#### INDEPENDENT AUDITOR'S REPORT

Board of Directors
Plaquemines Council on Aging, Inc.
Port Sulphur, Louisiana

We have audited the accompanying general-purpose financial statements of the Plaquemines Council on Aging, Inc. as of and for the year ended June 30, 1999, as listed in the preceding table of contents. These general-purpose financial statements are the responsibility of the organization's management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

In our opinion, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of Plaquemines Council on Aging, Inc. as of June 30, 1999, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.

In accordance with Government Auditing Standards, we have also issued our report dated October 6, 1999 on our consideration of the organization's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants.

Our audit was performed for the purpose of forming an opinion on the general-purpose financial statements of the organization taken as a whole. The accompanying supplemental information, as listed in the preceding table of contents, is presented for purposes of additional analysis. This supplemental information is not a required part of the general-purpose financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic general-purpose financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic general-purpose financial statements taken as a whole.

Plaquemines Council on Aging has not presented the disclosures required by GASB's Technical bulletin 98-1, Disclosures About Year 2000 Issues, as amended by GASB's Technical bulletin 99-1, that GASB has determined are necessary to supplement, although not be a part of, the basic general-purpose financial statements. In addition, we do not provide assurance that the Council is or will become year 2000 compliant, that the Council's year 2000 remediation efforts will be successful in whole or in part, or that parties with which the Council does business are or will become year 2000 compliant.

#### NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended June 30, 1999

#### NOTE 1 - SUMMARY OF ACCOUNTING POLICIES

The following is a summary of the corporation's significant accounting policies, which have been consistently applied in the preparation of the accompanying financial statements:

Reporting Entity - In 1964, the State of Louisiana passed Act 456, which authorized the charter of voluntary councils on aging for the welfare of the aging people in their respective parishes. Charters are issued by the Louisiana Secretary of State upon approval by the Governor's Office of Elderly Affairs. Plaquemines Council on Aging, Inc. is a non-profit corporation which must comply with the policies and regulations established by the Governor's Office of Elderly Affairs, the state agency which provides the council with most of its revenues. The Council also receives revenues from other federal, state and local government agencies, which may impose certain restrictions upon how the Council can use the money that they have provided.

The Council is not a component unit of another primary government, nor does it have any component units which are related to it. Therefore, the Council has presented its financial statements as a separate special-purpose government.

The primary function of Plaquemines Council on Aging, Inc. is to improve the quality of life for the parish's elderly as well as coordinate and monitor the services of other local agencies serving the aging people of the parish. Such services include providing meals, nutritional education, information and referral services, legal assistance, homemaker services, operating senior centers, and transportation. A Board of Directors, consisting of 14 voluntary members who serve 3 year terms, govern the council.

<u>Presentation of Financial Statements</u> - In April 1984, the Financial Accounting Foundations established the Governmental Accounting Standards Board (GASB) to promulgate generally accepted accounting principles and reporting standards with respect to activities and transactions of state and local governmental entities. In November of 1984, the GASB issued a Codification of Governmental Accounting and Financial Reporting Standards. This codification and subsequent GASB pronouncements are recognized as generally accepted accounting principles for state and local governments.

The accompanying financial statements conform to generally accepted accounting principles for state and local governments. These statements have also incorporated any applicable requirements set forth by *Audits of State and Local Governmental Units*, the industry audit guide issued by the American Institute of Certified Public Accountants; subsection VI - Annual Financial Reporting, accounting manual for Governor's Office of Elderly Affairs contractors; and, the *Louisiana Governmental Audit Guide*.

<u>Fund Accounting</u> - The Plaquemines Council on Aging, Inc. uses funds and account groups to report its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions relating to certain functions or activities.

The accounts of the Council are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, equity, revenues, and expenditures, or expenses, as appropriate. Resources are allocated to and accounted in individual funds based upon the purpose for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped, in the financial statements in this report, into two generic fund types and one broad fund category (account group).

#### NOTES TO THE FINANCIAL STATEMENTS - CONT'D

For the Year Ended June 30, 1999

#### NOTE 1 - SUMMARY OF ACCOUNTING POLICIES - Cont'd

Governmental funds are used to account for all or most of the Council's general activities, including the collection and disbursement of specific or legally restricted monies, the acquisition of fixed assets, and the servicing of general long-term debt.

The governmental funds and the programs comprising them, as presented in the financial statements, are described as follows:

General Fund - The General Fund is the general operating fund of the Council. It is used to account for all
financial resources except those required to be accounted for in another fund. These discretionary funds are
accounted for and reported according to the source (federal, state, or local) from which they are derived.

The following types of programs comprise the Council's General Funds:

Local - Local funds are received from various local sources; such funds not being restricted to any special
use.

The Council's program participants also generate revenues through a variety of fund raising activities that are not sponsored by any particular grant award. Revenues and expenses relating to these activities are accounted for as part of the General Fund's local program.

- PCOA (Act 735): PCOA (Act 735) funds are appropriated for the Council by the Louisiana Legislature and remitted to the Council via the Governor's Office of Elderly Affairs (GOEA). The Council may use these "Act 735" funds at its discretion, provided the program is benefiting people who are at least 60 years old.
- Special Revenue Funds Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than special assessments and major capital projects) that are legally restricted to expenditures for specified purposes. Most of the Council's special revenue funds are provided by GOEA. The Title III funds are provided by the United States Department of Health and Human Services - Administration on Aging through the Governor's Office of Elderly Affairs, which in turn "passes through" the funds to the Council.

The following are the funds, which comprise the Council's Special Revenue Funds:

- <u>Title III-B Administration Fund</u>: The Title III-B Administration Fund is used to account for the
  administration of Special Programs for the Aging. Title III-B administrative funds are provided by the
  United State Department of Health and Human Services through the Louisiana Governor's Office of
  Elderly Affairs, which "passes through" the funds to the Council. These funds are used to pay for
  administrative costs associated with the Title III and Senior Center programs.
- <u>Title III-B Supportive Services Fund</u>: Title III-B Supportive Services Fund is used to account for funds
  which are to provide a variety of social services; such as, information and assistance, access services,
  in-home services, community services, legal assistance, and outreach for people age 60 and older.

#### NOTES TO FINANCIAL STATEMENTS - CONT'D

For the Year Ended June 30, 1999

#### NOTE 1 - SUMMARY OF ACCOUNTING POLICIES - CONT'D

- <u>Title III C-1 Fund</u>: The Title III C-1 fund is used to account for funds which are used to provide nutritional, congregate meals to the elderly in strategically located centers. During the fiscal year July 1, 1998 to June 30, 1999, the Council served about 18,436 congregate meals.
- <u>Title III C-2 Home Delivered Meals Fund</u>: Title III C-2 Fund is used to account for funds which are used to provide nutritional, home delivered meals to homebound older persons. During the fiscal year June 1, 1998 to June 30, 1999, the Council served about 25,062 home delivered meals.
- <u>Title III-D Fund</u>: The Title III-D Fund is used to account for funds which are used to provide in-home services to frail older individuals, including in-home supportive services for older individuals who are victims of Alzheimer's disease and related disorders with neurological and organic brain dysfunction, and to the families of such victims.
- <u>Title III-F Fund</u>: The Title III-F fund is used to account for funds used for disease prevention and health promotion activities or services. The law directs the state agency administering this program to give priority to areas of the state which are medically under served and in which there are a large number of older individuals who have the greatest economic and social need.
- Senior Center Fund: The Senior Center Fund is used to account for the administration of Senior Center Program funds appropriated by the Louisiana Legislature to the Governor's Office of Elderly Affairs, which in turn passes through the funds to the Council. This program provides community service centers at which older persons receive supportive services and participate in activities which foster their independence, enhance their dignity, and encourage their involvement in and with the community. The Council operates 4 senior centers in Plaquemines Parish, Louisiana.
- <u>U.S.D.A. Fund</u>: The U.S.D.A. Fund is used to account for the administration of Nutrition Program for the Elderly funds provided by the United State Department of Agriculture through the Governor's Office of Elderly Affairs, which passes through the funds to the Council. This Program reimburses the service provider about .583 cents for each congregate and home-delivered meal served to an eligible participant so that United States food and commodities may be purchased to supplement these programs.
- <u>Audit Fund</u>: The Audit Fund is used to account for funds received from the Governor's Office of Elderly
  Affairs that are restricted to use as a supplement to pay for the cost of having an annual audit of the
  Council's financial statements.
- Supplemental Senior Center Fund: The Louisiana Legislature appropriated additional money for various councils on aging throughout the state to be used to supplement the primary state grant for senior centers. Plaquemines Council on Aging, Inc. was one of the parish councils to receive a supplement grant. These funds are passed thorough the Governor's Office of Elderly Affairs.
- <u>Utility Assistance Fund</u>: The Utility Assistance Fund is used to account for the administration of programs
  that are sponsored by local utility companies. The companies collect contributions from service
  customers and remit the funds to the Louisiana Association of Councils on Aging (LACOA), which in turn
  remits funds relating to Plaquemines Parish to the Council so that it can provide assistance to the elderly
  for the payment of their utility bills.

#### NOTES TO FINANCIAL STATEMENTS - CONT'D

For the Year Ended June 30, 1999

#### NOTE 1 - SUMMARY OF ACCOUNTING POLICIES - CONTD

<u>Account Groups</u> - An account group is a financial reporting device designed to provide accountability for certain assets and liabilities that are not recorded in the funds because they do not directly affect net expendable available financial resources. The following account group is not a "fund".

General Fixed Assets: The fixed assets (capital outlays) used in governmental fund type operations of Plaquemines Council on Aging, Inc. are accounted for (capitalized) in the General Fixed Assets Account Group and are recorded as expenditures in the government fund types when purchased.

Basis of Accounting - The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. The governmental funds, including the General and Special Revenue Funds, are accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities are generally included on the balance sheet. Operating statements of these funds represent increases (revenues and other financing sources) and decreases (expenditures and other uses) in net current assets.

Governmental funds are maintained on the modified accrual basis of accounting wherein revenues are recognized in the accounting period in which they become available and measurable. Expenditures are recognized in the accounting period in which the liability is incurred, if measurable, except for the following:

(1) Claims and judgements and compensated absences are recorded as expenditures when paid with expendable available financial resources.

<u>Transfers</u> - Advances between funds, which are not expected to be repaid, are accounted for as transfers. In those cases where repayment is expected, the advances are classified as due from other funds and due to other funds on the balance sheet. All transfers from Parish Funds are considered permanent and no repayment is due.

<u>Budget Policy</u> - The Council follows these procedures in establishing the budgetary data reflected in these financial statements.

- The Governor's Office of Elderly Affairs "GOEA" notifies the Council each year as to the funding levels
  for each program's grant award.
- Projections are made of revenues from other sources based on past trends and data available to form expectations of future revenues.
- The Executive Director prepares a proposed budget based on the expected funding levels and then submits the budget to the Board of Directors for approval.
- The Board of Directors reviews and adopts the budget before May 31 of the current year for the next year.
- The adopted budget is forwarded to the Governor's Office of Elderly Affairs for final approval.

#### NOTES TO FINANCIAL STATEMENTS - CONT'D

For the Year Ended June 30, 1999

#### NOTE 1 - SUMMARY OF ACCOUNTING POLICIES - CONT'D

- All budgetary appropriations lapse at the end of each fiscal year (June 30). Occasionally, the Council will
  receive a special project grant, which may operate on a period different from the Council's normal fiscal
  year, and therefore, have specified date where the budgetary appropriations will lapse.
- The budget is prepared on a modified accrual basis, consistent with the basis of accounting, for comparability of budgeted and actual revenues and expenditures.
- Budgeted amounts included in the accompanying financial statements include the original adopted budget amounts and all subsequent amendments.
- Actual amounts are compared to budgeted amounts periodically during the fiscal year as a management control device.
- The Council may transfer funds between line items as often as required, but must obtain prior approval from the Governor's Office of Elderly Affairs for funds received under grants from this state agency. As a part of this grant award, GOEA requires the Council to amend its budget in cases where actual costs for a particular cost category exceeded the budgeted amount by more than 10%. Otherwise, the excess costs could be labeled as unauthorized expenditures.
- Expenditures cannot legally exceed appropriations on an individual fund level.
- The Council is not required by state or local law to prepare a budget for every program or activity it conducts. Accordingly, some General Fund activities are not budgeted, particularly if they are deemed to be immaterial by management.
- Amounts were not budgeted for revenues and expenses for the Utility Assistance Fund because they
  were not legally required and the amount of revenue to be received under this program could not be
  determined.

Comparative Data - Comparative data for the prior year has been presented in the accompanying financial statements in order to provide an understanding of changes in the Council's financial position and operations. However, presentation of comparative data by fund type has not been presented in each of the statements since their inclusion would make the statements unduly complex and difficult to read.

<u>Total Columns of Combined Statements - Overview - Total Columns of Combined Financial Statements are captioned memorandum only to indicate that they are presented only to help with financial analysis. Data in these columns do not present financial position, results of operations, or changes in financial position in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation. Interfund eliminations have not been made in the aggregation of this data.</u>

#### NOTES TO FINANCIAL STATEMENTS - CONT'D

For the Year Ended June 30, 1999

#### NOTE 1 - SUMMARY OF ACCOUNTING POLICIES - CONT'D

<u>Fixed Assets</u> - The accounting and reporting treatment applied to the fixed assets associated with a fund are determined by its measurement focus.

All governmental fund type operations are accounted for on a spending or "financial flow" measurement focus and only current assets and current liabilities are generally included on their balance sheets.

Fixed assets used in governmental fund type operations (general fixed assets) are accounted for in the "General Fixed Assets" account group, and are recorded as expenditures in the governmental fund types when purchased. No depreciation has been provided on the general fixed assets. The Plaquemines Parish Government has a reversionary interest in these assets.

Fixed assets are stated at historical cost or estimated historical cost if actual historical cost is not available. Donated fixed assets are stated at their estimated fair market value on the date donated. See the Schedule of Changes in General Fixed Assets for details.

<u>Compensated Absences</u> - The Council does not account for accrued compensated absences in its financial statements. Management is of the opinion, that any liability for accrued, compensated absences at June 30, 1999 would not be material to the financial statements taken as a whole.

Related Party Transactions - There were no related party transactions during the fiscal year.

<u>Estimates</u> - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

<u>Inventory</u> - The food product inventories are stated at the lower of cost or market. Cost is determined primarily by the first-in, first-out method.

#### NOTE 2 - REVENUE RECOGNITION - SUMMARY OF FUNDING POLICIES AND SOURCES OF REVENUES

<u>Intergovernmental</u> - Intergovernmental grant revenues are recorded in governmental funds as revenues in the accounting period when they become susceptible to accrual, that is, measurable and available (modified accrual basis). Intergovernmental grants do not allow the Council to recognize revenue under the grant award until actual costs are incurred or units of service are provided.

Senior Center, State Allocation (Act 735), Title III B, C-1, C-2, D, and F funds are received as a monthly allocation of the total grant in advance of the actual expenditures, but are not susceptible to accrual as revenue until the actual expenditures are made. Audit Funds are also recognized as revenue once the related cost has been incurred, and the grant reimbursement is measurable and available.

U.S.D.A. program funds are earned and become susceptible to accrual based upon the number of units of service provided to program participants and are recorded as revenue at that time.

#### NOTES TO FINANCIAL STATEMENTS - CONT'D

For the Year Ended June 30, 1999

#### NOTE 2 - REVENUE RECOGNITION - SUMMARY OF FUNDING POLICIES AND SOURCES OF REVENUES

<u>Public Support and Miscellaneous Revenues</u> - The Council encourages and receives contributions from clients to help offset the costs of the Title III-B, C-1, C-2, and D Programs. Utility assistance funds are provided from public donations to the Project Care Program sponsored by Gulf States Utilities. In addition, various fund-raisers are held during the year to obtain funds to offset costs of general operations and senior center activities. The timing and amounts of the receipts of public support and miscellaneous revenues are difficult to predict; therefore, they are not susceptible to accrual and are recorded as revenue in the period received.

The Special Revenue Grants and their inclusion in the accompanying financial statements are as follows:

	Revenue
<u>Grants</u>	Received
Governor's Office of Elderly Affairs:	
Title III B-Administration	\$ 17,325
Title III B-Supportive Services	52,473
Title III C1-Congregate Meals	45,610
Title III C2-Home Delivered Meals	69,410
Audit Funds	1,057
Senior Center	18,695
Title III F - Preventive Health	3,073
Title III D-In-Home	1,928
Supplemental Senior Center	4,500
USDA	<u>24,329</u>
TOTAL SPECIAL REVENUE GRANTS	\$ <u>238,400</u>

Plaquemines Council on Aging, Inc. receives contributions from clients to help offset the costs of programs. The participant contributions for the Title III C-1 Congregate Meals Program and the Title III C-2 Home-Delivered Meals Program totaled \$2,634 and \$2,412 respectively. Contributions for the Title III-B Supportive Services Program totaled \$1,090. These amounts are shown as contributions on the financial statements.

The following details Plaquemines Council on Aging, Inc.'s General Fund Grants and their inclusion in the accompanying financial statements.

<u>Grants</u>	Grant <u>Period</u>	Award	Revenue <u>Received</u>
Plaquemines Parish PCOA	7/1/98- 6/30/99 7/1/98- 6/30/99	\$199,215 10,889	\$ 199,215 
TOTAL			\$ <u>220,994</u>

#### NOTES TO THE FINANCIAL STATEMENTS - CONT'D

For the Year Ended June 30, 1999

#### **NOTE 3 - CASH AND INVESTMENTS**

At June 30, 1999, the carrying amount of the Council's deposits were as follows:

Regions Bank	
Operating - Checking	\$ 40,949
Payroll - Checking	346
Regular Savings	2,674
Total Regions Bank	43,969
Mississippi River Bank	
Money Market Savings	<u>7,733</u>
Total Cash on Deposit in Banks	\$ <u>51,702</u>

The related bank balances (collected deposits) at June 30, 1999 totaled \$60,995 for the accounts located in Regions Bank and \$7,733 for the Mississippi River Bank savings account. All of the deposits were covered by federal depository insurance. GASB Statement 3 categorizes the credit risk of these deposits as Category 1 because they are fully insured.

Other amounts classified as cash on the accompanying financial statements are petty cash funds totaling \$150. The money market savings account listed above is classified as an investment on the accompanying balance sheet.

#### NOTE 4 - GRANTS RECEIVABLE

Grants receivable at June 30, 1999, consisted of reimbursements for expenses incurred under the following programs:

		Funding	
Program	<u>Fund</u>	Agency	<u>Amount</u>
U.S.D.A.	Special Revenue	GOEA	\$ <u>1,978</u>

#### NOTE 5 - CHANGES IN GENERAL FIXED ASSETS

The changes in general fixed assets are as follows:

Balance at July 1, 1998	<u>Vehicles</u>	Equipment	<u>Total</u>
	\$ 126,598	\$ 71,098	\$ 197,696
Current year acquisitions	<u>0</u>	8,144	8,144
Deletions		0	0
Balance at June 30, 1999	\$ <u>126,598</u>	\$_79,242	\$ <u>205,840</u>

#### NOTES TO THE FINANCIAL STATEMENTS - CONT'D

For the Year Ended June 30, 1999

#### NOTE 6 - IN-KIND CONTRIBUTIONS

The Council received various in-kind contributions during the year. These in-kind contributions have not been recorded in the financial statements as revenues, nor has the expenditure related to the use of the in-kind been recorded.

The primary in-kind contributions consisted of free rent for the senior centers, and wages and fringe benefits for volunteer workers.

#### NOTE 7 - BOARD OF DIRECTORS' COMPENSATION

The Board of Directors is a voluntary board; therefore, no compensation has been paid to any member. However, board members are reimbursed for out-of-town travel expenses incurred in accordance with the Council's regular personnel policy.

#### NOTE 8 - INCOME TAX STATUS

The Council, a non-profit corporation, is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code of 1986, and as an organization that is not a private foundation as defined in Section 509(a) of the code. It is also exempt from Louisiana income tax.

### NOTE 9 - JUDGEMENTS, CLAIMS, AND SIMILAR CONTINGENCIES

There is no litigation pending against the Council at June 30, 1999. Furthermore, the Council's management believes that any potential lawsuits would be adequately covered by insurance.

#### NOTE 10 - FEDERAL AWARD PROGRAMS

The Council receives revenues from various federal and state grant programs which are subject to final review and approval as to allowability of expenditures by the respective grantor agencies. These programs are audited in accordance with the Single Audit Act Amendments of 1996. Any settlements or expenses arising out of a final review are recognized in the period agreed upon by the agency and the Council. Also, it is management's opinion that any audits by the grantor agencies would not produce disallowed program costs and liabilities to such an extent that they would materially affect the Council's financial position.

#### NOTES TO THE FINANCIAL STATEMENTS - CONT'D

For the Year Ended June 30, 1999

#### NOTE 11 - ECONOMIC DEPENDENCY

The Council receives the majority of its revenue from funds provided through grants administered by the Governor's Office of Elderly Affairs. The grant amounts are appropriated each year by the federal and state governments. If significant budget cuts are made at the federal and/or state level, the amount of the funds the Council receives could be reduced significantly and have an adverse impact on its operations. Management is not aware of any actions that will adversely affect the amount of funds the Council will receive in the next fiscal year.

#### NOTE 12 - PENSION PLAN

Plaquemines Council on Aging, Inc. provides pension benefits for all eligible full-time employees through a defined contribution plan. The benefits, at retirement, are calculated as if the sum of the employer's contribution and earnings on investments were used to purchase an annuity.

Employees may retire at age 55. The employee is fully vested after seven years. The contribution rate for employer is 5% of payroll.

The pension expense for the year ended June 30, 1999 was approximately \$10,813.

#### NOTE 13 - RISK MANAGEMENT

The Council is exposed to various risks of loss related to torts; thefts of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Council has purchased commercial insurance to cover or reduce the risk of loss that might arise should one of these incidents occur. No settlements were made during the year that exceeded the Council's insurance coverage.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors
Plaquemines Council on Aging, Inc.
Port Sulphur, Louisiana

We have audited the financial statements of Plaquemines Council on Aging, Inc. as of and for the year ended June 30, 1999 and have issued our report thereon dated October 6, 1999. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

#### Compliance

As part of obtaining reasonable assurance about whether the organization's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

#### Internal Control Over Financial Reporting

In planning and performing our audit, we considered the organization's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. However, we noted certain matters involving the internal control over financial reporting and its operation that we consider to be reportable condition. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control over financial reporting that, in our judgement, could adversely affect the organization's ability to record, process, summarize and report financial data consistent with the assertions of management in the financial statements. Reportable conditions are described in the accompanying schedule of findings and questioned costs as item 99-1.

We also noted other matters involving the internal control over financial reporting that we have reported to management of the organization in a separate letter dated October 6, 1999.

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level, the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be reportable conditions and accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses. However, we believe the reportable condition described above is not a material weakness.

#### STATUS OF PRIOR AUDIT FINDINGS

For the Year Ended June 30, 1999

None reported.

<sup>\*</sup> The accompanying notes are an integral part of the financial statements.

#### SCHEDULE OF FINDINGS AND QUESTIONED COSTS

For the Year Ended June 30, 1999

#### 99-1 SOLICITATION OF BIDS

<u>Criteria</u>: It is the responsibility of the organization to adopt and comply with purchasing and procurement procedures set forth by the Governor's Office of Elderly Affairs (GOEA).

<u>Condition</u>: During our testing of Plaquemines Council on Aging's compliance with the Governor's Office of Elderly Affairs policy on purchasing and procurement, it was determined that the Council did not solicit bids for any of the equipment purchased during the current audit period.

Cause/Effect: Adequate procedures are not in place to ensure that bids are taken prior to purchase of assets as required by GOEA's guidelines.

<u>Recommendation</u>: SAUNDERS & ASSOCIATES recommends that management review current procedures to insure compliance with the procurement requirements and enhance procedures as necessary to prevent further instances of non-compliance.

Reply: Due to the fact that the Council bought the equipment with local funds, it was assumed that the procurement policy set for the by GOEA did not have to be followed, therefore, bids were not obtained. However, Plaquemines Council on Aging believes it to be in the best interest of the organization to solicit bids on all capital asset additions regardless of the source of the funds.

<sup>\*</sup> The accompanying notes are an integral part of the financial statements.

Board of Directors
Plaquemines Council on Aging, Inc.
Port Sulphur, Louisiana

The accompanying Management Letter includes suggestions for improvement of accounting procedures and internal accounting controls that came to our attention as a result of our examination of the financial statements of the Plaquemines Council on Aging, Inc., Port Sulphur, Louisiana, for the year ended June 30, 1999. The matters discussed herein were considered by us during our examination and do not modify the opinion expressed in our auditor's report dated October 6, 1999 on such financial statements.

In accordance with generally accepted auditing standards we made a review of the Plaquemines Council on Aging, Inc.'s system of internal accounting controls for the purpose of providing a basis for reliance thereon, in determining the nature, timing and extent of substantive testing of the June 30, 1999 financial statements. While certain matters that came to our attention during the review are presented in the accompanying Management Letter for the consideration of the Board, our review did not encompass all control procedures and techniques and was not designed for the purpose of making detailed recommendations.

The accompanying Management Letter also includes comments and suggestions with respect to other financial and administrative matters that came to our attention during the course of our examination. These matters are offered as constructive suggestions for the consideration of management as part of the ongoing process of modifying and improving accounting control and other financial and administrative practices and procedures.

This Management Letter is intended solely for the benefit of management and the board of directors, and is not to be used for any other purpose.

We wish to express our appreciation for the courtesies and cooperation extended to our representatives during the course of their work. We would be pleased to discuss these suggestions and comments in greater detail or otherwise assist in their implementation.

Sincerely,

Saunders Vessaintes SAUNDERS & ASSOCIATES

#### MANAGEMENT LETTER

June 30, 1999

### 1. SOFTWARE AND HARDWARE YEAR 2000 COMPLIANCE (Y2K)

<u>Criteria</u>: It is management's responsibility to safeguard the organization's assets and account for and document its financial and programmatic activities, as well as produce accurate and timely financial statements and programmatic reports.

Condition: It appears that your organization has discussed the Y2K issues within management, however, during our examination we could not confirm that you had addressed all of your systems for Y2K compliance or developed a contingency plan. Additionally, you utilize programs that have been developed and are maintained by a third party, which also must be tested for Y2K compliance.

Cause/Effect: Should you have any systems fail due to Y2K compliance, you could potentially lose the ability to produce timely and accurate programmatic and financial information as well as lose control over your assets.

Recommendation: SAUNDERS & ASSOCIATES recommends that you review all software programs and hardware to ensure that they are Y2K compliant. Priorities should be placed on accounting systems and any other systems that utilize dates or are date sensitive. You should especially insure that any database you control or have access to is Y2K compliant. You should also assess the effect of Y2K on major grantors, vendors, service providers, bankers and other third-party organizations and how their non-compliance could possibly affect you. You should also consider developing a Y2K contingency plan.

Reply: The Plaquemines Council on Aging reviewed all software and hardware programs and ensured that the Y2K issue would not be an issue when the year 2000 begins. All computers and software have been updated and are believed to be Y2K Compliant.
