INDEPENDENT AUDITOR'S REPORT

Board of Directors
Louisiana CASA Association
Baton Rouge, Louisiana

Report on the Audit of the Financial Statements

Opinion

I have audited the financial statements of Louisiana CASA Association, which comprise the statement of financial position as of June 30, 2022, and the related statement of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In my opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of Louisiana CASA Association as of June 30, 2022, and the changes in its net assets and its cash flows or the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

I conducted my audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit section of my report. I am required to be independent of Louisiana CASA Association and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements related to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Louisiana

Member

*American Institute of Certified Public Accountants
Society of Louisiana Certified Public Accountants*

CASA Association's ability to continue as a going concern for one year beyond the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement of a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, I

- exercise professional judgement and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Louisiana CASA Association's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in my judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Louisiana CASA Association's ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Supplementary Information

My audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise Louisiana CASA Association's basic financial statements. The Schedule of Compensation, Benefits and Other Payments to the Agency Head or Chief Executive Officer is presented for purposes of additional analysis and is not part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The

information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the Schedule of Compensation, Benefits and Other Payments to the Agency Head or Chief Executive Officer is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, I have also issued my report dated October 27, 2022, on my consideration of Louisiana CASA Association's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Louisiana CASA Association's internal control over financial reporting and compliance.

Report on Summarized Comparative Information

I have previously audited Louisiana CASA Association's 2021 financial statements, and I expressed an unmodified audit opinion on those audited financial statements in my report dated October 15, 2021. In my opinion, the comparative information presented herein as of and for the year ended June 30, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Louisiana CASA Association
Baton Rouge, Louisiana
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of activities

Louisiana CASA Association is a Louisiana nonprofit corporation organized to support evidence-based services and programs for vulnerable families. Louisiana CASA Association's programs support and encourage the Court Appointed Special Advocate programs in Louisiana, promote cooperation and communication among CASA programs within Louisiana, coordinate and encourage funding of CASA programs at the state level, and represent the Louisiana CASA programs at the national level.

Basis of presentation

Louisiana CASA Association prepares its financial statements on the accrual basis of accounting. The significant accounting policies are described below to enhance the usefulness of the financial statements.

Louisiana CASA Association reports information regarding its financial position and activities according to two classes of net assets: net assets with donor restrictions, and net assets without donor restrictions.

The statement of activities presents expenses of Louisiana CASA Association functionally by program services, fundraising, and management and general.

The financial statements include certain prior-year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with Louisiana CASA Association' financial statements for the year ended June 30, 2021, from which the summarized information was derived.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities, at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates. Estimates are used primarily when accounting for the allowance for doubtful accounts, prepaid assets, and accrued liabilities.

Income tax status

Louisiana CASA Association qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code; therefore, the financial statements have no provision for federal and state income tax.

Louisiana CASA Association follows FASB ASC 740-10, *Accounting for Uncertainty in Income Taxes*. Management has determined that there is no impact to the financial statements as a result of ASC 740-10. Louisiana CASA Association's open audit periods are 2019 through 2021.

Net assets

Net assets without donor restrictions represent resources over which the Board of Directors has discretionary control and are used to fund operations of Louisiana CASA Association in accordance with its bylaws.

Net assets with donor restrictions are contributions and grants restricted for various purposes. During the year ended June 30, 2022, contributions of \$429,922 were transferred to net assets without restrictions as restrictions were satisfied.

Cash and cash equivalents

Louisiana CASA Association considers all highly liquid investments, money market funds and certificates of deposit with a maturity of three months or less at the date of acquisition to be cash equivalents. There were no cash equivalents at June 30, 2022.

Grants receivable

Accounts receivable are recorded at cost, net of an allowance for doubtful accounts. Management believes all accounts are collectible; therefore, an allowance has not been recorded at June 30, 2022. Louisiana CASA Association does not require collateral for its receivables. There were \$97,887 in receivables less than 90 days past due at June 30, 2022.

Property and depreciation

Property is stated at cost, or fair market value if donated, and depreciated over the estimated useful lives using the straight-line method for values in excess of \$1,000. Maintenance and repairs expenditures are expensed as incurred.

Fair value of financial instruments

The carrying value of receivables, prepaid insurance, accounts payable and accrued liabilities approximates fair value due to the short-term maturity of these instruments. None of these financial instruments are held for trading purposes.

Grant revenue

Louisiana CASA Association receives grants to support its activities as well as grants restricted for specific purposes. Restricted grants that have not been fully expended at year-end are classified as temporarily restricted net assets.

Concentrations of credit risk

Louisiana CASA Association typically maintains cash in local banks. Cash deposits are fully insured by Federal Deposit Insurance Corporation (FDIC) as they are below the maximum insured amounts of \$250,000.

NOTE 2 – GRANTS RECEIVABLE

At June 30, 2022, grants receivable was as follows:

	<u>Amount</u>
Louisiana Children’s Trust Fund	6,550
State of Louisiana	
Commission on Law Enforcement and Admin of Criminal Justice	67,611
Supreme Court	19,414
Department of Children and Family Services	4,312
	<u>\$97,887</u>

NOTE 3 – PROPERTY AND EQUIPMENT

At June 30, 2022, property and equipment was as follows:

<u>Description</u>	<u>Estimated Service Life</u>	<u>Amount</u>
Furniture and fixtures	7 years	6,051
Equipment	5 years	19,403
Software	3 years	2,700
		<u>28,154</u>
Less accumulated depreciation		(11,448)
		<u>\$ 16,706</u>

Depreciation expense for the year ended December 31, 2022 was \$4,475.

The organization purchased video conference equipment, conference room chairs, and a workstation during the year ended June 30, 2022 at a cost of \$12,158.

NOTE 4 – NET ASSETS

At June 30, 2022, Louisiana CASA Association had \$254,877 in net assets without donor restrictions, and \$4,201 in net assets with donor restrictions, for a total of \$259,078 in net assets.

NOTE 5 – OPERATING LEASE

The Organization has a 60-month operating lease on its office space with a term of July 1, 2021 through June 30, 2026. The monthly rental rate increases by \$50 on each anniversary of the lease. Rental expense for the year ended June 30, 2022 was \$2,400 a month, or \$28,800 for the year.

NOTE 6 – RETIREMENT PLAN

The Organization has a defined contribution plan covering all full-time employees who have reached the age of 21 with at least one year of service. The Organization contributes to the plan an amount equal to 7% of total employee's compensation. There was no change in the contribution rate from the prior year. The retirement expense for the year ended June 30, 2022 and June 30, 2021 were \$12,433 and \$11,068, respectively.

NOTE 7 – ECONOMIC DEPENDENCY

The Organization received the majority of its revenue from funds provided through grants administered by the State of Louisiana and other nonprofit entities. The grant amounts are appropriated each year by both the state and the federal government. If significant budget cuts were to be made at the federal and/or state levels, the amount of funds the organization receives could be reduced significantly and have an adverse impact on its operation. As of the date of these financial statements, management was not aware of any actions taken that would adversely affect the amount of funds to be received in the next fiscal year. It should be noted, however, that the organization received 91% of its total support in the year ended June 30, 2022 from such grants.

NOTE 8 – LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The Organization has \$240,351 of financial assets available within one year of the statement of financial position date available to meet cash needs for general and operating expenditures, consisting of cash and equivalents of \$138,006 and accounts/grants receivable of \$102,345.

As part of the organization's liquidity management plan, requests for reimbursement on each contract are prepared monthly and timely submitted in an effort to maintain liquidity.

NOTE 9 – ALLOCATION OF FUNCTIONAL EXPENSES

The Statement of Functional Expenses reports certain categories of expenses that are attributable to more than one program or support function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and benefits and professional fees, which are allocated on the basis of estimates of time and effort.

NOTE 10 – SUBSEQUENT EVENTS

Management of Louisiana CASA Association has evaluated subsequent events through October 27, 2022, the date that these financial statements were available to be issued and has determined that there are no significant subsequent events that require recognition or disclosure through that date.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
Louisiana CASA Association
Baton Rouge, Louisiana

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Louisiana CASA Association, which comprise the statement of financial position as of June 30, 2022 and the related statement of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued my report thereon dated October 27, 2022.

Internal Control over Financial Reporting

In planning and performing my audit of the financial statements, I considered Louisiana CASA Association's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Louisiana CASA Association's internal control. Accordingly, I do not express an opinion on the effectiveness of Louisiana CASA Association's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Louisiana CASA Association's financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Under Louisiana Revised Statute 24:513, the Legislative Auditor distributes this report as a public document.
