INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Grambling High Foundation, Inc. d/b/a
Lincoln Preparatory School
Grambling, LA

Report on the Audits of the Financial Statements

Opinion

We have audited the accompanying financial statements of Grambling High Foundation, Inc. (a nonprofit organization) d/b/a Lincoln Preparatory School (hereafter Lincoln Preparatory School), which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Lincoln Preparatory School as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of Lincoln Preparatory School and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lincoln Preparatory School's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audits of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing the audits in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lincoln Preparatory School's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lincoln Preparatory School's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

The accompanying Performance and Statistical Data Agreed Upon Procedures, the Schedule of Compensation, Benefits, and Other Payments to the Agency Head, and the Statewide Agreed Upon Procedures are not a required part of the financial statements, but are supplementary information required by Louisiana State Law. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. We have applied certain limited procedures, which are described in the Independent Accounts' Report on

Applying Agreed-Upon Procedures. However, we did not audit this information and, accordingly, express no opinion on it.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 6, 2023, on our consideration of Lincoln Preparatory School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Lincoln Preparatory School's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Lincoln Preparatory School's internal control over financial reporting and compliance.

**LINCOLN PREPARATORY SCHOOL
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2023 AND 2022**

1. Summary of Significant Accounting Policies

(a) Organization

Lincoln Preparatory School (the School) was approved on July 1, 2016 as a Type 2 charter school by the Louisiana Board of Elementary and Secondary Education (BESE). The School is operated and governed by Grambling High Foundation, Inc. which is a 501(c)(3) organization. As of the 2018-2019 school year the School served children in Kindergarten through 12th grade. The School operates under a charter in Lincoln Parish that expired June 30, 2020. The charter with the BESE was renewed on July 1, 2020 for an additional four years.

(b) Basis of Accounting

The financial statements of the School have been prepared in accordance with U.S. generally accepted accounting principles ("US GAAP"), which require the School to report information regarding its financial position and activities according to the following net asset classifications:

Net Assets Without Donor Restrictions are net assets that are not subject to donor-imposed restrictions and are available for use at the organization's discretion.

Net Assets With Donor Restrictions are net assets subject to donor-imposed restrictions that may or will be met, either by actions of the organization, and/or the passage of time. Once the restrictions are met, they are reclassified to net assets without donor restrictions. During the year ended June 30, 2023 and 2022 the School received contributions and private grants with donor restrictions of \$53,200 and \$50,000, respectively and spent \$26,235 and \$11,831, respectively for the various contributions and private grants intended purposes. There are net assets with donor restrictions of \$65,134 and \$38,169 as of June 30, 2023 and 2022, respectively. The remaining restrictions will be satisfied as cost are incurred in fulfillment of the donors' stipulations.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

(c) Revenues

The School receives the majority of its revenue from the Minimum Foundation Program (MFP). The amount of the MFP funding is based on an allocation of funds provided by the State of Louisiana and local taxes. The allocation calculation is primarily based on the student enrollment at the School and is recognized monthly when received.

Federal and state funds are passed through the Louisiana Department of Education. The School's federal grant funding is on a cost reimbursement basis and is recognized as earned once the expenditures have been incurred, at which time all performance obligations have also been satisfied.

The School also receives revenue in the form of student and athletic activities revenues. These revenues are collected from students who participate in social events and after school clubs. Additional revenue is received from patrons attending school sponsored sporting events. These funds are used to help cover the cost of hosting these events and provide compensation for teachers, chaperons, referees, or other personnel required to officiate or supervise these activities.

**LINCOLN PREPARATORY SCHOOL
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2023 AND 2022**

1. Summary of Significant Accounting Policies (continued)

(c) Revenues (continued)

The School receives private funding in the form of contributions from various individuals and entities. Contributions are recognized when an unconditional promise to give is received. Conditional promises to give, with a measurable performance or other barrier and a right of return, are not recognized until the conditions on which they depend have been met. The School does not have any activity that would give rise to variable consideration.

(d) Cash

For purposes of the statements of cash flows, all highly liquid investments with a maturity of three months or less when purchased are considered cash equivalents. During the year, cash may consist of both unrestricted and restricted balances. Unrestricted cash balances represent cash available for general operating purposes.

(e) Restricted cash

Restricted cash balances consist of amounts credited to the School's bank accounts in compliance with bond terms and covenants. There were net restricted cash balances at June 30, 2023 and 2022 of \$13,285,238 and \$19,157,280, respectively and is discussed in the debt footnote below.

(f) Accounts Receivable

Accounts receivable represent amounts due under federal and state grant programs and, at times, contributions. The grant programs are reimbursable in nature and revenue is recognized as a receivable once the expenditures are incurred. Receivables are written off when deemed uncollectible by management and recoveries, if any, are recorded when received.

(g) Functional Expenses

The School allocates its expenses on a functional basis between program service or general and administrative. Expenses that can be identified with the school curriculum are allocated directly according to their natural expense classification. Other expenses are allocated between program service and general and administrative based on management's estimate of time, percentage, or square footage used, among other factors.

(h) Income Taxes

The School accounts for income taxes in accordance with FASB ASC 740-10, *Accounting for Uncertainty in Income Taxes*. Management believes it has no material uncertain tax positions and, accordingly has not recognized a liability for any unrecognized tax benefits.

The School is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The School files information returns in the U.S. federal jurisdiction. The School is not subject to U.S. federal income tax examinations by tax authorities beyond three years from the filing of those returns.

**LINCOLN PREPARATORY SCHOOL
 NOTES TO THE FINANCIAL STATEMENTS
 FOR THE YEARS ENDED JUNE 30, 2023 AND 2022**

1. Summary of Significant Accounting Policies (continued)

(i) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

(j) New Accounting Standard

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-02, *Leases* (“Topic 842”), and all subsequent amendments. The ASU is intended to increase transparency and comparability of accounting for lease transactions. For all leases with terms greater than 12 months, the new guidance requires lessees to recognize right-of-use assets (ROU) and corresponding lease liabilities on the statement of financial position and to disclose qualitative and quantitative information about lease transactions. The new standard maintains a distinction between finance and operating leases.

The School elected to adopt these ASUs effective July 1, 2022 and utilized all of the available practical expedients. The adoption had a material impact on the School’s statement of financial position but did not have a material impact on the statement of activity and changes in net assets. The most significant impact was the recognition of ROU assets and lease liabilities for financing leases in the amount of \$853,669 and \$928,577, respectively. The adoption of this standard did not result in a restatement of any opening balances.

2. Concentrations

At various times during the year, the School maintained cash balances in its bank accounts in excess of FDIC insurable limits. In evaluating this credit risk, the School periodically evaluated the stability of these financial institutions.

The School receives the majority of its operating revenue from the State of Louisiana in the form of MFP funding. The School also receives grants from federal agencies, state agencies, and private foundations. The percentage of revenue and receivables from these sources in excess of 10% is as follows:

	Revenue	Receivables
2023		
MFP	62%	N A
Federal Grants	17%	24%
ERC	15%	76%
2022		
MFP	73%	N A
Federal Grants	25%	98%

**LINCOLN PREPARATORY SCHOOL
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2023 AND 2022**

3. Commitments and Contingencies

The School receives grants for specific purposes that are subject to audit by the grantor agencies. Such audits could lead to requests for reimbursement to the grantor agency for expenditures disallowed under terms of the grant. It is the opinion of the School's management that its compliance with the terms of the grant will not result in any disallowed costs.

4. Property and Equipment

Property and equipment are stated at cost at the date of purchase or, for donated assets, at fair value at the date of donation, less accumulated depreciation. Depreciation is calculated using the straight-line method over the lesser of the estimated useful lives of the assets or the least term. The useful lives range from three to forty years. The School's policy is to capitalize renewals and betterments acquired for greater than \$5,000 and expense normal repairs and maintenance as incurred.

All assets acquired with public funds are the property of the School for the duration of the charter. If the charter is revoked or surrendered, or the School otherwise ceases to operate, all assets purchased with public funds will automatically revert to full ownership by BESE or the appropriate agency.

Depreciation expense was \$563,297 and \$25,148 for the years ended June 30, 2023 and 2022, respectively.

5. Compensated Absences

Employees earn paid time off based on various factors such as length of service and job title. Any unused paid time off is paid out at the end of the year and does not carry over to the following year. Therefore, there are no compensated absences accrued at June 30, 2023 or 2022.

6. Subsequent Event

In preparing these financial statements, the School has evaluated events and transactions for potential recognition or disclosure through December 6, 2023, which is the date the financial statements were available to be issued.

7. Liquidity and Availability of Financial Assets

The following reflects the School's financial assets as of the statement of financial position date within one year of the statement of financial position date

8. Fair Value Measurement

FASB ASC 820-10 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets that have the highest priority, and Level 3 inputs have the lowest priority. The School uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the School measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 2 - Inputs include:

1. Quoted prices for similar assets or liabilities in active markets;
2. Quoted prices for identical or similar assets or liabilities in inactive markets;
3. Inputs other than quoted prices that are observable for the assets or liability,
4. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Certificates of deposit are recorded at cost, which approximates fair market value using Level 2 inputs. The fair value of the School's investments are \$153,889 as of June 30, 2023 and 2022. No Level 1 or 3 inputs were available to the School.

9. Employee Retention Credits

On December 27, 2020, as part of the Consolidated Appropriations Act, 2021, the Economic Aid to Hard-Hit Small Businesses, Nonprofits, and Venues Act (Economic Aid Act) was signed into law to provide additional COVID-19 relief to small businesses. In addition to the PPP funds, the Economic Aid Act also allowed for entities that received original PPP funds under the CARES Act in 2020 to retroactively claim employee retention credits (ERC) if certain eligibility requirements were met.

The School met the eligibility requirements for the ERC. The refunds were calculated at approximately \$2,297,000, and the applicable filings were submitted to the Internal Revenue Service (IRS). During fiscal year 2023, the School received \$124,482 and has recorded a receivable of \$2,173,065 for the year ended June 30, 2023.

10. Reclassification

Certain amounts included in the prior year financial statements have been reclassified to conform to the current year presentation.

11. Retirement Plan

The School offers a retirement benefit plan with the Teacher's Retirement System of Louisiana (TRSL) for employees that are eligible to participate and operates as a defined benefit contribution pension plan. TRSL issues its own separate financial statements and supplementary information which are publicly available and can be obtained by writing or calling the plan.

Benefits under the plan are established and amended by state statute. Retirement benefits are based upon the employee's age, last three years of compensation, and the total number of years the participant was contributing to the TRSL. Once participants reach retirement age a total of eight different payout options are available. The plan also provides death and disability benefits for surviving spouses or disabled employees.

Once enrolled teachers may also make an irrevocable election to participate in The Optional Retirement Plan (ORP). This plan operates as a defined contribution plan.

The School also offers enrollment into the Louisiana School Employees' Retirement System (LSERS). LSERS is available to all non-instructional personnel of the Louisiana public school system. Members may choose between three major retirement plans: Regular Service Retirement Plan, Deferred Retirement Option Plan (DROP), and Initial Benefit Retirement Plan (IBRP). LSERS issues its own separate financial statements and supplementary information which are publicly available and can be obtained by writing or calling the plan.

INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors
Grambling High Foundation, Inc. d/b/a
Lincoln Preparatory School
Grambling, LA

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Grambling High Foundation, Inc. (a nonprofit Organization) d/b/a Lincoln Preparatory School (hereafter Lincoln Preparatory School), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 6, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Lincoln Preparatory School’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Lincoln Preparatory School’s internal control. Accordingly, we do not express an opinion on the effectiveness of Lincoln Preparatory School’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We identified a deficiency in internal control, described in the accompanying schedules of findings and questioned cost as item 2023-01 that we considered to be a material weakness.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Lincoln Preparatory School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Lincoln Preparatory School's Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on Lincoln Preparatory School's response to the findings identified in our audit and described in the accompanying schedule of findings and questioned costs. Lincoln Preparatory School's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document. This report is intended solely for the information and use of the audit committee, management, and others within the organization, the Legislative Auditor, and the federal awarding agencies and is not intended to be and should not be used by anyone other than these specified parties.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM
GUIDANCE**

To the Board of Directors
Grambling High Foundation, Inc. d/b/a
Lincoln Preparatory School
Grambling, LA

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Grambling High Foundation, Inc. d/b/a Lincoln Preparatory School's (hereafter Lincoln Preparatory School) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of Lincoln Preparatory School's major federal programs for the year ended June 30, 2023. Lincoln Preparatory School's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Lincoln Preparatory School complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Lincoln Preparatory School and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Lincoln Preparatory School's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of

laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Lincoln Preparatory School's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Lincoln Preparatory School's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Lincoln Preparatory School's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Lincoln Preparatory School's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances
- Obtain an understanding of Lincoln Preparatory School's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Lincoln Preparatory School's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in

internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

This report is intended solely for the information and use of the Board of Directors, management, the Legislative Auditor, and federal awarding agencies and is not intended to be and should not be used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

Findings - Financial Statement Audit

Finding 2023-01 - Accounting Review and Financial Statement Preparation

Condition:

The School does not have sufficient personnel on staff that had the training, knowledge, and experience to prepare the financial statements and accompanying footnotes in accordance with U.S. GAAP. Instead, the School relies on its auditors to assist in the preparation of external financial statements and related footnotes.

Cause:

The School outsources this function. However, financial statements are not being generated and the bookkeeping is not being completed in a manner that is consistent with U.S. GAAP.

Effect:

Under U.S. generally accepted auditing standards, the auditors cannot be considered part of the School's internal control structure, and because of limitations of the School's personnel, the design of internal control structure does not otherwise include procedures to prevent or detect a material misstatement in the external financial statements.

Criteria:

The School's personnel should include an individual with suitable training, knowledge, and experience to prepare financial statements in accordance with U.S. GAAP

Recommendations:

We suggest the School hire additional personnel to perform this function or communicate with their current third party firm to reevaluate what services are to be performed.

Management's Response

Key personnel was lost during the year end close process. Management has met with the new team that now includes a CPA lead that will take measures to ensure these issues are corrected going forward.

Questioned Costs

There are no questioned costs for the year ended June 30, 2023.

12. Using the monthly statements or combined statements selected under #12 above, excluding fuel cards, randomly select 10 transactions (or all transactions if less than 10) from each statement, and obtain supporting documentation for the transactions (i.e., each card should have 10 transactions subject to testing). For each transaction, observe it is supported by (1) an original itemized receipt that identifies precisely what was purchased, (2) written documentation of the business/public purpose, and (3) documentation of the individuals participating in meals (for meal charges only). For missing receipts, the practitioner should describe the nature of the transaction and note whether management had a compensating control to address missing receipts, such as a "missing receipt statement" that is subject to increased scrutiny.

Results: No exceptions noted as a result of applying this procedure.

Travel and Travel-Related Expense Reimbursements (excluding card transactions)

13. Obtain from management a listing of all travel and travel-related expense reimbursements during the fiscal period and management's representation that the listing or general ledger is complete. Randomly select 5 reimbursements, obtain the related expense reimbursement forms/prepaid expense documentation of each selected reimbursement, as well as the supporting documentation.
