Boards, Commissions, and Like Entities
Annual Report to the Legislature as of June 30, 2022

October 2022

Audit Control # 80220017

Summary

The purpose of this report is to summarize information provided to the Division of Administration (Division) by boards, commissions, and like entities (Boards). Louisiana Revised Statute (R.S.) 24:513.2(E) requires the Legislative Auditor to submit annually to the Legislature a report containing summary financial information and personnel data on Boards included in the database. The statute provides for the Legislative Auditor to report findings and recommendations resulting from any analysis of the information. Our findings and recommendations are categorized as follows:

- **Boards & Commissions Website** - The Boards & Commissions website is located at <https://wwwcfprd.doa.louisiana.gov/boardsandcommissions/selectBoard.cfm>. The accuracy of the information available is solely dependent upon the timeliness and accuracy of the Boards' data entry.
- **Number of Boards Reported** - As of June 30, 2022, the website contains information on 478 Boards, which is a net decrease of four from the previous year.
- **Boards Providing No Response** - We identified three Boards that did not respond to our request for personnel data and financial information. The Division sent notices of noncompliance to the respective legislative committees as required by R.S. 49:1301. Two of the Boards also failed to respond to our request in the prior year. The Legislature may wish to consider taking action against Boards that fail to comply with the reporting requirements in state law.
- **Inactive Boards** - We identified 14 inactive Boards that were not fulfilling their established functions. Eight of these inactive Boards were also identified as inactive in the prior year. We recommend that the Legislature consider abolishing these Boards or taking other actions (additional legislation, appropriations, or board appointments) to assist them in fulfilling their established function.
- **Board Activity** - We identified 38 Boards that reported their status as active but have not reported any meeting notices or minutes subsequent

to December 31, 2018. Also, five of these Boards have no board members identified on the website. We recommend that the Division continue to work with these Boards to ensure they are appropriately reporting their status and complying with the reporting requirements in state law to make their meeting notices and minutes available on the website.

- **Board Per Diem, Salaries, and Travel Expenses** - For fiscal year 2022, Boards budgeted approximately \$1.3 million for Board member per diems, \$2.3 million for Board member salaries, and \$1.9 million for Board member travel expenses.

Boards & Commissions Website

R.S. 49:1301 requires the Commissioner of Administration to establish and maintain a website containing information on Boards:

<http://wwwcfprd.doa.louisiana.gov/boardsandcommissions>.

The accuracy of each Board's self-reported information available on this website is solely dependent upon the timeliness and accuracy of each Board's data entry. As a result, anyone attempting to access information about current budgets or expenses for a specific Board may instead retrieve information that is outdated or inaccurate.

We recommend that the Division continue to work with our office regarding the identification of Boards to be added or removed from the database and the form and content of the database fields. We will also meet with the Division periodically to monitor updates and improvements to the website database.

Number of Boards Reported

As of June 30, 2022, the website contains information on 478 Boards (see Appendix B), which is a net decrease of four from the previous year. This net figure reflects the addition of one Board and the removal of five Boards.

The Lower Ninth Ward Economic Development District was added to the database during the year ended June 30, 2022. This Board was created in 2002 and reconstituted during the 2019 legislative session, but was not previously included in the database.

The five Boards removed include four that were abolished in prior-year legislation and one with enabling legislation only effective through December 31, 2019. Boards removed from the database during the year ended June 30, 2022, are as follows: Aquatic Chelonian Research and Promotion Board; International School in Lafayette Exploratory Committee; Louisiana Standards for Water Works Construction,

Operation, and Maintenance Committee; Public Oyster Seed Ground Vessel Permit Appeals Board; and Technology Strategy Task Force.

The effects of the laws enacted during the 2022 Regular Legislative Session are not reflected in the database as of June 30, 2022. Any new or abolished Boards resulting from the 2022 Regular Legislative Session will be added or removed prior to the 2023 reporting period.

Boards Providing No Response

R.S. 24:513.2(F) directs all agencies, boards, commissions, and departments of the state and its political subdivisions to furnish information and reports as requested by the Legislative Auditor to fulfill his responsibilities. All Boards were requested to provide contact information, membership information, and statutory or legal authority relative to the entity.

R.S. 39:1335 and 1336 require licensing agencies to provide summary and detailed information pertaining to actual and budgeted revenues by source, expenditures by category, and fund balances; performance indicators; and certain general information pertaining to the Board and its authority and functions.

All other Boards were requested to provide similar information, except that the financial and budget information was requested in summary form only, and information pertaining to performance indicators was not requested.

Numerous requests to the Boards listed above were made by the Division's staff to submit the requested information in the database.

In accordance with R.S. 49:1301, the Division sent notices of noncompliance to each Board that failed to respond to its requests. In addition, notices of each entity's failure to respond were sent to the state departments of which the entity is a part, the Senate Committee on Senate and Governmental Affairs, the House Committee on House and Governmental Affairs, and the oversight committees for each Board.
