## INDEPENDENT AUDITORS' REPORT

Board of Directors  
LaSalle Council on Aging, Inc.  
Trout, Louisiana

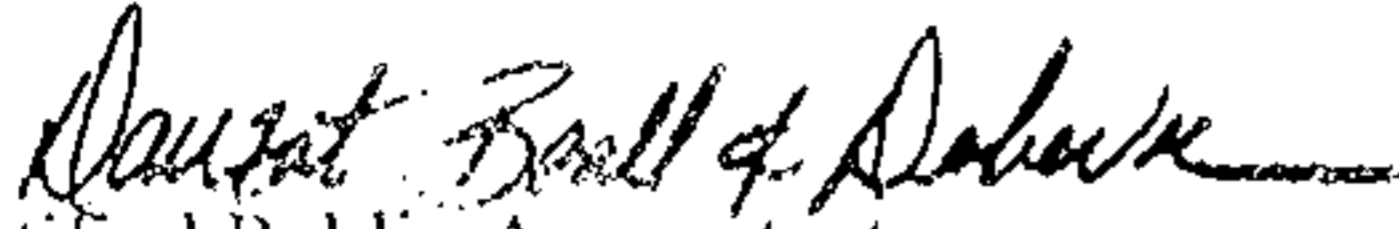

We have audited the accompanying general purpose financial statements of LaSalle Council on Aging, Inc., (a non-profit, quasi-public organization) as of and for the year ended June 30, 1999. These general purpose financial statements are the responsibility of the Council's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to the financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of LaSalle Council on Aging, Inc., as of June 30, 1999, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.

In accordance with *Government Auditing Standards*, we have also issued our report dated October 2, 1999, on our consideration of the Council's internal control over financial reporting and our test of its compliance with certain provisions of laws, regulations, and contracts.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The additional information as listed in the table of contents is presented for purposes of additional analysis and is not a required part of the general purpose financial statements of the LaSalle Council on Aging, Inc. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

**NOTES TO FINANCIAL STATEMENTS**  
**June 30, 1999**

**NOTE 1      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

A.      Reporting Entity:

In 1964, the State of Louisiana passed Act 456 which authorized the charter of voluntary councils on aging for the welfare of the aging people in their respective parishes. Charters are issued by the Louisiana Secretary of State upon approval by the Governor's Office of Elderly Affairs. The LaSalle Council on Aging, Inc. is a non-profit corporation which must comply with the policies and regulations established by the Governor's Office of Elderly Affairs. The **Council** also receives revenues from other federal, state, and local government agencies which may impose certain restrictions on how the **Council** can use the money provided.

The **Council** is not a component unit of another primary government nor does it have any component units which are related to it. Therefore, the **Council** has presented its financial statements as a general-purpose government.

The primary function of LaSalle Council on Aging, Inc. is to improve the quality of life for the parish's elderly and to provide services to the elderly of the parish. Such services include providing a location for meals, nutritional education, information and referral services, chore services, operating senior centers, and transportation. A Board of Directors, consisting of voluntary members who serve three-year terms, governs the **Council**.

B.      Presentation of Statements:

In April of 1984, the Financial Accounting Foundation established the Governmental Accounting Standards Board (GASB) to promulgate generally accepted accounting principles and reporting standards with respect to activities and transactions of state and local governmental entities. In November of 1984, the GASB issued a codification of governmental accounting and financial reporting standards. This codification and subsequent GASB pronouncements are recognized as generally accepted accounting principles for state and local governments.

**NOTES TO FINANCIAL STATEMENTS**  
**June 30, 1999**

B. Presentation of Statements: (continued)

The accompanying financial statements conform to generally accepted accounting principles for state and local governments. These statements have incorporated any applicable requirements set forth by Audits of State and Local Governmental Units, the industry audit guide issued by the American Institute of Certified Public Accountants; Subsection VI - Annual Financial Reporting, accounting manual for Governor's Office of Elderly Affairs contractors; and, the Louisiana Governmental Audit Guide.

C. Fund Accounting:

The accounts of the **Council** are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures. Governmental resources are allocated to and accounted for in individual funds based upon the purposes for which they are spent and the means by which spending activities are controlled. The various funds are grouped, in the financial statements in this report into two generic fund types and one broad fund category (account group).

Governmental Fund Types

Governmental funds are used to account for all or most of the **Council's** general activities, including the collection and disbursement of specific or legally restricted monies, the acquisition of fixed assets, and the servicing of general long-term debt.

The governmental funds and the programs comprising them as presented in the financial statements are described as follows:

**NOTES TO FINANCIAL STATEMENTS**

C. Fund Accounting: (Continued)

**General Fund**

The General Fund is the general operating fund of the **Council**. It is used to account for all financial resources except those required to be accounted for in another fund. These discretionary funds are accounted for and reported according to the source (federal, state, or local) from which they are derived. In addition, the servicing of general long-term debt is accounted for in the General Fund because unrestricted resources are used to pay for the liabilities incurred by this fund and there are no legal mandates to use a debt service fund.

The following programs comprise the **Council's** General Fund:

**Other Local**

Revenues, such as, (1) donations from the general public, (2) income from various fund raisers (3) program service revenue from renting Medic Alert units and providing Medicaid services, and (4) interest income earned on idle funds which have been invested, have been recorded in the "other local" program of the General fund. Expenses incurred which are not chargeable to specific programs are recorded at "other local" program expenditures. Also, expenses incurred to produce related program service fees and fund raising income are charged to "other local" program expenditures. "Other local" funds are also used as transfers to special revenue funds to supplement those programs. In addition, fixed asset additions are generally paid with "other local" funds.

**Medicaid**

This is a program where the **Council** completes enrollment applications for people wanting to apply for Medicaid services. The **Council** is paid \$14 per application it completes by the Department of Health and Hospitals (DHH). Any funds remaining after applying direct costs to operate this program are available for discretionary use by management.

C. Fund Accounting: (Continued)

**General Fund (continued)**

PCOA (Act 735)

PCOA (Act 735) funds are appropriated for the **Council** by the Louisiana Legislature and remitted to the **Council** via the Governor's Office of Elderly Affairs (GOEA). The council may use these "Act 735" funds at its discretion provided the program is benefiting people who are at least 60 years old.

**Special Revenue Funds**

Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than special assessments and major capital projects) that are legally restricted to expenditures for specified purposes. Most of the **Council's** special revenue funds are provided by GOEA. The Title III funds are provided by the United States Department of Health and Human Services - Administration on Aging through the Governor's Office of Elderly Affairs to Cenla Area Agency on Aging, Inc. who funds the **Council** on a predetermined unit cost reimbursement basis up to the contract amount.

The following funds are funds which comprise the **Council's** Special Revenue Funds:

Title III-B Supportive Services Fund

The Title III-B Supportive Services Fund is used to account for funds which are to provide a variety of social services; such as, information and assistance, access services, in-home services, community services and outreach for people age 60 and older.

C. Fund Accounting: (Continued)

Title III C-1 Fund

The Title III C-1 Fund is used to account for funds which are used to provide nutritional, congregate meals to the elderly in strategically located centers. During the fiscal year July 1, 1998 to June 30, 1999, the **Council** served about 6,481 congregate meals.

Title III C-2 Home Delivered Meals Fund

Title III C-2 Fund is used to account for funds which are used to provide nutritional, home delivered meals to homebound older persons. During the fiscal year July 1, 1998 to June 30, 1999, the **Council** served about 22,253 home delivered meals.

Title III-D Fund

The Title III-D Fund is used to account for funds which are used to provide in-home services to frail older individuals, including in-home supportive services for older individuals who are victims of Alzheimer's disease and related disorders with neurological and organic brain dysfunction, and to the families of such victims.

Title III-F Fund

The Title III-F Fund is used to account for funds used for disease prevention and health promotion activities or services, such as; (1) equipment and materials (scales to weigh people, educational materials, and exercise equipment), (2) home injury control, (3) medication management, (4) mental health and (5) nutrition (assessment/screening, counseling, and education). The law directs the state agency administering this program to "give priority to areas of the state which are medically undeserved and in which there are a large number of older individuals who have the greatest economic and social need."

C. Fund Accounting: (Continued)

**Special Revenue Fund (continued)**

Senior Center Fund

The Senior Center fund is used to account for the administration of Senior Center program funds appropriated by the Louisiana Legislature to the Governor's Office of Elderly Affairs to Cenla Area Agency on Aging, Inc. who funds the **Council** on a predetermined unit cost reimbursement basis up to the contract amount. This program provides community service centers at which older persons receive supportive services and participate in activities which foster their independence, enhance their dignity, and encourage their involvement in and with the community. The **Council** operates 1 senior center in LaSalle Parish, Louisiana.

Supplemental Senior Center Fund

The Supplemental Senior Center Fund is used to account for additional funds to be used to supplement the primary contract for the Senior Centers. These funds are *appropriated by the Louisiana Legislature to the Governor's Office of Elderly Affairs to Cenla Area Agency Aging, Inc.* who funds the **Council**.

Utility Assistance Fund

The Utility Assistance Fund is used to account for the administration of programs that are sponsored by local utility companies. The companies collect contributions from service customers and employees and remit the funds directly to the **Council** or the Louisiana Association of Councils on Aging (LACOA), which in turn remits funds relating to LaSalle Parish to the **Council**. These funds are used to provide financial assistance to the elderly for the payment of their utility bills.

Account Groups

An account group is a financial reporting device designated to provide accountability for certain assets and liabilities that are not recorded in the funds because they do not directly affect net expendable available financial resources. The following account group is not a "fund".

**NOTES TO FINANCIAL STATEMENTS**

C. Fund Accounting: (Continued)

**Special Revenue Fund (continued)**

General Fixed Assets

The fixed assets (capital outlays) used in governmental fund type operations of LaSalle Council on Aging, Inc. are accounted for (capitalized) in the General Fixed Assets Account Group and are recorded as expenditures in the governmental fund types when purchased.

D. Basis of Accounting:

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. The governmental funds, including the General and Special Revenue Funds, are accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities are generally included on the balance sheet. Operating statements of these funds present increases (revenues and other financing sources) and decreases (expenditures and other uses) in net current assets.

Governmental funds are maintained on the modified accrual basis of accounting wherein revenues are recognized in the accounting period in which they become available and measurable. Expenditures are recognized in the accounting period in which the liability is incurred, if measurable.

E. Transfers:

Advances between funds which are not expected to be repaid are accounted for as transfers. In those cases where repayment is expected, the advances are classified as due from other funds or due to other funds on the balance sheet. Short-term interfund loans are classified as interfund receivables/payables.

**Trout, Louisiana**

**NOTES TO FINANCIAL STATEMENTS**  
**June 30, 1999**

F. Budget Policy:

The **Council** follows these procedures in establishing the budgetary data reflected in these financial statements.

- The Cenla Area Agency on Aging, Inc. notifies the **Council** each year as to the funding levels for each program's grant award.
- The **Council** may also obtain grants from agencies other than GOEA and the **Council** considers the potential revenues to be earned under those grants.
- Projections are made of revenues from other sources based on past trends and data available to form expectations of future revenues.
- The Executive Director prepares a proposed budget based on the funding levels provided by Cenla Area Agency on Aging, Inc. and then submits the budget to the Board of Directors for approval before May 31 of the current year for the following year.
- The adopted budget is forwarded to the Cenla Area Agency on Aging, Inc. for final approval.
- All budgetary appropriations lapse at the end of each fiscal year (June 30). Occasionally, the **Council** will receive a special project grant which may operate on a period different from the **Council's** normal fiscal year, and therefore, have a specified date where the budgetary appropriations will lapse.
- The budget is prepared on a modified accrual basis, consistent with the basis of accounting, for comparability of budgeted and actual revenues and expenditures.
- Budgeted amounts included in the accompanying financial statements include the original adopted budget amounts and all subsequent amendments.
- Actual amounts are compared to budgeted amounts periodically during the fiscal year as a management control policy.

**LASALLE COUNCIL ON AGING, INC.**  
**Trout, Louisiana**

**NOTES TO FINANCIAL STATEMENTS**  
**June 30, 1999**

F. Budget Policy: (Continued)

- The **Council** may transfer funds between line items as often as required but must obtain prior approval from the Cenla Area Agency on Aging, Inc. for funds received under grants from GOFA.
- The **Council** is not required by state or local law to prepare a budget for every program or activity it conducts. Accordingly, some General Fund activities are not budgeted, particularly if they are deemed to be immaterial by management.

G. Total Columns of Combined Statements:

Total columns on the combined statements are captioned "Memorandum Only" to indicate that they are presented only to help with financial analysis. Data in these columns do not present financial position, results of operations, or changes in financial position in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation. Interfund eliminations have not been made in the aggregation of this data.

H. Fixed Assets:

The accounting and reporting treatment applied to the fixed assets associated with a fund are determined by its measurement focus.

Fixed assets used in governmental fund type operations (general fixed assets) are accounted for in the general fixed asset account group, and are recorded as expenditures in the governmental fund types when purchased. No depreciation has been provided on general fixed assets.

All fixed assets are stated at historical cost or estimated historical cost if actual historical cost is not available. Donated fixed assets are stated at their estimated fair market value on the date of donation.

**LASALLE COUNCIL ON AGING, INC.**  
**Trout, Louisiana**

**NOTES TO FINANCIAL STATEMENTS**  
**June 30, 1999**

I. Comparative Data:

Comparative data for the prior year is presented in the accompanying financial statements to provide an understanding of changes in the **Council's** financial position and operations. However, presentation of comparative data by fund type is not presented in each of the statements since its inclusion would make the statements unduly complex and difficult to read.

J. Restricted Assets:

Restricted assets represent assets which are primarily acquired through donations whereby the donor places restrictions on how the donation can be used by the **Council** (i.e., utility assistance funds). Restricted assets are offset by reservations of fund balances.

**NOTE 2 REVENUE RECOGNITIONS - INTERGOVERNMENTAL GRANTS, PUBLIC SUPPORT, AND MISCELLANEOUS REVENUES**

Intergovernmental revenues are recorded in governmental funds as revenues in the accounting period that they become susceptible to accrual, that is, measurable and available (modified accrual basis). (Contracts do not allow the **Council** to recognize revenue until units of services are provided.)

Act 735 funds are received as monthly allocations of the total grant in advance of the actual expenditures.

Public Support and Miscellaneous Revenues

The **Council** encourages and receives contributions from clients to help offset the costs of various programs. In addition, various fund raisers are held during the year to obtain funds to offset costs of general operations and senior center activities. The timing and amounts of the receipts of public support and miscellaneous revenues are difficult to predict; therefore, they are not susceptible to accrual and are recorded as revenue in the period received.

**LASALLE COUNCIL ON AGING, INC.**  
**Trout, Louisiana**

**NOTES TO FINANCIAL STATEMENTS**  
**June 30, 1999**

**NOTE 3      IN-KIND CONTRIBUTIONS**

The **Council** received various in-kind contributions during the year. Senior Center facilities were furnished in Olla to the **Council** without charge for rent and/or utilities. The **Council's** administrative office and Senior Center were provided by the LaSalle Parish Fair Association without charge for rent or utilities. These contributions have been reported as revenues and the offsetting expenditures as costs in the financial statements.

**NOTE 4      INCOME TAX STATUS**

The **Council**, a non-profit corporation, is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code of 1986 and as an organization that is not a private foundation as defined in Section 509 (a) of the Code. It is also exempt from Louisiana income tax.

At June 30, 1999, the balance of the savings account was \$26,311. All of the deposits were covered by federal depository insurance. ### REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors  
LaSalle Council on Aging, Inc.

We have audited the general purpose financial statements of LaSalle Council on Aging, Inc. (a non-profit organization) as of and for the year ended June 30, 1999, and have issued our report thereon dated October 2, 1999. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

#### **Compliance**

As part of obtaining reasonable assurance about whether the **Council's** financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions is not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no material instances of noncompliance that are required to be reported under *Government Auditing Standards*.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the **Council's** internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operations that we consider to be material weaknesses.

This report is intended for the information of the Board of Directors, management and federal awarding agencies, and pass-through entities. However, this report is a matter of public record and its distribution is not limited.
