SOCIETY OF LOUISIANA

CERTIFIED PUBLIC ACCOUNTANTS

Report on the Financial Statements

We have audited the accompanying financial statements of the business-type activities of The Housing Authority of the City of Westwego, Louisiana (the "Housing Authority"), as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the Housing Authority's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial

statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the business-type activities of the Housing Authority, as of June 30, 2021, and the respective changes in financial position and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4-7 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

To the Board of Commissioners The Housing Authority of the City of Westwego, Louisiana

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Housing Authority's basic financial statements. The accompanying other supplementary information, as listed in the table of contents is presented for the United States Department of Housing and Urban Development and the Louisiana Legislative Auditor and is not a required part of the basic financial statements. The Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and is also not a required part of the basic financial statements.

The Schedule of Capital Fund Programs Completed, the Schedule of Compensation, Benefits, and Other Payments to Agency Head or Chief Executive Officer, the HUD Financial Data Schedules, and the Schedule of Expenditures of Federal Awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Capital Fund Programs Completed, the Schedule of Compensation, Benefits, and Other Payments to Agency Head or Chief Executive Officer, the HUD Financial Data Schedules, and the Schedule of Expenditures of Federal Awards are fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 22, 2021, on our consideration of the Housing Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Housing Authority's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Housing Authority's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

Our discussion and analysis of the Housing Authority of the City of Westwego's financial performance provides an overview of the Authority's financial activities for the fiscal year ended June 30, 2021. Please read it in conjunction with the Authority's financial statements which begins on page 8.

FINANCIAL HIGHLIGHTS

- The Authority's net position increased by 2.71% as a result of this year's operations.
- During the year, the Authority had operating, non-operating revenues, and capital fund grant revenue that were \$354,217 more than the \$2,346,329 in operating expenses. This compares to last year when revenues exceeded expenses by \$724,012.
- Total of the Authority's operating expenses decreased by \$93,538 or 3.83% over the fiscal year ending June 30, 2020.

USING THIS ANNUAL REPORT

This discussion and analysis is intended to serve as an introduction to the Authority's financial statements. The Authority's basic financial statements are comprised of two components: 1) fund financial statements, and 2) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves. The Authority is a special purpose government engaged only in business-type activities. Accordingly, only fund financial statements are presented as the basic financial statements.

Reporting the Housing Authority as a Whole

One of the most important questions asked about the Authority's finances is, "Is the Authority as a whole better off or worse off as a result of the year's activities?" The Statement of Net Position and the Statement of Revenues, Expenses, and Changes in Net Position report information about the Authority as a whole and about its activities in a way that helps answer this question. These statements include *all* assets and liabilities using the *accrual basis of accounting*, which is similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

These two statements report the Authority's net position and changes in it. You can think of the Authority's net position-the difference between assets and liabilities-as one way to measure the Authority's financial health, or *financial position*. Over time, increases or decreases in the Authority's net position is one indicator of whether its *financial health* is improving or deteriorating.

Proprietary Fund

The Housing Authority of the City of Westwego, Louisiana (the Housing Authority) was created pursuant to the adoption of the United States Housing Act of 1937 to engage in the acquisition, development, and administration of a low income housing program to provide safe, sanitary, and affordable housing to the citizens of Westwego, Louisiana.

Proprietary Fund - continued

Proprietary Fund- All of the Housing Authority's services are reported in one enterprise fund. They
are reported using the full accrual method of accounting in which all assets, liabilities and deferred
outflows/inflows of resources associated with the operation of these funds are included on the
Statement of Net Position. The focus of proprietary funds is on income measurement, which, together
with the maintenance of equity, is an important financial indication.

The Housing Authority's combined net position increased by \$354,217 from a year ago.

Business-type Activities

The Housing Authority's total revenues of \$2,700,546 decreased by 14.64% or \$463,333. Total expenses of \$2,346,329 decreased by 3.83% or \$93,538.

Rental revenues decreased by \$30,377, revenues from U.S. Department of Housing and Urban Development for capital funding decreased by \$505,453, investment income decreased by \$8,954, and other income decreased by \$55,656. The operating subsidy grant increased by \$137,107 including the subsidy COVID-19 funding.

The Housing Authority's Funds

The Housing Authority only has one fund which is reported as a Proprietary Fund. The net position of this fund increased by \$354,217 during the fiscal year ending June 30, 2021 primarily due to grant revenue received.

Budgetary Highlights

The Housing Authority adopts an operating budget that serves as a management tool. For the fiscal year ended June 30, 2021, the operating budget was amended when the June 30, 2022 budget was approved.

Economic Factors and Next Year's Budget

The Housing Authority's appointed officials considered many factors when setting the fiscal year June 30, 2022 budget. The Board's understanding of the Federal Agency's requirements influences the setting of capital projects. Rental rates charged to tenants are set by Federal guidelines and, therefore, cannot be adjusted to maximize revenues. Salaries were adjusted using guidelines for Civil Service employees and merit increases for non-classified employees (the Executive Director and Assistant Director). While uncertainties exist due to the impact of COVID-19 on the economy, the budget for fiscal year 2022 is planned to result in a healthy balance in unrestricted net position.

Component Units

On July 15, 2019, the Westwego Affordable Housing Solutions (WAHS), a Louisiana nonprofit corporation was created and is considered a component unit. The purpose of WAHS is to provide a financial entity to assist in facilitating the financing, acquisition, redevelopment, rehabilitation and constructing of affordable housing in collaboration with the Housing Authority. Membership of WAHS includes (a) the Housing Authority's Board of Commissioners and Executive Director, and (b) Westwego Resident Organization. Membership may include appointed honorary members of the community atlarge. For the year ended June 30, 2021, WAHS had no assets, liabilities, or activities; as a result, there were no separately issued financial statements issued for this entity.

NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED JUNE 30, 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. FORMATION AND OPERATIONS

The Housing Authority of the City of Westwego, Louisiana (the Housing Authority) was created pursuant to the adoption of the United States Housing Act of 1937 to engage in the acquisition, development, and administration of a low income housing program to provide safe, sanitary, and affordable housing to the citizens of Westwego, Louisiana. Under the Act of 1937, as amended, the U.S. Department of Housing and Urban Development (HUD) has direct oversight and financial responsibility for administering and overseeing low rent housing programs in the United States. To accomplish this task, HUD has entered into annual contributions contracts with the Housing Authority for the purpose of providing assistance to the Housing Authority to acquire, contract, and lease the housing units. The annual contributions or subsidies also aid in helping the Housing Authority maintain its low rent character.

GASB Statement No. 14, *The Reporting Entity*, established criteria for determining the governmental reporting entity and component units that should be included within the reporting entity. Under the provisions of this Statement, the Housing Authority is considered a primary government, since it is a special purpose government that has a separately appointed governing body, is legally separate, and is fiscally independent of other state and local governments. As used in GASB Statement 14, fiscally independent means that the Housing Authority may, without the approval or consent of another governmental entity, determine or modify its budget and set rates or charges.

The Housing Authority is a related organization of the City of Westwego, Louisiana since the City appoints a voting majority of the Housing Authority's governing board. The Board is composed of five members who are appointed by the Mayor of the City of Westwego, Louisiana. Members serve four-year staggered terms. The City is not financially accountable for the Housing Authority as it cannot impose its will on the Housing Authority and there is no potential for the Housing Authority to provide financial benefit to, or impose financial burdens on, the City. Accordingly, the Housing Authority is not a component unit of the financial reporting entity of the City.

In determining how to define the reporting entity, management has considered all potential component units. Governmental Accounting Standards Board (GASB) Codification Section 2100 establishes criteria for determining which, if any, component units should be considered part of the Authority for financial reporting purposes. The criterion include manifestation of oversight responsibility; including financial accountability, appointment of a voting majority, imposition of will, financial benefit to or burden on a primary organization, financial accountability as a result of fiscal dependency, potential dual inclusion, and organizations included in the reporting entity although the primary organization is not financially accountable.

Based on the previous criteria, the Authority has determined that there is one component unit that should be considered as part of the Authority's reporting entity.

On July 15, 2019, the Westwego Affordable Housing Solutions (WAHS), a Louisiana nonprofit corporation was created. The purpose of WAHS is to provide a financial entity to assist in facilitating the financing, acquisition, redevelopment, rehabilitation and constructing of affordable housing in collaboration with the Housing Authority. Membership of WAHS includes (a) the Housing Authority's Board of Commissioners and Executive Director, and (b) Westwego Resident Organization. Membership may include appointed honorary members of the community at-large. For the year ended June 30, 2021, WAHS had no assets, liabilities, or activities; as a result, there were no separately issued financial statements issued for this entity.

NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED JUNE 30, 2021

B. MEASUREMENT FOCUS, BASIS OF ACCOUNTING, AND FINANCIAL, STATEMENT PRESENTATION

In accordance with Louisiana State Reporting Laws (LAS-R.S. 24:514), the accompanying financial statements of the Housing Authority have been prepared in conformity with accounting principles generally accepted in the United States of America as applied to governmental units. The Governmental Accounting Standards Board is the accepted standard setting body for establishing governmental accounting and financial reporting principles.

The Housing Authority classifies its fund as a proprietary fund (enterprise fund). Enterprise funds account for activities similar to those funds in the private sector, where the determination of net income is necessary or useful to sound financial administration. The focus for enterprise funds is on income measurement, which together with the maintenance of equity, is an important financial indication.

The accompanying financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

The proprietary fund financial statements follow guidance included in GASB Statement No. 62 - Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA Pronouncements.

C. CASH AND CASH EQUIVALENTS

Cash and cash equivalents include amounts in demand deposits and cash on hand. The Housing Authority considers short-term (maturity of less than 90 days), highly liquid investments as cash equivalents. Under state law, the Housing Authority may deposit funds in demand deposits, interest bearing demand deposits, money market accounts, or time deposits with state banks organized under Louisiana Law and national banks having their principal offices in Louisiana.

D. <u>INVESTMENTS</u>

Investments are limited by R.S. 33:2955 and the Housing Authority's investment policy. If the original maturities of investments are 90 or more days, they are classified as investments; however, if the original maturities are less than 90 days, they are classified as cash equivalents. Investments are carried at fair value. The Housing Authority had no investments on June 30, 2021.

E. INVENTORY AND PREPAID ITEMS

All inventories are valued at lower of cost or net realizable value, on a first-in first-out (FIFO) basis. Inventories consist of expendable building materials and supplies held for consumption in the course of the authority's operations.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items.

NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED JUNE 30, 2021

F. CAPITAL ASSETS

Capital assets, which include property, plant, and equipment, are reported in the accompanying financial statements. Capital assets are stated at their historical cost or estimated historical cost if actual cost was not available. Donated assets are recorded as capital assets at their acquisition value at the date of donation. The Housing Authority maintains a threshold level of \$500 or more for capitalizing capital assets.

The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized.

Major outlays for capital assets and improvements are capitalized on the last day of the month in which the projects are completed. The results of that method do not differ materially from generally accepted accounting principles.

Depreciation is computed using the straight-line method over the following estimated useful lives:

Asset Class	Estimated Useful Live
Furniture, office equipment	5
Motor Vehicles	5
Buildings	40
Equipment	5

G. COMPENSATED ABSENCES

The Housing Authority follows Louisiana Civil Service regulations for accumulated annual and sick leave. Employees may accumulate an unlimited number of annual and sick leave; however, a maximum of three hundred hours of annual leave may be received upon termination or retirement. Sick leave hours accumulate, but the employee is not paid for them if not used by his/her retirement or termination date.

In some cases, employees can earn compensatory time in lieu of overtime. For each hour worked over the scheduled hours, the employee earns 1 ½ hours of compensatory time.

H LONG-TERM OBLIGATIONS

Long-term obligations, consisting of compensated absences, are expected to be financed from operating funds.

I. USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statement and the reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

J. RESTRICTED ASSETS

Restricted assets consist of tenant deposits.

NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED JUNE 30, 2021

K. ENCUMBRANCES

The Housing Authority does not utilize encumbrance accounting.

L. OPERATING AND NON-OPERATING REVENUES/(EXPENSES)

Operating revenues include rents received from tenants as well as operating subsidy and supplemental subsidy grant funds received from HUD. Other income amounts are included as well.

Non-operating revenue includes investment income.

M. NET POSITION

Net position comprises the various net earnings from revenues and expenses. Net position is classified in the following components:

- Net investment in capital assets consists of capital assets net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.
- Restricted consists of amounts with constraints placed on the use by (1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation.
- Unrestricted all other amounts that do not meet the definition of "restricted" or "net investment in capital assets".

Restricted resources are used first when an expense is incurred for purposes for which both restricted and unrestricted net position is available.

N. DEFERRED OUTFLOWS/INFLOWS OF RESOURCES

In addition to assets, the statement of net position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense) until then. The Housing Authority has no items that qualify for reporting in this category.

In addition to liabilities, the statement of net position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The Housing Authority has no items that qualify for reporting in this category.

NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED JUNE 30, 2021

2. CASH AND CASH EQUIVALENTS

At June 30, 2021, the Housing Authority had cash and cash equivalents totaling \$766,122 as follows:

Petty cash and demand deposits, unrestricted Demand deposits, restricted	\$	722,202 43,920
Total	8	766 122

Under state law, these deposits (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent bank. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties. At June 30, 2021, the Housing Authority had \$816,962 in deposits (collected bank balances). These deposits are secured from risk by \$250,000 of federal deposit insurance and \$566,962 of pledged securities held by the custodial bank in the name of the fiscal agent bank.

Custodial credit risk is defined as the risk that, in the event of the failure of the counterparty, the Housing Authority will not be able to recover the value of its deposit or collateral securities that are in the possession of an outside party. The Housing Authority's bank balance of \$816,962 at June 30, 2021 is secured by pledged collateral held in joint custody. The Housing Authority has no formal policy regarding custodial credit risk.

Louisiana Revised Statute 39:1229 imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within 10 days of being notified by the Housing Authority that the fiscal agent has failed to pay deposited funds upon demand.

6. RETIREMENT PLAN

The Housing Authority participates in The Housing Agency Retirement Trust ("HART") which is a defined contribution plan (the "Plan"). HART is a retirement savings program established exclusively for local and regional housing agencies and pools the funds of local agencies.

The Plan is governed by a Board of Trustees who serve without compensation. Each trustee is a plan participant and is employed by a participating agency. The Plan is administered by Mercer, a division of Marsh and McLennan since the Plan's inception. Personalized service is provided by HART's recordkeeper, ADP retirement services. As approved by the Housing Authority's Board of Commissioners, the Housing Authority elects all plan provisions. This is inclusive of the: eligibility date, contribution levels of the employer or employee, vesting schedule, normal retirement age, and whether or not to provide life insurance or to offer loans. All of these provisions may be changed at any time at the discretion of the Housing Authority.

All regular and full-time employees shall participate in the Plan on the first day of the month after attaining age eighteen (18) and completing one (1) year of continuous and uninterrupted employment with the employer. All employees who were participants in the prior retirement plan shall automatically be participants in this Plan.

Each participant in the plan is required to make a monthly contribution equal to 5% of his basic employee compensation, and may make additional contributions. The employer is required to make monthly contributions equal to 7% of each participant's basic employee compensation.

The normal retirement date for participating employees shall be the first day of the month following the employee's sixty-fifth (65th) birthday, or the date specified in the prior plan, if later, with respect to participating employees in the prior plan who are participating employees in this Plan. Under a defined contribution plan, benefits depend solely on amounts contributed to the Plan plus investment earnings.

Employees shall vest in the value of the employer's contributions at the rate of twenty percent (20%) per each full year of continuous employment with the employer. The Ilousing Authority's contributions and interest forfeited by employees who leave employment before five years of service are used to offset future contributions of the Housing Authority.

The Housing Authority contributed approximately \$29,741 to the plan and the plan members contributed approximately \$21,244 to the plan. At June 30, 2021, there is a liability of \$4,339 due to the pension plan, shown on the Statement of Net Position as a current obligation.

NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED JUNE 30, 2021

7. RISK MANAGEMENT

The Housing Authority is exposed to various risks of losses related to general liability; theft of, damage to, and destruction of assets; error and omissions; workers' compensation; employee health and accident; and natural disasters. The Housing Authority is a party to various legal proceedings incidental to its business. Certain claims, suits, and complaints arising in the ordinary course of business have been filed or are pending against the Housing Authority. In the opinion of management, all such matters are adequately covered by commercial insurance purchased by the Housing Authority, or if not so covered, are not expected to have a material effect on the financial statements of the Housing Authority.

8. FEDERAL COMPLIANCE CONTINGENCIES

The Housing Authority is subject to possible examinations made by federal regulators who determine compliance with terms, conditions, laws and regulations governing the Housing Authority's activities. These examinations may result in the Housing Authority receiving a lower HUD score and a reduced HUD subsidy.

The CARES Act provided additional funding to PHAs to prevent, prepare for, and respond to coronavirus, including to provide additional funds for public housing agencies to maintain normal operations and take other necessary actions during the period that the program is impacted by coronavirus. The Housing Authority of Westwego drew down \$78,908 in supplemental operating funds during fiscal year ended June 30, 2021.

12. COVID – 19

On January 30, 2020, the World Health Organization declared the coronavirus outbreak a "Public Health Emergency of International Concern", and on March 11, 2020 declared it to be a pandemic. Actions taken around the world to help mitigate the spread of the coronavirus include restrictions on travel, quarantines in certain areas, and forced closures for certain types of public places and businesses. The coronavirus and actions taken to mitigate it have had, and are expected to continue to have, an adverse impact on the economies and financial markets of many countries, including the geographical area in which the Housing Authority of Westwego operates. It is unknown how long these conditions will last and what the complete financial effect will be to the Housing Authority's office.

13. COMMITMENTS AND CONTINGENCIES

Management of the Housing Authority of Westwego has evaluated subsequent events through December 22, 2021, the date which the financial statements were available to be issued. INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER
MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Commissioners The Housing Authority of the City of Westwego, Louisiana Westwego, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of The Housing Authority of the City of Westwego, Louisiana (the "Housing Authority"), as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the Housing Authority's basic financial statements, and have issued our report thereon dated December 22, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Housing Authority's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Housing Authority's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Housing Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Housing Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Commissioners The Housing Authority of the City of Westwego, Louisiana Westwego, Louisiana

Report on Compliance for Each Major Federal Program

We have audited The Housing Authority of the City of Westwego, Louisiana's (the "Housing Authority") compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each of the Housing Authority's major federal programs for the year ended June 30, 2021. The Housing Authority's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Housing Authority's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

An audit includes examining, on a test basis, evidence about the Housing Authority's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Housing Authority's compliance.

Opinion on Each Major Federal Program

In our opinion, the Housing Authority complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

Report on Internal Control over Compliance

Management of the Housing Authority is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Housing Authority's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Housing Authority's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
