### Department of Children and Family Services (DCFS) ([Report Link](#))

- DCFS transferred \$16 million of Temporary Assistance for Needy Families (TANF) grant funds to the Social Services Block Grant (SSBG) during fiscal year 2023. As of June 30, 2023, DCFS did not have a formalized process in place to ensure TANF transfers to SSBG were only used for programs or services for children or their families whose income is less than 200% of the poverty level, as required by federal regulations. (*\$16 million*) (p.2)
- DCFS did not report subawards equal to or exceeding \$30,000 in compliance with the Federal Funding Accountability and Transparency Act (FFATA) in the FFATA Subaward Reporting System (FSRS) during fiscal year 2023 for the following federal programs:
  - For the Foster Care Title IV-E program, DCFS disbursed approximately \$11.6 million in subawards exceeding \$30,000 to 10 different subrecipients, four of which were state entities, during fiscal year 2023.
  - For the TANF program, DCFS disbursed approximately \$84.3 million in subawards exceeding \$30,000 to 50 different subrecipients, of which 10 were state entities, during fiscal year 2023.**(Repeat)** (*Foster Care Title IV-E - \$11.6 million/TANF - \$84.3 million*) (p.4)

### Department of Education (DOE) ([Report Link](#))

- For the third consecutive audit, DOE did not fully comply with FFATA reporting requirements. For the Child Nutrition Cluster and the Child and Adult Care Food Program, DOE overreported subaward amounts in the FSRS by approximately \$2.3 billion. In addition, for the Education Stabilization Fund (ESF) program, DOE reported the incorrect obligation date in FSRS for 28 subawards totaling \$966,100. **(Repeat)** (*Child Nutrition Cluster and Child & Adult Care Food Program - \$2.3 billion/ESF - \$966,100*) (p.1)
- DOE management did not ensure that purchases made with the LaCarte card and Travel card were electronically signed off by the supervisor and/or the cardholder in WORKS, the Bank of America online banking system, in a timely manner and in accordance with DOE and state policies. (*LaCarte card - \$26,640/Travel card - \$156,124*) (p.2)

**Department of Health (LDH) ([Report Link](#))**

- LDH does not use Medicaid data as part of its Quality Strategy to identify beneficiaries who have not received any services or who have not received recommended services based on demographics, such as age and gender. We found that LDH paid the Managed Care Organizations \$720.5 million to manage the care of 49,894 beneficiaries who appear to have been continuously enrolled in Medicaid for 13 to 60 months between January 2018 and December 2022 but received no services. (*\$720,598,315*) (p.10)

In addition, LMD did not draw federal funds for the National Guard Military Operations and Maintenance Projects in a timely manner, resulting in delays in federal reimbursements and potential lost interest revenues relating to \$5,957,524 of untimely federal drawdowns. (*Incorrect reporting - \$7.1 million/Untimely federal drawdowns - \$6.0 million*) (p.1)

**Executive Department ([Report Link](#))**

- The Louisiana Office of Community Development (LOCD) identified five Small Rental Property Program (SRPP) loans totaling \$471,293 for property owners under the Community Development Block Grant/State's Program who failed to comply with one or more of their loan agreement requirements and were assigned to loan recovery status in fiscal year 2023. In addition, LOCD identified \$22,435,810 of outstanding SRPP loans for 131 loans assigned to loan recovery status in previous years, which included increases in loan balances totaling \$9,083,940 during the fiscal year. An additional 678 noncompliant loans identified in previous years totaling \$60.6 million remain outstanding. In June 2023, HUD issued a formal letter of guidance to LOCD that included recommended actions to resolve the remaining SRPP ineligible costs. In its responses to HUD's proposals and recommendations, LOCD is working with HUD to implement final corrective action to resolve the HUD issued finding and close out the SRPP.
