#### INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Natchitoches Association for Retarded Citizens, Inc. Natchitoches, LA 71457

We have audited the accompanying statement of financial position of Natchitoches Association for Retarded Citizens, Inc. (a nonprofit organization) as of June 30, 1999, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Natchitoches Association for Retarded Citizens, Inc. as of June 30, 1999, and the changes in its net assets and its cash flows for the year then ended in conformity with generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying financial information listed as "Supplementary Information" in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Page 2

In accordance with *Government Auditing Standards*, we have also issued our report dated October 8, 1999, on our consideration of Natchitoches Association for Retarded Citizens, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grants.

----

three classes of net assets required.

The Association operates two separate divisions. One, the Adult Habilitation Program, receives funding from the State of Louisiana, Department of Health and Hospitals, Office for Citizens with Developmental Disabilities to provide adult day services for a minimum of 22 clients. The other division is the Natchitoches Sheltered Workshop. The Natchitoches Sheltered Workshop is totally self-supportive. Income to the Sheltered Workshop consists solely of revenues earned through contracts with private individuals and companies for the provision of services performed by the clients of the Workshop. No federal financial assistance of any type is received by the Natchitoches Sheltered Workshop.

#### 2. Promises to Give:

Contributions are recognized when a donor makes a promise to give to the Association's Adult Habilitation Program and Sheltered Workshop that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are reported as increases in temporary or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets. Natchitoches Association for Retarded Citizens, Inc. Adult Habilitation Program and Sheltered Workshop Notes to Financial Statements June 30, 1999

#### 3. Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### 4. Property, Plant, and Equipment:

Donations of property, plant, and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose.

Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. When donor stipulations are absent regarding how long those donated assets must be maintained, the Association's Adult Habilitation Program and Sheltered Workshop report expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Association's Adult Habilitation Program and Sheltered Workshop reclassify temporarily restricted net assets to unrestricted net assets at that time. Property and equipment are depreciated using the straight-line method.

# 5. <u>Contributions</u>:

The Association's Adult Habilitation Program and Sheltered Workshop have also elected, in 1995, to adopt SFAS No. 116, "Accounting for Contributions Received and Contributions Made". In accordance with SFAS No. 116, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions.

# 6. <u>Income Taxes</u>:

The Natchitoches Association for Retarded Citizens, Inc.'s Adult Habilitation Program and Sheltcred Workshop are exempt from income taxes under Internal Revenue Code Section 501(c)(3).

# 7. <u>Cash</u>:

Cash - includes not only currency on hand but also demand deposits with banks or other financial institutions and other kinds of accounts that have the general characteristics of demand deposits in that the customer may deposit additional funds at any time and also effectively may withdraw funds at any time without prior notice or penalty.

#### NOTE 2 RESTRICTIONS ON ASSETS

Restrictions on assets at June 30, 1999 relate to vans obtained by the Association through Section 16 of the Federal Transit Act which provides for capital grants for the specific purpose of assistance in providing transportation services to meet the special needs of elderly and disabled persons for whom mass transportation services are unavailable, insufficient, or inappropriate. The program is administered by the Louisiana Department of Transportation and Development. The vans obtained with these funds must be used for transportation services to the elderly and disabled within the Association's service area. The Department of Transportation and Development must be immediately notified if the equipment is not used in the aforementioned manner or if it is withdrawn from service. Disposition of the vehicle must have DOTD approval and must be in conformance with the provisions of OMB Circular A-102, Attachment N. Dispositions must be at current market value and a portion of the funds received must be returned in proportion to the original percentage of

Federal funds contributed.

It is the policy of the Association's Adult Habilitation Program to amortize the asset restricted over its estimated useful life using the straight-line method.

# REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of Natchitoches Association for Retarded Citizens, Inc. Natchitoches, LA 71457

We have audited the financial statements of the Natchitoches Association for Retarded Citizens, Inc. as of and for the year ended June 30, 1999, and have issued our report thereon dated October 8, 1999. We

conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

### Compliance

As part of obtaining reasonable assurance about whether the Natchitoches Association for Retarded Citizens, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statements amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

# Internal Control Over Financing Reporting

In planning and performing our audit, we considered the Natchitoches Association for Retarded Citizens, Inc.'s internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their

# assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.
