#### INDEPENDENT AUDITOR'S REPORT

Board of Directors Richland Council on Aging, Inc. Rayville, Louisiana

#### Report on the Audit of the Financial Statements

#### **Opinions**

I have audited the accompanying financial statements of the governmental activities of the Richland Council on Aging, Inc., as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Council's basic financial statements as listed in the table of contents.

In my opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities of the Richland Council on Aging, Inc., as of June 30, 2022, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinions**

I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of the Richland Council on Aging, Inc. and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinions.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Richland Council on Aging, Inc.'s ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Board of Directors Richland Council on Aging, Inc. Rayville, Louisiana

#### Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exits. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of the Council's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Richland Council on Aging, Inc.'s ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters the I identified during the audit.

#### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

Board of Directors Richland Council on Aging, Inc. Rayville, Louisiana

I have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to my inquiries, the basic financial statements, and other knowledge I obtained during the audit of the basic financial statements. I do not express an opinion or provide any assurance on the information because the limited procedures do not provide me with sufficient evidence to express an opinion or provide any assurances.

Management has omitted Management's Discussion and Analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. My opinion on the basic financial statements is not affected by this missing information.

#### Other Information

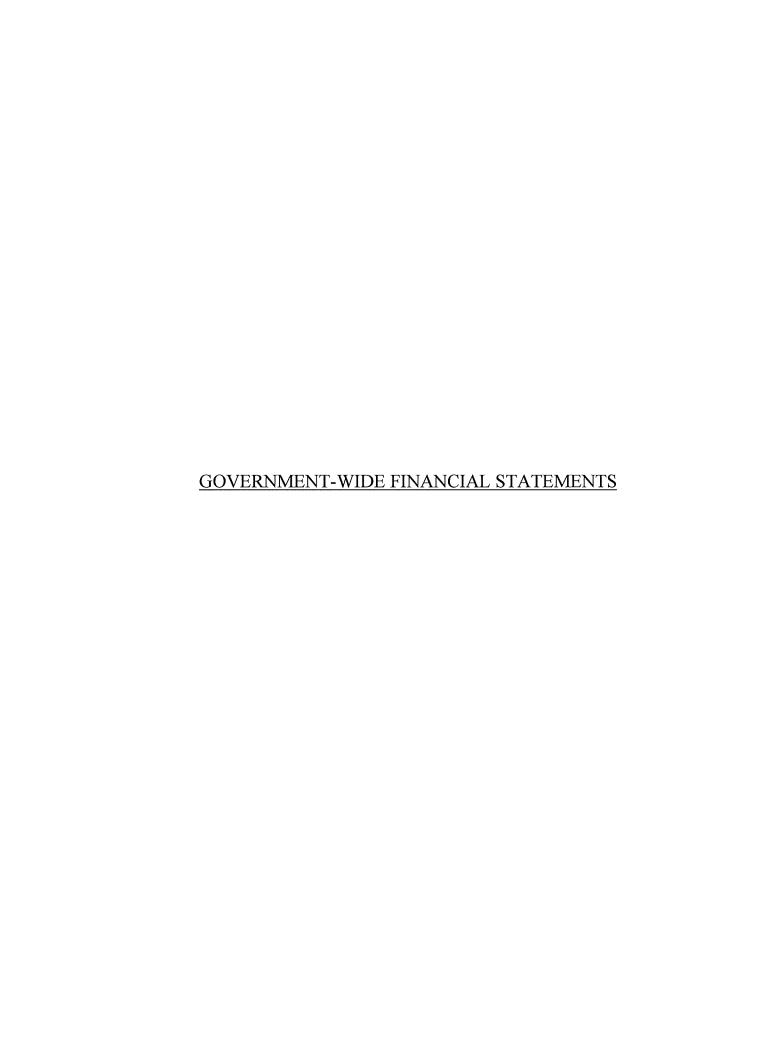

The combining nonmajor fund financial statements, Schedule of Compensation, Benefits and Other Payments to Agency Head and the schedule of expenditures of federal awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, I have also issued my report dated October 26, 2022 on my consideration of the Richland Council on Aging, Inc.'s internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Richland Council on Aging, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Governmental Auditing Standards in considering the Richland Council on Aging, Inc.'s internal control over financial reporting and compliance.

#### Note 1- Summary of Significant Accounting Policies

The financial statements of the Richland Voluntary Council on Aging, Inc. have been prepared in accordance with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. These statements have also incorporated any applicable requirements set forth by *Audits of State and Local Governments*, the industry audit guide issued by the American Institute of Certified Public Accountants; Subsection VI-Annual Financial Reporting, accounting manual for Governor's Office of Elderly Affairs contractors, and the *Louisiana Governmental Audit Guide*. The more significant of the Council's accounting policies are described below. In October 2019, oversight of the Council was turned over to CENLA Area Agency on Aging, Inc. from North Delta Regional Planning and Development District.

#### A. Reporting Entity

In 1964, the State of Louisiana passed Act 456 that authorized the charter of voluntary councils on aging for the welfare of the aging people in their representative parishes. Charters are issued by the Louisiana Secretary of State upon approval by the Governor's Office of Elderly Affairs. The Richland Voluntary Council on the Aging, Inc. is a non-profit, quasi-public, corporation which must comply with the policies and regulations established by the Governor's Office of Elderly Affairs, the state agency which provides the Council with most of its revenues. The Council also receives revenues from other federal, state, and local government agencies that may impose certain restrictions upon how the Council can use the money that they have provided.

The primary function of the Richland Voluntary Council on the Aging, Inc. is to improve the quality of life for the parish's elderly and to provide services to the elderly as well as coordinate and monitor the services of other local agencies serving the aging people of the parish. Such services include providing meals, nutritional education, information and referral services, legal assistance, homemaker services, operating senior centers, and transportation. A Board of Directors, consisting of 11 voluntary members who serve three-year terms governs the Council.

The Council is not a component unit of another primary government nor does it have any component units that are related to it. Therefore, the Council has presented its financial statements as a separate special purpose government.

#### B. Financial Reporting

The Council follows the provisions of the Governmental Accounting Standards Board Statement, Nos. 34, Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments (Statement 34), 37, Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments: Omnibus (Statement 37), and 38, Certain Financial Statement Note Disclosures (Statement 38), which establish the financial reporting standards for all state and local governmental entities.

#### Note 1- Summary of Significant Accounting Policies (continued)

#### B. Financial Reporting (continued)

The accompanying government-wide financial statements have been prepared using the economic resources measurement focus and the accrual basis of accounting and reflect transactions of behalf of the Council. The Council accounts for its funds as governmental funds.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collected within the current period or soon enough thereafter to pay liabilities of the current period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures are recorded only when payment is due.

Office of Elderly Affairs funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes. Most of the Council's special revenue funds are provided by GOEA. The Title III funds are provided by the United States Department of Health and Human Services Administration on Aging through the Governor's Office of Elderly Affairs which in turn "passes through" the funds to the Council.

The Council reports the following major governmental funds:

#### General Fund

The General Fund is the general operating fund of the Council. It is used to account for all financial resources except those required to be accounted for in another fund. These discretionary funds are accounted for and reported according to the source (federal, state, or local) from which they are derived. The following types of programs comprise the Council's General Fund:

#### Local Funds

Local funds are received from various local sources; such funds not being restricted to any special use.

#### PCOA (ACT 735) Funds

PCOA (Act 735) funds are appropriated for the Governor's Office of Elderly Affairs by the Louisiana Legislature for remittance to the Council on Aging. The Council may use these "Act 735" funds at its discretion provided the program is benefiting people who are at least 60.

#### Note 1- Summary of Significant Accounting Policies (continued)

#### B. Financial Reporting (continued)

#### Senior Center Fund

This program provides community service centers at which older persons receive supportive services and participate in activities which foster their independence, enhance their dignity and encourage their involvement in and with the community.

#### Supplemental Senior Center Fund

The Louisiana Legislature appropriated additional money for various Councils on Aging through the state to be used to supplement the primary state grant for senior centers. Richland Voluntary Council on the Aging, Inc. was one of the parish councils to receive a supplemental grant.

#### Title III-B Supportive Services Fund

This program provides access services, in-home services, community services, legal assistance and transportation for the elderly.

#### Title III C-1 Congregate Meals Fund

These funds are used to provide nutritional congregate meals to the elderly in strategically located centers.

#### Title III C-2 Home Delivered Meals Fund

These funds are used to provide nutritional meals to home-bound older persons.

The remaining nonmajor funds are as follows:

#### Title III-E National Family Caregiver Support

To assist in providing multifaceted systems of support services for family caregivers and grandparents or older individuals who are relative caregivers.

#### Note 1- Summary of Significant Accounting Policies (continued)

#### B. Financial Reporting (continued)

#### Utility Assistance Fund

The Utility Assistance fund is used to account for the administration of programs that are sponsored by local utility companies. The companies collect contributions from service customers and remit the funds to the parish Councils on Aging to provide assistance to the elderly for the payment of their utility bills.

#### C. Compensated Absences

Employees of the Richland Voluntary Council on the Aging, Inc. earn from 10 to 21 days of annual leave each year with 10 days allowed to be carried over to the next fiscal year, depending on their length of service and the employee's working status (full-time or part-time). All days carried over must be used by December 31. Employees are compensated upon termination of employment for accrued annual leave. Employees earn up to 12 days of sick leave each year, and can accumulate up to 60 days, depending upon whether the employee is on a part-time or full-time status. Employees are not paid for accrued sick leave at termination and no accrual has been made.

#### D. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### E. Funding Policies and Sources of Funds

The Council receives its monies through various methods of funding. NSIP program funds are provided through the Louisiana Governor's Office of Elderly Affairs to help offset raw food cost in Title III C-1 and C-2 programs. This program is funded under the units of service provided method. The Senior Center program and State Allocation (PCOA) and Supplemental Senior Center funds are received as a monthly allocation of the total budget (grant) in advance of the actual expenditure. The Title III-B, C-1, C-2, and E programs are funded based on actual operating cost incurred. The Council encourages and receives contributions from clients to help offset the costs of the Title III-B, C-1, and C-2 programs. Utility assistance funds are also provided by the Louisiana Association of Council on Aging to the Council under the Helping Hands and Heating Help Energy programs.

#### Note 1- Summary of Significant Accounting Policies (continued)

All of the above mentioned funds, including any other miscellaneous income, are recorded as revenue when the cash is received because the Council cannot predict the timing and amount of receipt.

#### F. Fund Equity

GASB Statement No. 54 establishes standards for five fund balance classifications that comprise a hierarchy based primarily on the extent to which a government is bound to observe constraints imposed upon the use of resources reported in government funds. The nonspendable fund balance classification includes amounts that cannot be spent because they are either (a) not in spendable form — prepaid items or inventories; or (b) legally or contractually required to be maintained intact.

The spendable portion of the fund balance comprises the remaining four classifications: restricted, committed, assigned and unassigned.

Restricted Fund Balance – This classification reflects the constraints imposed on resources either (a) externally by creditors, grantors, contributors, or laws or regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation.

Committed Fund Balance – These amounts can only be used for specific purposes pursuant to constraints imposed by formal resolutions or ordinances of the Council's board of directors – the Council's highest level of decision making authority. Those committed amounts cannot be used for any other purpose unless the board of directors removes the specified use by taking the same type of action imposing the commitment. This classification also includes contractual obligations to the extent that existing resources in the fund have been specifically committed for use in satisfying those contractual requirements.

Assigned Fund Balance – This classification reflects the amounts constrained by the Council's "intent" to be used for specific purposes, but are neither restricted nor committed. The board of directors and management has the authority to assign amounts to be used for specific purposes. Assigned fund balances include all remaining amounts (except negative balances) that are reported in governmental funds, other than the general fund, that are not classified as nonspendable and are neither restricted not committed.

Unassigned Fund Balance – This fund balance is the residual classification for the general fund. It is also used to report negative fund balances in other governmental funds.

When both restricted and unrestricted resources are available for use, it is the council's policy to use externally restricted resources first, then unrestricted resources – committed, assigned and unassigned – in order as needed.

#### Note 2 - Cash and Certificates of Deposit

Custodial Credit Risk - Deposits

The custodial credit risk is the risk that in the event of a bank failure, the Council's deposits may not be returned to it. The Council's policy to ensure there is no exposure to this risk is to require each financial institution to pledge its own securities to cover any amount in excess of Federal Depository Insurance Coverage. Louisiana Revised Statute 39:1229 imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within 10 days of being notified by the Council that the fiscal agent bank has failed to pay deposited funds upon demand. Accordingly, the Council had no custodial risk related to its deposits at June 30, 2022.

At June 30, 2022, the Council has cash and cash equivalents (book balances net of overdrafts) in the amount of \$149,883.

These deposits are stated at cost, which approximates market. Under state law, these deposits (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent.

These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable by both parties. The following is a schedule of the Council's cash and certificates of deposit at June 30, 2022. Differences between Council balances and the bank balances arise because of the net effect of deposits in transit and outstanding checks.

	Council <u>Balances</u>	Bank <u>Balances</u>		
Cash on Deposit Certificates of Deposit	\$ 149,883 56,677	\$ 150,622 56,677		
TOTAL	\$ 206,560	\$ 207,299		

The Council's deposits are collateralized as follows:

FDIC Insured Deposits	\$	207,299
Uninsured Deposits:		
Collateralized		
Total Deposits	<u>\$</u>	207,299

#### Note 3 - Receivables

There was \$33,992 in accounts receivable for funds due from CENLA at June 30, 2022.

#### Note 4 - Fixed Assets

Fixed asset activity for the year ended June 30, 2022 is as follows:

	Balance July 1, 2021	Additions	<u>Deletions</u>	Balance June 30, 2022
Non-Depreciable Assets	<b>3:</b>

Depreciation was charged to Administration activities of the Council for \$9,833.

#### Note 5- Long-Term Debt

				Amounts Due
Other Liabilities:	Beginning Balance	Additions	Reductions	Ending Within  Balance One Year
Accrued Vacation	\$ 2,157	<u>\$ 1,309</u>	\$	\$ 3,466 \$ 3,466
Total Governmental Activities Long-Term Debt	\$ 2,157	<u>\$ 1,309</u>	<u>\$</u>	<u>\$ 3,466</u> <u>\$ 3,466</u>

Payment of compensated absences is dependent upon many factors; therefore, the timing of future payments is not readily determinable.

#### Note 6 - <u>In-Kind Contributions</u>

The Council received various in-kind contributions during the year. These in-kind contributions have not been recorded in the financial statements as revenues, nor has the expenditure related to the use of the in-kind been recorded. The primary in-kind contributions consisted of free rent and utilities for the senior center and meal sites, and wages and fringe benefits for volunteer workers.

#### Note 7 - Board of Directors' Compensation

The Board of Directors is a voluntary board; therefore, no compensation has been paid to any member. However, board members are reimbursed for out-of-town travel expenses incurred in accordance with the Council's regular personnel policy.

#### Note 8 - Income Tax Status

The Council, a non-profit corporation is exempt from federal income taxation under Section 501 (c) (3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made; however, should the organization engage in activities unrelated to its exempt purpose, taxable income could result. The organization had no unrelated business income for the year ended June 30, 2022. The earliest income tax year that is subject to examination is 2018.

#### Note 9 - Litigation and Claims

There was no litigation pending against the Council at June 30, 2022, nor is the Council aware of any unasserted claims.

#### Note 10 - Federal Award Programs

The Council receives revenues from various federal and state grant programs that are subject to final review and approval as to the allowability of expenditures by the respective grantor agencies.

These programs are audited in accordance with the Single Audit Act Amendment of 1996 and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Any settlements or expenses arising out of a final review are recognized in the period agreed upon by the agency and the Council. Also, it is management's opinion that any audits by the grantor agencies would not produce disallowed program costs and liabilities to such an extent that they would materially affect the Council's financial position.

#### Note 11-Economic Dependency

The Council receives the majority of its revenue from funds provided through grants administered by the Louisiana Governor's Office of Elderly Affairs. The grant amounts are appropriated each year by the federal and state governments. If significant budget cuts are made at the federal and/or state level, the amount of the funds the Council receives could be reduced significantly and have an adverse impact on its operations. Management is not aware of any actions that will adversely affect the amount of funds the Council will receive in the next fiscal year. The Council also has a Cooperative Endeavor Agreement with Richland Parish Police Jury in which the Police Jury pays expenses on behalf of the Council. The Police Jury paid \$23,065 in expenditures on behalf of the Council for the year ended June 30, 2022.

#### Note 12-Risk Management

The Council is exposed to various risks of loss related to torts; thefts of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The council has purchased commercial insurance to cover or reduce the risk of loss that might arise should one of these incidents occur. No settlements were made during the year that exceeded the Council's insurance coverage.

#### Note 13-Interfund Transfers

Operating transfers in and out are listed by fund for 2022:

## RICHLAND VOLUNTARY COUNCIL ON AGING, INC. RAYVILLE, LOUISIANA NOTES TO BUDGETARY COMPARISON SCHEDULES FOR THE YEAR ENDED JUNE 30, 2022

The Council follows these procedures in establishing the budgetary data reflected in these financial statements:

The Governor's Office of Elderly Affairs (GOEA) notifies the Council each year as to the funding levels for each program's grant award.

The Executive Director prepares a proposed budget based on the funding levels provided by GOEA and then submits the budget to the Board of Directors for approval.

The Board of Directors reviews and adopts the budget before June 30<sup>th</sup> of the current year for the next year.

The adopted budget is forwarded to the Governor's Office of Elderly Affairs for final approval.

All budgetary appropriations lapse at the end of each fiscal year (June 30).

The budget is prepared on a modified accrual basis, consistent with the basis of accounting, for comparability of budgeted and actual revenues and expenditures.

Actual amounts are compared to budgeted amounts periodically during the fiscal year as a management control device.

The Council may transfer funds between line items as often as required, but must obtain prior approval for the Governor's Office of Elderly Affairs for funds received under grants from this state agency.

Expenditures cannot legally exceed appropriations on an individual level.

Amounts were not budgeted for revenues and expenses for the utility assistance fund because they were not legally required and the amount of revenues to be received under this program could not be determined.

SUPPLEMENTAL INFORMATION SCHEDULES REQUIRED BY GOEA

## RICHLAND VOLUNTARY COUNCIL ON AGING, INC. RAYVILLE, LOUISIANA NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS FOR THE YEAR ENDED JUNE 30, 2022

#### 1. General

The Schedule of Expenditures of Federal Awards presents the activity of all federal award programs of the Council. The Council did not pass through any of its federal awards to a subrecipient during the year.

#### 2. Basis of Accounting

The Schedule of Expenditures of Federal Awards is presented using the accrual basis of accounting as contemplated under accounting principles generally accepted in the United States of America and which is the same basis of accounting used for presenting the general purpose financial statements. The information in this schedule is presented in accordance with the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

## INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Richland Voluntary Council on Aging, Inc. Rayville, Louisiana

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Richland Voluntary Council on Aging, Inc. as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Richland Council on Aging Inc.'s basic financial statements and have issued my report thereon dated October 26, 2022.

#### **Internal Control Over Financial Reporting**

In planning and performing my audit of the financial statements, I considered the Richland Voluntary Council on Aging Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Richland Voluntary Council on Aging, Inc.'s internal control. Accordingly, I do not express an opinion on the effectiveness of the Richland Voluntary Council on Aging, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Council's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Board of Directors Richland Voluntary Council on Aging, Inc. Page 2

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Council's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Council's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. The purpose of this report is for the information of management, the Governor's Office of Elderly Affairs and the Legislative Auditor and is not intended to be or should not be used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this report is to be distributed by the Legislative Auditor as a public document.

#### RICHLAND VOLUNTARY COUNCIL ON AGING, INC SCHEDULE OF FINDINGS AND QUESTIONED COSTS FOR THE YEAR ENDED JUNE 30, 2022

To the Board of Directors Richland Voluntary Council on Aging, Inc. Rayville, Louisiana

I have audited the financial statements of the Richland Voluntary Council on Aging, Inc. as of and for the year ended June 30, 2022, and have issued my report thereon dated October 26, 2022. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. My audit of the financial statements as of June 30, 2022, resulted in an unqualified opinion.
