NOTES TO FINANCIAL STATEMENTS

Tenth Judicial District Indigent Defender Board  
Natchitoches, Louisiana  
Notes to Financial Statements  
December 31, 1999

**1. Introduction:**

The Tenth Judicial District Indigent Defender Board was established in compliance with Louisiana Revised Statutes 15:111-149, to provide and compensate counsel appointed to represent indigents in criminal and quasi-criminal cases on the district court level. The judicial district encompasses the parish of Natchitoches, Louisiana.

In April of 1984, the Financial Accounting Foundation established the Governmental Accounting Standards Board (GASB) to promulgate generally accepted accounting principles and reporting standards with respect to activities and transactions of state and local governments. In November of 1984, the GASB issued a codification of governmental accounting and financial reporting standards. This codification is recognized as generally accepted accounting principles for state and local government.

**2. Summary of Significant Accounting Policies:**

The accompanying financial statements of Tenth Judicial District Indigent Defender Board have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

**A. REPORTING ENTITY-**

As the governing authority of the parish, for reporting purposes, the Natchitoches Parish Police Jury is the financial reporting entity for Natchitoches Parish. The financial reporting entity consists of (a) the primary government (police jury), (b) organizations for which the primary government is financially accountable, and (c) other organizations for which nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

Governmental Accounting Standards Board Statement No. 14 established criteria for determining which component units should be considered part of the Natchitoches Parish Police Jury for financial reporting purposes. The basic criterion for including a potential component unit within the reporting entity is financial accountability. The GASB has set forth criteria to be considered in determining financial accountability. This criteria includes:

1. Appointing a voting majority of an organization's governing body, and
  - a. The ability of the police jury to impose its will on that organization and/or
  - b. The potential for the organization to provide specific financial benefits to or impose specific financial burdens on the police jury.

Tenth Judicial District Indigent Defender Board  
Natchitoches, Louisiana  
Notes to Financial Statements  
December 31, 1999

2. Organizations for which the police jury does not appoint a voting majority but are fiscally dependent on the police jury.
3. Organizations for which the reporting entity financial statements would be misleading if data of the organization is not included because of the nature of the significance of the relationship.

Since the Board is fiscally dependent on the Police Jury, and since the Police Jury's financial statements would be misleading if the data from the Board's Office were omitted, the Board has been determined to be component unit of the Natchitoches Parish Police Jury. The accompanying financial statements present information only on the funds maintained by the Board and do not present information on the Police Jury, the general government services provided by that governmental unit, or the other governmental units that comprise the reporting entity.

#### B. FUND ACCOUNTING-

The Board uses funds and account groups to report on its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions relating to certain government functions or activities.

A fund is a separate accounting entity with a self-balancing set of accounts. On the other hand, an account group is a financial reporting device designed to provide accountability for certain assets and liabilities that are not recorded in the funds because they do not directly affect net expendable available financial resources.

The fund of the Board is classified as a governmental fund. The governmental fund accounts for the Board's general activities, including the collection and disbursement of specific or legally restricted monies and the acquisition of general fixed assets. The governmental fund of the Board is described as follows:

1. General Fund - The General Fund, as provided by Louisiana Revised Statute 47:1906, is the principal fund of the Board and accounts for the operation of the Board's office. General operating expenditures are paid from this fund.

#### C. BASIS OF ACCOUNTING-

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. The General Fund is accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities are generally included on the balance sheet. The operating statement of the General Fund presents increases and decreases in net current assets. The modified accrual basis of accounting is used by the General Fund. The General Fund uses the following practices in recording revenues and expenditures.

Tenth Judicial District Indigent Defender Board  
Natchitoches, Louisiana  
Notes to Financial Statements  
December 31, 1999

Revenues-Income items are recorded when earned. Interest income is recorded when the income is available.

Expenditures-Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. Salaries are recognized when they occur. Office supplies are recognized when they are purchased. Capital expenditures are recognized when the liability is incurred.

The accounting and reporting treatment applied to the fixed assets associated with a fund are determined by its measurement focus. All governmental fund type operations are accounted for on a spending or "financial flow" measurement focus and only current assets and current liabilities are generally included on their balance sheets.

Fixed assets used in the governmental fund type operations (general fixed assets) are accounted for in the General Fixed Assets Account Group, rather than in the General Fund. General fixed assets provided by the Natchitoches Parish Police Jury are not recorded within the General Fixed Assets account group of the Board. Fixed assets are valued at historical cost. No depreciation has been provided on general fixed assets.

The Tenth Judicial District Indigent Defender Board has no outstanding long-term obligations.

The General Fixed Assets Account Group is not a "fund". It is concerned only with the measurement of financial position, and does not involve measurement of results of operations.

#### D. BUDGETS-

Prior to the beginning of each fiscal year, the Tenth Judicial District Indigent Defender Board adopts a budget for the General Fund for the next fiscal year. The budget is open for public inspection. All budgetary appropriations lapse at the end of the fiscal year. The budget is prepared on the modified accrual basis of accounting.

#### E. CASH AND CASH EQUIVALENTS-

Cash includes amounts in demand deposits and time deposits. Under state law, the Board may deposit funds in demand deposits, interest-bearing demand deposits, money market accounts, or time deposits with State banks organized under Louisiana law and national banks having their principal offices in Louisiana.

Natchitoches, Louisiana  
Notes to Financial Statements

F. TOTAL COLUMNS ON GENERAL PURPOSE FINANCIAL STATEMENTS-

Total columns on the general purpose financial statements (combined statements-overview) are captioned "Memorandum Only" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operations, or changes in financial position in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation. *Interfund eliminations have not been made in the aggregation of this data.*

G. VACATION AND SICK LEAVE-

Employees of the Tenth Judicial District Indigent Defender Board do not accrue or "carry forward" vacation or sick leave pay from year to year. As such, there are no accruals made in either the General Fund or in a general long-term debt account group for these payments.

H. ENCUMBRANCES-

The Board does not apply encumbrance accounting.

**3. Cash and Cash Equivalents:**

For reporting purposes, cash and cash equivalents include cash, demand deposits, time deposits, and certificates of deposit. At December 31, 1999, the Board had cash and cash equivalents totaling \$162,567. Cash and cash equivalents are stated at cost, which approximates market. Under Louisiana law, these deposits must be secured by federal deposit insurance or the pledge of securities owned by the bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the bank. These pledged securities are held in the name of the pledging bank in a holding or custodial bank in the form of safekeeping receipts held by the Board. The deposits at December 31, 1999, were secured as follows:

Demand Deposits (Collected Balances)	\$ 19,185
Time Deposits	<u>143,382</u>
Total	\$162,567
Less, FDIC Insurance	<u>162,567</u>

Balance Unsecured	<u>\$ 0</u>

Additions	1,139
Deductions	<u>    0</u>
Balance, December 31, 1999	<u>\$5,962</u>

**5. Pension Plan:**

All of the Indigent Defender Board's employees participate in the Federal Social Security program. The Indigent Defender Board is required to remit an amount to the Social Security Administration equal to the employee's contribution.

**6. Litigation and Claims:**

The Board was not a party in any litigation seeking damages for the year ended December 31, 1999.

**7. Compensation of Board Members:**

The Board members do not receive compensation for their services.

Management provided us with a copy of the legally adopted budget.

6. Trace the budget adoption and amendments to the minute book.

The budget was legally adopted.

Actual revenues and expenditures exceeded the budgeted amounts by more than 5%. This is a repeat of the 1998 finding.

#### **Accounting and Reporting**

8. Randomly select 6 disbursements made during the period under examination and:
  - (a) trace payments to supporting documentation as to proper amount and payee;

We examined supporting documentation for each of the 6 selected disbursements and found that payment was for the proper amount and made to the correct payee.

All 6 payments were properly coded to the correct fund and general ledger account.

- (c) determine whether payments received approval from proper authorities.

Inspection of documentation supporting each of the 6 selected disbursements indicated adequate approvals.

### Meetings

9. Examine evidence indicating that agendas for meetings recorded in the minute book were posted or advertised as required by LSA-RS 42:1 through 42:12 (the open meetings law).

Agendas were posted and meetings were advertised as required.

### Debt

10. Examine bank deposits for the period under examination and determine whether any such deposits appear to be proceeds of banks loans, bonds, or like indebtedness.

We inspected copies of all bank deposit slips for the period under examination and noted no deposits which appeared to be proceeds of bank loans, bonds, or like indebtedness.

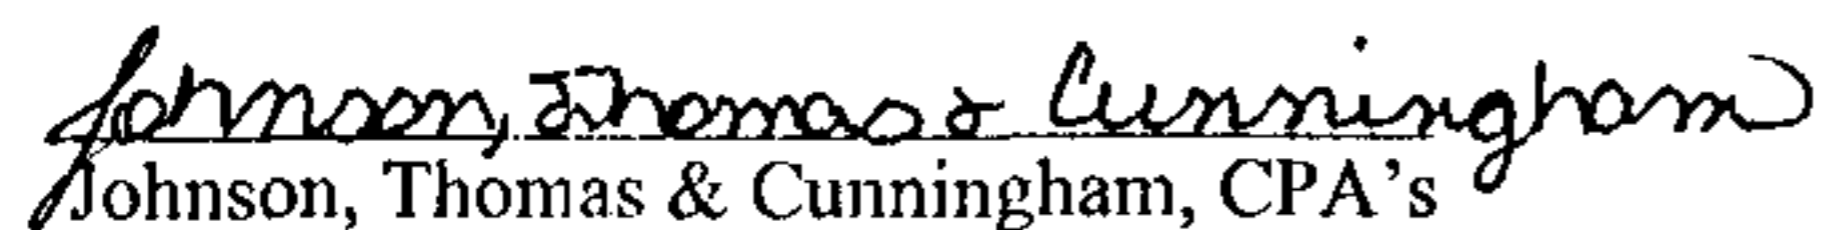

### Advances and Bonuses

11. Examine payroll records and minutes for the year to determine whether any payments have been made to employees which may constitute bonuses, advance, or gifts.

We noted no instances which would indicate payments to employees which would constitute bonuses, advances, or gifts.

We were not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on management's assertions. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the use of management of the Tenth Judicial District Indigent Defender Board and the Legislative Auditor, State of Louisiana, and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes.
