INDEPENDENT AUDITOR'S REPORT

Board of Directors Tensas Council on the Aging, Inc. St. Joseph, Louisiana

We have audited the accompanying general purpose financial statements of the Tensas Council on the Aging, Inc.. as of and for the year ended June 30, 1999. These financial statements are the responsibility of the Council's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Council as of June 30, 1999, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles.

In accordance with *Government Auditing Standards*, we have also issued our report dated November 11, 1999, on our consideration of the Council's internal control over financial reporting and our tests of its compliance with certain provision of laws, regulations, contracts and grants.

Our audit was performed for the purpose of forming an opinion on the general purpose financial statements of the Tensas Council on the Aging, Inc., taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations,* and is not a required part of the general purpose financial statements. Such information has been subjected to the auditing procedures applied to the audit of the general purpose financial statements and, in our opinion, is fairly stated in all material respects, in relation to the general purpose financial statements taken as a whole.

Note 1- Summary of Significant Accounting Policies

A. Reporting Entity

In 1964, the State of Louisiana passed Act 456 that authorized the charter of voluntary councils on aging for the welfare of the aging people in their representative parishes. Charters are issued by the Louisiana Secretary of State upon approval by the Governor's Office of Elderly Affairs. The Tensas Council on the Aging, Inc. is a non-profit, quasipublic. corporation which must comply with the policies and regulations established by the Governor's Office of Elderly Affairs, the state agency which provides the Council with most of its revenues. The Council also receives revenues from other federal, state, and local government agencies that may impose certain restrictions upon how the Council can use the money that they have provided.

The primary function of the Tensas Council on the Aging. Inc. is to improve the quality of life for the parish's elderly and to provide services to the elderly as well as coordinate and monitor the services of other local agencies serving the aging people of the parish. Such services include providing meals, nutritional education, information and referral services, legal assistance, homemaker services, operating senior centers, and transportation. A Board of Directors, consisting of 11 voluntary members who serve three-year terms governs the Council.

The Council is not a component unit of another primary government nor does it have any component units that are related to it. Therefore, the Council has presented its financial statements as a separate special purpose government.

B. Presentation of Statements

In April of 1984, the Financial Accounting Foundation established the Governmental Accounting Standards Board (GASB) to promulgate generally accepted accounting principles and reporting standards with respect to activities and transactions of state and local government entities. In November of 1984, the GASB issued a codification of governmental accounting and financial reporting standards. This codification and subsequent GASB pronouncements are recognized as generally accepted accounting principles for state and local governments.

The accompanying financial statements conform to generally accepted accounting principles for state and local governments. These statements have also incorporated any applicable requirements set forth by *Audits of State and Local Governmental Units*, the industry audit guide issued by the American Institute of Certified Public Accountants; Subsection VI-Annual Financial Reporting, accounting manual for Governor's Office of Elderly Affairs contractors, and the *Louisiana Governmental Audit Guide*.

Note 1- Summary of Significant Accounting Policies (continued)

C. Fund Accounting

The Council uses funds and account groups to report its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions relating to certain functions or activities.

The accounts of the Council are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, equity, revenues, and expenditures, or expenses, as appropriate. Resources are allocated to and accounted for in individual funds based upon the purpose for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped, in the financial statements in this report, into two generic fund types and two broad fund categories (account groups).

Governmental funds are used to account for all or most of the Council's general activities, including the collection and disbursement of specific or legally restricted monies, the acquisition of fixed assets, and the servicing of general long-term debt.

The governmental funds and the programs comprising them as presented in the financial statements are described as follows:

GOVERNMENTAL FUNDS

General Fund

The General Fund is the general operating fund of the Council. It is used to account for all financial resources except those required to be accounted for in another fund. These discretionary funds are accounted for and reported according to the source (federal, state, or local) from which they are derived. The following types of programs comprise the Council's General Fund:

Local Funds

Local funds are received from various local sources; such funds not being restricted to any special use.

PCOA (ACT 735) Funds

PCOA (Act 735) funds are appropriated for the Governor's Office of Elderly

Affairs by the Louisiana Legislature for remittance to the Council on Aging. The Council may use these "Act 735" funds at its discretion provided the program is benefiting people who are at least 60.

_ _ _ _

Note 1- Summary of Significant Accounting Policies (continued)

Special Revenue Funds

Special Revenue Funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes. Most of the Council's special revenue funds are provided by GOEA. The Title III funds are provided by the United States Department of Health and Human Services Administration on Aging through the Governor's Office of Elderly Affairs which in turn "passes through" the funds to the Council.

The following are the funds that comprise the Council's Special Revenue Funds:

Title III-B Supportive Services Fund

This program provides access services, in-home services, community services, legal assistance and transportation for the elderly.

Title III C Area Agency Administration Fund

This program accounts for some of the administrative costs associated with operating the Special Programs for the Aging.

Senior Center Fund

This program provides community service centers at which older persons receive supportive services and participate in activities which foster their independence, enhance their dignity and encourage their involvement in and with the community.

Title III C-1 Congregate Meals Fund

These funds are used to provide nutritional congregate meals to the elderly in strategically located centers.

Title III C-2 Home Delivered Meals Fund

These funds are used to provide nutritional meals to home-bound older persons.

8

U.S.D.A. Fund

The U.S.D.A. fund is used to account for the administration of Food Distribution Program funds provided by the United States Department of Agriculture through the Louisiana Governor's Office of Elderly Affairs. This program reimburses the service provider on a per unit basis for each congregate and home-delivered meal served to an eligible participant so that the United States food and commodities may be purchased to supplement these programs.

Note 1 - Summary of Significant Accounting Policies (continued)

Title III-D In Home Services

The III-D Fund is used to account for funds which are used to provide in-home services to frail older individuals, including in-home supportive services for older individuals who are victims of Alzheimer's disease and related disorders with neurological and organic brain dysfunction, and to the families of such victims.

Title III-F Disease Prevention

This program provides preventive health services.

Ssupplemental Senior Center Fund

The Louisiana Legislature appropriated additional money for various Councils on Aging through the state to be used to supplement the primary state grant for senior centers. Tensas Council on the Aging, Inc. was one of the parish councils to receive a supplemental grant.

Utility Assistance Fund

The Utility Assistance fund is used to account for the administration of programs that are sponsored by local utility companies. The companies collect contributions from service customers and remit the funds to the parish Councils on Aging to provide assistance to the elderly for the payment of their utility bills.

Title XIX Medical Assistance Program Fund

This program accounts for funds which are used to provide payments for medical services provided to (1) cash assistance recipients. (2) members of certain mandatory and optional groups who do not receive cash assistance and (3) other medically needy people who qualify under program guidelines. Title XIX funds are provided by Louisiana Department of Health and Human Services.

Emergency Medical Services Fund

This fund accounts for fees collected and remitted to the Louisiana Governor's Office of Elderly Affairs for the use of medical assistance paging devices used by elderly citizens.

Audit Fund

This fund accounts for funds that are restricted to use as a supplement to pay for the cost of having an annual audit of the Council's financial statements.

Note 1- Summary of Significant Accounting Policies (continued)

ACCOUNT GROUPS

The following account groups are not "funds". They are concerned only with the measurement of financial position and are not involved with measurement of results of operations.

General Fixed Assets Account Group

Fixed assets used in governmental fund type operations (general fixed assets) are accounted for in the General Fixed Assets Account Group, rather than in governmental funds. No depreciation has been provided on general fixed assets.

The cost of normal maintenance and repairs that do not add to the value of fixed assets or materially extend their useful lives are not capitalized but are only recognized as a normal expenditure of the governmental funds.

General Long-Term Debt

Long-term liabilities expected to be financed from governmental funds are accounted for in the General Long-Term Debt Account Group, not in the governmental funds.

Because of their spending measurement focus, expenditure recognition for governmental fund types is limited to exclude amounts represented by noncurrent liabilities. Since they do not affect net current assets, such long-term amounts are not recognized as governmental fund type expenditures or fund liabilities. They are instead reported as liabilities in the General Long-Term Debt Account Group.

D. Total Columns on Combined Statements - Overview

Total columns on the Combined Statements - Overview are captioned "Memorandum Only" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operations, or changes in financial position in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation. Interfund eliminations have not been made in the aggregation of this data.

E. Basis of Accounting

The financial reporting treatment applied to a fund is determined by its measurement focus. All governmental funds are accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. Operating statements for these funds present increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses) in net current assets.

The modified accrual basis of accounting is used for reporting all governmental fund types. Under the modified accrual basis of accounting, revenues are recognized when susceptible to

Note 1 - Summary of Significant Accounting Policies (continued)

E. Basis of Accounting (continued)

accrual (i.e., when they become both measurable and available). "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period.

Transfers between funds that are not expected to be repaid are accounted for as other financing sources (uses) and are recognized when the underlying events occur.

F. Budget Policy

The Council follows these procedures in establishing the budgetary data reflected in these financial statements:

The Governor's Office of Elderly Affairs (GOEA) notifies the Council each year as to the funding levels for each program's grant award.

The Executive Director prepares a proposed budget based on the funding levels provided by GOEA and then submits the budget to the Board of Directors for approval.

The Board of Directors reviews and adopts the budget before June 30th of the current year for the next year.

The adopted budget is forwarded to the Governor's Office of Elderly Affairs for final approval.

All budgetary appropriations lapse at the end of each fiscal year (June 30).

The budget is prepared on a modified accrual basis, consistent with the basis of accounting, for comparability of budgeted and actual revenues and expenditures.

Actual amounts are compared to budgeted amounts periodically during the fiscal year as a management control device.

The council may transfer funds between line items as often as required, but must obtain prior approval for the Governor's Office of Elderly Affairs for funds received under grants from this state agency.

Expenditures cannot legally exceed appropriations on an individual level.

11

Amounts were not budgeted for revenues and expenses for the utility assistance fund because they were not legally required and the amount of revenues to be received under this program could not be determined.

Note 1 - Summary of Significant Accounting Policies (continued)

G. Fixed Assets

All fixed assets are stated at historical cost or estimated historical cost, if actual historical cost is not available. Donated fixed assets are stated at their estimated fair market value on the date donated. No depreciation has been provided on general fixed assets.

H. Compensated Absences

Employees of the Tensas Council on the Aging, Inc. earn from 12 to 18 days of annual leave each year with 40 days allowed to be carried over to next year, depending on their length of service and the employee's working status (full-time or part-time). Provided that funds are available, employees are compensated upon termination of employment for current-year accrued annual leave. Employees earn up to 12 days of sick leave each year, and can accumulate up to 60 days, depending upon whether the employee is on a part-time or full-

time status. Employees are not paid for accrued sick leave at termination and no accrual has been made.

1. Funding Policies and Sources of Funds

The Council receives its monies through various methods of funding. USDA cash-in-lieu of commodities funds are provided through the Louisiana Governor's Office of Elderly Affairs to help offset raw food cost in Title III C-1 and C-2 programs. This program is funded under the units of service provided method. The Senior Center program and State Allocation (PCOA) funds are received as a monthly allocation of the total budget (grant) in advance of the actual expenditure. The Title III-B, C-1, C-2, D and F programs are funded based on actual operating cost incurred.

The Council encourages and receives contributions from clients to help offset the costs of the Title III-B. C-1, and C-2 programs. Utility assistance funds are also provided by the Louisiana Association of Council on Aging to the Council under the Helping Hands and Heating Help Energy programs. All of the above mentioned funds, including any other miscellaneous income, are recorded as revenue when the cash is received because the Council cannot predict the timing and amount of receipt.

J. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Note 2 - Cash and Certificates of Deposit

At June 30, 1999, the book balance of the Council's bank deposits was an overdraft \$5,945.

These deposits are stated at cost, which approximates market. Under state law, these deposits (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties. Cash and cash equivalents (bank balances) at June 30, 1999 are secured as follows:

| Bank Balances | <u>\$</u> 2,855 |
|---------------------------------------|-----------------|
| Federal Deposit Insurance | \$ 100,000 |
| Pledoed Securities (Uncollateralized) | - |

Picuged Securities (Unconateranzed)

Total

\$ 100,000

·· -

Because the pledged securities are held by the custodial bank in the name of the fiscal agent bank rather than in the name of the Council, they are considered uncollatalized (Category 3) under the provision of GASB Codification C20.106; however Louisiana Revised Statute 39.1229 imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within 10 days of being notified by the Council that the fiscal agent bank has failed to pay deposited funds upon demand.

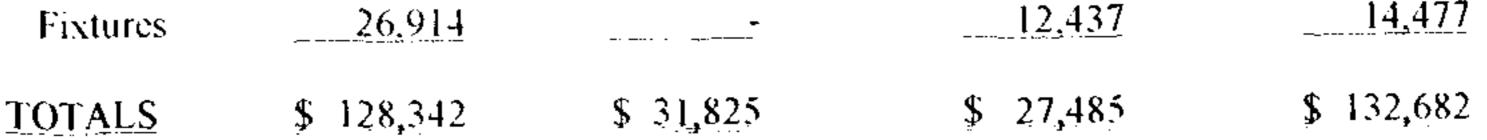

Note 3 - Receivables

Accounts receivable at June 30, 1999, consisted of reimbursements for expenses incurred under the Medicaid and JTPA programs were \$1,717 and other funds was \$565.

Note 4 - Fixed Assets

A summary of changes in general fixed assets follows:

| | Balance July 1, 1998 | Additions | Deletions | Balance June 30, 1999 |
|--|-------------------------|-----------|------------------|--------------------------|
| Land & Buildings Vehicles Furniture & | \$ 20,000 81,428 | \$ | \$ | \$ 20,000 98,205 |
| i amiture e | | | | 14477 |

13

1.7

Note 5 - In-Kind Contributions

The Council received various in-kind contributions during the year. These in-kind contributions have not been recorded in the financial statements as revenues, nor has the expenditure related to the use of the in-kind been recorded. The primary in-kind contributions consisted of free rent and utilities for the senior center and meal sites, and wages and fringe benefits for volunteer workers.

Note 6 - Board of Directors' Compensation

The Board of Directors is a voluntary board; therefore, no compensation has been paid to any member. However, board members are reimbursed for out-of-town travel expenses incurred in accordance with the Council's regular personnel policy.

Note 7 - Income Tax Status

The Council, a non-profit corporation is exempt from federal income taxation under Section 501 (c) (3) of the Internal Revenue Code.

Note 8 - Litigation and Claims

There was no litigation pending against the Council at June 30, 1999, nor is the Council aware of any unasserted claims.

Note 9 - Federal Award Programs

The Council receives revenues from various federal and state grant programs that are subject to final review and approval as to the allowability of expenditures by the respective grantor agencies. These programs are audited in accordance with the *Single Audit Act Amendment of 1996*. Any settlements or expenses arising out of a final review are recognized in the period agreed upon by the agency and the Council. Also, it is management's opinion that any audits by the grantor agencies would not produce disallowed program costs and liabilities to such an extent that they would materially affect the Council's financial position.

Note 10-Economic Dependency

vear.

The Council receives the majority of its revenue from funds provided through grants administered by the Louisiana Governor's Office of Elderly Affairs. The grant amounts are appropriated each year by the federal and state governments. If significant budget cuts are made at the federal and/or state level, the amount of the funds the Council receives could be reduced significantly and have an adverse impact on its operations. Management is not aware of any actions that will adversely affect the amount of funds the Council will receive in the next fiscal

14

Note 11-Long-Term Debt

....

__

The following is a summary of transactions relating to the Council's long-term obligation for the year ended June 30, 1999:

| | Auto Notes Payable | North <u>Delta</u> | | |
|--|----------------------------------|-----------------------|--|--|
| Balance at Beginning of Year Additions (Net) Retirements | \$ 9,292 - (<u>1,886)</u> | \$- 8,600 | | |
| BALANCE AT END OF YEAR | <u>\$</u> 7,406 | \$ 8,6 00 | | |

The auto note is with Bank One for a van that is pledged as collateral. The principal portion of the note was \$9,600 with an interest rate of 12.5% per year. Payments of \$255 are made monthly for 48 months beginning May 1997.

The other loan is from North Delta Regional Planning and Development for operating expenses. It is to be paid back in two semi-annual payments with no interest due.

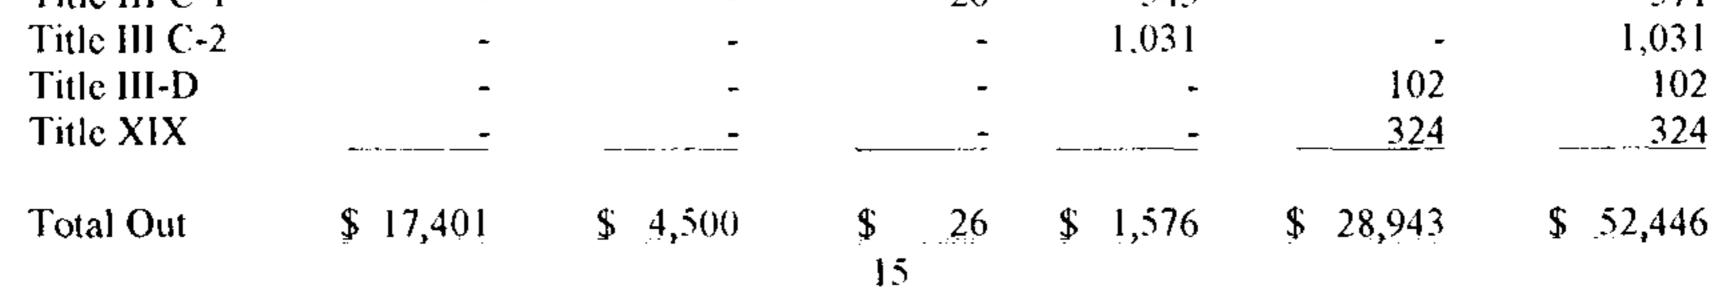

The annual requirements to amortize the loans outstanding as of June 30, 1999, including interest payments of \$1,267 are as follows:

| <u>June 30,</u> | Notes Payable |
|-----------------|---------------|
| 2000 | \$ 11.662 |
| 2001 | 3,062 |
| 2002 | 2,549 |
| Total | \$ 17,273 |

Note 12-Interfund Transfers

Operating transfers in and out are listed by fund for 1999:

| Funds Transferred Out | | | | | | | | | | | | |
|---------------------------------------|-------------------------|-------------------------------|----------------|-----------|----------|------------|------------------------|-----------------|--|--|--|--|
| Funds <u>Transferred In</u> | Senior <u>Center</u> | Supplemental Senior Center | <u>Title X</u> | <u>1X</u> | <u>U</u> | <u>SDA</u> | General <u>Fund</u> | <u>Total In</u> | | | | |
| Title IIIB- Supportive Services | \$ 17,401 | \$ 4,500 | \$ | - | \$ | - | \$ 28,517 | \$ 50,418 | | | | |
| Title III C-1 | - | - | | 26 | | 545 | - | 571 | | | | |

_ _

<u>ST. JOSEPH, LOUISIANA</u> <u>NOTES TO FINANCIAL STATEMENTS</u> FOR THE YEAR ENDED JUNE 30, 1999

Note 13-Related Party Transactions

There were no related party transactions during the year.

Note 14-Risk Management

The Council is exposed to various risks of loss related to torts; thefts of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The council has purchased commercial insurance to cover or reduce the risk of loss that might arise should one of these incidents occur. No settlements were made during the year that exceeded the Council's insurance coverage.

Note 15-Year 2000 Issue

The year 2000 issue is the result of shortcomings in many electronic data processing systems and other electronic equipment that may adversely affect the government's operations. The Council has identified its computer system and other electronic equipment that may be affected by the year 2000 issue and that are necessary to conducting Council operations. All of these systems and equipment have been assessed, remediated, tested and validated. The books are currently being kept on a manual system but will be converted to a new computerized system in the year 2000. All of the systems were remediated by in-house staff, therefore there were no outside contracted amounts for this project as of June 30, 1999.

Because of the unprecedented nature of the Year 2000 issue, its effects and the success of related remediation efforts will not be fully determinable until the year 2000 and thereafter. Management cannot assure that the Council is or will be Year 2000 ready, that the Council's remediation efforts will be successful in whole or in part, or that parties with whom the Council does business will be year 2000 ready.

Note 16-Prior Period Adjustment

In the financial statements for the year ended June 30, 1998, a change was made affecting ending fund balance for one fund type. The change resulted from the Council not adjusting their cash account in prior year for loan proceeds received at year end. This change has the following effect on the beginning fund balance:

| | Special Revenue <u>Funds</u> |
|-------------------------------------|------------------------------------|
| Fund Balance as Previously Reported | \$ (12,556) |
| Adjustment for: Loan Proceeds | <u>8,671</u> |

<u>TENSAS COUNCIL ON AGING, INC.</u> <u>ST. JOSEPH, LOUISIANA</u> <u>NOTES TO SCHEDULE OF EXPENDITURES</u> <u>OF FEDERAL AWARDS</u> FOR THE YEAR ENDED JUNE 30, 1999

· · · · - --- --

· -----

1 General

The Schedule of Expenditures of Federal Awards presents the activity of all federal award programs of the Council. The Council did not pass through any of its federal awards to a subrecipient during the year.

2. Basis of Accounting

The Schedule of Expenditures of Federal Awards is presented using the modified accrual basis of accounting as contemplated under generally accepted accounting principles and which is the same basis of accounting used for presenting the general purpose financial statements.

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDIT STANDARDS

To The Board of Directors Tensas Council on the Aging, Inc. St. Joseph, Louisiana

We have audited the general purpose financial statements of the Tensas Council on the Aging, Inc., as of and for the year ended June 30, 1999 and have issued our report thereon dated November 11, 1999. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Tensas Council on the Aging, Inc.'s general purpose financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our test disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Tensas Council on the Aging, Inc.'s internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its

operation that we consider to be material weaknesses.

To the Board of Directors Tensas Council on the Aging, Inc. Page 2

This report is intended solely for the information of management, the Governor's Office of Elderly Affairs and the Legislative Auditor and is not intended to be and should not be used by anyone other than these specified parties.

TENSAS COUNCIL ON THE AGING, INC SCHEDULE OF FINDINGS AND QUESTIONED COSTS FOR THE YEAR ENDED JUNE 30, 1999

To the Board of Directors Tensas Council on the Aging St. Joseph, Louisiana

We have audited the general purpose financial statements of the Tensas Council on the Aging, Inc. as of and for the year ended June 30, 1999, and have issued our report thereon dated November 11, 1999. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our audit of the financial statements as of June 30, 1999, resulted in an unqualified opinion.

Section I- Internal Control and Compliance Material to the Financial Statements

This section is not applicable for this entity.

Section II- Internal Control and Compliance Material to Federal Awards

This section is not applicable for this entity.

Section III- Management Letter

In the prior year audit, the management letter discussed several non reportable internal control weaknesses related to various areas of the Council. These matters have been resolved since the departure of the former Executive Director and the hiring of a new Director. These weaknesses have been discussed with the Louisiana Governor's Office of Elderly Affairs, the oversight agency for the Tensas Council on the Aging, Inc., and resolved.
