**BUDGETING, CONTINUED**

6. Trace the budget adoption and amendments to the minute book.

We verified the adoption of the Office of the Clerk of Court's budget by the City Council of the City of New Orleans. The budget of the Office of Clerk of Court is included in the overall budget of the City of New Orleans.

7. Compare the appropriation and expenditures of the final budget to actual revenues and expenditures paid by the City of New Orleans for the Clerk of Court to determine if actual revenues failed to meet budgeted revenues by 5% or more or if actual expenditures exceeded budgeted amounts by 5% or more.

We compared the appropriation and expenditures of the final budget to the actual appropriation and expenditures. The actual appropriation and expenditures for the year did not exceed budgeted amounts by five percent (5%) or more. The Office of Clerk of Court receives an appropriation from the City of New Orleans for operating costs.

**ACCOUNTING AND REPORTING**

8. Randomly select six (6) disbursements made during the period under examination and:
- A. Trace payments to supporting documentation as to proper amount and payee;

A reading of correspondence from management indicated no approvals were granted for the types of payments noted. We also inspected payroll and cash disbursement records for the year and noted no instances which would indicate payments to employees which would constitute bonuses, advances, or gifts.

Our prior year report, dated June 28, 1999, did not include any comments or unresolved matters.

We were not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on management's assertions. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
