INDEPENDENT ACCOUNTANTS' REPORT

Board of Commissioners
St. Tammany Parish Fire Protection District No. 8
Abbeville Springs, Louisiana

We have compiled the accompanying general purpose financial statements that do not include a statement of revenues, expenditures and changes in fund balance-budget and actual, for the General Fund and Special Revenue Fund of the St. Tammany Parish Fire Protection District No. 8 as of December 31, 1998, and for the year then ended, as listed in the table of contents, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements information that is the representation of the management of the St. Tammany Parish Fire Protection District No. 8. We have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or any other form of assurance on them.

The District did not prepare and legally adopt budgets for the General Fund and Special Revenue Fund as mandated by Louisiana Revised Statutes 39:1301-1314. Accordingly there is no presentation of a statement of revenues, expenditures, and changes in fund balance-budget and actual, for the General Fund and Special Revenue Fund for the year ended December 31, 1998. Presentation of such statements for those governmental funds for which budgets are required to be legally adopted is required by generally accepted accounting principles.

If the omitted statement of revenues, expenditures, and changes in fund balance-budget and actual, for the general fund and special revenue fund for the year ended December 31, 1998 were included in the financial statements, they might influence the user's conclusions about the District's financial position, and results of its operations. Accordingly, these financial statements are not designed for those who are not informed about such matters.

SKARDA & SILVA, L.L.P.
CERTIFIED PUBLIC ACCOUNTANTS

In accordance with standards established by the American Institute of Certified Public Accountants, we have also issued a report dated June 28, 1956 on applying agreed upon procedures for compliance with laws and regulations.

ST. TAMMANY PARISH FIRE PROTECTION DISTRICT NO. 8
Abita Springs, Louisiana

NOTES TO FINANCIAL STATEMENTS

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The St. Tammany Parish Fire Protection District No. 8 (the "District") was established by joint ordinance of the St. Tammany Parish Police Jury and the Town of Abita Springs, Louisiana on May 28, 1974. The District's boundaries coincide with the boundaries of the North Ward of the Parish of St. Tammany. The District is governed by a Board of Commissioners consisting of five resident property taxpayers, as provided by Louisiana Revised Statute 40:1496. The St. Tammany Parish Police Jury and the Town of Abita Springs, Louisiana each appoint two commissioners to two year terms. The four appointed Commissioners select the fifth member who serves as Chairman. Vacancies are filled by the bodies making the original appointments.

Fire protection districts are created for the purpose of acquiring, maintaining, and operating facilities, machinery, equipment, water tanks, water hydrants, water lines, and other things necessary to provide proper fire protection and control of the property within the district. The District interacts with the Abita Springs Volunteer Fire Department to carry out its objective.

The financial statements of the St. Tammany Parish Fire Protection District No. 8 have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the government's accounting principles are described below.

1. The Reporting Entity

The General Purpose Financial statements of the district include all funds, account groups and activities that are within the oversight responsibility of the District. Certain units of local government, over which the District exercises no oversight responsibility such as the St. Tammany Parish Police Jury, Parish School Board, independently elected parish officials, and municipalities within the Parish, are excluded from the accompanying general purpose financial statements. These units of government are considered separate reporting entities and issue financial statements separate from those of the District.

ST. TAMMANY PARISH FIRE PROTECTION DISTRICT NO. 9
Abita Springs, Louisiana

NOTES TO FINANCIAL STATEMENTS

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

As the governing authority of the Parish, for reporting purposes, the St. Tammany Parish Police Jury is the financial reporting entity for St. Tammany Parish. The financial reporting entity consists of (a) the primary government (Police Jury), (b) organizations for which the primary government is financially accountable, and (c) other organizations for which nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

Governmental Accounting Standards Board Statement No. 14 established criteria for determining which component units should be considered part of the St. Tammany Parish Police Jury for financial reporting purposes. The basic criterion for including a potential component unit within the reporting entity is financial accountability. The GASB has set forth criteria to be considered in determining financial accountability. This criteria includes:

(a) Appointing a voting majority of an organization's governing body, and the ability of the police jury to impose its will on that organization and/or the potential for the organization to provide specific financial benefits to or impose specific financial burden on the police jury.

(b) Organizations for which the police jury does not appoint a voting majority but are fiscally dependent on the police jury.

(c) Organizations for which the reporting entity financial statements would be misleading if facts of the organization is not included because of the nature or significance of the relationship.

The management of the Parish has not made a determination as to which units of local government should be considered component units of the St. Tammany Parish Police Jury for reporting purposes. The accompanying financial statements present information only on the funds maintained by the District and do not present information on the Police Jury, the general government services provided by the Police Jury, or other governmental units that comprise the financial reporting entity.

2. Fund Accounting

The District uses funds and account groups to report on its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities.

A fund is a separate accounting entity with a self-balancing set of accounts. An account group, on the other hand, is a financial reporting device designed to provide accountability for certain assets and liabilities that are not recorded in the fund because they do not directly affect net expendable available financial resources.

Funds are ordered into three major categories: governmental, proprietary and fiduciary. Funds within each major category are grouped by fund type in the combined financial statements. The funds and account groups used by the District are as follows:

GOVERNMENTAL FUND TYPE

Governmental Funds are those through which general governmental functions of the District are financed. The acquisition, use and balances of the District's expendable financial resources and the related liabilities are accounted for through Governmental Funds. The following are the District's governmental fund types:

A. GENERAL FUND

The General Fund is the main operating fund of the District. This fund is used to account for all financial resources not accounted for in other funds.

B. SPECIAL REVENUE FUND

The Special Revenue Fund is used to account for the proceeds of specific revenue resources (other than assessments, expendable trusts, or major capital projects) that are legally restricted to expenditures for specified purposes. This fund includes a special assessment of ad valorem taxes. The District will receive an additional 10 mills of ad valorem tax for a period of ten years. The tax is to be used for purchasing and maintaining new fire trucks and equipment, and constructing and maintaining a new fire station. (See Note D to the financial statements.)

NOTES TO FINANCIAL STATEMENTS

C. DEBT SERVICE FUND

The Debt Service Fund is used to account for the accumulation of financial resources for the payment of principal, interest and related costs on general long-term debt paid primarily from transfers from the Special Revenue Fund.

ACCOUNT GROUPS

Account groups are used to establish accounting control and accountability for the District's general fixed assets and long-term obligations. The two account groups are not "funds". They are concerned only with the measurement of financial position. They are not involved with measurement of results of operations.

A. GENERAL FIXED ASSETS ACCOUNT GROUP

This account group is established to account for all fixed assets of the District. Capital outlays in the General and Special Revenue Funds are recorded as expenditures of those funds at the time of purchase and are subsequently recorded for valuation purposes in the General Fixed Assets Account Group.

B. GENERAL LONG-TERM DEBT ACCOUNT GROUP

This account group is established to account for all of the District's long-term debt that will be financed from general governmental resources.

3. Basis of Accounting

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. All governmental funds are accounted for using a current financial resources measurement focus. With this measurement focus only current assets and current liabilities generally are included on the balance sheet. The operating statement of the fund presents increases (i.e., revenues and other sources) and decreases (i.e., expenditures and other uses) in net current assets.

ST. TAMMANY PARISH FIRE PROTECTION DISTRICT NO. 1
Abita Springs, Louisiana

NOTES TO FINANCIAL STATEMENTS

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

The modified accrual basis of accounting is used by all governmental fund types and agency funds. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e. when they become both measurable and available). "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures are recorded when the related fund liability is incurred. Principal and interest on general long-term debt are recorded as fund liabilities when due.

Three revenues of the District susceptible to accrual are ad valorem taxes, insurance taxes, state revenue sharing and interest. Substantially all other revenues are recorded when received.

4. Budget and Budgetary Accounting

The budgets for the General Fund and Special Revenue Fund have not been prepared and legally adopted as required by state law and generally accepted accounting principles; therefore, the financial statements do not include a comparison of revenues and expenditures to budget.

5. Encumbrances

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of monies are recorded in order to reserve that portion of the applicable appropriation, is not employed by the District.

6. Cash and Cash Equivalents

Cash includes amounts in demand deposits and certificates of deposits, if any.

Louisiana revised statutes authorize the district to invest in (1) United States bonds, treasury notes or certificates, or time certificates of deposit of state banks organized under the laws of Louisiana and national banks having their principal offices in the State of Louisiana, an investment as stipulated in ISA-S.S. 39:1271, or any other Federally insured investments or (2) in mutual or trust fund institutions, which are registered with the Securities and Exchange Commission under the Securities Act of 1933 and the Investment Act of 1940, and which have underlying investments consisting solely of and limited to securities of the U. S. Government or its agencies.

ST. TAMMANY PARISH FIRE PROTECTION DISTRICT NO. 8
Abita Springs, Louisiana

NOTES TO FINANCIAL STATEMENTS

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

7. Fixed Assets

General fixed assets are not capitalized in the funds used to acquire or construct them. Instead, capital acquisition and construction are reflected as expenditures in the General Fund and Special Revenue Fund, and the related assets are reported in the General Fixed Assets Account group. All purchased fixed assets are valued at cost where historical records are available and at estimated historical costs where no historical records exist. Donated fixed assets, if any, are valued at their estimated fair market value on the date received. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized. Assets in the General Fixed Assets Account Group are not depreciated.

8. Allowance for Uncollectible Receivables

The District's primary revenue sources, ad valorem taxes, become delinquent if not paid by March 1 following the year of assessment. Unpaid taxes attach as an enforceable lien on property. The Board of Commissioners considers all taxes to be fully collectible and, accordingly, no allowance for uncollectible receivables is provided in the accompanying financial statements.

9. Ad Valorem Taxes

Ad Valorem taxes are normally levied in November and billed in December. These taxes are due in January of the following year. Any unpaid taxes are collected in connection with an auction held in May. The Sheriff's department bills and collects the District's ad valorem taxes.

Ad valorem taxes are levied based on property values determined by the St. Tammany Parish Assessor's office (a separate entity). All land and residential improvements are assessed at 10 percent of fair market value, and other property at 15 percent of fair market value.

District ad valorem tax revenues are recognized when levied to the extent that they are determined to be currently collectible.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

10. Flexible Plan, Vacation, and Sick Leave Policies

All members of the District serve as volunteers. Accordingly, the District does not contribute to a pension plan and has no formal vacation and sick leave policy.

11. Fund Equity

Designations represent those portions of fund equity that have been segregated to indicate tentative plans for future resource use.

12. Interfund Transactions

Quasi-internal transactions are accounted for as revenues or expenditures. Transactions that constitute reimbursements to a fund for expenditures initially made from it that are properly applicable to another fund are recorded as expenditures in the reimbursing fund and as reductions of expenditures in the fund that is reimbursed. All other interfund transactions and reimbursements are reported as transfers. Non-recurring or non-routine permanent transfers of equity are reported as residual equity transfers. All other interfund transfers are reported as operating transfers.

13. Total Column on Financial Statements

The total column on the financial statements is captioned Memorandum Only to indicate that it is presented only to facilitate financial analysis. Data in this column does not present financial position in conformity with generally accepted accounting principles nor is such data comparable to a consolidation.

NOTE B - CASH AND CASH EQUIVALENTS

At year end the carrying amount of the District's deposits consisted of the following:

| | |
|--------------------------------|------------------|
| Cash in demand deposit account | \$ 33,848 |
| Cash in savings account | 21,841 |

In October, 1992 voters approved an additional 10 mill ad valorem tax for a period of ten years beginning with the year 1993 and ending with the year 2002. The tax is to be used for purchasing and maintaining new fire trucks and equipment and constructing and maintaining a new fire station within the District boundaries in order to enable the District to improve its fire protection rating for its citizens.

Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Public Bid Law

1. Select all expenditures made during the year for material and supplies exceeding \$5,000 and determine whether such purchases were made in accordance with LA-PS 38:2211-2251 (the public law).

Three expenditures were made during the year for materials and supplies exceeding \$5,000. No examined documentation which indicated that all of these expenditures had been properly advertised and accepted in accordance with the provisions of LA-PS 38:2211-2251.

Code of Ethics for Public Officials and Public Employees

1. Obtain from management a list of the immediate family members of each board member as defined by LA 23:1101-1104 (the code of ethics), and a list of outside business interests of all board members and employees, as well as their immediate families.

Management provided us with the required list including the noted information.

3. Obtain from management a listing of all employees paid during the period under examination.

Management provided us with the required list.

4. Determine whether any of those employees included in the listing obtained from management in agreed-upon procedure (2) were also included on the listing obtained from management in agreed-upon procedure (3) as immediate family members.

None of the employees included on the list of employees provided by management [agreed-upon procedure (3)] appeared on the list provided by management in agreed-upon procedures (2).

Budgeting

5. Obtain a copy of the legally adopted budget and all amendments.

The management of the District did not prepare and legally adopt budgets for the General Fund and Special Reserve Fund for the year ended December 31, 1995 as mandated by Louisiana Revised Statutes 29:1301-1314.

6. Trace the budget adoption and amendments to the minute book.

The management of the District did not prepare and legally adopt budgets for the General Fund and Special Reserve Fund for the year ended December 31, 1995 as mandated by Louisiana Revised Statutes 29:1301-1314.

Meetings

9. Examine evidence indicating that agenda for meetings recorded in the minute book were posted or advertised as required by SSA-88 42:1 through 42:12 (the open meetings law).

The District is only required to post a notice of each meeting and the accompanying agenda on the door of the district's office building. Management has asserted that such documents were properly posted and we examined evidence supporting such assertion.

Debt

10. Examine bank deposits for the period under examination and determine whether any such deposits appear to be proceeds of bank loans, bonds, or like indebtedness.

We inspected copies of all bank deposit slips for the period under examination and noted no deposits which appeared to be proceeds of bank loans, bonds, or like indebtedness.

Advances and Bonuses

11. Examine payroll records and minutes for the year to determine whether any payments have been made to employees which may constitute bonuses, advances, or gifts.

A reading of the minutes of the District for the year indicated no approval for the payments noted. We also inspected payroll records for the year and noted no payments to employees which would constitute bonuses, advances, or gifts.

We were not engaged to, and did not, perform an examination, the objectives of which would be the expression of an opinion on management's assertions. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the use of management of the St. Tammany Parish Fire Protection District No. 8 and the Legislative Auditor, State of Louisiana, and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes.
