The Board of Commissioners Fire Protection District No. Seven of St. Landry Parish Morrow, Louisiana

Management is responsible for the accompanying financial statements of the governmental activities of Fire Protection District No. Seven of St. Landry Parish, a component unit of the St. Landry Parish Government, as of and for the year ended June 30, 2020, which collectively comprise the Fire District's basic financial statements as listed in the table of contents, in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

Management has omitted management's discussion and analysis and the budgetary comparison schedule that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

Other Supplementary Information

The other supplementary information presented on page 8, although not a part of the basic financial statements is required by Louisiana Revised Statute 24:513 to supplement the basic financial statements. The supplementary information has been compiled from information that is the representation of management. We have not audited or reviewed the other supplementary information and, accordingly, do not express an opinion, a conclusion, nor provide any form of assurance on such information.
