RICHLAND PARISH POLICE JURY
Rayville, Louisiana

We have performed the procedures included in the *Louisiana Government Audit Guide* and enumerated below, which were agreed to by the management of Archibald-Alto Fire Protection District of Richland Parish and the Legislative Auditor, State of Louisiana, solely to assist the users in evaluating management's assertions about Archibald-Alto Fire Protection District's compliance with certain laws and regulations during the year ended December 31, 1999 included in the accompanying *Louisiana Attestation Questionnaire*. This agreed-upon procedures engagement was performed in accordance with standards established by the American Institute of Certified Public Accountants. Management provided us with the required list.

4. Determine whether any of those employees included in the listing obtained from management in agreed-upon procedure (3) were also included on the listing obtained from management in agreed-upon procedure (2) as immediate family members.

None of the employees included on the list of employees provided by management [agreed-upon procedure (3)] appeared on the list provided by management in agreed-upon procedure (2).

Budgeting

5. Obtained a copy of the legally adopted budget and all amendments.

Management provided us with a copy of the original budget. The budget was amended on December 15, 1999 and a copy was provided to us.

6. Trace the budget adoption and amendments to the minute book.

We traced the adoption of the original budget to the minutes of a meeting held on December 16, 1998 which indicated that the budget had been adopted by the commissioners of Archibald-Alto Fire Protection District by a unanimous vote.

7. Compare the revenues and expenditures of the final budget to actual revenues and expenditures to determine if actual revenues or expenditures exceed budgeted amounts by more than 5%.

Accounting and Reporting

8. Randomly select 6 disbursements made during the period under examination and:

We examined supporting documentation for each of the six selected disbursements and found that payment was for the proper amount and made to the correct payee.

- b) determine if payments were properly coded to the correct fund and general ledger account; and

All of the payments were properly coded to the correct fund and general ledger account.

c) determine whether payments received approval from proper authorities.

Inspection of documentation supporting each of the six selected disbursements indicated approvals from the accountant and the chairman of the Board of Commissioners.

Meetings

9. Examine evidence indicating that agendas for meetings recorded in the minute book were posted or advertised as required by LSA-RS 42:1 through 42:12(the open meetings law).

Archibald-Alto Fire Protection District is only required to post a notice of each meeting and the accompanying agenda on the door of the district's office building. Management used this procedure to fulfill the open meetings requirement.

Debt

10. Examine bank deposits for the period under examination and determine whether any such deposits appear to be proceeds of bank loans, bonds, or like indebtedness.

We inspected copies of all bank deposit slips for the period under examination and noted no deposits which appeared to be proceeds of bank loans, bonds, or like indebtedness.

Advances and Bonuses

11. Examine payroll records and minutes for the year to determine whether any payments have been made to employees which may constitute bonuses, advances, or gifts.

A reading of the minutes of the district for the year indicated no approval for the payments noted. We also inspected payroll records for the year and noted no instances which would indicate payments to employees which would constitute bonuses, advances, or gifts.

We were not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on management's assertions. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the use of management of Archibald-Alto Fire Protection District of Richland Parish and the Legislative Auditor, State of Louisiana, and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. Notes to the Financial Statements
As of and for the Year Ended December 31, 1999

INTRODUCTION

Archibald-Alto Fire Protection District of Richland Parish was created by resolution of the Richland Parish Police Jury on April 7, 1987, for the purpose of acquiring, constructing, maintaining and operating fire equipment for the people of Archibald-Alto Fire Protection District of Richland Parish. The district is governed by a board of commissioners consisting of five members. The commissioners are appointed by the Richland Parish Police Jury for terms of two years. Commissioners receive no compensation for their services. The district has no employees.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF PRESENTATION

The accompanying financial statements of Archibald-Alto Fire Protection District of Richland Parish have been prepared in conformity with generally accepted principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

B. REPORTING ENTITY

Section 2100 of the GASB Codification of Governmental Accounting and Financial Reporting Standards (GASB Codification) established criteria for determining the governmental reporting entity and component units that should be included within the reporting entity. Oversight responsibility by the police jury is determined on the basis of the following criteria:

1. Appointment of governing boards
2. Designation of management
3. Ability to significantly influence operations
4. Accountability for fiscal matters
5. Scope of public service

Because the Richland Parish Police Jury appoints the governing board and because the district operates within the geographical boundaries of Richland Parish, the district was determined to be a component unit of the Richland Parish Police Jury, the governing body of the parish and the governmental body with oversight responsibility. The accompanying financial statements present information only on the funds maintained by the district and do not present information on the police jury, the general government services provided by that governmental unit, or the

other governmental units that comprise the governmental reporting entity.

C. FUND ACCOUNTING

The district uses a fund (General Fund) and an account group to report on its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions relating to certain government functions or activities.

A fund is a separate accounting entity with a self-balancing set of accounts. On the other hand, an account group is a financial reporting device designed to provide accountability for certain assets and liabilities that are not recorded in the funds because they do not directly affect net expendable available financial resources.

The General Fund of the district is classified as a governmental fund. It accounts for the district's general activities, including the collection and disbursement of specific or legally restricted monies, the acquisition or construction of general fixed assets, and the servicing of general long-term debt.

D. BASIS OF ACCOUNTING

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. The General Fund is accounted for using the flow of current financial resources measurement focus. With this measurement focus, only current assets and current liabilities are generally included on the balance sheet. Operating statements of the General Fund present increases and decreases in net current assets. The modified accrual basis of accounting is used by the General Fund. The General Fund used the following practices in recording revenues and expenditures:

Revenues

Parcel fees are recorded in the year the fees are assessed. Parcel fees are assessed on a calendar year basis, become due on November 15 of each year, and become delinquent on December 31. The fees are generally collected in December of the current year and January and February of the ensuing year.

Interest income on time deposits is recorded when the time deposits have matured and the interest is available. Interest income on interest bearing demand deposits is recorded at the end of each month when credited by the bank.

ARCHIBALD-ALTO FIRE PROTECTION DISTRICT
OF RICHLAND PARISH
RICHLAND PARISH POLICE JURY
Rayville, Louisiana
Notes to the Financial Statements (Continued)

Intergovernmental revenues are recorded when the district is entitled to the funds.

Substantially all other revenues are recorded when they become available to the district.

Expenditures

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred.

E. BUDGET PRACTICE

The budget for the year of 1997 was prepared by the secretary-treasurer prior to December 31 of the preceding year. The budget was then made available for public inspection 30 days prior to the budget being adopted during the board's regular December meeting. The budget was not published in the official journal.

Neither encumbrance accounting nor formal budget integration (within the accounting records) are employed as management control devices. Unexpended appropriations lapse at year end and must be reappropriated in the next year's budget to be expended. The board reserves all authority to make changes to the budget.

The budget comparison statement included in the accompanying financial statements reflects the amendments which were made during the year.

F. CASH AND CASH EQUIVALENTS

Cash includes amounts in interest bearing deposits, and cash equivalents include amounts in time deposits. Under state law, the district may deposit funds in demand deposits, interest bearing demand deposits, money market accounts, or time deposits with state banks organized under Louisiana law and national banks having their principal offices in Louisiana.

G. PREPAID ITEMS

Prepaid items are classified as an asset when the expenditure is made and recognized as expenditures as the items lapses or expires.

Notes to the Financial Statements (Continued)

H. FIXED ASSETS AND LONG-TERM DEBT

Fixed assets are recorded as expenditures at the time purchased or constructed, and the related assets are capitalized (reported) in the general fixed assets account group. Interest costs incurred during construction are not capitalized. No depreciation has been provided on general fixed assets. All fixed assets are valued at historical cost or estimated cost if historical cost is not available.

I. COMPENSATED ABSENCES AND PENSION PLAN

The district does not have any full-time employees; therefore, it does not have a formal vacation or sick leave policy and does not contribute to a pension plan.

J. LONG-TERM OBLIGATIONS

Long-term obligations expected to be financed from governmental funds are reported in the general long-term obligations account group. Expenditures for principal and interest payments for long-term obligations are recognized in the governmental funds when due.

K. TOTAL COLUMN ON BALANCE SHEET

The total column on the balance sheet is captioned Memorandum Only to indicate that it is presented only to facilitate financial analysis. Data in this column does not present financial position or results of operations in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation.

2. PARCEL FEES

The district is authorized to levy and collect an annual parcel fee of \$100 annually on each lot or tract upon which is located a residential or commercial structure within the district.

3. CASH AND CASH EQUIVALENTS

At December 31, 1999, the district has cash and cash equivalents (book balances) totaling \$104,382 as follows:

Interest bearing demand deposits	\$ 62,346

Total	<u>\$104,382</u>

 OF RICHLAND PARISH

 Rayville, Louisiana
 Notes to the Financial Statements (Continued)

These deposits are stated at cost, which approximates market. Under state law, these deposits (or resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent bank. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties. At December 31, 1999, the district had \$92,281 in deposits (collected bank balances). These deposits are secured from risk by \$92,281 of federal deposit insurance (GASB Category 1).

4. RECEIVABLES
