To the Board of Commissioners St. Tammany Parish Sewerage District No. 4 Covington, Louisiana

I have compiled the accompanying balance sheets of St. Tammany Parish Sewerage District No. 4 as of December 31, 1999 and 1998, and the related statements of revenues, expenses, and retained earnings and cash flows for the two years then ended as listed in the foregoing table of contents, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements information that is the representation of management. I have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or any other form of assurance on them.

The 1998 financial statements of St. Tammany Parish Sewerage District No. 4 were compiled by another accountant, whose report dated June 17, 1999, stated that she did not express an opinion or any other form of assurance on those statements.

ST. TAMMANY PARISH SEWERAGE

DISTRICT NO. 4 Covington, Louisiana

NOTES TO FINANCIAL STATEMENTS

INTRODUCTION

The St. Tammany Parish Sewerage District No. 4 was created by the St. Tammany Parish Police Jury, as provided by Louisiana Revised Statute (LSA-R.S.) 33:3881. The sewerage district is governed by a five-member board of commissioners appointed by the police jury. In accordance with LSA-R.S. 33:3913, the members serve four-year terms. The sewerage district is responsible for maintaining and operating the sewerage system within the boundaries of the sewerage district.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF PRESENTATION

The accompanying financial statements of St. Tammany Parish Sewerage District No. 4 have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

B. REPORTING ENTITY

Section 2100 of the GASB Codification of Governmental Accounting and Financial Reporting Standards (GASB Codification) established criteria for determining the government reporting entity. Because the district is solely accountable for fiscal matters, which include (1) responsibility for funding deficits and operating deficiencies, (2) fiscal management for controlling the collection and disbursement of funds, and (3) because of the scope of public service provided by the district, the district is a separate governmental reporting entity. The district includes all funds, activities, et cetera, that are within the oversight responsibility of the district. Certain units of local government over which the district exercises no oversight responsibility, such as the parish police jury, the parish school board, independently elected parish officials, and municipalities, within the parish, are excluded from the accompanying financial statements. These units of government are considered separate reporting entities and issue financial statements separate from those of the district.

C. FUND ACCOUNTING

The St. Tammany Sewerage District No. 4 is organized and operated on a fund basis whereby a self-balancing set of accounts (Enterprise Fund) is maintained that comprises its assets, liabilities, fund equity, revenues, and expenses. The operations are financed and operated in a manner similar to a private business enterprise, where the intent of the governing body is that the cost (expenses, including depreciation) of providing services on a continued basis be financed or recovered primarily through user charges.

D. BASIS OF ACCOUNTING

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. The Enterprise Fund is accounted for on a flow of economic resources measurement focus and a determination of net income and capital maintenance. With this measurement focus, all assets and all liabilities associated with the operation of this fund are included on the balance sheet. The accrual basis of accounting is used by the Enterprise Fund. Under this method, revenues are recorded when earned, and expenses are recorded at the time liabilities are incurred.

E. CASH AND CASH EQUIVALENTS

Cash includes amounts in interest bearing demand deposits and certificates of deposit. Under state law, the sewerage district may deposit funds in demand deposits, interest bearing demand deposits, money market accounts, or time deposits with state banks organized under Louisiana law and national banks having their principal offices in Louisiana.

F. RECEIVABLES

The St. Tammany Parish Sewerage District No. 4 bills customers in the month following the month in which services were provided. Unbilled service charges are accrued for the month of December at year end. The district uses the direct write off method for any receivable considered to be uncollectible.

G. FIXED ASSETS

Fixed assets of the district are included on the balance sheet of the fund. Depreciation of all exhaustible fixed assets are charged as an expense against operations. Accumulated depreciation and amortization are reported on the balance sheet. Depreciation is computed using the straight line method over the estimated useful lives of 10, 5 through 22 and 33 years for equipment, improvements, and sewerage plant, respectively.

H. COMPENSATED ABSENCES AND PENSION PLAN

The district has no full-time employees; therefore, it does not have a formal vacation and sick leave policy and does not contribute to a pension plan or provide any post-retirement benefits.

Notes to the Financial Statements, continued

2. CASH AND CASH EQUIVALENTS

At December 31, 1999 and 1998, respectively, the district has cash (book balances) totaling \$30,223 and \$40,464 in interest bearing demand deposit accounts and \$94,260 and \$112,020 in certificates of deposits. Under state law, these deposits (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank.

The district uses a common bookkeeper in conjunction with the St. Tammany Parish Water District No. 3 and the St. Tammany Parish Sewerage District No. 1 of which the districts use a common checking account in the name of St. Tammany Parish Water District No. 3. The St. Tammany Parish Sewerage District No. 4 had a balance as of December 31, 1999 and 1998, respectively of \$65,086 and \$38,393 due from the St. Tammany Parish Water District No. 3.

3. CHANGES IN FIXED ASSETS

A summary of changes in fixed assets and related depreciation follows:

	Balance		Balance
	January 1,	Additions	December
	<u> 1999</u>	1999	31, 1999
Land	\$ 5,000		5,000
Sewerage Plant	69,178		69,178
Improvements	92,910		92,910
Equipment	3,542		3,542
Construction-in-Progress	60,830	608,068	668,898
Total	231,460	608,068	839,528
Less - Accumulated Depreciation	(83,930)	(9,877)	(93,807)
Balance at December 31, 1998	\$147,530	\$598,191	\$745,721

4. LEASES

The sewerage district has no capital or operating leases at December 31, 1999 and 1998.

5. LITIGATION

The sewerage district is not involved in any litigation at December 31, 1999.

6. CONTRIBUTED CAPITAL

Contributed capital of \$40,000, as shown on the Balance Sheet, represents contributions form the developers of the Riverwood East Subdivision to help pay for the sewer system. Contributed capital is not amortized against retained earnings for the depreciation expense of those assets acquired with contributed capital.

Notes to the Financial Statements, continued

7. LONG-TERM DEBT - BONDS PAYABLE

Long-term debt consists of the following:

Bonds payable, maturing January 1, 2020, with interest accrued at 3.45% and administrative fees accrued at 0.5%, payable every six months

\$ 615,768

Estimated maturities of long-term debt are as follows:

January 1,	
2001	25,000
2002	26,000
2003	27,000
2004	28,000
2005	30,000

The above amounts are estimates and are subject to change, per bond attorney.

8. COMMITMENTS AND CONTINGENCIES

The district received from the Louisiana Department of Environmental Quality(LDEQ), Office of Water Resources, Water Quality Management division a compliance order number WE-C-96-0302 dated February 19, 1997 in regard to various cited deficiencies. In order to comply with this order certain remedial actions were begun in 1997. Among those were the design and construction of a new sewerage treatment plant to replace the existing plant which will either be demolished or recycled as part of the new plant. The design phase has been completed. In order to finance the construction cost of the new treatment plant and facilitate any additional remedial actions required by compliance order, the district was approved by the Louisiana Department of Environmental Quality, Municipal Facilities Division for loan #CS221141-01 not to exceed \$750,000. Management is making every effort to achieve compliance with the order in a timely manner in accordance with the tentative project schedule as approved by LDEQ. However, LDEQ has not waived its right to seek civil penalties in any manner allowed by law. On February 17, 2000, the project was substantially complete in accordance with the contract documents.

9. PER DIEM PAID COMMISSIONERS FOR BOARD MEETINGS

Independent Accountant's Report on Applying Agreed-Upon Procedures

To the Board of Commissioners St. Tammany Sewerage District No. 4 Covington, Louisiana

I have performed the procedures included in the Louisiana Government Audit Guide and enumerated below, which were agreed to by the Management of St. Tammany Sewerage District No. 4 and the Legislative Auditor, State of Louisiana, solely to assist the users in evaluating management's assertions about St. Tammany Sewerage District No. 4's compliance with certain laws and regulations during the year ending December 31, 1998 included in the accompanying Louisiana Attestation Questionnaire. This agreed-upon procedures engagement was performed in accordance with standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the specified users of the report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Public Bid Law

1. Select all expenditures made during the year for material and supplies exceeding \$5,000, or public works exceeding \$50,000, and determine whether such purchases were made in accordance with LSA-RS 38:2211-2251 (the public bid law).

No one expenditure was made during the year for materials and supplies exceeding \$5,000.

I examined all expenditures for public works exceeding \$50,000 and found all were made in accordance with LSA-RS 38:2211-2251 (the public bid law).

Code of Ethics for Public Officials and Public Employees

2. Obtain from management a list of the immediate family members of each board member as defined by LSA-RS 42:1101-1124 (the code of ethics), and a list of outside business interests of all board members and employees, as well as their immediate families.

Management provided me with a written document stating none of the immediate family of any of the board members ever have accepted anything of value in violation of LSA-RS 42:1101-1124, nor have they been employed by the district in violation of LSA-RS 42:1101-1124.

3. Obtain from management a listing of all employees paid during the period under examination.

Mrs. Mary Jane VanSickle is a part-time bookkeeper employed by the Sewerage District No. 3 and part of her cost is charged to the Sewerage District No. 4. There are no full-time employees of the Sewerage District No. 4.

4. Determine whether any of those employees included in the listing obtained from management in agreed-upon procedure (3) were also included on the listing obtained from management in agreed-upon procedure (2) as immediate family members.

Proprietary funds are not required to adopt an annual budget. The District did not adopt a budget in 1999.

Budgeting

5. Obtained a copy of the legally adopted budget and all amendments.

Not applicable.

6. Trace the budget adoption and amendments to the minute book.

Not applicable.

7. Compare the revenues and expenditures of the final budget to actual revenues and expenditures to determine if actual revenues and expenditures exceed budgeted amounts by more than 5%.

Not applicable.

Accounting and Reporting

- 8. Randomly select 6 disbursements made during the year under examination and:
 - a.) trace payments to supporting documentation as to proper amount and payec;

I examined supporting documentation for each of the six disbursements and found that payment was for the proper amount and made to the correct payce.

b.) determine if payments were properly coded to the correct fund and general ledger account; and

I examined the six selected disbursements and found they were properly coded to the correct general ledger account.

c.) determine whether payments received approval from proper authorities.

I examined the six selected disbursements and found each was signed as approved.

Meetings

9. Examine evidence indicating that agendas for meetings recorded in the minute book were posted or advertised as required by LSA-RS 42:1 through 42:12 (the open meetings law).

There was no evidence found indicating that the Sewerage District No. 4 properly posted agendas for meetings. However, management has indicated to me that they posted a public notice of meetings and times and informed all persons having questions or correspondence with the board of meeting times and dates and invited them to attend.

Debt

10. Examine bank deposits for the period under examination and determine whether any such deposits appear to be proceeds of banks loans, bonds, or like indebtedness.

I inspected copies of all bank deposit slips for the period under examination and noted all deposits which appeared to be proceeds of bank loans, bonds, or like indebtedness.

Advances and Bonuses

11. Examine payroll records and minutes for the year to determine whether any payments have been made to employees which may constitute bonuses, advance, or gifts.

There were no employees of the Sewerage District No. 4 for the period under examination.

I was not engaged to, and did not, perform an examination, the objective of which would be the expression of any opinion on management's assertions. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the use of management of St. Tammany Sewerage District No. 4 and the Legislative Auditor, State of Louisiana, and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. However, this report is a matter of public record and its distribution is not limited.
