do not have a vested interest in their leave balances. Accordingly, there are no liabilities associated with accumulated unpaid vacation.

Capital Assets

Capital assets include significant acquisitions of facilities and equipment that are expected to remain in service for a period of years. Capital assets are reported in the government-wide financial statements but are excluded from the fund financial statements. Instead, the funds report the acquisition of capital assets as expenditures rather than asset acquisitions. Capital assets are depreciated using the straight-line method and useful lives ranging from 3 years to 30 years.

Interfund Receivables and Payables

Amounts of cash held or disbursed by the General Fund on behalf of other funds are recorded as Interfund Payables and Receivables. These Interfund Payables and Receivables are eliminated from the government-wide financial statement presentation.

Cash and Cash Equivalents

Cash includes amounts in demand deposits, interest-bearing demand deposits, and money market accounts. Cash equivalents include amounts in time deposits and those investments with original maturities of 90 days or less. Under state law, the Catahoula Parish Council on Aging may deposit funds in demand deposits, interest-bearing

Notes to Financial Statements June 30, 2020

demand deposits, money market accounts, or time deposits with state banks organized under Louisiana law and national banks having their principal offices in Louisiana.

Coverage provided by the Federal Deposit Insurance Corporation eliminates Credit risk associated with bank deposits.

Use of Estimates

The preparation of financial statement in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Budgets

Budgets are adopted and occasionally amended by the Board of Directors in the manner prescribed by Louisiana Law and the Governor's Office of Elderly Affairs.

Allocation of Indirect Expenses

The Council reports all direct expenses by function and programs of functions in the Statement of Activities. Direct expenses are those that are clearly identifiable with a function or program. Indirect expenses are recorded as direct costs of the Administration function. Indirect costs, including travel, operating services, operating supplies, and other administrative costs are allocated using a budget tool provided by the Governor's Office of Elderly Affairs which is based primarily on the relationship of direct costs a program bears to the total direct costs of all programs.

To the Catahoula Parish Council on Aging Jonesville, Louisiana

We have performed the procedures included in the *Louisiana Government Audit Guide* and enumerated below, which were agreed to by the management of Catahoula Parish Council on Aging, Inc. and the Legislative Auditor, State of Louisiana, solely to assist the users in evaluating management's assertions about the Catahoula Parish Council on Aging's compliance with certain laws and regulations during the year ended June 30, 2020, included in the *Louisiana Attestation Questionnaire*. This agreed-upon procedures engagement was performed in accordance with standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the specified users of the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

PUBLIC BID LAW:

1. Obtain documentation for all expenditures made during the year for materials and supplies exceeding \$30,000, and public works exceeding \$250,000. Compare the documentation for these expenditures to Louisiana Revised Statute (R.S.) 39:1551-39:1775 (the state procurement code) or R.S. 38:2211-2296 (the public bid law), whichever is applicable; and report whether the expenditures were made in accordance with these laws.

Our review of the general ledger and inquiries of management found no transactions that met the scope of the public bid law.

CODE OF ETHICS FOR PUBLIC OFFICIALS AND PUBLIC EMPLOYEES

2. Obtain from management a list of the immediate family members of the Board Members as defined by LSA-RS 42:1101-1124 (the code of ethics), and a list of outside business interests of the Board Members and employees, as well as their immediate families.

Finding 2020-001

Procedures related to Ethics for Public Officials and Public Employees were not completed because management has not provided the following information.

- A list furnishing the identity of immediate family members of Board Members.
- A list of outside business interest of Board Members
- A complete listing of disbursements.
- 3. Obtain from management a listing of all employees paid during the period under examination.

Management provided us with a listing of all employees paid during the period under examination.

4. Determine whether any of those employees included in the records obtained from management in agreed-upon procedure (3) were also included on the listing obtained from management in agreed-upon procedure (2) as immediate family members.

See Finding 2020-001 as presented above.

5. Obtain a list of all disbursements made during the year; and a list of outside business interests of board members, employees, and board members' and employees' immediate families. Report whether any vendors appear on both lists.

See Finding 2020-001 as presented above.

BUDGETING

Unfavorable variances were within limits permitted by Law.

ACCOUNTING AND REPORTING

- 9. Randomly select six disbursements made during the period under examination and:
 - (a) trace payments to supporting documentation as to proper amount and payee.

CATAHOULA PARISH COUNCIL ON AGING, INC. DECEMBER 29, 2020

Finding 2020-003:

Procedures related to Accounting and Reporting were not completed because documentation supporting disbursements has not been provided.

(b) determine if payments were properly coded to the correct fund and general ledger account.

See Finding 2020-003 presented above.

(c) determine whether payments received approval from proper authorities.

See Finding 2020-003 presented above.

MEETINGS

10. Examine evidence indicating that agendas for meetings recorded in the minute book were posted or advertised as required by LSA-RS 42:1 through 42:12 (the open meetings law).

The Catahoula Parish Council on Aging is only required to post a notice of each meeting and the accompanying agenda on the door of the meeting facility. Although management has asserted that such documents were properly posted, we could find no evidence supporting such assertion.

DEBT

11. Examine bank deposits for the period under examination and determine whether any such deposits appear to be proceeds of bank loans, bonds, or like indebtedness.

We inspected the bank deposits for the period under examination and noted no debt proceeds received.

ADVANCES AND BONUSES

12. Examine payroll records and minutes for the year to determine whether any payments have been made to employees which may constitute bonuses, advance, or gifts.

Our review of the payroll records and board minutes for the year found that no employees received payments that would constitute a bonus, advance or gift.

Prior-Year Comments

13. Obtain and report management's representation as to whether any prior-year suggestions, exceptions, recommendations, and/or comments have been resolved.

There were no suggestions, exceptions, recommendations, and/or comments in connection with the previous engagement.

CATAHOULA PARISH COUNCIL ON AGING, INC. DECEMBER 29, 2020

We were not engaged to, and did not perform an examination, the objective of which would be the expression of an opinion on management's assertions. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the use of management the Catahoula Parish Council on Aging and the Legislative Auditor, State of Louisiana, and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes.
