INDEPENDENT AUDITORS' REPORT

To the Board of Directors Xavier Triangle Neighborhood Development Corporation

We have audited the accompanying statement of financial position of the Xavier Triangle Neighborhood Development Corporation (Xavier Triangle-a non-profit corporation) as of June 30, 1999 and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the management of the Xavier Triangle Neighborhood Development Corporation. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards, and the standards applicable to financial audits contained in <u>Government Auditing Standards</u>, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Xavier Triangle Neighborhood Development Corporation as of June 30, 1999, and the changes in its net assets and its cash flows for the year then ended in conformity with generally accepted accounting principles.

In accordance with <u>Government Auditing Standards</u>, we have also issued our report dated December 27, 1999 on our consideration of Xavier Triangle's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants.

The accompanying required OMB Circular A-133 schedule of expenditures of federal awards is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. <u>Principles of Accounting</u>

- •

1

The financial statements and supplemental schedule of the Xavier Triangle are prepared in accordance with generally accepted accounting principles, and are prepared on the accrual basis. The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

B. <u>Cash and Cash Equivalents</u>

Cash consists solely of demand deposits fully secured by federal deposit insurance. For purposes of the statement of cash flows, the management of Xavier Triangle considers all time deposits and certificates of deposits with a maturity of three months or less to be cash equivalents.

C. <u>Basis of Reporting</u>

Xavier Triangle has adopted the provisions of Statement of Financial Accounting Standards (SFAS) No. 116, "Accounting for Contributions Received and Contributions Made," and SFAS No. 117, "Financial Statements of Not-for-Profit Organizations." SFAS No. 116 requires that unconditional promises to give (pledges) be recorded as receivables and revenues and requires the organization to distinguish between contributions received for each net asset category in accordance with donor-imposed restrictions. SFAS No. 117 establishes standards for external financial reporting by not-for-profit organizations and requires that resources be classified for accounting and reporting purposes into three net asset categories (i.e. unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets) according to externally (donor) imposed restrictions.

A description of the three (3) net asset categories is as follows:

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES CONTINUED

• •

C. <u>Basis of Reporting</u>, Continued

Unrestricted net assets include the following:

Unrestricted net assets include funds not 0 subject to donor-imposed stipulations. The revenues received and expenses incurred in conducting the mission of Xavier Triangle are included in this category. Xavier Triangle has determined that any donor-imposed restrictions for current or developing programs and activities are generally met within the operating cycle of Xavier Triangle, and therefore, Xavier Triangle's

policy is to record these net assets as unrestricted.

Temporarily restricted net assets include realized gains and losses, investment income and gifts and contributions for which donor imposed restrictions have not been met.

Permanently restricted net assets are contributions which are required by the donor-imposed restriction to be invested in perpetuity and only the income be made available for program operations in accordance with the donor restrictions. Such income is reflected in temporarily restricted net assets until utilized for donor imposed restrictions.

At June 30, 1999, Xavier Triangle did not have any temporarily or permanently restricted net assets.

D. <u>Fixed Assets</u>

Fixed assets are stated at cost, if purchased, or at fair market value at the date of the gift, if Depreciation is provided using the donated. straight-line method over the estimated useful life of the office furniture and equipment, which is 5 years.

NOTE 2 - <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u> CONTINUED

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefitted.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE AND INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Xavier Triangle Neighborhood Development Corporation

We have audited the financial statements of Xavier Triangle Neighborhood Development Corporation (a non-profit organization) as of and for the year ended June 30, 1999, and have issued our report thereon dated December 27, 1999. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in <u>Government Auditing Standards</u>, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Xavier Triangle Neighborhood Development Corporation (Xavier Triangle) financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE AND INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS (CONTINUED)

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Xavier Triangle's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses.

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of the Board of Directors, management and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than those specified parties.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

To the Board of Directors Xavier Triangle Neighborhood Development Corporation

<u>Compliance</u>

We have audited the compliance of Xavier Triangle Neighborhood Development Corporation (Xavier Triangle) with the types of compliance requirements described in the <u>U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement</u> that are applicable to its major federal program for the year ended June 30, 1999. Xavier Triangle's major federal program is identified in the summary of the independent auditors' results section of the accompanying Schedule of Findings and Questioned Costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to its major federal program is the responsibility of Xavier Triangle's management. Our responsibility is to express an opinion on Xavier Triangle's compliance based on our audit.

We conducted our audit of compliance in accordance with generally accepted auditing standards; the standards applicable to financial audits contained in <u>Government Auditing</u> <u>Standards</u>, issued by the Comptroller General of the United States; and OMB Circular A-133, <u>Audits of States, Local Governments, and Non-Profit Organizations</u>. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Xavier Triangle's compliance with those requirements and performing such other procedures as we considered necessary

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH **REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM** AND INTERNAL CONTROL OVER COMPLIANCE IN **ACCORDANCE WITH OMB CIRCULAR A-133** (CONTINUED)

To the Board of Directors Xavier Triangle Neighborhood Development Corporation

In our opinion, Xavier Triangle complied, in all material respects, with the requirements referred to previously that are applicable to its major federal program for the year ended June 30, 1999.

Internal Control Over Compliance

The management of Xavier Triangle is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered Xavier Triangle's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of the Board of Directors, management, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than those specified parties.

INDEPENDENT AUDITORS' COMMENTS TO MANAGEMENT

To the Board of Directors Xavier Triangle Neighborhood Development Corporation New Orleans, Louisiana

We have audited the financial statements of Xavier Triangle Neighborhood Development Corporation for the year ended June 30, 1999, and have issued our report thereon dated December 27, 1999.

In planning and performing our audit of the financial statements, we considered the organization's internal control in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control.

During our audit, we became aware of a matter that is an opportunity for strengthening internal control and operating efficiency. The memorandum that accompanies this letter summarizes our comment and suggestion regarding the matter.

This letter does affect our report dated December 27, 1999 on the financial statements of Xavier Triangle Neighborhood Development Corporation.

INDEPENDENT AUDITORS' COMMENTS TO MANAGEMENT (Continued)

1. TIMELY ISSUANCE OF THE AUDIT OF THE FINANCIAL STATEMENTS

We noted during our audit that the audited financial statements were not issued as stipulated by Louisiana Revised Statute 24:513. This condition was caused by a delay in discussing the audit report with all appropriate management personnel.

We recommend that management adhere to established procedures regarding the issuance of audited financial statements.

We will review the status of the comment during our next audit engagement. We have already discussed the comment and suggestion with appropriate personnel of Xavier Triangle Neighborhood Development Corporation, and we will be pleased to discuss it in further detail at your convenience, to perform any additional study of the matter, or to assist you in implementing the recommendation.
