#### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors

Big River Council of Camp Fire, Inc.

Baton Rouge, Louisiana

I have audited the accompanying statement of financial position of Big River Council of Camp Fire, Inc. (a not for profit organization) as of December 31, 1999 and 1998, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Big River Council of Camp Fire, Inc. as of December 31, 1999 and 1998, and the changes in its net assets and its cash flows for the years then ended in conformity with generally accepted accounting principles.

In accordance with *Government Auditing Standards*, I have also issued my report dated June 7, 2000, on my consideration of the Organization's internal control over financial reporting and my tests of its compliance with certain provisions of laws, regulations, contracts, and grants.

Hobert W. Brown

Baton Rouge, Louisiana June 7, 2000

#### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 1999 AND 1998

#### 1. Summary of Significant Accounting Policies

#### Nature of Operations

Big River Council of Camp Fire, Inc. is a not for profit organization which provides programs for children and youth in southern Louisiana. Its programs offer opportunities for acquiring skills, socializing with peers and learning about the community and the environment. The Council operates under the provisions and within the territory covered by the charter granted to the Council by Camp Fire Boys and Girls.

The Council provides opportunities for youth to establish supportive relationships with adults who act as models, mentors and leaders. Educational and outreach programs are offered to enhance the self-esteem of youth and provide support for special needs of families. These programs meet needs of youth in a changing society, and in so doing help prevent behaviors which require remedial actions. The Council's programs contribute to the development of well-adjusted citizens.

#### Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.

#### Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations.

#### Use of Estimates

The presentation of financial statements in conformity with general accepted accounting principles requires management to make estimates and assumptions that affect reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Land, Building, and Equipment

Acquisitions of property and equipment in excess of \$500 are capitalized. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using primarily the straight-line method over the estimated useful lives of the assets (25 years for buildings and 3 to 7 years for equipment). Maintenance and repairs are charged to expenses and improvements are capitalized. Gains and losses from sales or retirements are recognized in the period of disposition.

#### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 1999 AND 1998

#### 1. Summary of Significant Accounting Policies (continued)

#### Revenue Recognition

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. All grant revenue is classified as unrestricted because it is received from grantors as reimbursement of certain expenses already paid by the Council using unrestricted funds. The Council had no restricted assets in 1999 or 1998.

#### Contributed Services

The Council receives donated services from a variety of unpaid volunteers assisting in the Council's programs. No amounts have been reflected in the financial statements for those services since they do not meet the criteria for recognition under SFAS No. 116.

#### Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

#### Income Tax Status

The Council is exempt from federal income taxation under Internal Revenue Code Section 501(c)(3).

#### Cash and Cash Equivalents

For purposes of the statement of cash flows, the Council considers all highly liquid instruments with an initial maturity of three months or less to be cash equivalents.

#### <u>Inventory</u>

Inventory is valued at the lower of cost or market using the specific identification method. During 1999, management classified all remaining inventory as obsolete. The loss from obsolescence was recognized in the year ended December 31, 1999 and is included in miscellaneous expenses in the statement of functional expenses.

#### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 1999 AND 1998

#### 1. Summary of Significant Accounting Policies (continued)

#### **Fundraising**

The Council sponsors fund-raising events in order to generate necessary operating funds. Income from special events is recognized as it is received, and is recorded net of related costs.

#### 2. United Way Funding

A significant portion of funding received by the Council to fulfill its purpose is received from one source, the Capital Area United Way in Baton Rouge, Louisiana. The United Way allocation receivable as of December 31, 1999 and 1998 is deemed fully collectible by management.

#### 3. Grants Receivable

Grants are received from state agencies reimbursing the Council for certain expenses related to self-reliance programs. Grants allocated to the Council totaled \$75,000 each for the twelve-month grant periods ended June 30, 2000 and June 30, 1999. Grants receivable are deemed fully collectible by management and are composed of the following amounts due at December 31, 2000.

Governor's Safe and Drug-Free Schools and Communities Grant	\$ 14,497
Louisiana Children's Trust Fund Grant	10,092
	<u>\$ 24,589</u>

#### 4. Note Payable

The note payable at December 31, 1999 is an insurance premium financing arrangement. The note, dated July 26, 1999 and in the original amount of \$11,837, is due in eight monthly installments of \$1,545 including interest at 11.69%.

#### 5. Affiliation

The Council is affiliated with national Camp Fire Boys and Girls. In accordance with the affiliation agreement, the Council paid fees in the amount of \$17,069 and \$15,695 for the years ended December 31, 1999 and 1998, respectively. The Council also buys a significant portion of its merchandise for resale from national Camp Fire Boys and Girls.

#### 6. Lease Expense

The Council leases office space on a monthly basis. Rent expense on this lease was \$15,385 and \$10,419 for the years ended December 31, 1999 and 1998, respectively.

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 1999 AND 1998

#### 7. Reconciliation of Change in Net Assets to Net Cash Provided By Operating Activities

	1999	1998
Change in Net Assets	\$19,748	\$42,076

## REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Big River Council of Camp Fire, Inc.
Baton Rouge, Louisiana

I have audited the financial statements of Big River Council of Camp Fire, Inc. (a not for profit organization) as of and for the years ended December 31, 1999 and 1998, and have issued my report thereon dated June 7, 2000. I conducted my audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

#### Compliance

As part of obtaining reasonable assurance about whether the Organization's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

#### Internal Control Over Financial Reporting

In planning and performing my audit, I considered the Organization's internal control over financial reporting in order to determine my auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance in the internal control over financial reporting. My consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. I noted no matters involving the internal control over financial reporting and its operation that I consider to be material weaknesses.

However, I noted other matters involving the internal control over financial reporting, which I have reported to management of the Organization in separate letter dated June 7, 2000.

This report is intended for the information of the board of directors, management, and awarding agencies. However, this report is a matter of public record and its distribution is not limited.

Kobert W. Brown

Baton Rouge, Louisiana June 7, 2000
