City Marshal, City of Natchitoches, LA

Notes to Financial Statements December 31, 1995

The Reporting Entity:

۰.

As provided by Louisiana Statute, the City Marshal administers the Court system of the City of Natchitoches, Louisiana. The City Marshal is elected to a term of six years.

In April of 1984, the Financial Accounting Foundation established the Governmental Accounting Standards Board (GASB) to promulgate generally accepted accounting principles and reporting standards with respect to activities and transactions of state and local governmental accounting and financial reporting standards. The codification and subsequent GASB pronouncements are recognized as generally accepted accounting principles for state and local government.

The City Marshal prepares its financial statements in accordance with the standards established by

the GASB. GASB Codification Section 2100 establishes criteria for determining the governmental reporting entity and has defined the governmental reporting entity to be the City of Natchitoches. The accompanying statements present only transactions of the City Marshal, a component unit of the City of Natchitoches, Louisiana.

Summary of Significant Accounting Policies: 2.

The accounting and reporting policies of the City Marshal conform to generally accepted accounting principles as applicable to governmental units. Such accounting and reporting policies also conform to the requirements of Louisiana Revised Statutes 24:517.

As the governing authority of the city, for reporting purposes, the City of Natchitoches, Louisiana, is the financial reporting entity for the local government. The financial reporting entity consists of (a) the primary government (city), (b) organizations for which the primary government is financially accountable, and (c) other organizations for which nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

Governmental Accounting Standards Board Statement No. 14 established criteria for determining which component units should be considered part of the City of Natchitoches, Louisiana, for financial reporting purposes. The basic criterion for including a potential component unit within the reporting entity is financial accountability. The GASB has set forth criteria to be considered in determining financial accountability.

- 1. Appointing a voting majority of an organization's governing body, and

The ability of the city to impose its will on that organization and/or a.

The potential for the organization to provide specific financial benefits to or impose b. specific financial burdens on the city.

Notes to Financial Statements December 31, 1995

These assets are recorded as expenditures in the General Fund when purchased. No depreciation has been provided on general fixed assets.

All fixed assets are valued at historical cost.

Long-term obligations expected to be financed from governmental funds are accounted for in the General Long-Term Debt Account Group, not in the governmental fund. The City Marshal had no long-term liabilities at December, 1995.

The two account groups are not "funds". They are concerned only with the measurement of financial position, not with measurement of results of operations.

Basis of Accounting:

۰.

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurement made, regardless of the measurement focus applied.

The General Fund is accounted for using the modified accrual basis of accounting. Its revenues are recognized when they become measurable and available as net current assets. Expenditures are generally recognized when the related fund liability is incurred. Purchase of various operating supplies are regarded as expenditures at the time purchased.

The City Marshal does not employ the use of "Encumbrance accounting".

Total Columns on Combined Statements-Overview:

Total columns on the combined statements - overview are captioned "Memorandum Only" to indicate that they are presented only to facilitate financial analysis.

Budgetary Practices:

As an officer of the court, the City Marshal is not required to submit a budget.

Investments:

The Marshal does not have any investments other than cash invested in interest bearing checking accounts.

3. Pension Plan:

Employees of the Marshal's office are members of the Louisiana Municipal Employees Retirement System. The City of Natchitoches pays the retirement costs for the Marshal's employees into the fund. Neither the City nor the Marshal guarantee the benefits granted by the retirement system.

General Fixed Assets: 4.

A summary of changes in general fixed assets is shown in the account group section of the report.

Litigation: 5.

The Marshal is not a party in any litigation seeking damages for the year ended December 31, 1995.

6. Related Party Transactions:

The Marshal had no related party transactions for the year ended December 31, 1995.

Expenses Paid by Other Governmental Units 7.

All salaries and wages, including the City Marshal and the employees of the Marshal's office, are paid by the City of Natchitoches.

Cash and Investments: 8.

For reporting purposes, cash and cash equivalents include cash, demand deposits, time deposits, and certificates of deposits. At December 31, 1995, the Marshal had cash equivalents totaling \$44,404. Under Louisiana Law, these deposits must be secured by Federal deposit insurance, or by the pledge of securities owned by the bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the bank. The deposits at December 31, 1995, were as follows:

To the Natchitoches City Marshal

We have performed the procedures included in the Louisiana Government Audit Guide and enumerated below, which were agreed to by the management of the Natchitoches City Marshal and the Legislative auditor, State of Louisiana, solely to assist the users in evaluating management's assertions about the Natchitoches City Marshal's compliance with certain laws and regulations during the year ended December 31, 1995, included in the accompanying Louisiana Attestation Questionnaire.
