INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Louisiana Horsemen's Benevolent and Protective Association 1993, Inc.

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Louisiana Horsemen's Benevolent and Protective Association 1993, Inc. and Subsidiaries (LAHBPA 1993, Inc.), which comprise the consolidated statements of financial position as of December 31, 2021, and 2020 and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Louisiana Horsemen's Benevolent and Protective Association 1993, Inc. as of December 31, 2021, and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Louisiana Horsemen's Benevolent and Protective Association 1993, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Louisiana Horsemen's Benevolent and Protective Association 1993, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Louisiana Horsemen's Benevolent and Protective Association 1993, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Louisiana Horsemen's Benevolent and Protective Association 1993, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying consolidating statements of financial position, the consolidating statements of activities, and the schedule of compensation, benefits, and other payments to Agency Head on pages 18-22, are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the consolidating statements of financial position, the consolidating statements of activities, and the schedule of compensation, benefits, and other payments to Agency Head is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 15, 2022, on our consideration of LAHBPA 1993, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of LAHBPA 1993 Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering LAHBPA 1993, Inc.'s internal control over financial reporting and compliance.

1. Significant Accounting Policies

Organization

The purpose of the Louisiana Horsemen’s Benevolent and Protective Association 1993, Inc. (LAHBPA 1993, Inc.) is to protect the interest of the horse owners and trainers, particularly as it relates to their relationships with the owners and managers of racetracks. More specifically, LAHBPA 1993, Inc. operates with the express purpose “...to foster, protect, represent, and promote the welfare and common interest of thoroughbred and quarter horse owners and trainers, to improve conditions in the horse racing industry, to improve relationships between horsemen, other members of the racing industry, and the general public in the State of Louisiana...” LAHBPA 1993, Inc. mediates on behalf of individual members when problems arise with racetrack management or the State Racing Commission, negotiates fair distributions at race tracks, and monitors state and federal legislative developments in the interest of horsemen.

With amendments to Louisiana Revised Statutes (LRS) 4:251 and 252, LAHBPA 1993, Inc. formed a wholly owned subsidiary, Horsemen’s Alliance Holdings, Inc. (HAH) which serves as the parent holding company for Horsemen’s Insurance Alliance SPC (HIA), which was incorporated in the Cayman Islands and holds an Insurer’s license, through which a workers’ compensation insurance program is marketed to the members of LAHBPA 1993, Inc.

HAH, was incorporated on June 30, 2006, in the state of Louisiana, and is the parent holding company for HIA. HIA was incorporated on June 23, 2006, in the Cayman Islands, as an exempted segregated portfolio company with limited liability and holds an Unrestricted Class “B” insurer’s license, subject to the provisions of the Insurance Law (2008) of the Cayman Islands. HIA is comprised of a general portfolio which carries no risk and one segregated portfolio (Louisiana SP).

The principal business of Louisiana SP was to provide reinsurance of the workers’ compensation, occupational disease and employer’s liability coverage issued by National Union Fire Insurance Company of Pittsburgh and other member companies of the Chartis (the “Ceding Insurer”) to LAHBPA 1993, Inc. The limit of liability is \$300,000 per occurrence and \$3,040,000 in aggregate for the policy period of July 1, 2010, to July 1, 2011. Effective in 2011, HIA discontinued writing insurance coverage and commenced running off its existing claims.

At December 31, 2018, HIA had one open claim. On May 22, 2019, HIA reached agreement on a final settlement relating to its final claim. LAHBPA 1993 Inc. has authorized the Executive Director to explore the sale or legal shutdown of HIA. The commutation was effective July 20, 2021. HIA entered into a commutation agreement which required a \$75,000 commutation fee which is included in professional fees on the statement of functional expenses for the year ended December 31, 2021. As a result, HIA was released from any further liability. Pursuant to board action, the Executive Director of LAHBPA 1993, Inc. was authorized to seek a buyer for HIA. On February 3, 2022, a sale of HIA was affected for \$20,000.

On July 13, 2011, the Horsemen’s Workers’ Compensation Insurance Trust (HWCIT) was formed for the purpose of directly insuring a significant portion of the insurance risks previously reinsured through HIA. HWCIT began providing insurance coverage on July 17, 2011.

Organization (continued)

LAHBPA 1993, Inc. also administers a non-qualified Pension Plan and a Medical Benefit Plan with scheduled benefits for its members and their dependents. Although LAHBPA 1993, Inc. appoints the Board of Trustees for both Plans and HWCIT and shares overhead expenses, each is a separate legal entity with its own funding sources and operating expenses, separate and apart from LAHBPA 1993, Inc.'s operations. LAHBPA 1993, Inc. also maintains and serves as the disbursing agent for the Horsemen's Bookkeeper Account which is the recipient of all Louisiana horse race purses for disbursement for the owners.

Principles of Consolidation

The accompanying consolidated financial statements of the Louisiana Horsemen's Benevolent and Protective Association 1993, Inc and Subsidiaries include the accounts of the Louisiana Horsemen's Benevolent and Protective Association 1993, Inc., and its wholly owned subsidiary, HAH. Also included are the accounts of HIA, a wholly owned subsidiary of the HAH. All intercompany activities and transactions have been eliminated upon consolidation.

Basis of Accounting

The consolidated financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America and accordingly reflect all significant receivables, payables, and other liabilities.

Financial Statement Presentation

Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of LAHBPA 1993, Inc. and changes therein are classified and reported as follows:

Net assets without donor restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board may designate, from net assets without donor restrictions net assets for an operating reserve or board-designated endowment.

Net assets with donor restrictions – Net assets subject to donor- (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor- imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. At December 31, 2021 and 2020, LAHBPA 1993 Inc. held no net assets with donor restrictions.

Financial Statement Presentation (continued)

The consolidated statements of activities present expenses of LAHBPA 1993, Inc.'s operations functionally between program services and management and general. Those expenses which cannot be functionally categorized are allocated between functions based upon management's estimate of usage applicable to conducting those functions.

Cash and Cash Equivalents

Cash equivalents are all highly liquid investments with maturities of three months or less at date of acquisition.

Accounts Receivable

Accounts receivable consists primarily of amounts related to the worker's compensation program and are stated at the amount management expects to collect. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. At December 31, 2021 and 2020, the allowance for doubtful accounts was \$41,280 and \$50,827, respectively.

Property and Equipment

Property and equipment are carried at cost. LAHBPA 1993, Inc.'s policy is to capitalize property and equipment over \$2,500. Depreciation is computed using the straight-line method over the estimated useful lives (3 – 10 years) of the respective assets. When assets are retired or otherwise disposed of, the cost and the related accumulated depreciation are removed from the accounts and any resulting gain or loss is reflected in income for the period.

The cost of maintenance and repairs is charged to expense as incurred. Significant renewals and betterments are capitalized.

Unearned Premiums

Unearned premiums represent advance workers' compensation premiums paid excluding the nonrefundable minimum deposit of \$1,000 as of December 31, 2021, and 2020.

Reinsurance premiums are recognized on a pro rata basis of the policy terms. The portion of premiums and ceding commissions that relate to future periods are deferred and recorded as unearned premiums and deferred ceding commissions.

Reserve for Losses and Loss-Adjustment Expenses

HIA determines its reserves for losses and loss-adjustment expenses on the basis of the losses reported by loss managers. Losses incurred but not reported are provided for on the basis of the advice of an independent actuary.

The reserve for losses and loss-adjustment expenses represents management's best estimate of the ultimate settlement costs of all losses and loss-adjustment expenses and are subject to the impact of further changes in loss severity, frequency and other factors. Management believes that amounts are adequate and recognizes the variability inherent in the data used in determining the liability, however, the absence of sufficient historical loss experience to support the assumptions inherent in establishing the estimate results in uncertainty as to the amount which will ultimately be required for the settlement of losses and loss expenses, and the differences could be material. The estimate is continuously reviewed, and as adjustments to the liability become necessary, they are reflected in current operations.

Revenue and Other Support

Pursuant to Louisiana Revised Statute (La R.S.) 4:251 through 252, the Louisiana Legislature authorized and empowered the LAHBPA 1993, Inc. "To establish, operate and administer an insurance program for the purpose of providing workers' compensation insurance coverage and related benefits to members of the Horsemen's Benevolent and Protective Association and other persons including and especially owners of racehorses, licensed by the Louisiana State Racing Commission." LAHBPA 1993, Inc. formed the Horsemen's Workers Compensation Insurance Trust (HWCIT) effective July 17, 2011, to provide this insurance coverage.

The worker's compensation program is authorized to utilize up to 2% of all purses and purse supplements, of which, up to one half is authorized to be used for the improvement and administration of the Horsemen's Self-Help Pension Program (Pension Trust). Until June 1, 2016, contributions consisted of one-half of the authorized two percent of total amount of purses and purse supplements available. Beginning on June 1, 2016, contributions to Pension Trust consisted of one-fourth of the authorized two percent of total amount of purses and purse supplements available. Effective again as of June 1, 2017, contributions reverted to consist of the original one-half of the authorized two percent of the total amounts of purses and purse supplements available. No statutorily dedicated funds are recognized as revenue by LAHBPA 1993, Inc. The Pension Trust and Medical Trust receive their distribution directly from the racetracks. Funds received for workers' compensation Louisiana risk exposure are passed through LAHBPA 1993, Inc. in their entirety to HWCIT.

Revenue and Other Support (continued)

The Workers' Compensation Insurance Program generates premium revenue for LAHBPA 1993, Inc. and HWCIT. Members of LAHBPA 1993, Inc. are charged a premium based on either the number of race starts or per payroll level if the member is a non-racing farm. Effective July 17, 2011, premium revenue earned for coverage provided by HWCIT is recorded as revenue in HWCIT.

LAHBPA 1993, Inc. is also funded by the investment income earned on deposits maintained in the Horsemen's Bookkeeper Account.

Income Taxes

LAHBPA 1993, Inc. is a nonprofit organization exempt from income taxes under provisions of the Internal Revenue Service Code Section 501(c) (6); therefore, no provision has been made for federal and state income taxes.

LAHBPA 1993, Inc. applies a "more-likely-than-not" recognition threshold for all tax uncertainties. This approach only allows the recognition of those tax benefits that have a greater than 50% likelihood of being sustained upon examination by the taxing authorities. As a result of implementing this approach, LAHBPA 1993, Inc. has reviewed its tax positions and determined there were no outstanding, or retroactive tax positions with less than a 50% likelihood of being sustained upon examination by the taxing authorities.

HIA is not subject to taxes on income or gains under Section 6 of the Cayman Islands Tax Concessions Law (Revised). Therefore, no provision for taxes has been made in these financial statements. HIA intends to conduct its activities so as not to be subject to taxation in any other jurisdiction. As a result of the above matters, no tax liability or expense has been recognized in the consolidated financial statements.

Pony Lead Fees

Pony lead fee (administrative fee) revenue is paid by each owner and is earned based on each start. Prior to June 1, 2017, the fee was \$16 per start and divided as follows: \$0.90 to HAH PAC, \$0.10 to Pension, and \$15 to 1993, Inc. for administrative expenses. Effective June 1, 2017, the fee was approved by the Board of Directors of LAHBPA 1993, Inc. and raised to \$20 and divided as follows: \$0.90 to HAH PAC, \$0.10 to Pension, and \$19 to 1993, Inc. for administrative expenses.

Contributed Services

A portion of LAHBPA 1993, Inc.'s functions are conducted by unpaid volunteer officers and committee members. The value of this contributed time is not reflected in the accompanying consolidated financial statements since it is not susceptible to objective measurement or valuation.

Functional Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the consolidated statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs, primarily salaries, benefits, and professional fees have been allocated among the programs and supporting services benefited. The allocation between functions is based on time spent by specific employees as estimated by management. All other costs are charged directly to the appropriate functional category.

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the consolidated financial statements and the reported amounts of additions to and reduction of net assets during the reported period. Accordingly, actual results may differ from those estimates.

Recent Accounting Pronouncements – Not Yet Adopted

In February 2016, the FASB issued ASU 2016-02, *Leases*. This accounting standard requires lessees to recognize assets and liabilities related to lease arrangements longer than 12 months on the balance sheet as well as additional disclosures. In July 2018, the FASB issued ASU 2018-11, *Leases (Topic 842): Targeted Improvements*, to simplify the lease standard's implementation. The amended guidance relieves businesses and other organizations of the requirement to present prior comparative years' results when they adopt the new lease standard. On June 3, 2020, the FASB deferred the effective date of this standard for certain entities. This standard will be effective for LAHBPA 1993, Inc.'s year ending December 31, 2023.

On September 17th, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2020-07 on Topic 958, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. This ASU requires nonprofits to change their financial statement presentation and disclosure of contributed nonfinancial assets, or gifts-in-kind. The FASB issued the update in an effort to improve transparency in reporting nonprofit gifts-in-kind. The FASB ASU requires the new standard to be applied retrospectively, with amendments taking effect for LAHBPA 1993, Inc.'s year ending December 31, 2022.

4. Reserve for Losses and Loss-Adjustment Expenses

As described in Note 1, HIA ceased writing new business and insuring risks as of July 16, 2011. Incurred losses resulting from claims related to insured events for prior years were adjusted during the years ended December 31, 2021, and 2020, due to changes in estimates of the ultimate settlement costs of such losses.

HIA engaged independent consulting actuaries to advise on the necessary level of the reserve for losses and loss-adjustment expenses. At December 31, 2021 and 2020, the estimated outstanding losses for all policy years on an undiscounted basis were \$0 and \$0 respectively, at an expected confidence level.

In the opinion of the Directors, these provisions are adequate to cover the estimated ultimate liability for the losses and loss-adjustment expenses at the balance sheet date. Consistent with most organizations with similar insurance operations, HIA's reserve for losses and loss-adjustment expenses is ultimately based on management's reasonable expectations of the future events. The expectations associated with these amounts could change. LAHBPA 1993, Inc. and HIA do not discount the reserves for losses and loss-adjustment expenses.

5. Related Party Transactions

LAHBPA 1993, Inc. shares certain overhead costs with the Louisiana Horsemen's Medical Benefit Trust (Medical Benefit Trust), the Louisiana Horsemen's Pension Trust (Pension), and the Horsemen's Workers Compensation Insurance Trust (HWCIT), affiliates of LAHBPA 1993, Inc. During the years ended December 31, 2021, and 2020, LAHBPA 1993, Inc. earned management fees from the Medical Benefit Trust, Pension, and HWCIT totaling \$1,512,300 and \$1,477,200, respectively.

The balances due to HWCIT of \$592,097 and \$1,059,998 at December 31, 2021 and 2020, respectively, represent the worker's compensation premiums and purse funding collected by LAHBPA 1993, Inc. The balance due to HWCIT is non-interest bearing and is unsecured. HWCIT's viability is dependent on LAHBPA 1993, Inc. funding any cash flow needs and any deficits incurred by HWCIT.

6. Horsemen's Bookkeeper Account

At each race meeting conducted in the State of Louisiana, there shall be a bookkeeper for the collection, disbursement, and investment of monies belonging to horsemen licensed and racing at such a race meeting, who shall be known as the Horsemen's Bookkeeper.

The Horsemen's Bookkeeper shall be bonded, selected, and employed by LAHBPA 1993, Inc.

Except for interest earned on the investment of monies in the Horsemen's Bookkeeper Account, and that portion of a pony lead fee as authorized and assessed by LAHBPA 1993, Inc., withdrawals are limited to monies due horsemen with regard to daily purses, jockey fees, stakes, handicaps, rewards, claims, deposits, monies if any for horsemen's medical and hospital benefit programs, and pony lead fees.

7. Commitments and Contingencies

Insurance Management Agreement

HIA has an appointed insurance manager located in Grand Cayman. HIA's management agreement with the insurance manager stipulates the terms and conditions under which the insurance manager is to conduct business on behalf of HIA. Included in professional fees expenses for the years ended December 31, 2021 and 2020 is \$35,000 respectively related to this agreement.

Letters of Credit

Letters of credit of \$577,285 as of December 31, 2020, were issued by HIA's banker in favor of the Ceding Insurer to secure HIA's liabilities under the reinsurance assumed. The letters of credit were secured by a guarantee from LAHBPA 1993, Inc. The letters of credit were cancelled on August 12, 2021, in connection with the commutation of HIA on July 20, 2021.

8. Concentration of Credit Risk

LAHBPA 1993, Inc. receives virtually all of its support as a result of the horse racing industry. Management fee income earned from related entities (See Note 5) represents approximately 52.9% and 54% of its total revenues earned during the years ended December 31, 2021, and 2020, respectively. Management does not foresee any unfavorable impact as a result of these concentrations.

LAHBPA 1993, Inc. maintains its cash and cash equivalent balances in several financial institutions. Custodial credit risk is the risk that in the event of a bank failure, LAHBPA 1993, Inc.'s deposits may not be returned to them. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At December 31, 2021 and 2020, LAHBPA 1993, Inc.'s cash exceeded federally insured limits by \$2,088,367 and \$2,615,366, respectively.

9. Outbreak of COVID-19

On January 30, 2020, the World Health Organization declared the coronavirus outbreak a "Public Health Emergency of International Concern" and on March 10, 2020, declared it to be a pandemic. Actions taken around the world to help mitigate the spread of the coronavirus include restrictions on travel, and quarantines in certain areas, and forced closures for certain types of public places and businesses. The coronavirus and actions taken to mitigate it have had and are expected to continue to have an adverse impact on the economies and financial markets in the local area and around the world. LAHBPA 1993, Inc. is uncertain how long these conditions will last and what the complete financial effect will be.

Horse racing in Louisiana resumed at three of the four tracks in June 2020. The fourth track resumed racing in November 2020. During 2021, while the pandemic continued, certain restrictions on travel and access to public facilities was eased. As a result, LAHBPA 1993, Inc. experienced increases in revenue. The amount earned in 2021 exceed pre-pandemic revenue amounts. New variants of the coronavirus continue to appear, but management of LAHBPA 1993, Inc is cautiously optimistic that future impacts of financial results will continue to minimize.

No subsequent events occurring after this date have been evaluated for inclusion in these consolidated financial statements.

OTHER REPORT

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Trustees
Louisiana Horsemen's Benevolent and Protective Association 1993, Inc.
New Orleans, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Louisiana Horsemen's Benevolent and Protective Association 1993, Inc. (LAHBPA 1993, Inc.), which comprise the consolidated statement of financial position as of December 31, 2021, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated September 15, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered Louisiana Horsemen's Benevolent and Protective Association 1993, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Louisiana Horsemen's Benevolent and Protective Association 1993, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of LAHBPA 1993, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be a material weakness. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Louisiana Horsemen's Benevolent and Protective Association 1993, Inc.'s financial statements are free of material misstatements, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying schedule of findings and responses as item 2021-001.

Louisiana Horsemen's Benevolent and Protective Association 1993, Inc.'s Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on LAHBPA 1993, Inc.'s response to the findings identified in our audit and described in the accompanying schedule of findings and responses. LAHBPA_1993, Inc.'s response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of LAHBPA 1993, Inc.'s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering LAHBPA 1993, Inc.'s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

LAHBPA 1993 Inc. requested a non-emergency extension from the Louisiana Legislative auditor and the extension request was acknowledged by the Legislative Audit Advisory Council (LAAC) on July 20, 2022, and therefore fully accepted.

Cause The LAHBPA 1993 Inc. requested a non-emergency extension for the financial statement audit of LAHBPA 1993 Inc.

Effect: The LAHBPA 1993 Inc. is not in compliance with State of Louisiana Audit Law R.S. 24:513.

Recommendation: LAHBPA 1993 Inc. should ensure compliance with the State of Louisiana Audit Law R.S. 24:513.

Management response: On December 31, 2021, the LAHBPA 1993 Inc.’s Secretary/ Treasurer retired, and the role was filled effective January 1, 2022, by an existing employee. In early March 2022, the Secretary/Treasurer was hospitalized with an unexpected medical condition and remained unable to consistently work throughout March and April 2022. In May 2022, the Secretary/Treasurer had surgery and returned to work on a limited basis on June 1, 2022. We are an organization with limited personnel and although our financial statements were completed and available for audit, we were not able to have another person prepare all of the schedules and workpapers needed by the auditors until the Secretary/Treasurer resumed full time duties. We expect to be in full compliance with State of Louisiana Audit Law R.S. 24:513 in 2022.
