Independent Auditor's Report

The Officers and Board of Directors
Keep Louisiana Beautiful, Inc.
Mandeville, Louisiana

Opinion

We have audited the accompanying financial statements of Keep Louisiana Beautiful, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Keep Louisiana Beautiful, Inc. as of June 30, 2023, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Keep Louisiana Beautiful, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Keep Louisiana Beautiful, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Keep Louisiana Beautiful, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Keep Louisiana Beautiful, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of compensation, benefits and other payments to agency head or chief executive officer, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Report on Summarized Comparative Information

We have previously audited Keep Louisiana Beautiful, Inc.'s 2022 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated December 21, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2022, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 22, 2023, on our consideration of Keep Louisiana Beautiful, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Keep Louisiana Beautiful, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Keep Louisiana Beautiful, Inc.'s internal control over financial reporting and compliance.

Note 1—Summary of Significant Accounting Policies

A. Nature of Activities

Keep Louisiana Beautiful, Inc. (the “Organization”) is a non-profit organization formed in 2000, whose mission is to promote personal, corporate, and community responsibility for a clean and beautiful Louisiana. Affiliated with Keep America Beautiful, the Organization creates and supports public/private partnerships to address the problems of litter. Program services include the following:

- Educate teachers, students, and other residents of Louisiana on the immediate and long-term effects of litter;
- Fund local environmental programs through the Organization’s grant program;
- Provide training and professional development to increase knowledge and effective policies and programming as it relates to the Organization’s mission;
- Support enforcement of state and local laws that prohibit littering by providing instructions for training law enforcement officials;
- Support Keep America Beautiful affiliates in Louisiana to strengthen communities, reduce litter, increase recycling, beautify spaces and provide meaningful volunteer opportunities;
- Develop and implement programming that supports the Organization’s mission;
- Partner with state and local governmental agencies and other like-minded groups for a clean and green Louisiana;
- Communicate the anti-litter message through a comprehensive public campaign and heighten awareness as it pertains to the Organization’s mission.

B. Basis of Accounting and Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

The Organization reports information regarding its financial position and activities according to two classes of net assets that are based upon the existence or absence of restrictions on use that are placed on them by donors: net assets without donor restrictions and net assets with donor restrictions. Net assets without donor restrictions include those net assets whose use by the Organization is not restricted by donors, even though their use may be limited in other respects, such as by contract or board designation. Net assets with donor restrictions are resources that are subject to donor-imposed restrictions. Some restrictions are temporary in nature, such as those that are restricted by a donor for use for a particular purpose or in a particular future period. Other restrictions may be perpetual in nature, such as those that are restricted by a donor that the resources be maintained in perpetuity.

Note 1—Summary of Significant Accounting Policies (Continued)

C. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

D. Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments with an original maturity of three months or less to be cash equivalents. As of June 30, 2023, the Organization had no cash equivalents.

E. Accounts Receivable

Accounts receivable are recorded at net realizable value consisting of the carrying amount less an allowance for doubtful accounts. The allowance for doubtful accounts is established through provisions charged against expense and is maintained at a level believed adequate by management to absorb bad debts. Accounts are written off from the allowance as they are deemed uncollectible based on periodic review by management. At June 30, 2023, management believes all accounts are fully collectible; therefore, no allowance for doubtful accounts was recorded.

F. Property and Equipment

Property and equipment are recorded at cost or, if donated, at fair market value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the respective assets. Expenditures for major repairs and improvements that extend the useful lives of fixed assets are capitalized at cost. Expenditures for maintenance and minor repairs are charged to expense as incurred. The estimated useful lives for fixed assets are as follows: computers (3-5 years) and art (15 years).

G. Income Taxes

Keep Louisiana Beautiful, Inc. is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code and has been classified as an entity other than a private foundation within the meaning of Section 509(a).

Management has determined that there are no uncertain tax positions that would require recognition in the financial statements. If the Organization were to incur an income tax liability in the future, interest on any income tax liability would be reported as interest expense, and penalties on any income tax would be reported as income taxes. Management's conclusions regarding uncertain tax positions may be subject to review and adjustment at a later date based on ongoing analysis of tax laws, regulations, and interpretations thereof as well as other factors.

Keep Louisiana Beautiful, Inc.
Notes to Financial Statements

Note 1—Summary of Significant Accounting Policies (Continued)

H. Contributions

Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. Contributions of property and equipment are reported as net assets with donor restrictions if the donor restricted the use of the property or equipment to a particular program, as are contributions of cash restricted to the purchase of property and equipment. Otherwise, donor restrictions on contributions of property and equipment or assets restricted for purchase of property and equipment are considered to expire when the assets are placed in service. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

I. Revenue Recognition

The Organization recognizes revenue from the cooperative endeavor agreement with the State in accordance with ASC Topic 606, *Revenue from Contracts with Customers*. The majority of the Organization's revenue from contracts is derived from a fixed fee contract with the State of Louisiana, which is conditioned upon certain performance requirements and deliverables. Revenues are recognized when the performance requirements and deliverables are approved by the State. Registration and sponsorship revenue from the annual state conference are recognized in the period in which the conference takes place.

J. Leases

Under ASC Topic 842, *Leases*, the Organization determines if an arrangement is a lease at inception primarily based on the determination of the party responsible for directing the use of an underlying asset within a contract. Thereafter, the Organization performs an analysis to classify the lease as either an operating lease or a finance lease.

Operating lease right-of-use assets represent the Organization's right to use an underlying asset for the lease term, and lease liabilities represent the Organization's obligation to make lease payments arising from the lease. Operating lease right-of-use assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. In determining the present value of committed lease payments, the Organization uses its implicit rate in the lease as the discount rate when readily determinable; if the implicit rate is not available, the Organization uses its incremental borrowing rate based on the information available at the lease commencement date which includes corporate debt financings of companies of similar size and credit rating over a loan term approximating the remaining term of each lease. If leases include payments of operating expenses that are dependent and may be revised based on the lessor's estimate, these variable payments are excluded from the lease payments used to determine the operating lease right-of-use assets and liabilities. Lease terms may include options to extend or terminate the lease when it is reasonably certain that the Organization will exercise such options. Lease expense is recognized on a straight-line basis over the expected lease term.

The Organization elected to not apply the recognition of Topic 842 to short-term leases with terms of 12 months or less which do not include an option to purchase the underlying asset. These lease payments are recognized as operating expenses on a straight-line basis over the lease term. The Organization elected to account for lease and non-lease components as a single lease component.

Note 1—Summary of Significant Accounting Policies (Continued)

K. Functional Classification of Expenses

Expenses are allocated in the accompanying financial statements to program services, management and general, and fundraising functional expense groups. The methods of allocation are based on several factors such as utilization of office space as well as the Organization’s estimates of the relative proportion of various staff members’ time and effort between program and administrative functions.

L. Liquidity Management

As of June 30, 2023, the following financial assets could be made readily available within one year of the date of the statement of financial position to meet general expenditures:

Cash		\$ 576,752
Accounts receivable		<u>182,500</u>
Total financial assets, period end		759,252
Less, those unavailable for general expenditures within one year, due to: donor restrictions on the use of assets for particular programs		<u>(300,000)</u>
Financial assets available to meet cash needs for general expenditures within one year		<u>\$ 459,252</u>

As part of its liquidity management, the Organization has a policy to structure its financial assets to be available as general expenditures, liabilities, and other obligations become due.

M. Recently Adopted Accounting Standard

In February 2016, the FASB issued Accounting Standards Update (ASU) No. 2016-02 (ASC Topic 842), *Leases*. Under the new guidance, lessees are required to recognize for all leases (with the exception of short-term leases) at the commencement date; (1) a lease liability, which is a lessee’s obligation to make lease payments arising from a lease, measured on a discounted basis; and (2) a right-of-use asset, which is an asset that represents the lessee’s right to use, or control the use of, a specified asset for the lease term.

On July 1, 2022, the Organization adopted ASC Topic 842 using the modified retrospective approach. The adoption did not have a material effect on the financial statements. Prior amounts were not adjusted and continue to be reported in accordance with the previous accounting under ASC Topic 840, *Leases*. The Organization elected the package of practical expedients permitted under the transition guidance which, among other things, allows carrying forward the historical classification of existing leases as of July 1, 2022. As a result of electing the transition guidance as described above, on July 1, 2022, the Organization recorded operating lease right-of-use assets of \$43,904, with corresponding lease liabilities of \$43,904.

Additional information and disclosures required by Topic 842 are presented in Note 4.

N. Prior Period Information

The financial statements include certain prior year summarized comparative information in total. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2022, from which the summarized information was derived.

Note 2—Property and Equipment

Property and equipment are summarized as follows as of June 30, 2023:

Note 3—Net Assets with Donor Restrictions

Net assets with donor restrictions as of June 30, 2023 consisted of purpose restrictions in the amount of \$300,000.

Note 4—Operating Lease

The Organization leases office space under an operating lease, which expires on August 31, 2025. The lease does not contain any renewal clauses or termination options that the Organization is reasonably certain to exercise, nor does it contain any material residual value guarantees. For the lease, the implicit rate is typically not available, so the Organization uses the incremental borrowing rate as the discount rate. The lease agreement includes both lease and non-lease components. The Organization has elected the practical expedient that allows it to not separate lease and non-lease components.

The components of lease expense for the year ended June 30, 2023 are as follows:

Operating lease expense	\$ 13,290
Short-term lease expense	<u>3,550</u>

Note 5—Concentrations

Approximately 97% of the Organization's support is from a cooperative endeavor agreement with the State of Louisiana, Department of Culture, Recreation, and Tourism for the year ended June 30, 2023. Loss of this funding could have a significant adverse impact on future operations. Management is not aware of any actions that will adversely affect the amount of funds the Organization will receive in the next fiscal year.

From time to time, the Organization maintains its bank balances with one financial institution in excess of federally insured limits. The Organization believes there is no significant risk with respect to such balances.

Note 6—Contingencies

The Organization is under contract with the State of Louisiana by means of a Cooperative Endeavor Agreement, which is governed by various rules and regulations. If it is determined that the Organization has not complied with the rules and regulations governing the contract, the contract may be terminated immediately at the option of the State. In management's opinion, there are no significant contingent liabilities relating to compliance with the rules and regulations governing the contract; therefore, no provision has been recorded in the accompanying financial statements for such contingencies.

Note 7—Subsequent Events

Management has evaluated all subsequent events through December 22, 2023, the date the financial statements were available to be issued. As a result, the Organization noted no subsequent events that required adjustment to, or disclosure in, these financial statements.

**Independent Auditor's Report on Internal Control
over Financial Reporting and on Compliance and Other
Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards***

The Officers and Board of Directors
Keep Louisiana Beautiful, Inc.
Mandeville, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Keep Louisiana Beautiful, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 22, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Keep Louisiana Beautiful, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Keep Louisiana Beautiful, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Keep Louisiana Beautiful, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We identified a certain deficiency in internal control, described in the accompanying schedule of findings and responses as item 2023-001, that we consider to be a significant deficiency.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Keep Louisiana Beautiful, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Keep Louisiana Beautiful, Inc.'s Response to Finding

Government Auditing Standards requires the auditor to perform limited procedures on Keep Louisiana Beautiful, Inc.'s response to the findings identified in our audit and described in the accompanying schedule of findings and responses. Part II – Financial Statement Findings

2023-001 - Segregation of Duties

Condition:

Due to the small size of the Organization, ideal segregation of duties has not been achieved.

Criteria:

The Organization should separate responsibilities for authorizing transactions, recording transactions, and the custody of assets.

Cause:

The size of the Organization limits proper segregation of duties.

Effect:

The lack of segregation of duties increases the risk of fraud related to misappropriation of assets, financial statement misstatement, or both.

Auditor Recommendation:

While we recognize it may not be cost effective to justify implementing a full segregation of duties for an extensive system of internal control in all areas, we believe it is important that management and those charged with governance are aware that some weaknesses may exist and that they should apply diligent oversight and monitoring activities.

Schedule of Findings and Responses

Part II – Financial Statement Findings (Continued)

2023-001 - Segregation of Duties (Continued)

Management's Response:

Those charged with governance are actively involved in oversight and monitoring activities to help strengthen internal controls. Financial statements and budget-to-actual comparisons are reviewed at the Board meetings. Management reviews monthly bank statements and reconciliations. The Board Chair, Board Secretary, Executive Director, and bookkeeper all have access to the online banking activity, which provides another level of accountability and on-going monitoring from the Organization's top leadership. For vendor payments, in addition to requiring two signatures on every check, the original receipt must be present with the check when the second signature is requested. The Board Chair or the Board Treasurer must initial the invoice or receipts showing that they were reviewed.
