INDEPENDENT ACCOUNTANT'S REVIEW REPORT

The Board of Directors
ARC of St. Mary
Centerville, Louisiana

We have reviewed the accompanying financial statements of the ARC of St. Mary (a nonprofit organization), which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants, and the standards applicable to review engagements contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of the ARC of St. Mary and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our review.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statements

(1) Summary of Significant Accounting Policies

A. Nature of activities

The ARC of St. Mary ("ARC") operates a non-profit day vocation program located in Centerville, Louisiana. The ARC provides adult day services to developmentally disabled adults in St. Mary Parish. Individuals perform a wide variety of vocational activities such as recycling, horticultural and janitorial services. The ARC is supported primarily through Medicare/Medicaid waiver and support reimbursements from the Louisiana Department of Health and Hospitals - Office for Citizens with Developmental Disabilities.

B. Income tax status

The ARC is a non-profit organization as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal and state income taxes.

C. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

D. Basis of accounting

The financial statements of the ARC have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities. Substantially all revenues are recognized when earned. Expenses are recognized in the period incurred.

The ARC has adopted the provisions of Financial Accounting Standards Board (FASB) Accounting Standards Update 2016-14 *Presentation of Financial Statements of Not-for-Profit Entities* which modifies the presentation of net assets on the basic financial statements. In accordance with FASB ASU 2016-14, net assets are presented in two classes – net assets without donor restrictions and net assets with donor restrictions. Presentation in a particular net asset class is based on the existence or absence of donor-imposed restrictions on the use of the net assets. Accordingly, the net assets of the ARC and changes therein are classified and reported as follows:

Net Assets with Donor Restrictions – net assets subject to stipulations imposed by donors and grantors. Some donor restrictions may be temporary in nature. These restrictions will be satisfied by actions of the ARC or by the passage of time.

Net Assets without Donor Restrictions – net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the ARC. These net assets may be used at the discretion of the ARC's management and board of directors.

E. Cash and cash equivalents

Cash equivalents consist of short-term, highly liquid investments which are readily convertible into cash within ninety (90) days of purchase. At June 30, 2025 there were no investments which were determined to be cash equivalents.

F. Property and equipment

Property and equipment are capitalized at purchased cost. Donated property and equipment are capitalized at its acquisition value on the date of the donation. It is the ARC's policy to capitalize expenditures for these items in excess of \$500. Lesser amounts are expensed. When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts and any resulting gain or loss is reflected in income for the period.

Depreciation is computed using the straight-line method over the following estimated useful lives:

	<u>Years</u>
Buildings and improvements	10 - 40
Furniture and equipment	5 - 10
Vehicles	5

G. Contributions

In accordance with *FASB Accounting Standards Codification 958-605, Revenue Recognition*, contributions are recognized when the donor makes a promise to give and are recorded as with donor restrictions or without donor restrictions depending on the existence and/or nature of any donor restrictions.

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as support with donor restrictions that increases that net assets class. When a qualifying expenditure occurs, or a time restriction expires, assets with donor restrictions are recognized in net assets without donor restrictions as "net assets released from restrictions" in the statement of activities. However, if a restriction is fulfilled in the same period in which the contribution is received, the contribution is reported as without donor restrictions.

The ARC reports contributions of assets other than cash at their estimated fair value at the date of the gift and are reported as revenues of the unrestricted net asset class unless explicit donor stipulations specify how the donated asset must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as revenues of the with donor restrictions net asset class. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the ARC reports expiration of donor restrictions when the donated or acquired long-lived assets are placed in service.

H. Support and revenue

The ARC receives Medicare/Medicaid payments for billable client services. Revenues for these services are recorded when earned.

I. Program revenue

The ARC receives program service fees from janitorial services, recycling programs, and selling of second-hand items. Support and revenue are recognized when earned.

J. Advertising

Advertising costs are expensed as they are incurred. There are no advertising expenses for the year ended June 30, 2025.

K. Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities and statement of functional expenses. Specific expenses that are readily identifiable to a program or activity are charged directly. Expenses attributable to more than one program or activity are allocated on a reasonable basis that is consistently applied. Allocated expenses include depreciation and occupancy which are allocated based upon square footage and salaries and benefits which are allocated based upon time and effort.

(2) Credit Risk

Financial instruments which potentially subject the ARC to concentrations of credit risk consist principally of cash and cash equivalents. Cash and cash equivalents at June 30, 2025 consisted of cash and demand deposits at financial institutions which management believes are high quality institutions. The cash and cash equivalents possess credit risk to the extent the deposits at financial institutions exceed FDIC insured limits. The ARC has no policy to actively monitor credit risk. At June 30, 2025, the ARC has deposits in two separate financial institutions, and deposits in each financial institution do not exceed FDIC insured limits; therefore, the ARC is not exposed to credit risk.

(3) Liquidity and Availability of Resources

At June 30, 2025, the ARC has \$114,230 of financial assets available within one year of the statement of financial position date to meet cash needs for general expenditures consisting of cash and cash equivalents of \$105,415 and receivables of \$8,815. The ARC has no policy to invest cash and cash equivalents in excess of daily requirements or structure its financial assets to be available as its general expenditures, liabilities, and other obligations become due.

(4) Due From other Agencies

As of June 30, 2025, amounts due from other agencies were comprised of:

Medicaid/Medicare:

Louisiana Department of Health and Hospitals \$ 8,815

(5) Capital Assets

	942,425
Less: accumulated depreciation	<u>(371,464)</u>
	<u>\$ 570,961</u>

Depreciation expense for the year ended June 30, 2025 totaled \$47,470.

(6) Long-Term Debt

Long-term debt is comprised of the following at June 30, 2025:

Economic Injury Disaster Loan bearing interest at 2.75%, payable in monthly installments of \$428 including interest, beginning August 5, 2021 and maturing in August 2050, secured by all tangible and intangible personal property. Loan issued under the terms of the Small Business Act. \$ 96,763

The terms of the Economic Injury Disaster Loan require the ARC to pay monthly installments of \$428 beginning twelve months from the date of the loan or July 9, 2021. The terms also provide that each payment be applied first to accrued interest and the balance, if any, applied to principal. During the year ended June 30, 2025, the ARC made payments on the loan totaling \$5,136, \$2,827 of which was applied to interest. The current portion of the long-term debt related to the Economic Injury Disaster Loan is \$2,506 at June 30, 2025.

Principal maturities of long-term debt are as follows:

<u>Year Ending June 30.</u>	<u>Principal</u>	<u>Interest</u>

	<u>\$ 96,763</u>	<u>\$ 39,736</u>

(7) Line of Credit

The ARC has a revolving line of credit up to \$50,000 as of June 30, 2025. Interest on the line of credit is payable monthly at a rate of 5.50% per annum. The ARC has no outstanding advances on the line of credit as of June 30, 2025. The line is secured by possessory collateral.

(8) Contingent Liabilities

The ARC receives grants and funding from governmental agencies that are subject to review and audit by the agencies providing the funding. Such reviews and audits could result in expenses being disallowed under the terms and conditions of the grants and agreements. In the opinion of management, such disallowances, if any, would be immaterial.

(9) Fundraising Costs

The ARC did not occur fundraising costs during the year ended June 30, 2025.

(10) Compensation and Other Payments to Chief Officer

Act 706 of the 2014 Louisiana Legislature amended R.S. 24:513A requiring additional disclosure of total compensation, benefits, reimbursements, or other payments made to the head of a political subdivision or quasi-public agency. (12) Subsequent Events

Management has inspected subsequent events through December 19, 2025, the date on which the financial statements were available for issue.

Schedule of Findings
Year Ended June 30, 2025

Findings Reported in Accordance with *Government Auditing Standards*

2025-001 Lack of Segregation of Duties

Year Initially Occurring: Unknown

CONDITION: Due to the limited number of personnel performing administrative functions, the ARC of St. Mary does not have adequate segregation of duties within its accounting and financial functions.

CRITERIA: Internal control is a process – effected by those charged with governance, management, and other personnel – designed to provide reasonable assurance about the achievement of objectives with regard to reliability of financial reporting, effectiveness and efficiency of operations, and compliance with applicable laws and regulations. The ARC of St. Mary’s internal control over financial reporting includes those policies and procedures that pertain to its ability to record, process, summarize, and report financial data consistent with the assertions embodied in financial statements.

CAUSE: The ARC of St. Mary does not have a sufficient number of staff performing administrative and financial duties so as to provide adequate segregation of accounting and financial duties.

EFFECT: Failure to adequately segregate accounting and financial functions increases the risk that errors and/or irregularities including fraud may occur and not be prevented and/or detected.

RECOMMENDATION: The Board is aware of this inadequacy and has concluded that the cost of hiring additional personnel to achieve complete segregation of duties would exceed the benefits. No additional response is deemed necessary.

Dear Mr. Waguespack:

The ARC of St. Mary respectfully submits the following corrective action plan for our period ended June 30, 2025.

CORRECTIVE ACTION:

Person Responsible: Kristal Hebert
ARC of St. Mary
100 Missouri Street
Centerville, LA 70522

Time for Completion: June 30, 2026

Material Weaknesses:

RE: Item No. 2025-001 Lack of Segregation of Duties

Auditors' Comment: During the course of our engagement, our auditors discovered that there is very little segregation of duties within the ARC's accounting function.

Corrective Action: We have reviewed this situation and have decided that the additional personnel cost outweighs the control derived by employing an additional person in our bookkeeping area.

RE: Item No. 2025-002 Bank Reconciliations

Auditors' Comment: The ARC did not properly prepare bank reconciliations on a periodic basis.

Corrective Action: Policies and procedures will be implemented in which bank reconciliations are prepared and reconciled on a periodic basis.
