## **INDEPENDENT AUDITORS' REPORT**

The Board of Directors Catholic Charities of Acadiana, Inc. Lafayette, Louisiana

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Catholic Charities of Acadiana, Inc. (CCA) (a not-for-profit organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended and the related notes to the financial statements.

## Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

This communication and any accompanying documents are confidential and privileged. They are intended for the sole use of the addressee. If you receive this transmission in error, you are advised that any disclosure, copying, distribution, or the taking of any action in reliance upon this communication is strictly prohibited. Moreover, any such disclosure shall not compromise or waive the attorney-client, accountant-client, or other privileges as to this communication or otherwise.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of CCA as of June 30, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Other Matters**

#### Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

In our opinion, the supplemental information and the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 21, 2021 on our consideration of CCA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering CCA's internal control over financial reporting and compliance

#### NOTES TO FINANCIAL STATEMENTS JUNE 30, 2021

#### (A) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Nature of Activities**

Catholic Charities of Acadiana, Inc. (CCA) (formerly known as Catholic Services of Acadiana, Inc.) was established in 1973 under the auspices of the Roman Catholic Diocese of Lafayette and incorporated as a Louisiana Company (not-for-profit corporation) on October 8, 1981. Motivated by the Gospel, CCA offers services to preserve and enhance the lives of those experiencing hunger, poverty, and homelessness in Acadiana. The programs operating under the CCA corporation are: St. Joseph Shelter for Men, St. Joseph Diner, Monsignor A. O. Sigur Service Center, Rapid Re-Housing, Permanent Supportive Housing, St. Michael's Center for Veterans, St. Michael's Emergency Shelter for Veterans, Emily House, Stella Maris Center, Coordinated Entry, Disaster Response and Homeless Management Information Systems.

A portion of the CCA administration building also houses a health clinic operated by Our Lady of Lourdes Hospital called St. Bernadette Community Clinic. The Clinic provides free medical and dental services to the community with the assistance of Lourdes' staff nurses and physicians Monday through Friday. In fiscal year 2003-2004, St. Bernadette Community Clinic expanded into a 5,900 square foot facility in a new section of the building, which was paid for and is being operated by Our Lady of Lourdes Hospital. CCA records \$64,641 in annual donated facilities as an in-kind contribution to reflect the annual rental value of the clinic portion of the building. Discussed in Note D.

In April 2018, CCA opened Emily House, a new emergency shelter serving primarily homeless women and children located in Lafayette, Louisiana. Primary services are food, shelter, clothing, after school tutoring, social service referrals, and life skills educational classes. Specific programs at the Emily House include emergency and transitional housing for women and children.

In July 2019, CCA acquired Foodnet of Acadiana, Inc., Rebuilding Together Acadiana, Inc., and Crossroads Collective Bookstore through separate joint merger agreements. Additionally, CCA began operating two programs previously managed by the Diocese of Lafayette. These programs are the Deaf Action Center and the Immigration and Refugee Office.

#### **Basis of Presentation**

The Organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

#### **Basis of Accounting**

The financial statements of Catholic Charities of Acadiana, Inc. (CCA) have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

#### NOTES TO FINANCIAL STATEMENTS JUNE 30, 2021

#### (A) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (continued)

#### **Recognition of Donor Restrictions**

Contributions and grants, if received, are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence or nature of any donor restrictions.

All donor-restricted contributions, if any, are reported as increases in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

#### **Cash and Cash Equivalents**

For the purpose of the statement of cash flows, the organization considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents. The following table provides a reconciliation of cash and restricted cash reported within the statements of financial position that sum to the totals of the same such amount in the statement of cash flows.

Cash	\$ 1,328,352
Restricted Cash	311,726
	\$ 1,640,078

#### **Allowance for Doubtful Accounts**

An allowance for doubtful accounts has not been established, as it is CCA's policy to use the direct write-off method for accounts that are deemed to be uncollectible.

Use of this method does not result in a material difference from the valuation method required by generally accepted accounting principles of the United States of America. The Organization generally does not require collateral, and the majority of its receivables are unsecured. The carrying amount for accounts receivable approximates fair value.

#### **Prepaid Expenses**

Insurance and similar services which extend benefit over more than one accounting period have been recorded as prepaid.

#### **Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### NOTES TO FINANCIAL STATEMENTS JUNE 30, 2021

#### (A) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (continued)

#### **Deferred Revenue - Grants and Exchange Transactions**

Some cost reimbursement type grants are actually "exchange transactions" that do not qualify as contributions under FASB-ASC 958. In such cases, revenue is not recognized until the services required by the grant are rendered. Until the revenue is recognized, any cash or grant receivable asset must be offset by a "deferred or unearned revenue" liability. These exchange transactions differ from contributions in that the method or type of services reimbursed is stipulated by the granting authority and not by the nonprofit organization.

#### Investments

Investments consist of mutual funds and stock held in publicly traded companies valued at fair market value as of June 30, 2021. Included in this account are shared donated during the year. The fair market value at the time of donation was recorded as a private grant. The changes in the current fair market value each year are recorded as Unrealized Gains (Losses) on Investments in the Statement of Activities.

#### Inventory

Inventory consists primarily of donated supplies and food, which are stated at the estimated fair market value at the time of donation. Other donated items such as clothing, furniture, and household equipment are also valued at thrift store value using IRS Regulations.

Inventory for Crossroads Collective Bookstore consists of books and general merchandise and is stated at the lower of cost (retail method) or market.

#### **Property and Equipment**

The Organization capitalizes all expenditures in excess of \$2,500 for property and equipment at historical cost. Donations of property and equipment are recorded as contributions at their estimated fair value at the date of donation. Such donations are reported as increases in net assets without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time.

Depreciation is computed using the straight-line method over the assets' useful lives. Depreciation expense was \$265,476 for the year ended June 30, 2021.

#### Net Assets

Net assets, revenue, gains and losses are classified based on the existence or absence of donor or grantor- imposed restrictions.

#### NOTES TO FINANCIAL STATEMENTS JUNE 30, 2021

#### (A) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (continued)

Accordingly, net assets and changes therein are classified and reported as follows:

*Net assets without donor restrictions*: Net assets that are not subject to donor-imposed restrictions may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of CCA's management and the board of directors.

*Net assets with donor restrictions*: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of CCA or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

#### **Functional Allocation of Expenses**

The costs of providing the various programs and other activities have been summarized on functional basis in the Statement of Activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

#### Compensated Absences

Employees accrue personal leave time from the first day of employment with the amount being determined based on length of service. An employee is allowed to earn a maximum of leave based on length of employment, but they may not accrue more than this maximum balance. At the time of termination of employment, employees are entitled to receive payment for earned personal leave not yet taken. Accordingly, an accrual has been made for accumulated personal leave as of June 30, 2021.

#### Income Taxes

CCA qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and, therefore, has no provision for federal income taxes. There is no 990 filing requirement and no issues relative to federal and state statutes of limitations.

#### Fair Value Considerations

Fair value is used to measure financial and certain nonfinancial assets and liabilities measured or disclosed at fair value on a recurring basis (at least annually). Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. The fair value hierarchy established and prioritized fair value measurements into three levels based on the nature of the inputs. The hierarchy gives the highest priority to inputs based on market data from independent sources (observable inputs – Level 1) and the lowest priority to a reporting entity's internal assumptions based upon the best information available when external market data is limited or unavailable (unobservable inputs – Level 3).

The fair value option allows entities to choose, at specified election dates, to measure eligible financial assets and financial liabilities at fair value that are not otherwise required to be measured at fair value.

#### NOTES TO FINANCIAL STATEMENTS JUNE 30, 2021

#### (A) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (continued)

If an entity elects the fair value option for an eligible item, changes in that item's fair value in subsequent reporting periods must be recognized in current earnings. The fair value option was not elected for the measurements of any eligible assets or liabilities.

The estimated fair values of each entity's short-term financial instruments (primarily cash and cash equivalents, receivables, accounts payables, accrued expenses, short-term debt and lines of credit) approximate their individual carrying amounts due to the relatively short period between their origination and expected realization or payment. Based on market rates for similar loans, the fair value of long-term debt approximates their carrying value.

#### (B) INVESTMENTS

Investments are carried at their fair value, which equals quoted market value. Investments at June 30, 2021 are summarized as follows:

	(	Cost	N	Fair Value	Unrealiz Apprecia

Established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"), the PPP provides for loans for loans to qualifying businesses in amounts up to 2.5 times the business's average monthly payroll expenses. PPP loans and accrued interest are forgivable after a "covered period" (eight or 24 weeks) as long as the borrow maintains its payroll levels and uses the loan proceeds for eligible purposes, including payroll benefits, rent, and utilities. The forgiveness amount will be reduced if the borrow terminates employees or reduces salaries during the covered period.

#### NOTES TO FINANCIAL STATEMENTS JUNE 30, 2021

#### (D) PAYCHECK PROTECTION PROGRAM LOANS - (continued)

Any unforgiven portion of a PPP loan is payable over two or five years at an interest rate of 1%, with a deferral of payments for 10 months after then end of the covered period.

To the extent that the Organization is not granted forgiveness, the Organization will be required to pay interest on the PPP loan at a rate of 1% per annum. If the application for forgiveness is not made within 10 months of the end of the covered period, payments of principal and interest will be required through the maturity date of November 22, 2022. The terms of the loan provide for customary events of default, including payment defaults, breach of representation of warranties, and insolvency events. ### INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Board of Directors

Catholic Charities of Acadiana, Inc.

Lafayette, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Catholic Charities of Acadiana, Inc. (a not-for-profit organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 21, 2021.

#### **Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered CCA's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of CCA internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

This communication and any accompanying documents are confidential and privileged. They are intended for the sole use of the addressee. If you receive this transmission in error, you are advised that any disclosure, copying, distribution, or the taking of any action in reliance upon this communication is strictly prohibited. Moreover, any such disclosure shall not compromise or waive the attorney-client, accountant-client, or other privileges as to this communication or otherwise.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether CCA's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

### INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

The Board of Directors Catholic Charities of Acadiana, Inc. Lafayette, Louisiana

#### **Report on Compliance for Each Major Federal Program**

We have audited Catholic Charities of Acadiana, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of CCA's major federal programs for the year ended June 30, 2021. CCA's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

#### Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

#### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of CCA's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about CCA's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of CCA's compliance.

This communication and any accompanying documents are confidential and privileged. They are intended for the sole use of the addressee. If you receive this transmission in error, you are advised that any disclosure, copying, distribution, or the taking of any action in reliance upon this communication is strictly prohibited. Moreover, any such disclosure shall not compromise or waive the attorney-client, accountant-client, or other privileges as to this communication or otherwise.

#### **Opinion on Each Major Federal Program**

In our opinion, CCA complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

#### **Report on Internal Control over Compliance**

Management of CCA is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered CCA's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of CCA's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
