## INDEPENDENT AUDITORS' REPORT

\* A PROFESSIONAL CORPORATION

To the Marshal  
City Court of Lafayette, Louisiana  
Lafayette, Louisiana

We have audited the accompanying component unit financial statements of the Marshal - City Court of Lafayette, Louisiana, a component unit of the City/Parish Consolidated Government of Lafayette, Louisiana, as of and for the year ended October 31, 1999. These component unit financial statements are the responsibility of the Marshal - City Court of Lafayette, Louisiana's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards, Government Auditing Standards, issued by the Comptroller General of the United States and the provisions of Louisiana Revised Statutes 24:513 and the Louisiana Governmental Audit Guide. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As more fully described in Note (E), subsequent to the issuance of the Marshall - City Court of Lafayette, Louisiana's 1999 general-purpose financial statements and our report thereon, dated January 14, 2000, we became aware that those financial statements did not reflect a certain beginning fund balance. In our original report, we expressed an unqualified opinion on the 1999 general-purpose financial statements, and our opinion on the revised statements, as expressed herein, remains unqualified.

In our opinion, the component unit financial statements referred above present fairly, in all material respects, the financial position of the Marshal - City Court of Lafayette, Louisiana, as of October 31, 1999, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.

WMDDH

In accordance with Government Auditing Standards, we have also issued our report dated January 14, 2000, on our consideration of the Marshal - City Court of Lafayette, Louisiana's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants.

## REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Marshall  
City Court of Lafayette, Louisiana  
Lafayette, Louisiana

We have audited the financial statements of the Marshal-City Court of Lafayette, Louisiana, a component unit of the Consolidated Government of Lafayette, Louisiana, as of and for the year ended October 31, 1999, and have issued our report thereon dated January 14, 2000. We conducted our audit in accordance with generally accepted auditing standards, the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States and the provisions of Louisiana Revised Statutes 24:513 and the Louisiana Governmental Audit Guide.

### Compliance

As part of obtaining reasonable assurance about whether the Marshal-City Court of Lafayette, Louisiana's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

### Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Marshal-City Court of Lafayette, Louisiana's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be

ce all matters in the  
detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended for the information of the Marshal-City Court of Lafayette, Louisiana, the Consolidated Government of Lafayette, Louisiana, and the Legislative Auditor of the State of Louisiana. However, this report is a matter of public record and its distribution is not limited.
