Notes to Financial Statements

(1) Summary of Significant Accounting Policies

The Mamou Gravity Drainage District No. 5 (District), which is a component unit of Evangeline Parish Police Jury, was created by an ordinance of the Evangeline Parish Police Jury on February 16, 1926. The purpose of the District is the draining and reclaiming of the undrained or partially drained marsh, swamp, and overflowed lands in the area specified in its creationism ordinance.

A. Fund Accounting

The accounts of the District are organized on a fund basis (General Fund) which is considered a portion of the fund structure of the State of Louisiana. The operation of the fund is accounted for with a separate set of self-balancing accounts that comprises its assets, liabilities, fund equity, revenues and expenditures. The General Fund is the general operating fund of the District. It is used to account for all financial resources except those required to be accounted for in another fund.

B. Financial Reporting Entity

This report includes all funds which are controlled by or dependent on the District. The basic, but not the only, criterion for including a potential component unit within the reporting entity is the District's ability to exercise oversight responsibility. Oversight responsibility is derived from the governmental unit's power and includes, but is not limited to, financial interdependency, selection of governing authority, designations of management, ability to significantly influence operations, and accountability for fiscal matters.

This component unit is an integral part of another reporting entity.

C. Basis of Accounting

Basis of accounting refers to when revenues and expenditures are recognized and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

Notes to Financial Statements (continued)

The General Fund is accounted for using the modified accrual basis of accounting. Its revenues are recognized when they become measurable and available as net current assets. Ad valorem taxes are recorded in the year taxes are due and payable by the taxpayers of the district. Interest income on investments is recorded when earned, and all other revenues are recorded when received.

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred.

D. Budgetary Practice

The district adopted a budget for 1999 as described on page 6 hereof.

(2) Interest-Bearing Deposits

Under state law, the District may deposit funds within a fiscal agent bank organized under the laws of the State of Louisiana, the laws of any other state in the Union, or the laws of the United States. The district may invest in certificates and time deposits of the state banks organized under Louisiana law and national banks having principal offices in Louisiana. At December 31, 1999, the District has interest-bearing deposits (book balances) totaling \$97,521, as follows:

| Money market accounts | \$8,310 |
|-----------------------|-----------------------------------------|
| Time deposits | \$89,211 |
| | ~====================================== |
| Total | \$97,521 |

These deposits are stated at cost, which approximates market. Under state law, these deposits, (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent bank. Deposit balances (bank balances) at December 31, 1999 are secured as follows:

Federal deposit insurance \$97,521

(4) Ad Valorem Taxes

Ad valorem taxes attach as an enforceable lien on property as of January 1 of each year. Taxes are levied in September or October and billed to the taxpayers in December. Billed taxes become delinquent on January 1 of the following year.

The taxes are collected and remitted to the District by the Evangeline Parish Sheriff's office.
